THE TECUMSEH HERALD

NINETY-FOURTH YEAR—NUMBER FOURTEEN | TECUMSEH, MICHIGAN, THURSDAY, JANUARY 6, 1944 | FIVE CENTS PER COPY

4th Bond Drive Begins Jan. 16

TECUMSEH'S QUOTA HAS BEEN SET AT $354,000; $750 LESS THAN IN 3RD LOAN

The village and township of Tecumseh have been asked to subscribe $354,000 as their share of the Fourth War Loan in Lenawee county, W. L. Berkhof, local chairman, announced today. The sum is only $750 less than in the Third War Loan when this area oversubscribed its quota by more than $55,000. The national quota is 13 billion dollars, compared with 15 billion in the Third Loan.

"We are fortunate, indeed, that our government did not ask us for even more money than in the Third Loan," Mr. Berkhof said. "As the war progresses more bonds are needed, and I believe that Tecumseh will again meet its quota and exceed it. We are fighting a desperate enemy, but we are on our road to Victory."

Tecumseh's quota in E bonds in the new drive is the same as in the last one, $104,000. Other bonds amount to $250,000. In the Third Loan campaign Tecumseh subscribed $399,964.75 of which amount $107,178.75 was in E bonds.

Lenawee county's quota in the Fourth loan amounts to $3,438, 150. Of this amount the city of Adrian will be responsible for the subscription of more than $2,100,000. Other quotas in this area are: Britton, $8,900; Blissfield, $245,000; Clinton, $110,000; Onsted, $26,000; Hudson, $240,000; Ridgeway, $750.

Mr. Berkhof announced that a meeting of the "steering committee" of the local drive would be held at his home this week to map plans for the Fourth Loan campaign which will get under way on January 16 and continue through February 15. He indicated that the drive locally would again be sponsored by the Rotary Club, as was the Third Loan campaign.

New Youth Club Plans Formal Opening Soon

The Opekasit Club, Tecumseh's newly organized recreation center for youths of the village, have its formal opening within two weeks, it was announced today following a meeting of the directors of the club, last evening.

The new club is located in the former Palman store building on East Chicago boulevard and is supervised by Mrs. Purnell Osburn. It is open on Monday through Thursday from 7 to 10 p.m., and on Friday and Saturday evenings, from 7 to midnight. It is open to all youth of the village over 14 years of age. There is a small initiation fee.

The club now has a juke box, an ice cream vending machine, contributed by the Tecumseh Refrigeration Sales & Engineering Division of the Products Co. There also is a coke bar and shortly, it is hoped two billiard tables and ping pong tables will be installed. There will be dancing for those who desire.

The club is now open each evening, but it was deemed advisable to delay the formal opening until all fixtures have been installed.

The club is financed from funds obtained in the recent Community Chest drive.

MRS. KITTIE WRIGHT BURIED IN YPSILANTI

Mrs. Kittie Wright, widow of the late James Wright of Macon township, died Sunday in an Ypsilanti hospital, where she had been a patient for four years. Mrs. Wright was 78 years of age and came to Macon from Belleville in 1926. Her husband's death occurred in 1939.

Survivors are a nephew, Clarence Ziegler who lived in the Wright home for several years, and a niece Mrs. Grace Cook of Flat Rock.

New Gas Ruling Now In Effect

OPA CODE REGULATING SALE OF CARS, TRUCKS EXPLAINED BY DIRECTOR

DETROIT, January 6—Motorists and automobile dealers in the Detroit area were reminded today by W. E. Fitzgerald, Detroit OPA director, that the new plan designed to assure the return of outstanding gasoline ration coupons for all new and used automobiles and trucks that are sold is now in effect.

Since last Saturday (January 1), persons buying new or used vehicles from anyone, whether a dealer or a private individual, have had to obtain a duplicate receipt from the seller in order to be eligible for a gasoline ration, Fitzgerald explained.

"Under the plan, the owner of a vehicle intending to sell it must return to the board, in person or by mail, the ration coupons originally issued for the vehicle", he said. "After he receives the coupons the board will issue in duplicate, a receipt for surrendered gasoline rations. Both copies of this receipt together with the tire inspection record are to be given by the seller to the person buying the car or truck."

Like private individuals who sell their cars, automobile dealers are to obtain duplicate receipts for each car they have for sale, and will deliver both copies of the receipt to the buyer when a car is sold.

By January 11, each dealer must report his inventory as of December 31 to the local board, and the board will send him a receipt, in duplicate, for each car reported by him.

Mr. Fitzgerald explained that the buyer of a vehicle is to give the original copy of the receipt to the state motor vehicle registrar when applying for a new registration certificate. The duplicate copy of the receipt and the tire inspection record are to be given by the buyer to his local board when he applies for a new gasoline ration for his car.

Without this receipt, the local board cannot issue a new gasoline ration.

While gasoline rations always had to be surrendered upon the sale of a vehicle, the plan of transferring receipts when a car is sold, and requiring that the receipt be presented at local boards when application is made for a new ration, will bring about greater compliance with regulations, Fitzgerald said. Since more than 200,000 vehicles change hands each month throughout the country, full compliance with the rationing regulations will prevent the possible diversion of substantial amounts of gasoline to wasteful or unlawful uses.

WILLIAM A. KIMBALL DIES AT CLINTON

William A. Kimball, aged 70 years, died suddenly last Wednesday at the home of his brother L. W. Kimball in Clinton where he had lived for eight years. Mr. Kimball was born in Franklin but had lived in Chicago and New York for many years before coming to Clinton. He was a member of the Masonic Lodge.

The brother is the only survivor.

The usual luncheon will be postponed until February.

Franklin Shea Cooks Christmas Dinner For Yankees In Italy

An interesting story in the New York Sun told of the Fifth Army in Italy, under General Clark eating turkey to the accompaniment of blasts of German shells, with their whistle and screech. A trailer carrying hot turkey in containers tipped over in the mud just as it was being delivered; the containers held together and none was lost. The soldiers had been on the mountain tops 14 days, they were bearded, haggard, muddy and fatigued. How they felt to get a hot turkey dinner can be imagined.

The cook was Franklin Shea of Tecumseh who said it was the third Christmas dinner he had cooked and he hoped it would be his last. Many other Tecumseh boys are members of the Fifth Army.

New Year's Fire Damages House

LEGION MEMORIAL PROPERTY SCENE OF BLAZE; FARM HOME ALSO DAMAGED

A New Year's Eve fire which started from an overheated stove pipe, badly damaged the second floor apartment of Mrs. Frances Higgins and Miss Edna Arnold in the former Nobles property at Evans and Pottawatamie streets now owned by the American Legion Memorial Association. Their clothing was destroyed and most of the furnishings damaged and a pet dog belonging to Mrs. Higgins was smothered. A hole was burned in the floor and another in the partition. The young women carried no insurance on their belongings but the loss to the house was covered.

On New Year's afternoon the fire department was called to the Ralph Joseph farm southwest of Tecumseh to extinguish a roof fire. Only slight damage resulted.

Meetings Are Resumed By The Monday Club

Tecumseh Monday Club resumed meetings this week after the holiday recess. Miss Gertrude Spaulding was leader and gave an interesting talk on the work of the nurses aides. Other interesting program. Mrs. J. A. Rathbun also spoke on the work of the county Red Cross and Mrs. Frank Smith showed movies of first aid demonstrations.

The program included a piano solo by Mrs. W. G. Waldron; a carol sung by sixth graders under the direction of Mrs. John McColl, with David Green as soloist.

At next week's meeting, Dr. Norman MacNaughton, head of the department of Psychology at Adrian College, will speak on "The Christian Philosophy of Life." Mrs. Kenton Hunt is arranging the musical part of the program which is to include a vocal solo by David Green. Mrs. Clare Beland and Mrs. Martha Lowe are the hostesses.

ERNEST UPDYKE, WIFE MARRIED FIFTY YEARS

Mr. and Mrs. Ernest Updyke who live northwest of town, celebrated their golden wedding anniversary Tuesday, January 4 and in the evening entertained a group of relatives and friends at a potluck supper and social evening. Guests came frof Tecumseh, Clinton, Milan and Adrian and among the many gifts received was a floral piece of 50 yellow mums.

The feature of the supper was a three tier decorated wedding cake, a gift from their children. A short program was enjoyed and included an original wedding skit by Mrs. Willis Smith.

Mrs. Pawson was formerly Nina Pawson of Franklin and she and Mr. Updyke were married 50 years ago at the Methodist parsonage in Clinton by Rev. Ramsdell. They have always lived in this community and are the parents of two sons and three daughters, and have eight grandchildren.

1944 Auto Tags Available Now

ONLY ONE PLATE WILL BE ISSUED THIS YEAR; REGULATIONS ARE THE SAME

The full year 1944 Michigan auto license plates went on sale Monday, January 3, at the Adrian office of the secretary of state. The plate is of steel and only one plate is issued, to be attached to the rear of the vehicle. Full year plates are on a maroon background with white numerals.

As there are no changes regarding the regulations to purchase plates, no new explanations will be necessary.

1. All passeger car applications must be accompanied by the title.

2. All commercial applications must be accompanied by the title and weight slip or registration stub from former year with weight listed.

3. All trailers must be accompanied by either a weight slip or last year's registration with the correct weight listed.

4. If commercial vehicle or trailer has been altered to change the weight, the same must be re-weighed and the correct weight slip accompany the title or application as the case may be.

5. If old registration stub is lost the vehicle must be re-weighed and correct weight slip accompany the application.

6. All farmers wishing farm rate on both commercial vehicle and trailers over five hundred pounds must sign on the back of the application blank certifying that they are a farmer and entitled to the farm commercial rate.

Again this year the secretary of state is asking all motorists to turn in their old 1942 plates if possible to be used over in the war effort.

Icy Pavement Blamed In Death

BLISSFIELD WOMAN KILLED WHEN CAR SKIDS; TRAFFIC DELAYED BY STORM

Mrs. Lois E. Clapp, 22, of near Blissfield, an employee of one of Adrian's war plants, suffered fatal injuries Wednesday morning when her car skidded on the icy pavement on the townline road, three miles from Blissfield. The car left the road, struck a fence and overturned.

Mr. Clapp, husband of the victim, is stationed at an Army air base in Texas. The wife and their nine months old child have been making their home with her parents, Mr. and Mrs. Geo. Rogers, who live south of Blissfield.

Tuesday night's dense fog and Wednesday morning's fog and ice accounted for scores of minor accidents on Lenawee county roads. Traffic on Blissfield hill Wednesday morning was held at a snail's pace and several cars were reported off the road on M-52, between Billington's Corners and Adrian. A truck overturned on the same route, just east of Tipton and liberated three steers, two cows and 14 hogs, Wm. Budd of Leslie, the owner, was searching for the livestock yesterday afternoon.

Reports from the state said that the storm was general over lower Michigan and that it was responsible for at least two other fatal accidents and scores of minor traffic mishaps.

"SECRET WEAPONS" RACKET

The Nazi officials are attempting to secure psychological effects by boasting of "secret weapons," either to boost home morale or to wreck enemy morale and the various stories are being widely circulated by Allied and neutral correspondents and commentators who need something to write about.

The latest yarn comes from Zurich, Switzerland, and tells of a rocket shell, forty-five feet long and weighing twelve tons, which the Germans expect to use against Britain before the Allies complete plans for the invasion of Western Europe.

This is interesting, if true. The surest evidence that it is hokum, however, is the publicity given the rockets by the Germans themselves. Obviously, if the Nazis have a weapon of power, which they plan to use against their enemies at a propitious opportunity, they would not be advertising it and thus lose the effect of a surprise attack.

BLOODY BUSINESS

War is bloody business, dealing in death and leaving in its wake crippled and wounded men, whose subsequent lives will be permanently marked by suffering and disabilities.

The American people have not yet realized the probable cost of victory largely because the armed forces of the nation have not been fully engaged in combat. If it becomes necessary for us to overpower our enemies by combat, the casualties will be numbered in the hundreds of thousands.

Along this line, Colonel Joseph I. Martin, Surgeon with the Fifth Army in Italy, warns American families of the psychological shock of receiving into their homes crippled and wounded sons, brothers and husbands.

The doctor says that the war will not end with the armistice for these wounded men whose lives have been spared by the skill of medical workers. Disabled veterans and disfigured men will come through the fire of shot and shell and the explosion of bombs and land mines to live. They will attempt to carry on and round out their existence as normally as possible.

The families of crippled and disfigured men must exert themselves to assit the veterans to reframe their live and overcome their handicaps. The results of the war, if it is fought to a decision, will be visible in thousands of homes and millions of Americans will have ample opportunities to demonstrate their appreciation of teh sacrifices that fighting men make for their homes and their country.

ONSTED

Guests recently of Mr. and Mrs. Charles Shultis were Miss Virginia Waage of Chicago, Mrs. Nellouse Brokaw of Coldwater and Miss Leora Horning of Lansing. Added dinner guests last Wednesday were Mr. and Mrs. Rudy Boss and Mr. and Mrs. Roland Russell.

Stumped

"I don't know how to fill out this question, sir.

"What is it?"

"It says: 'Who was your mother before she was married?' I didn't have any mother before she was married."

He Won't Be 'Dun' So Much

"I don't see why you haggled so with the tailor about the price—you'll never pay him.

"But, you see, I'm conscientious; I don't want the poor fellow to lose more than is necessary."

Protect Family Health By Keeping Your Home Warm

Your doctor can tell you how important it is that you maintain an even temperature in your home to assure proper family health.

If your is drafty, install weather stripping around loose-fitting doors; install storm sash to the windows. Close off rooms that are unimportant, that you do not use and need.

Insalate to Keep Heat In

You'll find that your greatest heat loss is through the roof of your home. Insulate—you'll cut your fuel bill as much as 30 per cent through proper insulation—a saving that will pay for the cost of insulation in a very brief time. In insulation we have Red Top Glass Wool, Long Fiber Rock Wool and Zonolite. Your choice of rolls, blankets or loose. Prices are as low as three and a half cents a square foot.

ORCHIDS for your Standard Oil Dealer? Well, he wouldn't expect them. And yet the vital character of his job and the steadfast way he is doing it are worthy of real recognition. Without his services on the home front, the war effort would be impeded . . . For instance—millions of war workers have no way of getting to work except by auto . . . At some plants 90% of employees get to and from their jobs by car . . . 2,211 U. S. cities with 11,162,000 population have no trolleys, buses, or other transit facilities—depend on private cars.

NEWS OF OUR MEN and WOMEN IN UNIFORM

Mr. and Mrs. M. W. Mathews have received the following V-mail letter from Pfc. Barton J. Meyer, who made his home with the Mathews family for nine years before army induction. He has since been in Africa and Sicily and recently was transferred from Sicily to Italy:

Oct. 31, 1943

Dear Folks:

Received your most welcome letter yesterday and will answer at once. Glad to hear from you and that everything is going O.K. Wish I was back there and the war was over—but all we can do is wait and wish.

First of all I will tell you that we were the first to land in Sicily and will tell you about the country. The people are much like the people in the States, that is they dress the same, except the rags and patches; but they are unlike the people of Africa. The country is nice to look at sort of reminds one of a story book come true. The country is divided with stone walls which range in height from 8 to 10 feet. Some are 4 feet high. It must have taken centuries to build them. The homes are like the ones here in Italy, made entirely from earth, stone, marble, tile and concrete. They use aluminum a lot. The farming is all done with primitive tools, with oxen for power. Grain is harvested by hand and threshed by the horse or donkey method, the same as they pump water. Four wheeled wagons are as scarce as automobiles, practically none. Some of their hi-ways are very good. They take great pride in beautifying them with trees on both sides of the road; some places they use palms and geraniums. The sanitation in both Italy and Sicily is very poor. Plumbing is poor, both in workmanship and material.

The weather here in Italy is wet and foggy now; not so cold but enough to be miserable. The days are very short. At 6 o'clock it is pitch dark.

The country here is pretty rolling hills and looks like a huge quilt —the fields present a picture that looks like that—some green, some brown and some just plowed, and dotted here and there are the peoples homes in a variety of colors, which all blending in with the colors of nature makes a pretty picture.

Must close now. Will write more later and am sending pictures.

"Sonny"

Pfc. Barton J. Meyer.

To Mr. Wickwire, Editor

Dear Sir:

I would like to express my appreciation and grateful thanks to all hands responsible for sending The Tecumseh Herald to me.

It is needless to say that the paper means a lot to me because through it I am not only able to get all the news of the home town but it makes it possible to keep track of the whereabouts and doings of most of the Tecumseh servicemen.

I think the American Legion is doing a real service and deserves much credit for the thoughtful development of making it possible for Tecumseh servicemen to receive the Herald.

Sincerely,
Don Brazee.

Dec. 7, 1943

Dear Mrs. Keyser:

Received your swell package of stationery yesterday. It was really a very handy gift. I just ran out of paper, so am writing you on this swell stationery.

When you think back and remember all the Xmas with snow and the gala holiday season it makes one think of home and all the wonderful times you used to have. When you're out in a tropical jungle and hear shells and bombs at night you do a lot of thinking. When at Xmas you received a swell gift from a fine organization, you know that back home they are hoping that you are well, wishing you happiness and the best of luck. You have a feeling that you are fighting for something you can't describe.

I must close and drop a line to the folks.

Yours,
Ernie.

Dear friends:

For the past couple of weeks I have been receiving The Tecumseh Herald and after some inquiring hav located its source.

It is not necessary to tell you how much this gift is appreciated, as news from home is always welcome.

"The Herald" is certainly a most generous gift and one which is typical of Tecumseh.

In the service we frequently spend evenings exchanging stories and bragging about our home town. And with a home town like Tecumseh one is never at a loss for words of praise.

Thanks again for the paper.

Sincerely,
Bill Lenardson

27 December 1943
Norfolk, Virginia

Dear Mr. Wickwire and Commander of the Tecumseh Legion:

We never miss things until they are taken away from us. Well, nothing was taken from me, rather I was taken from it, and by it I mean home, friends, Tecumseh, which represents all of this.

The Herald is helping to bridge the gap, and bring Tecumseh (God Bless Her) a little closer. For this I am grateful, and I wish to express my appreciation to you and to the Tecumseh Legion for sending The Herald to me.

I know no way of adequately conveying to you just how much it means to have the people at home behind you and thinking of you; so I will meagerly say, thanks again, and may we all be home soon to enjoy what so many of us took for granted—being citizens of Tecumseh.

With best wishes for a most Happy and Prosperous New Year, I remain,

Sincerely yours,
Gibbs Barber

P.S. I am enclosing our weekly paper, which you may find interesting.

San Diego, Calif.
Dec. 9, 1943

Dear Sir:

I will write you a few lines to thank you for the Herald which I was surprised to receive. It sure feels good to read about all of the news around home.

Military life has been going along pretty smoothly with me so far. California is a nice state but I'll still prefer good old Michigan. When I graduated from high school I thought my school days were over with but I guess not, as I start to school again Monday. Well this isn't much of a letter but I'm not much of a letter writer. Many thanks to who ever is responsible for sending me the Herald.

Sincerely yours,
Herbert L. Flager

Michigan's Blue Service Stars Are Rapidly Turning To Gold

BY GENE ALLEMAN
Special to The Herald

Lansing, Jan. 6—Michigan's silver stars are turning, in an increasing number, to gold.

The village of Holly, in Oakland county, is typical of hometown everywhere in Michigan. Within the past few weeks, telegrams from Washington have been delivered to three homes of Holly mothers, fathers and relatives. Here were the fateful words: "The Secretary of War (or Navy desires that I tender his deepest sympathy . . ."

Donald C. Hulet, age 22, son of Mr. and Mrs. Rutherford Hulet. He was killed in the Pacific South Seas.

Robert Bravender, son of Raymond B. Bravender. He was a co-pilot of a Flying Fortress. And Alan N. McDaniel, who worked with his brother, Harry, in a welding and blacksmith business at Holly. He also was killed in action, over Italy, while on a bombing mission.

* * *

Why were these young Michigan boys killed—one at the Pacific front, half way round the globe, and two at our European front?

A lot of Michigan people—especially the fathers and mothers of young men now in World War II—are asking this question. They would like to know the answer.

And many Michigan boys in camps and at our fighting fronts are asking a sequel to it: After we win the war, will we win the peace? Victory without peace seems a cost price for death on a battlefield, tomorrow as yesterday.

The boys remember the discussions at dinner tables, prior to Pearl Harbor, when Dad and Mom said we should keep out of war . . . mind our own business . . . let Europe run its own affairs. And, anyway, weren't we 3,000 miles away, safe and secure?

* * *

Sure, we minded our own business, didn't we?

Then the dirty Japs pulled a fast one at Pearl Harbor, and the Nazis just laughed and declared war on us—we, the United States of America!

Of course, we got mad. We're still angry. So are thousands of Michigan boys in camps and with MacArthur in the Pacific and Eisenhower in Europe. Some of these boys are sons of men who served in World War I. They know, and so do we, that we didn't save the world for democracy after Nov. 11, 1918. Something happened.

When a paperhanger in Germany wrote a book called "Mein Kampf", the world smiled. But that wasn't new. A carpenter by the name of Jesus Christ received the same reception from much of the world, centuries before. But each man had an idea—although as different as night is from day.

While we Americans were minding our own business, the German paperhanger was telling the frustrated Germans: "Germany was not dated in the war; Germany was betrayed by the Jews and the Marxists. The allies imposed an unjust peace. Germany, under my leadership, will be invincible!"

* * *

Well, we remember what happened—Hitler accomplished exactly what a member of the German general staff said would happen in a talk with Dr. William Seaman Bainbridge, a distinguished American, way back in 1915—two years before World War I began! And here, in part, is what the general staff officer said with remarkable prophecy should Germany lose World War I: "An armistice will come before any hostile army crosses Germany's frontiers. There will be no fears on the fatherland from this war . . . Following the war there will be economic hell, industrial revolution. We will set class against class, individual against individual, until the nations will have pretty much all they can attend to at home and not bother with us.

"The greatest struggle will come after the war. The weapon will be propaganda, the value of which we know. The allies will be torn asunder, each will be put at the other's throat like a lot of howling, gnashing hounds. And when they are all separated from France, Germany will deal with her alone."

* * *

Then recall how Hitler seized control as dictator in January, 1933. (FDR was elected president in November 1932. Germany withdrew from the League in 1933; annexed the Saar and adopted conscription in 1935; repudiated the Locarno (security) treaties in 1936, repudiated the Versailles treaty "war guilt" clause, shelved its "Polish Corridor" agreement with Poland and created the Rome-Berlin-Tokio axis in 1937, and finally annexed Sudetenland by the Mulch four-power pact in 1938.

You know the rest—the Nazis' march into other peace-loving nations, always one by one, until September, 1939, four years ago, when World War I became World War II.

Ten years after Hitler started his march to "Der tag", our nation is again at war. In north Michigan and the Upper Peninsula thousands of men ad wome, airplane watchers, scan the skies 24 hours a day for the silhouette and hum of German airplanes. Sault Ste. Marie is the headquarters for the air defense of most of Ontario in Canada and 17 American states in the sprawling Middle-West. Why? Because modern air power has annihilated space, changing isolated security of Michigan into a vulnerable target of German planes once they establish a northern bombing base from which to fly over the circle route. Such is the solemn truth, as our highest military authorities vouch for it.

* * *

Less than 50 miles from Sault Ste. Marie an important political assemblage was held in September. Governors and congressmen adopted a "Mackinac Charter", pledging post-war cooperation by this country in keeping the peace.

A military alliance with the British was endorsed by Michigan's Thomas E. Dewey and Clarence Budington Kelland. Wendell L. Willkie is for it, and so is Rep. Clare Booth Luce. Winston Churchill asures the absence of partisan opposition in England, and Secretary of State Cordell Hull goes on the radio to confirm official consideration here of such an agreement.

As the casualty lists grow longer, splashing our silver stars with gold, what will we think and do? Will we return to nationalism and its renunciation of world responsibility for winning the peace?

As one Michigan newspaper editor forecast gloomily in an editorial a few days ago, death sentence is being pronounced today on the grandsons of Michigan grandfathers—those kids who are just entering kindergarten or first grades—and who will surely die in World War III if history repeats itself and the judgment of that German general staff officer, back in 1915, again becomes the pattern of tomorrow's interlude which we may call peace.

We wonder what those Holly boys—Donald Hulet and Robert Bravender and Allan McDaniel—would want us to do.

We, the people, must give them an answer. There is no escape.

The Harfony Home Makers Club will meet Wednesday, January 12 at the home of Mrs. Thomas Murphy with Mrs. Winton Murphy, Mrs. Ralph Atcheson and Miss Fern DePuy assisting in entertaining. Pot luck dinner at 12:30 will be followed by a program in charge of Mrs. M. G. Partridge and an exchange of gifts.

AlC Donald Carlson has been transferred from Santa Ana, Calif., to Las Vegas, Nev.

NEWS OF OUR MEN and WOMEN IN UNIFORM

Camp Pendleton, Oceanside, Cal.
Mr. Wickwire, Editor:

This letter is to express my thanks for the most welcome surprise I had when I found the December 2nd issue of the "Herald" in the mail room last evening.

I soon expect a change of address but I sincerely hope that wherever I may be I will still receive the Herald.

I would also like to use this to express my congratulations to the Tecumseh Indians for such a fine record this past season and I hope they will continue to be successful for many seasons to come.

Sincerely,
Vern J. Manwaring, Corporal
U. S. Marine Corps.

Mr. Wickwire, Editor

I'm writing this letter to thank you for the Herald. When it came the first time I thought that some of my relatives or folks had sent it but seeing that I've been getting it right along for the last three or four weeks I guess you've been doing the sending and I sure enjoy it very much.

I am down here in Louisiana on maneuvers. I am in a machine squad. Down here you don't know how much I appreciate getting the Herald. My home is all in Tecumseh, Michigan and I'll be glad when I get back there to stay again. I am in the 89th Div. and we don't have any vehicles or jeep, we walk quite lot in fact it isn't nothing for us to walk ten or twenty miles in a day with all equipment. Well it is almost chow time and I've got to get cleaned up. We are living in pup tents here and the weather is sure warm in the day time but kind of chilly at night. Well, I'll say so long and thanks again for the Herald, now I can get some of the knw of what's happening in my own home town.

Sincerely,
Pfc. William H. Creger, Jr.

Dec. 15, 1943

Dear Sir:

I am writing to thank you or persons for sending the Herald. I enjoy it very much and thanks a million. I am also writing to inform you of my change of address. Well, thanks again.

Sincerely yours,
Herbert Maynard

we'll all PULL THROUGH if we all PULL HARD!

Yes, we're all in the same boat. Final victory in this war depends on every single one of us . . . the careful planning of our government, the increased productivity of our farmers, the wholehearted cooperation of food retailers, and each housewife's willing adjustments to rationing and shortages. Together we can keep one of our most vital weapons, food, fighting for freedom! Our individual efforts will add up to a mighty force in pulling our Victory-boat to safe shores!

The sailing isn't always smooth. Restrictions on delivery, shortages of favorite foods, the manifold problems of price regulations . . . may sometimes make for harried tempers. But keep a firm hold on those oars! Remember, your grocer is coping with difficulties too, but is happy to help you serve nutritious meals . . . for the extra war-energy of your family. Pull hard with him and we'll all pull through!

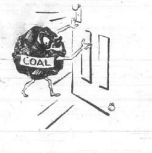
IT is important that you get more heat from your fuel this winter because less coal will be available, and because every shovel full you can save is another shovel full to feed our war production plants, so that Victory can be brought about sooner! We assure you of our every effort to serve you, and to meet the coal requirements of all our customers on a fair-and-square basis. And to help you get more heat from your coal, here are six easy steps to follow in your home all winter:

If your home is well insulated and has automatic heat control, it's fine to turn down the thermostat about 5 degrees through the night —to save. BUT DON'T REDUCE THE TEMPERATURE MORE, or you'll create hours of forced draft the next morning, before the house gets warm. In other words, you may SAVE MORE by maintaining even temperature day and night.

A HEARTH TO HEARTH TALK!

When the first balmy days of spring seem to arrive—but still with a pinching nip in the air toward late afternoon, you can drop your furnace 'way down—perhaps turn it off entirely—and let your fireplace keep the main room of the house warm. Get more heat out of your fireplace by using a raised grate or basket so the air can circulate under the fire. Close the fireplace damper when not in use, so house heat will not escape up the chimney.

OPEN DOORS JUST MAKE ME BURN!



Before you open the window of any room, close the door first, so you don't chill the house every time you get fresh air! Remembering to close the door before opening the window saves you cash—by preventing the waste of fuel! Train the family to close doors—and conserve coal.

When the temperature of a room gets too hot, don't cool it off by opening the window and letting the heat escape! Just turn off the radiator valves until the room temperature drops sufficiently—and remember that every shut-off radiator means less fuel is burned up in the furnace. Even if you live in an apartment, take this precaution, because every bit of fuel saved (whether it saves you actual cash or not helps win the war!

I'M A DRAFT EVADER!

Pull down the shades to save fuel—because when the heat you pay for hits cold windowpanes it is shattered! But when it hits drawn shades there's the same affect as an insulating air pocket, which keeps more heat in the house and saves fuel-especially when the chill of night begins. It may pay you many times over to get window shades if you own none—or replace shabby ones. They're inexpensive!

A CRACK IS NO JOKE!

Door bottoms that are sufficiently above the floor to let cold air sweep into the room, sabotage your fuel saving efforts! Either cut a strip from an old mat and tack to the bottom of the door on the inside, or fashion sturdy rolls, cable-wise to stuff against door bottoms. Remember too, to close off unused rooms, shutting off their radiators and closing their doors tightly, filling door cracks.

FBI Police Meetings at Jackson, January 11

The FBI Police Conference for January, 1944, for the Jackson area will be held at the Jackson County Building, 312 South Jackson street, Jackson, Michigan, beginning at 7:00 p.m. Eastern War Time, on Tuesday, January 11.

This conference is part of a nation-wide plan directed by President Roosevelt to coordinate all law enforcement efforts to the furtherance of our present-day war program, as well as regular police work. During the last series of conferences held in the Eastern portion of Michigan, there was an aggregate attendance of nearly 3,500 law enforcement officers.

Two features of the program will be an address by Larry Knox, Chief of Police of Wayne and state commander of the American Legion; and a well-known radio personality, Jerry McSafety, the "Charlie McCarthy of the Detroit Police Department." The conference will be directed by John S. Bugas, special agent in charge of the Detroit field office. A talk on selective service will be presented by a special agent of the FBI, and a new film of battle scenes in Europe will be shown. This film has just been released.

Invitations have been extended to all law enforcement officers in Hillsdale, Jackson and Lenawee counties, as well as to all railroad police officers and prosecuting attorneys. Invitations have also been extended to all auxiliary police officers through their various departments in a further effort to consolidate law enforcement bodies in the area to meet any emergency in the war program which may develop in the future.

Later games were played and prizes won by Mrs. Fred Marsh, Mrs. Frank Gray, Mrs. Claud Gray, Mrs. Guy Belding, Mrs. Betser and Mrs. Verdi Skinner.

Mrs. Belding and Mrs. George Church will entertain the club January 19 in the Belding home.

MRS. HILA E. BARROWS BURIED IN ROME, SUNDAY

Mrs. Hila E. Barrows, widow of Carey E. Barrows, died Thursday at midnight at her home southwest of Onsted after a week's illness. Mrs. Barrows who was 78 years of age, was born and spent her whole life in this community. She was formerly Hila Brooks.

She leaves two sons Fay and Eber of Onsted, a daughter Mrs. W. H. Jewell of Detroit; four brothers Hiram and George Brooks of Onsted, Arch Brooks of Mantiou Beach and Fred Brooks of Detroit; three sisters Mrs. Stella Onsted, Mrs. Veda Riley and Mrs. Emma Real all of Onsted, and several grandchildren.

Funeral services were held Sunday at the Dunn Funeral Home with Rev. F. D. Hague officiating. Burial was in North Rome cemetery.

HOW'S YOUR FUEL OIL?

DETROIT, Jan. 6—To help householders in budgeting their fuel oil consumption this winter, the OPA today issued the tenth in a series of weekly reports showing the maximum percentage of the oil ration which should have been burned to December 31 in this area.

As of that date, consumers in the Detroit area should not have burned more than 38 per cent of their total fuel oil ration, according to the OPA report.

The weekly reports are based, first, on the type of weather prevailing in each particular area as charted during the winter months by weather stations located strategically throughout the country, and second, on the proportion of the normal heating year which has elapsed to date. Thus, the percentages will vary for each individual locality with the differences in weather.

MISS NORA MOREY, 83, DIES IN BROOKLYN

Miss Nora Morey, 83, a life long resident of Onsted and vicinity, died Sunday at the home of a niece Mrs. Harry Hood in Brooklyn here she as taken several days ago, after a long illness.

She leaves two brothers Keater W. Morey of Onsted with whom she had made her home since 1929, and a twin brother Norris Morey of Clinton, several nieces and a nephew.

Funeral services were held Tuesday afternoon at Dunn Funeral Home with burial in Maple Shade cemetery, Rev. F. D. Hague officiating.

"CARRY ON." That's our slogan in these war days. Beyond doubt all of us could get jobs in defense plants at higher wages and be better off for the present.

But we have a duty—a patriotic job to do. Someone must help to keep today's cars on the road for the duration. It may be 10 years before they can be replaced with new ones.

Yes, we are short of help and repair work does not move through our shop as rapidly as before the war. We'd like to thank the public for a very tolerant attitude; an understanding attitude, a tribute to us, we believe, for faith and confidence. We pledge our customers to give them the best possible service for the duration, and to assist in every way that we can to keep cars rolling for Victory.

Please have faith and be patient with our mechanics. They are war workers, too, working at a highly skilled and important job.

Despite war-time restrictions, our stock is still quite complete and our service is the best that we can make it. We can still supply you with genuine Ford parts and Firestone accessories. Our battery and tire repairing shops are operating efficiently.

$354,000 Quota In 4th War Loan

DRIVE WILL BE LAUNCHED ON SUNDAY; BERKHOF IS CONFIDENT OF LOCAL SUCCESS

Keep on Backing the Attack!

With that slogan, Tecumseh will officially launch its Fourth War Loan Campaign on Sunday, January 6, confident that it will succeed in selling $354,000 worth of the war securities before February 15, W. L. Berkhof, general chairman of the drive, declared today.

"Our quota in this drive is $750 less than it was in the 3rd War Loan," Mr. Berkhof said, "We are fortunate that our government did not ask to materially increase the amount that we are giving. I know that Tecumseh will succeed in this campaign as it has in every other drive since the war began. Our boys on the battle fronts are expecting a gallant performance at home and I know this village, the state and the nation will back them by an over-subscription.

Mr. Berkhof and his co-chairman, John R. Thompson, said that the Rotary Club of Tecumseh would again sponsor the fund-raising campaign, as it did in the 3rd drive. The steering committee, formulating plans for the raising of the funds, is made up of the two chairmen and M. L. Dannells ,W. L. Jones, Ralph Comfort, Earl Wickwire and Walter Nichols.

"We must do at least as much as we did before if the present drive is to succeed," Berkhof said. "However, all bonds sold since the first of January may be counted against our 4th War Bond total, and to date we have sold about $10,000. We are making strong plans on pay-roll deduction buying during the campaign because our "E" bond sales locally must amount to not less than $104,000."

Mr. Berkhof urged complete cooperation on the part of the public locally in an effort to make the campaign a success.

"Don't hesitate because you can buy only a $25 or a $50 bond," he said. "We need the small buyer, just as badly as we need the large buyer. It is a patriotic duty that each of us buy all of the bonds that we can—that we buy until it hurts."

Mr. Berkhof urged that churches, lodges, social organizations and other groups with surplus funds in their treasuries make an effort to purchase bonds during the campaign.

The public schools, he declared, are taking a keen interest in the drive and he said that an effort would be made to see to it that the students are at least 90 per cent bond buyers. He said that he hoped that the school's regular stamp and bond buying, now totaling between $400 and $500 weekly, would be increased materially."

Tecumseh's quota in E bonds in the new drive is the same as in the last one, $104,000. Other quotas amount to $250,000. In the Third Loan campaign Tecumseh subscribed $399,964.75 of which amount $107,178.75 was in E bonds.

Lenawee county's quota in the Fourth loan amounts to $3,438,150. Of this amount the city of Adrian will be responsible for the subscription or more than $2,100,000. Other quotas in this area are: Britton, $8,900; Blissfield, $245,000; Clinton, $110,000; Onsted, $26,000; Hudson, $240,000; Ridgeway, $750.

County College Drive Over Top

FIVE METHODIST CHURCHES, INCLUDING TECUMSEH, SUCCEED IN FUND CAMPAIGN

Five Lenawee county's Methodist churches, including Tecumseh, are over the top in the campaign to raise $800,000 for an endowment fund for Adrian College, it was announced here this week by the Rev. Norman MacNaughton, pastor of the Tecumseh church.

Tecumseh's share of the total fund, he said, was $444 and the local membership had exceeded its quota. In Michigan, the Methodist churches are expected to subscribe half of the total fund.

Incomplete reports from the county churches in the Centennial campaign said that five of them were over the top and that others, where the drive was started late, will be over within a short time.

Reports from Addison, Clayton, Deerfield, Adrian and Tecumseh said that a total of $3,634 had been raised against a quota of $3,048. The Adrian church contributed more than half the amount. Churches in Blissfield, Clinton, Hudson, Morenci and Ridgeway have turned in $1,206 against a quota of $2,280. It was declared, however, that the quota would be met shortly.

Dr. MacNaughton, the local pastor, who heads the department of psychology at Adrian College, is moving temporarily to Adrian this week, and will live there probably until about April 1. Heretofore, he has been driving to the college each morning. He has taken an apartment in Adrian to avoid the early morning drive during the cold winter months. He will, however, be in Tecumseh daily to attend to the work of his church.

Albert Rector Dies In California Home

Mrs. John Calhoun and Mrs. Guy E. Nemire received word of the death of their brother Albert L. Rector which occurred January 6 at his home in Richmond, Calif.

Mr. Rector who was 63 years of age, was born in Tecumseh, the son of Mr. and Mrs. B. J. Rector and spent his early life here graduating from Tecumseh high school in 1898. He later married Madge Hailey of Tecumseh who died three years ago in California where they had made their home most of their married life.

He leaves two daughters Mrs. Dorothy Tolefsan of Richmond, Calif., and Mrs. Ruth Morando of Ferndale, Calif., a son John of Albany, Calif., the two sisters Mrs. Calhoun and Mrs. Nemire and four grand children.

The funeral and burial were held in Richmond.

Hospital Group Names Officers

MRS. F. K. SMITH HEADS AUXILIARY; APPEAL IS MADE FOR HELP AT LAUNDRY

At the annual meeting of Tecumseh Hospital Auxiliary, held Tuesday evening in the class room at the hospital, Mrs. Frank K. Smith was elected president, to succeed Mrs. E. K. Anderson. Other officers elected were Mrs. W. S. Niblack, first vice president; Mrs. H. H. Hammel, second vice president; Mrs. Joseph Rohweder, recording secretary; Mrs. C. O. Butler, corresponding secretary and Mrs. George E. Green, treasurer. Mrs. M. R. Blanden was chairman of the nominating committee and gave the report.

Mrs. Smith then announced her committees as follows: sewing, Mrs. Howard Matthews, Mrs. Paul Keyser, Mrs. Claud Gray, Mrs. Clyde Barber, Mrs. E. D. Brown, Mrs. Guy Belding and Mrs. H. H. Loveland; membership, Mrs. John H. Smith, Mrs. Percy Bowen, Mrs. Albert Bagshaw, Mrs. Forrest Weichner and Mrs. Charles Blackmer; house and furnace, Mrs. Sam Sisson, Mrs. C. M. Brown ,Mrs. L. A. Carlson, Mrs. R H Moore and Mrs Walter Morden, Jr.; library, Mrs. D. F. Wright; publicity, Mrs. Frank Buck; directors, Mrs. G. A. Rathbun and Miss Gertrude Spaulding.

Preceding the election annual reports were given by Mrs. R. K. Anderson, president and other officers and committee chairmen.

E. M. Campbell, a member of the hospital board made an appeal to the auxiliary for volunteer help for the Tecumseh Laundry, which closed to the general public sometime ago but continues to do laundry work for the hospital. Four people are needed for work on the mangle three afternoons each week, Monday, Wednesday and Friday and all service will be paid for, Mrs. Anderson, Mrs. Smith, Mrs. Green and Mrs. Karl Schneider volunteered to help this week Friday afternoon and a committee was appointed to secure help for next week.

The Auxiliary is to purchase a war bond and present it to the infant son of Mr. and Mrs. Walter Escott of Clinton, born January 7, who was the thousandth baby to be born in the hospital.

Tea was served by Miss Spaulding and Mrs. Anderson at the close of the meeting and Mrs. Green was presented with a birthday cake which she cut and served.

The next meeting will be held in the Red Cross room in the Ford building but Mrs. Smith has requested members to consider nolding future meetings in their homes.

ALBERT M. BENEDICT, FORMER RESIDENT, DIES

Albert M. Benedict, aged 65 years, a former resident of Tecumseh, died Tuesday at his home in Morenci after a two weeks' illness. Mr. Benedict had lived in Morenci since 1928. He was a member of the Methodist church.

He leaves the widow Eliza, a daughter Mrs. Cuyler Fisher of Bryan, O., and two sons Merland and Raymond of Lansing, also four grad children.

The funeral will be held Friday at 1 o'clock at the Methodist church in Morenci, Rev. H. J. Salmon will officiate and burial will be in Morenci cemetery.

MARRIAGE ANNOUNCED

Mr. and Mrs. John McCaughen announce the marriage of their daughter Betty and Robert Glascock of Hartford City, Ind., which took place January 3 in Wauseon, O. Both are employed by the Ford Motor Company.

Last Wednesday afernoon, Mrs. Shirley Burr entertained at a miscellaneous shower for Mrs. Glascack. Games were the diversion and prizes were won by Mrs. Wm. Lamson and Miss Frances Glenn who in turn presented them to the bride who also received a shower of gifts. Refreshments were served in conclusion.

HELZERMAN TRANSFERRED

Captain R. F. Helzerman, Medical Corps, has been assigned to a heavy bombardment group and transferred from Pendleton, Oregon to Tinker Field, Oklahoma City, where he will remain for a short period of training. He was accompanied by his wife and children.

A. & P. CORRECTION

In the A. & P. Tea Company's advertisement on page three of this issue, fresh iceberg head lettuce should have been advertised instead of Texas pink grapefruit. The head lettuce price is 13 cents a pound. The price of carrots also is 10 cents a bunch.

GRANGE TO MEET

Tecumseh Grange will hold a regular meeting tonight with potluck supper at 7:30 in charge of Mr. and Mrs. E. J. Aebersold and Mr. and Mrs. Vernon Rupp.

Night School Courses Await Public Demand

Two night school classes in farm production have been organized by George Parsons, agricultural instructor at Tecumseh high school, one of the classes meeting on Wednesday evenings at the Grange Hall.

W. L. Berkhof, superintendent of schools, said that the board of education, in session Tuesday evening, approved a plan for a night school course in commercial work and in Red Cross Canteen work, provided there is a demand for such courses locally. Mr. Berkhof said that persons interested in such instruction should call his office immediately that classes may be arranged.

The board also approved the superintendent's program, calling for senior high school semester examinations beginning next Monday and continuing through Wednesday. The school will be closed on Thursday and Friday, permitting teacher-superintendent conferences on Thursday and that teachers may attend the Lenawee County Institute, to be held in Adrian on Friday.

Tecumseh Makes Dutchmen Kneel

INDIANS DEFEAT MANCHESTER HERE TUESDAY; TO PLAY ADDISON ON FRIDAY

After defeating the Manchester Dutchmen on the local school court Tuesday evening by a score of 33 to 24, Coach Fred Raizk began immediately to train his cagemen for the Addison high game there on Friday, in an effort to bring Tecumseh a step closer to the Lenawee championship.

In the game here on Tuesday, Tecumseh's first string men were definitely off their usual playing gate, this being noted principally in Sisson, Osburn and Costigan. D. Murdoch and J. Brown did play a fair game, however. Coach Raizk permitted his second string players to share in a goodly part of the contest, one of the reasons, perhaps, why the Indian score was not larger.

Playing against what is sometimes termed in the world of sports "a second man basketball team" Tecumseh lost its game to Blissfield, there, last Friday evening by a score of 31 to 28. "We just couldn't do anything right," was Coach Raizk's comment. "Our boys just didn't know what to do and how to do it to satisfy the officials."

It seems, off the record, that both officials at the Blissfield game were from Adrian. Tecumseh defeated Adrian on the Adrian court a week previously by a score of 27 to 21.

Episcopalians Hold Annual Church Meet

Following a pot-luck supper managed by the Daughters of St. Peter, fifty members of St. Peter's parish proceeded to the business of the annual meeting in the Parish House Monday evening.

The Rev. John R. Scarlett, rector, presided. Leland Randall, parish treasurer, reported the parish to be in good financial condition as of the end of 1943. Treasurer's reports were received from he women's organizations. Lester Rogers, senior warden of the vestry, spoke to urge cooperation with the rector in promoting an enlarged program for 1944. The rector then made his annual report in which he projected plans for increased parish effort on behalf of the church school, the young people and members of the armed forces from St. Peter's.

Annual elections concluded the meeting. The following men were reelected to the vestry: Messrs. Clyde Barber, Lyman Curtiss, M. L. Dannells, Glen Driscoll, Clarence Gilmore, Donald Goddard, Lawrence Larsen, Leland Randall, Lester Rogers, and Perry Satterthwaite, all of Tecumseh, and Percy Van Tuyle of Clinton. Orville Farver was the only new vestryman added.

Waste Removal System Needed

VILLAGE CONTROLLED GARBAGE AND ASH COLLECTION SYSTEM URGED BY ROHWEDER

Would it be worth 10 or 15 cents a month to you to have your garbage and rubbish hauled away each week from your home or downtown store building? Would you be willing that the Village Council spend such an amount to hire the work done and include it in your taxes?

J. H. Rohweder, chairman of the Council's health committee, is of the opinion that Tecumseh's residents would be in favor of such a program and he is prepared to submit a plan to the Council at its next meeting, looking toward that end. He has made a survey of such disposal systems in other communities and he is convinced that Tecumseh is "missing the boat" from a health and cleanliness angle unless it adopts such a program.

"I am of the opinion that the private garbage and rubbish collection system now existing is not adequate for Tecumseh's needs. I say this for two reasons. First, only a small percentage of Tecumseh's residents avail themselves of the system and, second, the ever-increasing turn-over in population makes the program difficult to work.

"I also feel that a clean-up system for Tecumsch's downtown alleys is needed badly. An inspection shows that they are not clean, that something should be done to remedy the condition, As it is today, alleys in the business district are both fire and health hazards.

"In my opinion," the health chairman said, "the disposal of garbage and refuse is an important function in any community. Public health depends much upon it. The appearance of our community depends upon it. You know a good housekeeper by the appearance of her home. You know a progressive clean community from appearance, too.

"I'm convinced," Rohweder said, "that for the small cost, the residents of Tecumseh would be more than willing to have the Council take over the program and see that it functions—not this week and next, but every week in the year.

"The cost of the collection system in the City of Adrian, which includes the disposal of garbage, ashes and rubbish, is about $16,000 annually, or approximately $1 per person per year. In the residential district, garbage and ashes and rubbish are collected weekly, in the downtown district, garbage and rubbish are disposed of daily.

"I can see no reason why a similar program cannot be worked out for Tecumseh at a comparable cost. I think that we can make a similar collection in the residential district once a week, and in the downtown district about three times a week. Such a collection would keep our town clean, and our downtown alleys free of garbage and refuse. I've been ashamed of the appearance of the downtown alleys for sometime, and something must be done about them."

Mr. Rohweder said that he believed that such a system could be operated in Tecumseh for about $4,000 a year. He said that this would amount to about 10 cents a month per person.

"I don't believe that there is a single resident of the Village who would object to such a program when they stop to analyze it and consider the small cost. I am convinced, too, that the Council will be agreeable."

Mr. Rohweder said that he would submit his plan to the Council at its next meeting and ask Mayor J. Floyd Elliott to name a committee to make a further investigation of the program and specific recommendations as to what action should be taken locally.

Leper Mission Founder To Speak Here, Sunday

Motion pictures of war conditions in China and leper work in India, with musical background, will be shown at the Tecumseh Friends church, Sunday night, January 16 at 7:30 p.m. by Rev. Harold C. Etter, director and founder of the International Christian Leper Mission. Rev. Mr. Etter will also occupy the pulpit of the Friends church at the morning service at 10 and address the Men's Bible class at 11:15.

According to Mr. Etter, who was a Commissioner of Education in one of the western Canadian Provinces before entering the missionary field, leprosy exists in practically all countries of the world today, including the United States. "About one person in every 500 in the world is a leper, but only perhaps three per cent of the four or five million lepers have received either physical care or the Gospel" says Mr. Etter.

"The present need is pitifully urgent" he says, "thousands of outcast and refugee lepers in Yunnan are uncolonized and are thus spreading the disease. These unsegregated lepers are a potential threat to the health of the armed forces of the United Nations in that strategic Burma Road area.

"With the return of thousands of men from those leprosy-ridden districts there will be also the danger of spreading the dreaded disease right at home'.'

Through the cooperation of the China Inland Mission, the International Christian Leper Mission is sending funds to accomplish the segregation, cure, and evangelization of these desperately needy people. Cures are possible through chaulmigra oil injections. Mr. Etter said that $1.00 a month will give oil enough to cure a leper.

The public is invited to hear Mr. Etter speak and show the pictures of the work that he himself founded and is now directing. He will be the guest of Perry Hayden, who met him at a recent convention in Toronto, Canada.

FR. ROSS WARNS AGAINST GERMAN'S PROPAGANDA

The Rev. Fr. John A. Ross, pastor of St. Elizabeth's church here, was the guest speaker at the dinner meeting of the Tecumseh Rotary Club, Tuesday evening at Brees House, Using as his subject, "A Fact is a Fact," the speaker discussed the German propaganda machine at work in the United States and England in an effort to soften public opinion and to gain an easier peace for the Nazis.

There is an effort being made, he said, to convince Americans that unconditional surrender will be too costly in American lives and he warned that such a rumor is purely German propaganda. Another rumor, he declared, is being spread by the Germans to the effect that Hitler is entirely to blame for the war, that the leaders and not the people should be punished. He recalled that similar propaganda was used in World War No. 1 and that it worked. It is the policy of the German military machine, he pointed out, to make the best peace terms possible, in the event of defeat, and then prepare for another war, hoping that it will not make the same mistakes the second time.

Fr. Ross discussed Van Sittertism, a warning being sounded by a British lord, in which he says "watch those fellows (the Germans); they did it before and they will do it again." He refers to the softening effort of the propaganda machine against unconditional surrender.

Red Cross Ends Busy Work Year

REPORT OF MRS. CODLING, CHAIRMAN, SHOWS TECUMSEH'S WORK WAS EXCELLENT

Mrs. Edna C. Codling, general chairman of the American Red Cross in Tecumseh, today issued a report of the activities of the local branch, showing that this village contributed generously to the war effort during the year 1943.

The Nurses' Aides Department under the chairmanship of Mrs. Leila Rathbun, conducted three training classes, graduated 37, and, the report continues, "these girls have been doing a splendid work at our hospital, giving 4,031¼ hours. Of the number graduated, 10 have given their required 150 hours, some have given over 350 hours."

Miss Gertrude Spaulding, chairman of the Home Nursing Department, has conducted two classes, one in Tecumseh graduating 18, another in Tipton, graduating 13. "Miss Spaulding feels that this is one of the most important courses given by the Red Cross," the report states, "and that more people should be interested. She is willing to give another class, providing there are enough women who want this instruction." Women interested, it was said, should call Mrs. Codling and if there is a sufficient number a class will be arranged.

Mrs. Ila Hanna, chairman of the surgical dressing department, reported that 117 women gave 2,129 hours of their time to the work completing 39,194 surical dressings. More material is enroute and the department would welcome the aid of more women because there is a vital need for the dressings.

One class has been held in Advanced First Aid, graduating four persons. One has taken the instructors course and at the present time Mrs. Edna Lent is acting as instructor. She is now teaching two classes and has issued 13 certificates. She also is organizing a class of junior high school students.

The Home Service Department, under the direction of Miss Clara Waldron, is "doing a very outstanding work," the report states. Aid has been given to 63 families of service men in this township, approximately 175 class have been made to get the data required and the department has given about 400 hours of service.

Miss Waldron suggests that if there are families of men new in service who have not been contacted, she would greatly appreciate it if they would call her by telephone, number 154. As the Red Cross is the only organization that can contact the men in service in the event of an emergency, it is necessary that this department have complete data. Calls to Miss Waldron should be made either in the morning or evening.

The Production department reports that it has completed 268 garments, totaling 3,062 hours of work. The garmens finished are as follows: 50 nightgowns, 49 slips, 30 men's nightshirts, 7 sleepers, 15 boy's shirts, 12 boy's shorts, 1 boy's bathrobe, 31 property bags, 20 men's hospital bed shirts, 32 bedside bags, 19 women's bed jackets, 3 girl's dresses, 2 pieced afghans, 13 knit helmets, 13 T.N. sweaters, 33 sleeveless sweaters, 21 mufflers, 3 child's sweaters, 9 navy scarfs, 5 pairs of gloves and 5 pairs of wristlets.

INCOME TAX GROWS

The federal income tax has grown considerably in the past few years.

In 1940, 14,778,159 Americans submitted returns and paid $1,496,403,000 into the national treasury. In 1941 there were 25,954,801 returns, with $3,908,000,000 paid in.

Figures for 1942 are not available but officials expect 50,000,000 returns on 1943 income and collections approximating $18,000,000,000.

These collections do not represent war profits, although the increased national income is reflected. Much of the increase has developed from the greater number of individuals paying income taxes.

The Treasury Department is preparing to mail out some 50,000,000 forms for the use of taxpayers making their final report on 1943 incomes.

Bearing in mind that most income taxpayers made a report in March, for 1942, an estimate in September, for 1943, and a revised return, if necessary, in December, for 1943, the so-called simplified system becomes a thing of a mystery.

About twelve months ago the nation was agog with the propaganda circulating about the Ruml plan, which was to simplify income tax payments and put everybody on a pay-as-you-go basis. Charitably, we do not remind anyone of the loose promises of "forgiveness."

BRITISH PAPER FOR U. S.

Something new in international journalism is to be attempted by the London Daily Mail, which announces that it will inaugurate a New York edition as a contribution to closer understanding between the British and American people.

The edition will consist of a digest of a week's issue of the London daily, photographed on microfilm, flown to New York and printed there. If the venture succeeds the newspaper says it will "fly other oceans very shortly."

The British newspaper will make available to Americans some idea of the news and thinking of the people of the British Empire. It will take a step further than that made by the Manchester Guardian some years ago, when it published a special weekly edition in England for American readers.

The world needs, and will one day have, an international newspaper, devoted to world events, reported and interpreted without reflecting national interests. Its news would include advances in the arts, sciences and humanities, as well as the current crop of international affairs.

Americans are divdied into two groups, those who are afraid we will offend Soviet Russian and those who are afraid that we will not.

There will be frictin in the United States as long as politicians promise minorities more than they deliver.

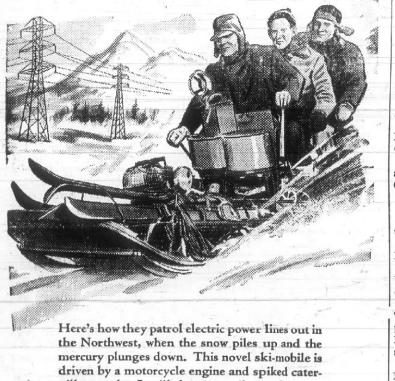
Keeping High Lines HOT
when the Weather is NOT!



Here's how they patrol electric power lines out in the Northwest, when the snow piles up and the mercury plunges down. This novel ski-mobile is driven by a motorcycle engine and spiked caterpillar treads. It will do 35-40 miles an hour on the level—if there's any level!

Maybe snow and ice never endanger electric service in your neighborhood. But the ingenuity, skill and courage with which these linemen keep current flowing are typical of the way electric company men *everywhere* meet other emergencies, including the *greatest* emergency—WAR.

Under America's system of freedom of enterprise, the *business*-managed electric companies provide over 80% of the nation's vast power supply.

Without subsidies or tax concessions, these companies have met *every* war demand for power and satisfied *every* essential civilian need for electricity.

Home Owners! You Can Spend
UP TO $200
ON NEW IMPROVEMENTS

Mr. Homeowner. Is there a new improvement that you need at your home—a new roof, an added room. You can make such improvement now, with government approval and without endless red tape.

Your government wants you to make as many improvements as materials will permit, and this year the amount that may be spent per home has been set at $200. Necessary materials are available at our yards, and we will be glad to estimate costs for you, and to assist you with the work whenever possible.

There's No Limit on Repairs

Another ruling that has been handed down by the government is that there is no limit on the amount that may be spent for materials for needed repairs.

This means that no home owner need neglect his property for the want of priorities or materials.

If there are repairs or improvements that you are considering, see us about them. You'll find our stock fairly complete, and we're always happy to be of assistance whenever we can.

Understanding

Dear Family:

It is pleasant to hear from you after such a long period of time, but it is unpleasant to learn of your changed condition of living which I can more readily understand from the change of my own condition.

It is too bad that you are limited in the use of your automobile. I know how it is to walk through miles and miles of swamp and jungle. So I understand.

It is too bad to have your choice of food limited, I have experienced this too, except there is no choice here. So I understand.

It is too bad that Willie has such little time for amusement. I am deprived of amusement, too. So I understand.

It is too bad that you have to wait in the rain for a transportation. I have to wait in the rain on post and my transportation is uncertain, too. So I understand.

It is too bad that you are being paid so little for working so hard. I get only a fraction of your pay. So I understand.

Winning this war is hard on all of us. You work long hours and so do I. So I understand. But during those hours I get shot at. Do YOU understand? . .

Your loving son.

One of the greatest victories of the war, that over the U-boats, gets few big headlines.

A writer, with pet notions to defend, goes through some astounding mental concentrations.

The production line is a war front and victory will come sooner if we recognize this truth immediately.

NEWS OF OUR MEN and WOMEN IN UNIFORM

December 13, 1943

Ladies Auxiliary,
Underwood-Orr Post,
American Legion
Tecumseh, Michigan.

Dear Ladies:

This is to acknowledge the past two copies of the Tecumseh Herold. It sure is a pleasure receiving the home town paper and believe me it is really read from cover to cover including the ads. When one is away from home, like so many of us are in times like these, it is just like talking with an old friend to sit down and read the Herald.

I would like to take this opportunity to also thank the American Legion for the fine treatment I have received at the Club while home on leave. I am sure, that every town that gives its boys the welcome that Tecumseh does.

With kindest personal regards and many thanks to your grand organization, I am

Cordially yours,

Tecumseh Herald
Dear Sir:

Wish to thank you Earl for sending me the Tecumseh Herald. It gives me the news of what the biggest town on earth is doing. I can see that all Tecumseh is right on the ball.

Alaska is cold, but the Army gives us the best of clothes. We have good mess and eat family style. There is less waste of food, than any camp I have ever seen.

The M. P.'s are a good outfit and the officers are treating the fellows the best that could be. Besides doing regular duty as M.P.'s we are getting extra training, are having classes on current events. I could be in lots worse places. Our camp was carved out of the Wilds and is now the best looking of any of the camps in Alaska.

Just came from the hospital and had a nose operation, which turned out O.K. Major Sales is a lot like our own Dr. H. H. Hammel, or I should say Col. Hammel, both really know how to operate.

I know just how much you and all of Tecumseh is behind the war, my many thanks.

Sincerely yours,
Pvt. Melvin Boyd

To the American Legion
Dear Sirs:

I want to thank you for the swell stationery that you sent me for Xmas. I appreciate it a lot for it comes in pretty handy as I write so many letters.

I hope that all of you had a happy New Year and a Merry Xmas. Maybe I had better say a Merry Xmas first.

Yours truly,
Gordon McKee

Dec. 21, 1943

Amreican Legion, Auxiliary
Tecumseh, Mich.
Dear Ladies:

I wish to express my appreciation for your thoughtfulness in attempting to make the boys away from home realize that they are not forgotten and that the Christmas spirit prevails, regardless of present conditions. I am sure that your work is doing a lot of good and your organization is to be commended. I might add that your group and the American Legion Post of Tecumseh has continuously shown remarkable hospitality and consideration for the boys in service. May your holidays be merry and each day of the coming year show definite progress toward the winning of the war and the restoration of peace and security.

Sincerely,
Jack Coffey

Mr. and Mrs. Forrest Louden last week received a photograph of their son Sgt. Wendell Louden and a girl friend Miss Pat Van Hoe taken recently in Australia. They also received an interesting letter from Miss Van Hoe. She writes in part: "Summer is coming and we will have plenty of swimming, yachting, boating and so any other things as we really have some nice beaches. I have read and heard quite a bit about beaches in the States. I believe you are quite interested in bowling and I think from what I gather your bowling is a little different to ours. For instance, mostly the middle aged people play it here, very rarely the younger set. They play on a green lawn in the open while you play indoors. So I guess you would find it a little difficult to accustom yourself to our way of playing.

Australia is not half as up-to-date as America I know, but I was born here and love every little bit of it. You really should see its bush. There is no getting away from the fact that it is really lovely bushland country and I only wish I could put its beauty into words."

Jan. 2, 1944

Mr. Wickwire, Editor
Dear Sir:

I'm writing this letter in appreciation, and to thank you, the American Legion, and all other persons responsible, for the copies of the Herald, that I have been receiving of late. You may rest assured that each copy is eagerly awaited, and well read upon arrival.

In one of these issues, I noticed a letter, that my brother, Austin, wrote to you, thanking you, as I am doing now, for the copies, that he too, has been receiving.

There isn't much that I can say, that he hasn't already covered, except to verify that part of his letter, about the home town paper, bringing us fellows in the service, closer to the ones we think most about, back home. What they are doing, and etc. And all in all, making us feel that we are still a part of the community.

I, myself, have been away from Tecumseh, for a period of two years this coming April. And if it wasn't for the arrival of the Herald, now and then, I'm afraid I would lose out, all together, on events back home. As it is, due to the Herald, I keep up on things fairly well.

So, I join with Austin, in thanking you, and request of you, to extend my regards to Mrs. Staulter, and the grand people of the "greatest little town in Michigan."

Sincerely yours,
Sgt. Dwight C. Drake,
U. S. Marine Corps

Dear Friends:

Received your most welcome Xmas gift sometime ago but time has been quite limited and I have been unable to find the time to thank you till just now. I have been wanting some good stationery for quite awhile but was unable to get it any place.

There isn't much I can say about what is taking place here, but you folks undoubtedly get most of the news in the paper. I receive the local newspaper quite often. In it I read an article sent in by Franklin Barritt who is located in the South Pacific. He spoke of the rainy season and of all the mud. In it he said something about it being six inches deep, not that I am trying to out due him but here the mud is well over the knees most the time. I don't envy him a bit though for I am sure I wouldn't care a bit about fighting in the jungle myself. The mountains of Italy is enough for me. There is a lot of things I would like to tell you about it here, but at the present time the censor says no. I think the French boys are here in Italy some place but I never have been able to find out what outfit they belong to.

I will close now thanking you again for your gift. Wishing you all a Merry Xmas and a Happy New Year. Only wish I could be there to say it. I remain,

S|Sgt. Franklin Shea

Dec. 13, 1943

Dear Friends:

I received your Xmas gift the other day and wish to thank you for it. I see by the news in the Tecumseh Herald that you are going to send the paper to the boys in service. This is fine work. All the boys will be glad to get the Tecumseh Herald. I have received it all the time I have been in the service and throughout I have been able to tell where many of the boys are. Also had the news from the home front. There isn't much to tell about my work here. We did have some German prisoners stop here the other night. There was only four of them. And they came in by plane. Two were officers. If that is the type of men our boys are up against, this war should not last so very long. Many thanks again.

As ever,
Gale L. Brown

TRAFFIC DEATH TOLL DROPS BELOW 1,000

Deaths resulting from automobile accidents in Michigan last year will not exceed 975, according to a state health department estimate. It was the first time since 1924 that the annual traffic toll has dropped below the 1,000-mark.

The estimate represents a 28 per cent decline from the 1,351 total of 1942.

Deaths in the first 11 months of 1943 totaled 872, most fatalities occuring in September (106) and October (125). This is in keeping with the usual increase in motor vehicle deaths in fall months.

Five-year average of motor vehicle deaths (1938-1942) was 1,653.

What You Buy With WAR BONDS

Water Camel

Thirst is one enemy of armies and navies that may be frustrated by a generous supply of water. Typhus, another dreaded plague is an other enemy that must be subdued in Africa, in the jungle islands of the Pacific.

So the "Lister Bag," more often called the "water camel," or just "camel," is used. The "Lister Bag" is a khaki colored canvas bag having a capacity of about 30 gallons.

It will require many War Bonds to provide enough "camels" for our fighting forces at home and abroad. Yours too! "Back the attack with War Bonds." *U. S. Treasury Department*

He Asks Us to Join Him in Fighting the Ravages of Infantile Paralysis

Each year thousands of young Americans who started in life perfectly normal—are crippled by the dread disease infantile paralysis. It takes long months, sometimes years, for them to sufficiently win in battling this disease, so that they have the use of their limbs. One great institution in our land is dedicated to helping infantile paralysis sufferers. It is the Warm Springs Foundation in Georgia, which needs your help to carry on its great work. If someone you love should ever be stricken by this consuming disease—then only could you truly know how vital it is that each of us enlist in the March of Dimes!

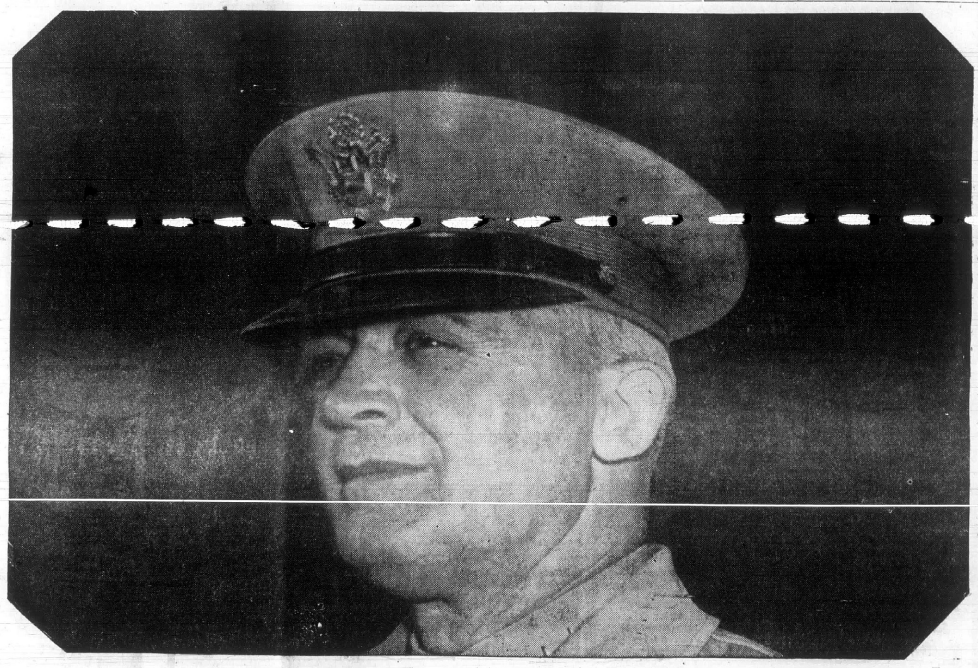
Aid to Enemy

"Any American who wilfully neglects to pay his taxes on time or to invest every cent he can in War Bonds is surely giving aid and comfort to the enemy . . . We have a job to do and we are all called for service to our country. Our dollars are called to service too. Let us all ask ourselves, 'Shall we be more tender with our dollars than with the lives of our sons?'" — Secretary Morgenthau.



Do you know what General Arnold said?

The other day, Gen. Arnold lifted us right out of our seats cheering.

He said: "One day last month over 1600 planes were in the air going from the United States overseas to some war theater."

Of course, that was just one particular day, and a big one. But even so, that's good. In fact, that's *swell!*

Then Gen. Arnold went on:

He told how the Army Air Force and the RAF saved our men at Salerno. And how, in doing it, we had to scrape the bottom of the barrel. How we had to use every plane in North Africa—how we had to gather planes from every training center, depot and modification center to do the trick.

He said the Italian invasion "would have been easier with more planes—and could not have been done with less."

He talked about the American raids on Germany. On one, 24 big Fortresses didn't come home. On another, 35. On another, 27. On another, 21. And since he talked, 60 bombers—and their gallant crews—went down in a single raid. No one can attempt to evaluate their loss in dollars or the loss to the enemy in destruction of war materials needed by him to carry on the war. But planes cost dollars to produce—millions of dollars.

Then he pointed again to the obvious fact that the Italian fight "is a small engagement compared to the gigantic expedition which one day, and we hope not too many months hence, will be set against continental Europe."

In short, if a fact was ever made crystal-clear, Gen. Arnold made this one: *What we're doing now is good*—BUT STILL NOT NEARLY ENOUGH!

And that goes for our building, for our fighting—and for the War Bond buying that makes the building and fighting possible.

Coming soon is a day when, with one mighty effort, we're going to smash into Hitler's Europe and bury Germany under an overwhelming mass of men, equipment—and all the materials that money can buy.

And to do it we've got to boost our War Bond buying. We've got to buy more Bonds and more Bonds and more Bonds right up to the final minute when the Nazi and Jap flags go down into the dust—for good!

How many more days, Mummy?

"Tell me. How many more days before Daddy can come home?"

And mother doesn't know. So she answers the same way she's answered a hundred times . . .

"Not so many days . . . we hope. Daddy can't come home to us until the war is over. Until we win, you know."

Nobody can tell the thousands of bewildered little hearts when their Daddies will come home.

Nor the millions of other Americans when their husbands, or sons, or sweethearts will be back.

The tragic truth is that many of them will never see their loved ones again. Never.

But this we do know . . .

Every minute by which the war can be shortened means fewer lives lost—fewer white crosses on a lonely hillside.

Your job is to put every dollar you can possibly dig up into War Bonds. The fighting equipment bought by your dollars will hasten the day of Victory . . . the day when the boys come marching home.

Don't slacken your Bond purchases while victory is within our grasp! Never let it be said that while the attack grows stronger on the fighting fronts, we at home failed to back it to the very limit of our ability.

Dig down deeper. Buy *extra* War Bonds. Help shorten the war by those vital minutes—or days, or months—which mean American lives saved!

KEEP ON BACKING THE ATTACK!

Zoning Code to Be Law, Feb. 15

MAP AND ORDINANCE PRINTED TODAY AND FINAL HEARING TO BE FEB. 10

Tecumseh's new zoning ordinance, regulating future building and expansion of the village, becomes a law on Tuesday, February 15, The ordinance, in its legal form accompanied by the zoning map, is printed elsewhere in this newspaper.

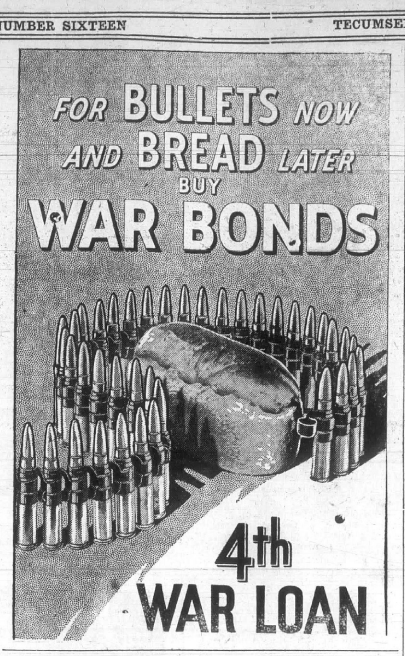
John R. Zeigler, village attorney, said today that the council would hold a hearing on the ordinance, in its present form, at the council building on Thursday evening, February 10, at 7:30 p.m., five days prior to the effective date of the law. If objections are received at that time the council may, by amendment, change the ordinance or ignore the objections, providing the appointment of a board of appeals, provided for in the new code. Mr. Zeigler said that the council probably would name the appeals board at its next meeting, in February.

The new ordinance completely controls all future building in Tecumseh. It stipulates where certain buildings may be built, the size of the buildings, etc. It also governs the repair of present buildings, remodeling, etc. After the ordinance becomes effective, permits to build, repair or remodel present buildings must be obtained from the village, and certain inspections must be made by the village engineer before approval will be given.

Mr. Zeigler also has prepared a zoning ordinance for the Township of Tecumseh, and this was submitted to the township board, at its regular meeting last evening. As soon as minor changes can be made this ordinance will be published *and a hearing date set, and later* it will be submitted to the county zoning body for approval. Mr. Zeigler said that he believed that the ordinance would be put into effect within 30 days.

The township ordinance, like that of the village, will control all future building outside the Tecumseh corporate limits. It also will regulate the size and type of buildings that may be constructed and govern subsequent remodeling and repairs.

The two ordinances were necessary, village and township officials say, because of the rapid growth of both the village and the immediate rural area. The population of Tecumseh, within five years after the war, is expected to more than double, and the township's population likewise is expected to expand rapidly.



Indians Second In Cage League

BLISSFIELD LEADING BY ONE GAME; TO PLAY HUDSON THERE ON FRIDAY

Coach Fred Raizk's Tecumseh high school Indians, in second place in the Lenawee County Basketball League, will journey to Hudson Friday evening to meet the school team on the court there. The Indians are favored to win the Hudson game.

Last Friday evening, in a game at Addison, Tecumseh won by a score of 29 to 14. In this game D. Murdoch and Costigan played outstanding ball and J. Murdoch, substitute, sophomore, also accounted for eight points. If he continues to make such an excellent showing he may find a spot on the first string.

Tecumseh plays its next home game here a week from Friday, meeting Morenci.

Blissfield is now leading the county league, but Coach Raizk is certain that Tecumseh can overcome the handicap of one game.

"If somebody doesn't defeat Blissfield first, just remember that we play them here before long and I'm certain that our team can handle the situation," was his comment.

Coach Raizk is determinted to make the Indians the county league winners.

SPORTSMEN'S BANQUET TO BE HELD FEB. 10

The annual Sportsman's Banquet sponsored by the Lenawee County Conservation League, will be held Thursday evening, February 10, with a 6:30 dinner at the Methodist church in Adrian and a program following in the Civic Auditorium. The program will include a talk on Alaska with moving pictures, by Ben East, sportsman and writer. Tickets for the banquet may be obtained of Fred Van Tyne at the Baldwin Hardware.

12 Pct. of 4th Loan Quota Met

$42,881.25 WAS CASH FIGURE ANNOUNCED LAST NIGHT; $354,000 IS QUOTA

Tecumseh has met 12 per cent of its Fourth War Loan quota, John R. Thompson, co-chairman of the local War Finance Committee, said last night. Mr. Thompson announced that Tecumseh thus far had purchased $42,881.25 in bonds against its quota of $354,000. Of the total purchase, however, $27,881.25 are in "E" bonds, or 25 per cent of Tecumseh's total "E" bond quota of $104,000.

"We are making an excellent showing, considering that this is the first week of the drive, and we are just getting under way," W. L. Berkhof, chairman, said. "However, we must bear in mind that it takes more than a good start to finish a job, and we must keep constantly at it.

There is yet to be raised in this community, before February 15, more than $310,000, and that is quite a sizeable sum. We must all buy bonds and keep on buying."

W. L. Jones, a member of the War Finance Planning Committee, said that he had been advised that to date the employees of the Ford-Hayden Mill had subscribed and said for $6,175 worth of bonds This is more than a third of their total quota of $15,000.

A program was presented at the Ford Mill Tuesday afternoon by the Ford Motor Company, urging the buying of bonds and bringing the need for their purchase home to the employees. In the program a WAVE, a Marine and a Sailor participated. Two of the number had seen active service.

"Our Fourth Loan program will be in full swing next week in all of the industrial plants," Mr. Berkhof said, "and we hope that by next Thursday we will be nearing the half-way mark in our quota. Tecumseh has never failed to meet its quota in any loan campaign thus far, and I know that she will make it this time. Money is needed to finance this war if we are to succeed, and I'm certain that no one here will fail to support our boys on the fighting front by loaning their money to our government."

U. S. Colleges Face Post War Problems

America's 1,800 institutions of higher education face a tremendous problem in the post-war program with an enrollment of more than 1,000,000 students over the pre-Pearl Harbor high of 1,250,000, Dr. Samuel Harrison, president of Adrian College, told members of the Rotary Club here Tuesday evening. He spoke following the club's dinner-meeting at Brees House.

America's colleges, Dr. Harrison said, within two years after the war ends will again return to a normal enrollment. However, he pointed out that men and women returning from the services and from war work will boost this enrollment at least another million, taxing the facilities of all schools.

Adrian College, he said, is now in the midst of a drive for $800,000 to endow the school and permit expansion. Of this amount Lenawee county is expected to raise $100,000 and Methodist Churches of Michigan $400,000. Perry M. Hayden has accepted the chairmanship for Tecumseh in the Lenawee section of the campaign, which will get under way immdiatly.

GETS ADVANCEMENT

Great Lakes, Ill., Jan. 20—Recognition as a "qualified striker" for the petty officer rate of signalman third class came to Bluejacket Karl Rankin Schneider, 18, of Tecumseh, Michigan, in recent graduation ceremonies at the Naval Training School (Signals) at the University of Illinois, Urbana, Ill.

The newly graduated Navy man will be eligible for further advancement in rating after experience at his new active duty assignment aboard a ship or at some shore station.

BELIEVE IT OR NOT

Mrs. John R. Nyland believes that this is one of the most unusual Michigan winters she has ever experienced, from the standpoint of the weather. One year ago, she recalls, a foot of snow covered the streets of Tecumseh on January 19. Yesterday, by contrast, leaves and grass were being raked and burned by her neighbors. The temperature was around the 50 degree mark.

Farmers Must Register Again

NEW QUESTIONNAIRE NEEDED TO RETAIN DEFERMENT; REGISTER HERE FEB. 7

Selective service requires that all farmers between the ages of 18 and 45 years who desire to retain their 2-C or 3-C classification, (farm deferments) for the coming year, or who wish to obtain such a deferred classification if they do not now have one, must file a new agricultural questionnaire before March 1.

The responsibility of collecting this information has been vested in the county agricultural service Accordingly, in order to assist farmers in completing these forms, Louis G. Hall, county agricultural agent, has made plans with the township supervisors for township registration days. These follow:

Adrian, supervisors room, court house, Adrian, Feb. 11; Blissfield, I. O. O. F. Hall, Jan. 28; Cambridge, town hall, Onsted, Feb. 23; Clinton, town hall, Clinton, Feb. 8; Deerfield, township room, Deerfield, Jan. 27; Dover, town hall, Feb. 18; Fairfield, I. O. O. F. Hall, Jasper, Feb. 15; Franklin, Tipton Grange hall, Feb. 10; Hudson, Hudson Center Grange hall, Feb. 28; Macon, town hall in Sec. 21, Ridgeway, Jan. 24; Medina, town hall on Lime Creek Road, Jan. 29; Madison, town hall, Feb. 14; Ogden, town hall, Ogden Center, Feb. 1; Palmyra, town hall, Feb. 3; Raisin town hall, Sutton Crossing, Feb. 4; Ridgeway, town hall at Britton, Jan. 25; Riga, Riga village school, Jan. 31; Rollin, town hall, Precinct 1, Townley, Feb. 25; Rome, town hall, Feb. 21; Seneca, K. P. Hall, Seneca, Feb. 17; Tecumseh village council room, Feb. 7; Woodstock, town hall, Cement City, Feb. 24.

It is suggested that each farmer between the age of 18 and 45 do the following:

Appear at the registration place for his township between the hours of 10 and 4 (E.W.T.) on the day designed.

File there a completed questionaire for himself, and also for every man of draft age employed by him. If he is not of draft age himself, but employs a man between 18 and 45, he should appear with that man and sign for his farm help in 1944.

He should take to his registration center a list of his 1943 crop acreages and all livestock numbers; also the planned acreages and livestock numbers for 1944.

He must make notation on the completed form of the address of his draft board if he is registered outside o Lenawee county, so that the completed forms will be returned to the proper selective service headquarters.

Pick Up Waste Paper, Saturday

VILLAGE TAKES CHARGE OF JOB; REV. B. O. BASHORE IS THE CHAIRMAN

Have you any waste paper, old magazines and newspapers that are cluttering the basement, garage or attic? If you have, it's part of the ammunition now badly needed by the government in the war effort and a drive will be made here on Saturday, January 22, to collect as many tons as possible.

"There'll be no fooling here this time about the waste paper collection," Wade L. Jones, village clerk, said today. "We're going to use village trucks and man them, to do the job. We're in dead earnest about this thing, our government needs the paper. We're expecting the cooperation of the residents here and we're of the opinion that we can get 10 or more tons of paper in a single day."

Mr. Jones said that the Rev. B. O. Bashore, pastor of the Baptist church, has been named as chairman of the drive Saturday. He said that subsequent collections would be made from time to time.

"What we want the public to do is to have their waste paper, books and magazines on the boulevrd in front of their homes on Saturday morning by 9 o'clock. This is when we'll start the collection. It will be village wide, no one will be overlooked," Jones said.

Books, magazines and papers should be tied before they are placed on the boulevard, it was said, and any other paper should be in cartons and securely tied.

The village has contacted the Simplex Paper Corp., at Adrian and that company has agreed to have a large truck in Tecumseh on Saturday afternoon to begin hauling the paper to its plant in Adrian.

W. J. C. Hastings, 79, Dies at His Home Here

W. J. C. Hastings, aged 79 years, died Tuesday evening at his home on South Maumee street after an illness of several months.

Mr. Hastings, who was a son of the late John and Mary Hastings, was born in Tecumseh October 26, 1864, and spent his entire life here. He attended the local school, graduating in 1884. He later attended the University of Michigan for three years. He was employed as engineer by the Tecumseh Electric Company and later by Consumers Power Co. for a period of 50 years, retiring in 1939. He was a member of the Presbyterian church.

Survivors are the widow, six sons Bernard, somewhere in the west, Deane of Cleveland, James of Onsted, William of Madison Center, Herman with the U. S. Army in England and Ernest in Army camp in California; five daughters Roberta of Coldwater, Ella Febrique of Detroit, Mrs. Robert Meyers of Adrian, Mrs. Ada of Cleveland, and Mrs. Percy Creger of Tecumseh; three sisters Mrs. Martha Mosher and Mrs. Mary Miller of Coldwater and Mrs. Nellie Lawrence of Tecumseh, and one brother John Hastings of Jackson.

PEACE IMPOSSIBLE WITH NAZIS

Adolph Hitler tells the people of Germany that "in this war there will be no victors and vanquished, but merely survivors and annihilated."

For once, Der Fuehrer speaks the truth. The present struggle is no ordinary war but one which will set the face of the world for hundreds of years.

There was a time when nations went to war for specific purposes. When limited objectives were won or lost both combatants counted the fight at an end and arranged to live together again.

Hitler and his Nazis had no limited objective in this war. The lust for material booty, often called stealing, lies behind German plans.

The Nazi regime deliberately set out to plunder the other nations of the world, to take by force what they could not secure peacefully and to appropriate the property of other human beings regardless of former possession.

The trash about the "master race" was a cloak for common thievery. It was only propaganda to justify piracy and freebooting. It lies behind the mass slavery that Hitler has instituted among the conquered peoples of Europe.

Because the German people, under Hitler, set out to appropriate the wealth of the civilized world it was necessary to conquer mankind. Thus the scope of Hitler's war goes beyond ordinary causes of war, aspiring to possess everything, and makes it necessary to completely disarm his people before the civilization and possessions of mankind will be safe.

The inevitable punishment of the German people, and those who attempted to be partners in the greatest buccaneering enterprise of all time, is dictated not by a desire for revenge but by necessity. It must be demonstrated, completely and irrevocably, that organized crime does not pay even if it is engineered as international warfare.

The enemies of the Nazi regime would be foolish, indeed, not to eliminate the danger of another predatory conflict. The only way this can be accomplished is to render the German people unable to attempt, much less effectuate, another campaign of aggression, based mainly on the theory that the power to take justifies theft.

The Hitlerian motive is apparent in the treatment accorded conquered peoples. When the Nazis moved into a country they looted it of material things, made the population serve the needs of Germany and transported laboring men by the millions into Germany, where they serve as slaves to the Nazi masters.

Contrast this with what happens when soldiers of the United Nations go into a conquered land. They feed the people, rearrange the internal economy and attempt to encourage the democratic processes of freedom. The population is not enslaved to permit the shipment of goods to the people of other lands and there is no deportation of laborers to work in foreign factories.

Obviously, a nation can make peace with an enemy which is willing to let live as well as to live. It cannot accept the domination of an enemy, however, which takes all and leaves nothing, either of material or spiritual things. It is plainly a case of life or death for the defeated, and their civilization. Peace becomes the equivalent of destruction. In fact, there can be no peace at all.

For these reasons the war against Germany and her allies must continue until the power of the Nazi regime is so weakened that its poisonous philosophy is rendered incapable of harming other people. The fangs of the serpent must be removed, or the serpent slain, before there can be safety along the pathways of peace.

Farmers Can Spend
UP TO $1,000
For New Improvements

Here's an important messages for you, Mr. Farmer. Your government recognizes that you are operating a food arsenal—that your farm must produce if Victory is to be achieved.

For that reason your government appreciates that new improvements on your farm may be necessary. You may need a new shed, a new barn, or an addition to your house.

You can make these improvements with government approval. Your government has announced to us that you may spend up to $1,000.00 per farm for new improvements with no questions asked.

Don't neglect the food front—it's the front line of the war front and the home front.

There's No Limit on Repairs

Farmers need have no worry about obtaining materials with which to make needed repairs.

The government has approved an unlimited repair program and you can obtain all materials necessary for this work without priority.

For any materials you may need to do repair work or for new improvements, we invite you to visit us. Our stocks are quite complete.

NEWS OF OUR MEN and WOMEN IN UNIFORM

The following letter was received by Mr. and Mrs. Alvin Brazee from their son Sgt. Edward Brazee who is located somewhere in India.

Dec. 27

Dear Folks:

I just spent my third Christmas in the army and considering the place it wasn't bad. We had the traditional Christmas dinner complete from canned chicken to English walnuts and hard candy, and even had a menu. I designed the front and back cover and cut the stencil (with a paper clip in a pen holder) and it didnt turn out bad. I can't send it home for it lists the names of the hospital personnell and would be military information. In the afternoon we had a soft ball game with a nearby outfit and beat them 5-2. I played third base and did all right for an old man who will soon have to tack another year on to his age. The day was pleasant. Some of us played in our shorts and soaked up some of that sun of which India has aplenty. Our outfit had a Christmas party the night of the 23rd and it was the nicest G. I. party I ever attended. We had all the fried chicken, french fries, cake, pickles and ice cream we could eat.

I had charge of the decorations and had a good committee. In fact we had it looking like "something back in the old country."

We had a tree which we decorated with a few commercial ornaments and ones cut from tin cans, had a home-made string of lights that we painted. Also made lovely wall sprays and table sprays of fern and bamboo leaves, palm fronds, wild lantana poinsettia and a purple tassel that grows like cat-tails. We had a lot of fun getting the stuff, it all grows nearby and is easily gotten. We received plenty of compliments for the way the place was decorated. The officers even served the meal.

Santa Claus proved that he still gets around and passed out a little red stocking containing a gift. Then we had a colored quartet sing a few numbers, they were very good. So our big time was the night of the party.

I imagine your Christmas was a busy on with the church program and putting up the Christmas boxes you usually do. I received Dad's and your letter the same day before Christmas, also the card but our Christmas mail is late, so haven't received any Christmas package from you as yet. Got the stamps you sent a while back. Thanks. I hope Don and Neal had a good holiday and that it may be our last one in uniform. I went to Christmas services Christmas eve and sang carols from ward to ward.

So long, your son,
Ed.

Dec. 12, 1943

Dear Members of the American Legion Auxiliary:

Many thanks for the fine box of stationery which arrived in good shape on Dec. 10. As you can see, I'm making good use of it already. It means a lot to us overseas to be remembered by you at Christmas time. Recently 11,000 bags of Xmas mail arrived and all the men are in high spirits.

I think one of the things I enjoy receiving most is the Tecumseh Herald which as one fellow said—"is just like a letter from home." It is heartening to the home town boys overseas to know what a vital part the American Legion Auxiliary, and other organizations which many of you are a part, are playing in the war effort. You are making us very proud of claiming Tecumseh as our home.

Well, Iceland hasn't been lining up to its name very well lately. We have had so much rain the only snow remaining, where I am, can be found in small patches on the mountains. And our ski equipment is just waiting to be used.

In Reyhjavik the Icelanders have decorated their stores and a shipment of apples, from the States, will be a great treat for them at Xmas. Last year they cost 18c each, so we admire them through the windows.

Despite the long hours of darkness and the rain—we have many things to be thoughtful for in Iceland as we approach the second Christmas. The Red Cross has built a fine club in Reyhjavik where clubs meet nearly every night and movies are shown several times every week. Our food, though sadly lacking a mother's touch, is on th whole quite good and we have plenty of warm clothing.

Reyhjavik is quite a modern city of 40,000 people. There are three large movie houses, several book stores and a fine swimming pool. The Icelanders are more friendly than they used to be—but are still quite reserved as they wish to preserve their language and traditions as much as possible. One can hardly blame a tiny nation of 120,000 people for attempting to preserve their individuality. The best way to become acquainted with them is to speak Icelandic—which is rather difficult.

We are all looking forward to making long marches toward the end of the war next year. The knowledge that you are helping us to go forward at home, gives us high hopes as we approach the new year.

Thank you again.

Very sincerely,
Jon Young.

Jan. 11, 1943

Dear Sirs:

I have been receiving the Tecumseh Herald from you, and I want to thank everybody who has made it possible for me to get it. It keeps a fellow informed of how everything is going in Tecumseh. Again, may I thank everybody for the Herald.

Sincerely yours,
Sgt. Ivan Maynard.

Dear friend Earl:

Just received several copies of the Herald mailed to my old address. I read everyone of them with much interest. To see and read a copy of the good old home town paper does something to you. Believe me, Earl, it elevates a man's spirits and morale to a new high. Thanks very much.

Should I chance to meet with any unusual experiences in this paratroop soldiering, and I am permitted to write about it, I shall be glad to drop you a letter about things.

Capt. Hodge.

Italy
Dec. 27, 1943

To The Tecumseh Herald:

Dear Friends:

If time will permit me, I will try to write a few lines that may be of interest to you people at home, or to some of you boys that are in a different field of operation.

Since I left the States I have had the opportunity of visiting numerous countries. Scotland was my first sight of foreign soil. It was a very impressive sight to our eyes. We passed through Scotland into England where we were stationed at various fields for a few months.

After a few months in England we were ordered for another boat ride. Our destination was unknown until we received a little blue book with the big letters Africa printed very plainly across the cover.

The book was very well absorbed by all. It wasn't long before we were in port and we got our first real look at Africa. Once again we were greeted by mountains, and a language that was completely strange to our ears.

Our first night's rest was in the main square of Oran. It was the first soft pavement that I have slept on. Our feet and shoulders were like boils, but we managed to continue our march with the help of Arab kids.

It wasn't long before we discovered the little blue book forgot to mention the rain and mud. The mud was a good combination of ice and cement. This Taffaraoni mud should findid its way into our future history books.

It wasn't until the following May that we were transferred from there. We have been on the move quite a bit since we left Oran. We went across North Africa finally ending up here in Italy.

We find Italy a much better place than Africa. The climate is much like that of ours and the vegetation much the same too. So far we have had lot of rain, but no snow.

The people seem to be friendly, but I still don't trust them. Maybe I was in Africa to long.

My time is limited, so I must close.

I remain,yours,
Gerald E. Linger.

Mr. Wickwire and Members of the American Legion Auxiliary:

I wish to express my thanks to you for sending the Herald which I receive regularly. Having lived in Tecumseh for 20 years I know very many people, the Herald is very helpful in keeping me in contact with them and the activities in the town. There are many Michigan men here in my company but none from Tecumseh. We always stick together in convincing the other how much better Michigan is than other states. "There is no place like home", this is what we all think no matter where we live.

Sincerely yours,
John L. Kelly.

Great Lakes, Ill.
Dec. 12, 1943
2015 Navy Time

American Legion Auxiliary:
c/o Mrs. Olga Smith
Tecumseh, Michigan

Dear Ladies of the Legion:

Just another Navy hand who has left Tecumseh to lend her services to the Navy for the duration, writing back to the best little town in the U. S. A.

First I want to thank you kindly for the Xmas gift of "The Tecumseh Herald". It is such a pleasure to be able to read about your friends at home and those that are scattered all over the globe; to read the news shortly after leaving the press and not having to wait until Mom and Dad have finished reading their copy and get more than one together before sending it on to you. The paper comes through regularly every week and I look forward to its coming.

Well as Mom no doubt has told you I'm part of the greatest Navy in the world—the U. S. Navy Nurse Corp. It is a fine life for a girl and this is the place for a nurse when there is a war to win. It really does your heart good, when you walk on your ward and some boy has a problem that he cannot solve and you can lend him a hand to help solve it. You really are the fellows: Moms, sisters, aunts and even sweethearts. You always remind some boy of someone at home and it cheers him up if you'll take a minute in passing to stop and say a kind word or two of encouragement to him.

A lot of you ladies have sons in the Navy that have been here at the Lakes. It certainly is a mammoth station, in fact it is the largest training station (Naval) in the world. If you could see the buildings scattered over a number of miles you would realize it is large.

Of course when we first came in the Navy we are immediately tagged with a name "Boot". Navy life at first is very confusing to one. Navy Nursing is so different from civilian nursing and it takes a while to get used to the Navy's way of doing things.

We have very lovely quarters here. Three large buildings house around 300 nurses. Our rooms are very lovely. We have double-deck beds, a sink, double closets, chest of drawers, dresser and stool, desk and chair, big overstuffed chair and a rug. Never slept in a double deck bed until I entered the Navy. I've learned to lay still in the upper bunk now. After taking a few spills out of it! ! ! Also have maid service. We will be very spoiled when we leave the Navy.

Our hours of work are very short compared to what our civilian nurses are doing. We work 6 hours a day and have one hour off for chow (Navy language—meals). Our work is mostly supervision of corpsmen and Waves. They do the actual work and we teach them the correct way of caring for a patient. Of course if a patient is critically ill and needs attention it is the Nurse's duty to see that he has the ill and needs attention it is the

The Navy language is very "salty" and one has to be on their toes at all times or the boys will try to pull pranks on you esp if you are a new nurse and look "green."

The boys in the Navy are really a fine bunch of lads and we love them and take care of them all so they in turn can go out and fight and protect us Americans that know the value of the word "liberty."

The Navy Nurse Corps is tops with me and I hope to stay with it until this world has settled down to peace and contentment once again.

Until we can come home and visit with our friends and neighbors once again you ladies that have sons in the Navy here and across don't worry about them too much when they are ill. The Navy has very fine doctors and we nurses will continue to do our little bit for them to get them well and keep them happy.

Once again let me thank you for the lovely Xmas gift and the thoughtfulness behind all the trouble to get it to us.

Sincerely yours,
Ensign Jeanne Kay Shuyter

Dec. 1, 1943

To American Legion Auxiliary:
Dear Mrs. Smith:

I received the package you sent me for Christmas, it came before Christmas, but over here we don't mind it, because we know how it is to get mail here around Christmas time, it was nice of you all to think of me. You people in Tecumseh don't know me and I don't know you, but it makes no difference to me, because it makes me feel as though I have known Tecumseh people all my life. I can tell you how nice it was to receive a gift from you all.

I am hoping some day I will be home to stay and live in Tecumseh. My mother and father have told me quite a bit of our new home town. I can hardly wait until I get home, to meet my new friends.

So I will thank you all again, and wish you all a Merry Christmas and a Happy New Year.

As ever yours,
Cpl. Paul C. Snyder.

THAT JANUARY

Is a pretty good month to take an inventory of good TELEPHONE usage to help win the war.

So . . . until we've won a glorious victory over our enemies . . . We've Decided that:

We will use the TELEPHONE only when necessary.

We will make certain that we have the correct TELEPHONE number before calling.

We will make our conversation as brief as possible.

We will answer the TELEPHONE promptly.

We will call "INFORMATION" only when necessary.

We will protect our TELEPHONE equipment against undue wear and breakage.

We will always bring our TELEPHONE bill when making payments.

And last but not least we will practice a "Good Neighbor" policy.

Quality Merchandise Makes Satisfied Customers

There is nothing, we have found, that will make more satisfied customers than quality merchandise.

In these days of rationing, when everything you buy must be stretched to a maximum, quality is doubly important. When you buy quality there is little or no waste, you are able to use all that you buy.

For more than 80 years our store has prided itself on the sale of quality merchandise. If you are interested in quality we invite your patronage.

Some Eye Opener Facts For Brood Sow Owners

Grain alone is an incomplete ration for the feeding of brood sows. Many tests made by different Agricultural Colleges and Experiment Stations have shown the following average results:

GILTS FED CORN ALONE had 6.5 pigs per litter with an average weight per pig of 1.8 lbs. 35% of the litter were weak pigs. 60% of the pigs were lost.

GILTS FED A PROPER SUPPLEMENT, averaged 8 pigs per litter. The weight per pig increased 29%. 90% of the litter were strong pigs. Only 22 per cent of the pigs were lost.

These tests show that it pays to feed a Protein Supplement to your sows and gilts.

HAYDEN'S HOG BALANCER WILL DO THE JOB.

Pig Pointers

Brood sows should have plenty of room for exercise.

Come On, America!
It's 1944!

THIS is what we've been working for all along. This is the year to hit and *hurt* the enemy. This is the time when everything you do counts double. If we all get together and do *all* we can, we'll be over this hurdle and well on our way to complete and crushing victory.

No question about the men in uniform—they'll go "all out." But can we count on *you* to back them *all the way?* Your quota is where you work—you've got to buy your War Bonds and then buy more, until every last loose cent you have is *fighting*. Tough? Of course, it's tough—unless it *is* a sacrifice you're simply not doing your share!

Make the sacrifice now—buy *more* than the extra $100 Bond your country counts on you for—winning the war is worth *any* sacrifice you make. Besides, you aren't *giving*, you're *lending to America!* You'll get back every dollar you invest in War Bonds, with interest.

An extra $100 War Bond now is the minimum for everybody—can't we count on *you* for *more?*

An Ordinance to regulate and restrict the location of trades and industries and the location of building designated for specific uses, to regulate and limit the height and bulk of buildings, courts, and other open spaces, to limit and restrict the minimum number of families which may be housed in dwellings hereafter erected or altered, for said purposes; to divide the Village into districts, to provide for changes in the regulations, restrictions and boundaries of such districts, to define certain terms used herein, to provide a method of administration and enforcement, the establishment of a Board of Appeals and to prescribe the penalties for the violation of the provisions of the Ordinance.

Preamble

In pursuance of the authority conferred by the public acts of the State of Michigan, in such case made and provided, and for the purpose of promoting the health, safety, morals and general welfare of the inhabitants of the Village of Tecumseh by the lessening of congestion in the streets; securing safety from fire, panic and such other dangers; providing adequate light and air, preventing the overcrowding of land; avoiding undue congestion of population; facilitating the adequate provisions of transportation, water, sewerage, schools, parks and other public requirements; and by other means, in accordance with a comprehensive plan; now, therefore:

ENACTING CLAUSE

THE VILLAGE OF TECUMSEH ORDAINS:

Section 1
SHORT TITLE

This Ordinance together with the Building Zone Map which is attached hereto and made a part hereof shall constitute and shall be known as the "Zoning Ordinance of the Village of Tecumseh", and will be referred to herein as "this ordinance."

Section 2
DEFINITIONS

Sec. 2.1—GENERAL TERMS

For the purpose of this Ordinance certain terms are herewith defined as follows:

Words used in the present tense include the future; the singular number includes the plural and the plural the singular, the word "building" includes any structure other than a boundary fence or wall, the words "used and occupied" include the words "arranged, designed or intended to be" used or occupied; the word "shall" is always mandatory and not merely directory. Terms not herein defined shall have the meanings customarily assigned to them.

Sec. 2.2—ACCESSORY USE

A use naturally and normally incidental to, subordinate to and devoted exclusively to the main use of the premises.

Sec. 2.3—ACCESSORY STRUCTURE

A subordinate structure on the same premises with and devoted exclusively to the main use of the premises.

Sec. 2.4—ALLEY

A public thoroughfare or way, not more than thirty (30) feet wide and which affords only a secondary means of access to abutting lots.

Sec. 2.5—BLOCK

For the special purpose of this Zoning Ordinance a block shall mean all land fronting on one side of a street between the nearest streets or alleys intersecting, meeting or crossing the aforesaid street and bounding such land.

Sec. 2.6—BOARD

The word "Board" shall mean the Board of Appeals.

Sec. 2.7—BUILDING

Any structure, either temporary or permanent, having a roof and used for the shelter or enclosure of persons, animals, chattels, or property of any kind. This shall include tents, awnings, or vehicles situated on private property and used for purposes of a building.

Sec. 2.8—BUILDING, HEIGHT OF

The vertical distance from the established sidewalk grade at the center of the front of the building to the highest point of the roof surface if a flat roof, to the deck line for mansard roofs and to the mean height level between eaves and ridge for gable hip and gambrel roofs. Penthouses, towers, cupolas, steeples and other roof structure, used only as ornaments or for mechanical operation of the building shall not be included in the height of the building.

Sec. 2.9—DWELLING

Any building, or part thereof, occupied, in whole or in part, as the home, residence, or sleeping place of one or more persons, either permanently or transiently.

One Family Dwelling

A building occupied by not more than one family.

Two Family Dwelling

A building occupied by not more than two families.

Multiple Dwelling

A building or portion thereof, occupied by three or more families, each living independently, in separate housekeeping units.

Sec. 2.10—ERECTED

The word "erected" includes built, constructed, re-constructed, moved upon, or any physical operation on the premises required for the building. Excavations, fill, drainage, and the like, shall be considered a part of erection.

Sec. 2.11—ESTABLISHED GRADE

The elevation of the sidewalk grade as fixed by the Village.

Sec. 2.12—FAMILY

One person, or a group of two or more persons living together and inter-related by bonds of consanguinity, marriage, or legal adoption, occupying the whole or part of a dwelling as a separate housekeeping unit with a common and single set of culinary facilities. The persons thus constituting a family may also include gratuitous guests and domestic servants.

Sec. 2.13—FIRST FLOOR

The floor of a building approximately at or first above the mean level of the ground at the front of the building.

Sec. 2.14—HALF STORY

A story which is situated within a sloping roof, the area of which at a height four (4) feet above the floor does not exceed two-thirds (⅔) of the floor area directly below it, wherein living quarters are used only as a part of a dwelling situated in a story below.

Sec. 2.15—GARAGE

A building or part thereof in which self-propelled vehicles, trailers or trailer cars are housed or sheltered for the purpose of parking, storage, servicing, sale or display.

Sec. 2.16—GARAGE-PRIVATE

A building or part thereof, not over one (1) story or sixteen (16) feet in height, for use of the occupants of the same premises upon which it is located, for storage of not more than four (4) self-propelled vehicles, and in which no service for profit is rendered.

Sec. 2.17—GARAGE-COMMERCIAL

A garage other than a private garage.

Sec. 2.18—LOT

A piece or parcel of land abutting on a street occupied by a building, structure, accessory building, accessory structure, use or accessory use, including yards and open spaces required by this Ordinance.

Corner Lot

A corner lot is a lot of which at least two (2) adjacent sides abut for their full length upon a street, provided that such two (2) sides intersect at an angle of not more than one hundred thirty-five (135) degrees. Where a lot is on a curve, if tangents through the extreme point of the street line of such lot make an interior angle of not more than one hundred thirty-five (135) degrees, it is a corner lot. In the case of a corner lot with a curved street line, the corner shall be considered to be that point on the street line nearest the point of intersection of the tangents herein described. Any portion of a corner lot distant more than one hundred (100) feet from a corner, measured along the street line, shall be treated as an interior lot.

Sec. 2.19—LOT LINES

The boundary lines of a lot are:

Front Lot Line

The line dividing a lot from a street. On a corner lot, only one (1) street shall be considered as a front lot line and the shortest street line shall be considered the front lot line.

Rear Lot Line

A lot line opposite the front lot line.

Side Lot Line

Any lot lines other than front lot line or rear lot line.

Sec. 2.20—NON-CONFORMING USE

A building, structure, or premises occupied by a use that does not conform with the provisions of this Ordinance for the District in which it is situated.

Sec. 2.21—OCCUPANCY, CHANGE OF

The term "change of occupancy" shall mean a discontinuance of an existing use and the substitution therefore of a use of a different kind or class.

Sec. 2.22—OCCUPIED

The word "occupied" includes arranged, designed or intended to be occupied.

Sec. 2.23—PERSON

The word "person" includes association, firm, co-partnership or corporation.

Sec. 2.24—PUBLIC UTILITY

Any person, firm, corporation, municipal department or Board duly authorized to furnish and furnishing under municipal regulation to the public, electricity, gas, steam, telephone, telegraph, transportation or water.

Sec. 2.25—SET BACK LINE

A line parallel to a street line establishing the open space between the fronts of buildings or structures and the street line and into which open spaces said buildings or structures shall not extend or encroach.

Sec. 2.26—STORY

That part of a building included between the surface of any floor and the surface of the next floor or of the roof next above. When the distance from the average established grade to the ceiling of a story partially below such grade exceeds five (5) feet then the basement or cellar constituting the story partially below grade shall be counted as a story.

Sec. 2.27—STREET

A public thoroughfare which affords a principal means of access to abutting property.

Sec. 2.28—STRUCTURE

A structure is any production or piece of work artificially built up or composed of parts joined together in some definite manner; any construction.

Sec. 2.29—USE

The purposes for which land or building thereon is designed, arranged, or intended, or for which it is occupied or maintained.

Sec. 2.30—USED

The word "used" includes arranged, designed, or intended to be used.

Sec. 2.31—YARD

An open space on the same lot with a building. Yard measurements shall be the minimum horizontal distances.

Yard—Front

A yard extending across the full width of the lot between the front lot lines and the nearest line of the main building.

Yard—Rear

A yard extending across the full width of the lot between the rear lot line and the nearest line of the main building.

Yard—Side

A yard extending from the front yard to the rear yard between the side lot line and the nearest line of the main building.

Section 3
GENERAL PROVISIONS

Sec. 3.1—CONFLICTING REGULATIONS

Where this Ordinance imposes greater regulations, restrictions, or limitations by its provisions than are imposed or required by existing laws or ordinances, regulations, restrictions or limitations, the provisions of this Ordinance shall control.

Sec. 3.2—SCOPE

No building or structure shall hereafter be erected or altered and no building or stucture or premises shall be used in whole or in part except in conformity with all the provisions of this Ordinance which apply to the district in which it is located.

Sec. 3.3—PROJECTIONS

Projections into Required Spaces. Outside stairways, fire escapes, fire towers, porches, platforms, balconies, boiler flues and other projections shall be considered as part of the building and not as a part of the yards or courts or unoccupied spaces. This provision shall not apply to permanently unenclosed outside porches not exceeding one (1) story in height which do not extend into the front or rear yard any farther than ten (10) feet (but not nearer to any street lot line than fifteen (15) feet.)

Sec. 3.4—PERMITS ALREADY ISSUED

Nothing in this Ordinance shall require any change in the plans construction or intended use of a building for which a building permit has been issued prior to the time of passage of this Ordinance and the construction of which shall have been commenced within three (3) months of the date of such permit, and the ground story frame work of which, including the second tier of beams shall have been completed within one (1) year from the date of such permit. In the event such provisions are not complied with within the required time, said building must thereafter conform to all the provisions thereof. Nothing herein contained shall prevent the ultimate erection of its full height and bulk prior to the adoption of this Ordinance, but with its foundation and structural members designed to carry the larger building. Nothing herein contained shall prevent the strengthening or restoration of any building or wall declared unsafe by the Building Inspector.

Sec. 3.5—NON-CONFORMING USES

Any use of property existing at the time of passage of this Ordinance that does not conform to the regulations prescribed therein shall be deemed as a non-conforming use. Such non-conforming use may be continued upon application to the Building Inspector for certificate of occupancy within one (1) year from the date of the passage of this Ordinance and such continuance shall be subject to all the provisions of this section. The Board of Appeals after appropriate notice and hearing as specified in the statute may revoke certificate of occupancy issued to a non-conforming use.

A non-conforming use shall not be changed unless changed to a conforming use and if discontinued or changed to a conforming use it may not thereafter be changed back to the original use or to any non-conforming use nor shall a non-conforming use be extended except that changes or extentions may be permitted by the Board of Appeals, in the event that a structure which is non-conforming is unused for a period of one (1) year or more any subsequent use must be one which conforms with the provisions of this Ordinance. A non-conforming building or structure destroyed or damaged less than fifty (50) per cent of its value by fire, explosion, Act of God, or act of the public enemy may be repaired or restored to its original condition but not otherwise, then only with the express permission of the Board of Appeals after proper application thereto.

Sec. 3.6—LOCATION OF DWELLINGS

Every dwelling shall face or front upon a public street or permanent easement of access to a public street, other than an alley and no dwelling shall be built upon a lot having a frontage of less than fifty-five (55) feet upon a public street or upon a permanent easement of access to a public street, such easement to have a width throughout of not less than thirty feet (30) feet or not less than ten (10) feet in width for each lot fronting upon it, except that no width of easement greater than sixty (60) feet shall be required hereby.

Sec. 3.7—BOUNDARIES OF DISTRICTS

Unless otherwise shown, the District boundaries are either lot lines, the center lines of streets or alleys or the extension thereof and where the districts are designated on the maps accompanying and made a part of this Ordinance are approximately bounded by lot lines, streets or alleys, the lot lines or center lines of such streets or alleys, or the extensions thereof, shall be construed to be district boundaries.

Where the district boundaries are not shown as being either lot lines, streets or alleys, or the extensions thereof, unless otherwise indicated they shall be construed to be parallel to and one hundred (100) feet from the nearest street, provided that if a lot line or an alley shall hereafter be platted and recorded paralleling and within thirty (30) feet of such district boundary such lot line or the center line of such alley shall thereupon be construed as the district boundary.

Sec. 3.8—VEHICLE STORAGE FOR DWELLINGS

Facilities for the storage of self-propelled passenger vehicles for the use of occupants of multiple dwellings shall be provided and maintained on the premises occupied by such dwellings. Such storage facilities shall provide at least two hundred (200) square feet of accessible storage space for each two (2) family units in such dwellings. The driveway area shall not be considered as storage area.

Sec. 3.9—TRANSFERAL OF RESIDENTIAL REQUIREMENTS

Where any building, structure or use for residential purposes is permitted by the terms of this Ordinance in any other district or districts besides the district in which such buildings, structure, or use is now primarily permitted, such building, structure or use shall be provided with the same yards and shall be subject to the same limitations on percentage of lot coverage and area per family as are specified for such building, structure or use in the district in which it is first or primarily permitted.

Sec. 3.10—GROUP HOUSING

Where two or more dwellings as one group are erected or placed on the same premises, the space between any two dwellings shall not be less than the height of the higher of the two dwellings, and the space between any dwelling and the nearest side lot line adjoining other private property shall be not less than the height of that dwelling. Front and rear yards on such premises as required for lots in districts in which such buildings, structures or uses are first or primarily permitted shall be provided.

Sec. 3.11—LOTS ADJOINING OTHER DISTRICTS

On lots in any residence district which adjoins a business district, such variation in the requirements for residence districts may be granted by the Board of Appeals as they may in their discretion deem just and equitable.

Sec. 3.12—ANIMALS

No lot or building in any residence district shall be used for the housing, keeping or raising of animals, livestock or fowl except such animals or livestock as are commonly known and kept as household pets.

Sec. 3.13—ONE DWELLING ON LOT

There shall be erected on any one lot of less than eighty (80) feet of frontage not more than one (1) dwelling and one (1) garage for private parking which garage shall contain not more than six hundred (600) square feet of floor area and provided further that no commercial vehicle shall be housed therein, except as for one such vehicle of not more than two (2) tons capacity, provided such vehicle is owned or operated by the owner or occupant of the principal building on the same lot.

Sec. 3.14—ESSENTIAL SERVICES

The erection, construction, alteration or maintenance by public utilities or municipal departments or commissions of underground or overhead distribution, collection, or communication systems, including mains, drains, sewers, pipes, conduits, wires, cables, fire alarm boxes, police call boxes, traffic signals, hydrants, poles, and other similar equipment, and surface accessories in connection therewith reasonably necessary for the furnishing of adequate service or for the public health or safety or general welfare shall be permitted in any use district.

Section 4
ADMINISTRATION

Sec. 4.1—ADMINISTRATIVE OFFICER

The Village Engineer is hereby authorized and directed to enforce all the provisions of this Ordinance. He may delegate the enforcement of this Ordinance to any administrative official of the Village. The administrative official shall be directly under the control of the Village Engineer and shall for the purpose of this Ordinance have the powers of a police officer.

Sec. 4.2—BUILDING PERMITS

No permit shall be issued by the Village of Tecumseh, or any official thereof, for the erection, alteration or removal of any building or any parcel of land unless such building is designed and arranged to conform to the provision of this Ordinance.

Sec. 4.3—CERTIFICATE OF OCCUPANCY

No building hereafter erected or remodeled shall be occupied until a certificate of occupancy has been issued therefor, nor shall the use or occupancy of any building be changed to a use or occupancy of different classification until a certificate of occupancy permitting the new use or occupancy shall have been issued. No such certificate of occupancy shall be issued for any building, unless all the provisions of this Ordinance are fully complied with.

Upon written request the administrative officer shall issue a certificate of occupancy for any building or premises for the use of classification as existing on the effective date of this Ordinance, stating whether such use is a conforming or non-conforming use; provided application for such certificate of occupancy is made within one (1) year after the passage of this Ordinance.

Sec. 4.4—INTERPRETATION

In the interpretation and application, the provisions of this Ordinance shall be held to be the minimum requirements adopted for the promotion of the public health, safety and general welfare.

Wherever any provision of this Ordinance, imposes requirements for lower heights of buildings, or a less percentage of lot that may be occupied, or requires wider or larger courts or deeper yards than are imposed or required by existing provisions of law or Ordinance, the provisions of this Ordinance shall govern. Where, however, the provisions of the State Housing Code or any ordinance or regulations of the Village of Tecumseh impose requirements for lower heights of buildings or less percentage of lot that may be occupied, or require wider or larger courts or deeper yards than are required by this Ordinance, the provisions of the said State Housing Code or other ordinance or regulation shall govern.

It is not intended by this Ordinance to interfere with or abrogate or annul any easements, convenants or other agreements between parties; provided, however, that where this Ordinance imposes a greater restriction upon the use of buildings or premises, the provisions of this Ordinance shall control.

Section 5
DISTRICTS

Sec. 5.1—DIVISION

The Village of Tecumseh is hereby divided into districts as follows:

Residence A
Residence B
Residence C
Multiple-Family Residence District
Business A
Business B
Industrial

Sec. 5.2—BOUNDARIES AND MAP

The boundaries of said districts are hereby established as shown on the map, designated as the Zoning Map of the Village of Tecumseh, attached hereto and made a part hereof, and said map and all notations, references and other information shall be as much a part of this Ordinance as if the matters and information set forth on such map were all fully described herein.

Sec. 5.3—APPLICATION OF PROVISIONS

The use of land and buildings hereafter commenced or enlarged, the area and height of buildings hereafter erected and such other provisions as may be deemed necessary shall be as specified in the sections of this Ordinance and no building or premises or part thereof shall be used, altered, constructed or reconstructed except in conformity with the provisions applying to the districts in which it is located.

Section 6
GENERAL PROVISIONS OF RESIDENCE A, B, C AND MULTIPLE-FAMILY RESIDENCE DISTRICTS

Sec. 6.1—SIZE OF LOT RESIDENCE

Every lot upon which a one-family dwelling is erected shall be not less than fifty-five hundred (5500) square feet in area. The Board of Appeals may grant an exception to this requirement for owners of lots of lesser area, who do not own a sufficient amount of adjacent property which will permit their complying with this section, provided all other requirements of this Ordinance are complied with.

Sec. 6.2—LOT COVERAGE

The combined area occupied by all buildings and structures shall not exceed thirty-five (35) per cent of the area of the lot.

Sec. 6.3—HEIGHT

No dwelling, or part thereof, shall be erected or altered to a height exceeding two and one-half (2½) stories or thirty-five (35) feet.

Sec. 6.4—REAR YARD

Every lot shall have a rear yard not less than thirty (30) feet in depth. Rear yards required by the provisions of this Ordinance may be considered as extending to the centerline of the alley where there is an alley at the rear of the lot.

Sec. 6.5—SIDE YARDS-RESIDENTIAL USES

There shall be provided a side yard on each side of every lot, which shall be not less than seven (7) feet in width, and the combined width of both side yards shall be not less than twenty (20) feet.

Sec. 6.5—SIDE YARDS-NON-RESIDENTIAL USES

Every lot on which a building or structure other than a dwelling is erected, shall have a side yard on each side of such lot, and each such yard shall be not less than fifteen (15) feet in width with an increase of one (1) foot in width of each side yard for each five (5) feet by which the said building or structure exceeds forty (40) feet in overall dimensions parallel to the side yard.

Sec. 6.7—FRONT YARD-RESIDENTIAL USE

There shall be on every lot a front yard the depth of which shall be not less than twenty-five (25) feet. Where a front yard of greater or less depth than above specified exists in front of dwellings existing on more than fifty (50%) per cent of the lots on record on one side of a street in any block, the depth of front yard on any dwelling subsequently erected or placed on any one of such lots shall not be less, and need not be greater than the average depth of the front yards of such existing dwellings, but this shall not be deemed to require a front yard of greater depth than thirty (30) feet or permit a less depth than twenty (20) feet in any case.

Sec. 6.8—YARD AREAS-ENCROACHMENTS

No required open spaces or yards surrounding any building shall be encroached upon or reduced in any manner, except by condemnation of a portion of the property nor shall any such areas serve as required yard space for more than one (1) building.

Sec. 6.9—REAR YARD ACCESSORY-USE

Rear yard spaces required in residence districts may be occupied by accessory buildings or structures for accessory uses permitted herein; providing that such buildings or structures are not over fifteen (15) feet high nor occupy more than forty (40%) per cent of the required rear yard area.

Sec. 6.10—REAR YARD-STREET TO STREET

Where it is desired to erect a building from street to street or to within fifty (50) feet of another street, no rear yard shall be required, but there shall be provided on each side lot line an area equal to the area of the rear yard normally required in addition to the normal side yard requirements.

Sec. 6.11—SIDE YARD ON STREET SIDE OF CORNER LOTS

Where a corner lot is so situated that there is adjoining it at the rear an interior lot fronting on the side street the side yard along the street side shall be treated as a front yard and shall conform to the requirements thereof, provided that the Board of Appeals upon application thereto may grant a side yard of a depth of not less than ten (10) feet. If, however, there is no such adjoining interior lot, the width of the side yard along the street shall be governed by the provisions of side yards.

Sec. 6.12—EXCEPTIONS FOR SHALLOW LOTS

On any lot of record at the time of passage of this Ordinance which has at any point a depth of less than four (4) times the depth specified for front yards, the required front yard depth at such point may be reduced to one-fourth of the lot depth, but this shall not permit a less depth than twenty (20) feet in any case.

Sec. 6.13—EXCEPTIONS FOR SPECIFIED CASES

Reduction of the required minimum front yard in Residence Districts to not less than twenty (20) feet may be permitted by the Board of Appeals, where the reduction applies to an entire street or block to all of a block within a Residence District, upon written request of the owners of seventy-five (75%) per cent of the frontage affected; provided that such reduction is compensated by increased open spaces at the side or the rear of the lots to which it applies.

Sec. 6.14—EXCEPTIONS FOR NARROW LOTS

On any lot of record at the time of passage of this Ordinance where the lot width is less than three (3) times the required total side yard restrictions the total side yard width may be reduced to one-third (⅓) of the lot width. However, the minimum for any one yard may not be less than five (5) feet except that on lots having a width of thirty (30) feet or less, the side yard on any one side may be reduced to three (3) feet and on such lots having a width of twenty (20) feet or less the side yards on both sides may be reduced to three (3) feet if in any Residence District.

Sec. 6.15—SEMI-DETACHED AND ROW DWELLINGS

In a Residence "C" District the side yard on one side or both sides of a lot or the rear yard on a corner lot may be omitted where necessary for the erection of dwellings or other buildings attached in pairs or groups as permitted in such districts, but along the outermost side lot lines of any pair or group of lots so used there shall be side yards having a total width of not less than twelve (12) feet, and a minimum for one (1) yard of five (5) feet.

Sec. 6.16—REAR YARDS ABUTTING UPON A STREET

Where the rear of a lot abuts upon a street, the depth, of a rear yard shall be increased if necessary to conform to the requirements for front yards on such rear street.

Sec. 6.17—ACCESSORY USE-SAME LOT

An accessory use shall not include a building or use not located on the same lot with the building or use to which it is accessory.

(a) Garage. A private garage to be deemed an accessory use shall not provide storage space for more than one (1) motor vehicle for each two thousand (2,000) square feet of ground area of the lot. Such private

Garage may have living quarters for servants or members of the family; provided all requirements of a single residence for yard space are fulfilled.

(b) Retail Business-Trade-Profession. The term accessory use shall not include the conducting of a retail business, but shall include only the use of a portion of the building by an occupant of such building for the conducting of his or her trade, profession or occupation. Such accessory use shall not occupy more than twenty-five (25%) per cent of the floor area of any one floor.

(c) Smoke-Noise and Etc. No accessory use shall be permitted which by the emission of odor, smoke, dust or noise or which in any other way is objectionable or detrimental to the amenity of the neighborhood.

Sec. 6.18—MINIMUM WIDTH OF LOTS

No dwelling shall be built upon a lot not of record at the time of passage of this Ordinance having a width at the front of less than fifty-five (55) feet and fronting upon a public street, or upon a permanent unobstructed private easement of access to a public street, such easement to have a width throughout of not less than thirty (30) feet and at the end thereof and at intermediate intervals of five hundred (500) feet a turn-around not less in width than forty (40) feet.

Sec. 6.19—YARD AREA OF BUILDING OTHER THAN DWELLINGS

The minimum lot area requirements for other than dwellings shall be as follows:

(a) Public or parochial schools two hundred (200) square feet per student.

(b) Institutions five hundred (500) square feet per student regularly enrolled.

(c) Hospitals and sanitariums, one thousand five hundred (1500) square feet per patient.

Sec. 6.20—BUILDINGS AND LANDS EXCEPTED

The lawful use of any land or of any existing building on the effective date of this Ordinance may be continued as provided in this Ordinance.

Sec. 6.21—EXCEPTIONS FOR UTILITY (Public and Private)

The Board of Appeals may in its discretion issue a certificate of Compliance for publicly-owned buildings, public utility buildings, telephone exchanges, transformer stations, and substations, provided the same are not injurious to the surrounding neighborhood, conform to the general architecture and are in accord with the spirit and purpose of this Ordinance and its provisions.

Section 7
RESIDENCE "A"—PERMITTED USES

Sec. 7.1—TYPE

No land or building within the district designated as Residence A District shall be erected or used for other than the following specified uses:

(a) Dwelling for one (1) family only.

(b) The office of a professional man, customary home occupations and boarding and the renting of rooms; provided, such use shall be accessory to a residential occupancy, and provided further there is no display of advertising, except that a physician or surgeon may display an inconspicuous sign not over one (1) square foot in area.

(c) Churches, parish houses or Sunday School buildings.

(d) Schools and colleges.

(e) Signs advertising the rental, lease or sale of the property upon which they are maintained; provided, that the total area of such signs displayed on one property does not exceed nine (9) square feet; provided further, that the area of any one sign shall not exceed three (3) square feet.

(f) Accessory uses customary or incident to any of the above uses. No building occupied by any such accessory use shall be within fifty (50) feet of any street line, except on a corner lot where such building may be not less than fifteen (15) feet from the street line on the side street.

Sec. 7.2—AREA AND BULK-RESIDENCE A

No building shall be erected in any such district which shall contain less than eleven thousand five hundred twenty (11,520) cubic feet or which shall contain less than a total area of nine hundred sixty (960) square feet of floor space nor shall such area include space occupied by a basement or utility room, nor shall such area include glass or screen enclosed porches, or projections of any kind, and shall comply with the building code of the Village of Tecumseh except where the provisions of said code conflict with this Ordinance.

Sec. 7.3—OTHER REQUIREMENTS

All the buildings erected or altered and all use of the land in this district shall conform to the requirements of Section 6 of this Ordinance as if in this section incorporated.

Section 8
RESIDENCE B DISTRICT—PERMITTED USES

Sec. 8.—TYPE

No land or building within any district designated in this Ordinance as Residence B District shall be erected or used for other than the following specified uses:

(a) Those permitted in Section 7 Residence A Districts.

(b) Income-bungalow type dwellings designed for occupancy by not more than two (2) families; provided, however, such building shall have the general appearance of a single-family residence.

Sec. 8.2—AREA AND BULK-RESIDENCE B

No building shall be erected in any such district which shall contain less than nine thousand two hundred sixteen (9,216) cubic feet or which shall contain less than a total area of seven hundred sixty-eight (768) square feet of floor space nor shall such area include space occupied by basement or utility room, nor shall such area include glass or screen enclosed porches, or projections of any kind, and shall comply with the building code of the Village of Tecumseh except where the provisions of said code conflict with this Ordinance.

Sec. 8.3—OTHER REQUIREMENTS

All buildings erected or altered and all use of the land in this district shall conform to the requirements of Section 6 of this Ordinance as if in this section incorporated.

Section 9
RESIDENCE C DISTRICT—PERMITTED USES

Sec. 9.1—TYPE

No land or building within any district designated in this Ordinance as Residence C District shall be erected or used for other than the following specified uses:

(a) Those permitted in Section 8, Residence B Districts.

(b) Income-bungalow type dwellings designed for occupancy by not more than two (2) families; provided, however, such buildings shall have the general appearance of a single family residence.

Sec. 9.2—AREA AND BULK

No building shall be erected in any such district which shall contain less than six thousand nine hundred twelve (6,912) cubic feet or which shall contain less than a total area of five hundred seventy-six (576) square feet of floor space nor shall such area include space occupied by a basement or utility room, nor shall such area include glass or screen enclosed porches, or projections of any kind, and shall comply with the building code of the Village of Tecumseh except where the provisions of said code conflict with this Ordinance.

Sec. 9.3—OTHER REQUIREMENTS

All buildings erected or altered and all use of the land in this district shall conform to the requirements of Section 6 of this Ordinance as if in this section incorporated.

Section 10
MULTIPLE-FAMILY RESIDENCE DISTRICT—PERMITTED USE

Sec. 10.1—TYPE

No land or building within any district designated in this Ordinance as a Multiple-Family Residence District shall be used for other than the following uses:

(a) Those uses permitted in Section 9.1 for Terrace or Attached Residence districts.

(b) Multiple dwellings, hotels and apartment hotels. Garages used only for the storage of automobiles of persons residing in such multiple dwellings, hotels or apartment hotels may be erected as part of such building or on the same lot as an accessory to such building.

(c) Clubs, social, recreational and community type buildings, excepting those the chief activity of which is a service customarily carried on as a business such as a public dance hall or a public bowling alley.

(d) Storage garages for the parking or storing of non-commercial motor vehicles.

(e) A dining room, restaurant, barber shop, florist, confectionary, tobacconist's shop, drug store or similar retail store or service customarily located within an apartment building, hotel or club; provided, however, such use shall be located wholly within a building occupied as permitted in a Multiple-Family Residence District and shall be an accessory to such permitted use and provided further, there is no display or advertising sign visible from the exterior of such building.

Sec. 10.2—HEIGHT

No building shall be erected in this district the entire volume in cubic feet of which exceeds the area of the lot in square feet multiplied by forty (40) feet.

Sec. 10.3—BUILDING LINE

No building or part thereof shall be erected in this district within twenty-five (25) feet of any street line, except as provided in Section 6.7 and except that unroofed porches and steps may extend to within not less than twenty (20) feet of the street line. On the side street frontage of corner lots any part of the building may extend to within not less than ten (10) feet of the street line.

Sec. 10.4—SIDE YARDS

All buildings erected in this district shall have side yards as required in Section 6.5 for Single-Family Residence Districts; provided that for buildings over two (2) stories in height the minimum side yard widths shall be increased two (2) feet for each story above the second and the sum of the side yard widths shall be increased four (4) feet for each additional story. The minimum side yard widths need not in any case be greater than those required for a six (6) story building.

Sec. 10.5—REAR YARD

All buildings erected in this district shall have rear yards of a depth at least equal to sixteen (16) feet for a one (1) story building, eighteen (18) feet for a two (2) story building, twenty (20) feet for a three (3) story building, twenty-four (24) feet for a four (4) story building, twenty-eight (28) feet for a five (5) story building, and thirty-two (32) feet for a building six (6) or more stories in height.

Sec. 10.6—DENSITY OF POPULATION

No building shall be erected or altered in this district which will provide less than three hundred sixty (360) square feet of floor area per family. There shall be provided in this district not less than five hundred (500) square feet of lot area per family.

Section 11

Section 14
BOARD OF APPEALS

Sec. 14.1—DUTIES AND PROCEDURE

The Village Commission of the Village of Tecumseh shall appoint a "Board of Appeals" consisting of five (5) members, each to be appointed for three (3) years. Such Board of Appeals shall fix rules and regulations to govern its procedure in acting upon appeals, and shall hear and decide appeals from and review any order requirement, decision or determination made by an administrative official charged with the enforcement of this Ordinance. They shall also hear and decide all matters referred to them or upon which they are required to pass under this Ordinance. The concurring vote of four (4) members of the Board of Appeals shall be necessary to reverse any order, requirement, decision or determination of the administrative official, or to decide in favor of the applicant any matter upon which they are required to pass under this Ordinance or to effect any variation in this Ordinance. Such appeal may be taken by any person aggrieved or by any officer, department, board or bureau of the Village of Tecumseh.

Sec. 14.2—APPEALS, HOW TAKEN

Such appeal shall be taken within such time as shall be prescribed by the Board of Appeals by general rule, by the filing with the officer from whom the appeal is taken and with the Board of Appeals of a notice of appeal is taken shall forthwith transmit to the board, all the papers constituting the record upon which the action appealed from was taken.

Sec. 14.3—STAY

An appeal stays all proceedings in furtherance of the action appealed from unless the officer from whom the appeal is taken certifies to the Board of Appeals after the notice of appeal shall have been filed with him that by reason of facts stated in the certificate, a stay would in his opinion cause imminent peril to life or property, in which case proceedings shall not be stayed otherwise than by a restraining order which may be granted by the Board of Appeals or by the circuit court, on application, on notice to the officer from whom the appeal is taken and on due cause shown.

Sec. 14.4—HEARING AND DECISION UPON APPEAL

The Board of Appeals shall fix a reasonable time for the hearing of the appeal and give due notice thereof to the parties, and decide the same within a reasonable time. Upon hearing, any party may appear in person or by agent or by attorney. The Board of Appeals may reverse or affirm wholly or partly, or may modify the order requirements, decision or determination appealed from and shall make such order, requirement, decision or determination as in its opinion ought to be made in the premises, and to that end shall have all of the power of the officer from whom the appeal is taken.

Sec. 14.5—POWERS OF BOARD OF APPEALS

The Board of Appeals shall not have the power of its own action to change the classification of any property on the Zoning Map nor to make any change of the terms of this Ordinance, but only to interpret this Ordinance and to authorize variations in accordance with this section.

Where there are practical difficulties or unnecessary hardships in the way of carrying out the strict letters of this Ordinance, the Board of Appeals shall have power in passing upon appeals to vary or modify any of its rules, regulations or provisions relating to the construction, structural changes in, equipment, or alterations of buildings or structures, so that the spirit of this Ordinance shall be observed, public safety secured and substantial justice done.

The decision of such board shall be final as far as it involves discretion or the finding of facts.

Section 15
PENALTIES

Sec. 15.1

Buildings erected, altered, razed or converted, or uses carried on in violation of any provisions of this Ordinance are hereby declared and the owner and/or agent in charge of such building or land shall be adjudged guilty of maintaining a nuisance per se.

For any and every violation of the provisions of this Ordinance, the owner, agent, contractor, lessee or tenant of the premises or building or part thereof where such violation has been committed or exists shall be guilty of a misdemeanor and the owner, agent, architect, builder or any person who commits, takes part or or assists in such violation of any of the provisions of this Ordinance or any person who maintains any building or premises in which any such violation exists shall be guilty of a misdemeanor, and upon conviction thereof before any court of competent jurisdiction shall be punished by a fine of not less than twenty-five ($25.00) dollars nor more than one-hundred ($100.00) dollars for each offense or shall be punished by imprisonment in the Lenawee County Jail for a period of not to exceed ninety (90) days, or both such fine and imprisonment at the discretion of the court. Each day that a violation is permitted to exist shall constitute a separate offense.

Section 16
AMENDMENTS

Sec. 16.1

The Village Commission may, by ordinance, amend, supplement or change this Ordinance; Provided, however, that a public hearing shall be held before any such amendment, supplement or change shall be passed; and, provided further, that not less than fifteen (15) days notice of the time and place of such public hearing shall be given by publication in the official paper of the Village, or a paper of general circulation in the Village, and a hearing be granted to any person interested at the time and place specified.

In case a protest against a proposed amendment, supplement or change be presented, duly signed by the owners of twenty (20%) per cent or more of the frontage proposed to be altered, or by the owners of twenty (20) percent or more of the frontage immediately in the rear thereof, or by the owners of twenty (20%) per cent or more of the frontage directly opposite the frontage proposed to be altered, such amendment shall not be passed except by the four-fifths (4/5) vote of the Village Commission.

Section 17
VALIDITY

Sec. 17.1—SEVERING CLAUSE

Sections of this Ordinance shall be deemed to be severable and should any section or provisions of this Ordinance be declared by the courts to be unconstitutional or invalid, the same shall not affect the validity of this Ordinance as a whole or any part thereof other than the part so declared to be unconstitutional or invalid.

Section 18
EFFECTIVE DATE

Sec. 18.1

This Ordinance shall become effective on the 16th day of February, A. D. 1944.

Leonard S. Mann, 90, Onsted Banker, Dies

Leonard S. Mann, aged 90 years, a former supervisor of Rome township and president of Onsted State Bank, died Tuesday morning at his home near Onsted after a short illness. Mr. Mann was born in Rome township where he spent his entire life, and was one of the best known farmers in the community. He was the first president of the Onsted Co-operative Association and also of the Onsted Telephone Co. and was a member of the Masonic lodge, the Order of the Eastern Star, and Farmers Club and a past master of N. Rome Grange. He donated the boulder placed on the Horton homestead at Fruit Ridge by the Grange in 1923.

Survivors are three daughters, Mrs. Bertha Smith, Mrs. Mabel Brooks and Mrs. Hazel Hawkins all of Onsted, and several grandchildren, Mrs. Mann who was formerly Carrie Anderson, died three years ago.

The funeral will be held Friday afternoon in the home with burial in North Rome cemetery.

BRABLEC SPEAKS TO WIT AND WISDOM CLUB

The Wit and Wisdom Club met Monday evening at the home of Mrs. Hoyt Whelan with Mrs. and Mrs. Leon Van Valkenburg assisting in entertaining. Miss Jennie Gillespie, vice president, had charge of the business session and Mrs. Whelan was leader of the program which was opened by Mrs. Wilfred Waldron playing MacDowell's "To a Wild Rose" and Rachmaninoff's "Prelude in C Minor."

Carl Brablec, superintendent of the Britton schools, gave an interesting address on "Western Neighbors of Russia", which countries serve as a buffer to Germany.

Jack Tonneberger played "Evening Star" and "The Old Refrain" on the Solovox, and in conclusion refreshments were served.

The next meeting will be held February 7 at the home of Mr. and Mrs. C. R. Dustin who will be assisted by Mr. and Mrs. Glenn Van Denbergh.

MONDAY CLUB MEETS

Mrs. Clarence Fisher presided at this week's meeting of Tecumseh Monday Club when a "Peace" program was presented and included a vocal solo "A Prayer for Peace," composed by a friend of Mrs. F. B. Wood, and sung by Mrs. Perry Hayden; a paper "Winning the Peace" by Mrs. E. A. Collins; piano solos by Mrs. Kenton Hunt; readings by Mrs. L. A. Carlson; piano duet "Stars and Stripes Forever" by Mrs. Harley McConnell and Mrs. W. G. Waldron.

There was no business session except the treasurer's report.

Mrs. Jennie Temple is leader of next week's meeting when the Panama Canal will be discussed.

OBITUARY

ALMON KUDER

Almon Kuder, 85 years old, died suddenly in his home in Clinton township on Saturday afternoon, January 8, 1944, at 1:30 o'clock.

Mr. Kuder was born in Clinton township April 11, 1859, the youngest residents, who came to Michigan from New York state in 1839 and homesteaded the farm on which Mr. Kuder lived his entire life.

August 17, 1893 he was married by the Rev. James M. Kerridge of Clinton to Miss Effie Walp of Macon, Michigan. August 17, 1943 he and his wife celebrated their 50th wedding anniversary in the home where they ave lived all their married life.

He is survived by his widow and four daughters Mrs. Zella Nicholls of Jackson, Mrs. Marion Auten of Britton, Mrs. Bessie Wise of Clinton and Miss Ruth Kuder at home, seven grandchildren, one great grandchild and several nieces and nephews. Five brothers and one sister preceded him in death.

The funeral was held Tuesday afternoon in the Hause Funeral Home in Clinton, with the Rev. O. E. Priest officiating. The burial was in the Macon Cemetery. The bearers were James Johnston, Clare Rhoades, Carroll Kuder, Earl Kuder, Sumner Liddel and Frank Stilts, nephews of the deceased.

Relatives and friends from Jackson, Ypsilanti, Somerset, Tecumseh, Saline, Britton, Clinton and Macon attended the services.

CARD OF THANKS

We wish to thank the many friends and neighbors who extended their sympathy and kindness during the illness and death of ouh husband and father. We especially mention the bearers, those who gave the beautiful flowers and cards of sympathy, and the Rev. O. E. Priest for his comfortnig words.

Mrs. Almon Kuder and daughters.

CARD OF THANKS

I wish to express my grateful thanks to my friends for their cards, flowers and other kindness during my recent illness.

THE TECUMSEH HERALD

NINETY-FOURTH YEAR—NUMBER SEVENTEEN | TECUMSEH, MICHIGAN, THURSDAY, JANUARY 27, 1944 | FIVE CENTS PER COPY

Bond Sales Hit $100,000 Mark

TECUMSEH HAS SUBSCRIBED NEARLY ONE-THIRD OF ITS FOURTH LOAN QUOTA

Tecumseh has subscribed nearly one-third of its Fourth War Loan Quota, W. L. Berkhof, general chairman here, said today. Sales up to last evening at the United Savings Bank and local postoffice totaled $100,684.50. Tecumseh's quota is $354,000.

Of the total bonds purchased, reports as of last night were to the effect that over $46,000 of the amount in "E" bonds. In this classification, Tecumseh's quota is $104,000.

The Meyers Aircraft Company, build rs of training planes, reported this week that bond-buying at the plant is exceedingly brisk and that in all probability more bonds would be sold here this month than in the Third War Loan. Reports as of last night showed that the Meyers employees are purchasing bonds at the rate of 22½ per cent of their total payroll. The company has held the Treasury's Bullseye Flag for many months. The flag is given for 10 per cent payroll deduction for bonds.

"Other companies here also are making a fine showing in the present drive," Mr. Berkhof said. He declared, however, that figures were not yet available on other plants to show percentages.

"We have 19 more days in which to reach our quota," Berkhof declared. "This means that we must sell bonds at the rate of more than $10,000 daily if we are to succeed. It also means that everybody with sufficient cash to buy a $25 bond must get in and pitch. Our government needs funds with which to carry on the war, and our boys are expecting that we will support them with our money."

Mr. Berkhof said that a meeting of the local planning committee of the bond drive would be held, probably Monday evening, for the purpose of determining what steps need to be taken during the remaining days of the campaign.

The half way mark of the 4th Bond Drive finds the people of the Macon area "backing the attack." Sales of bonds by Macon High School students to people of the community total $1,775 over the two week period.

The student council of the high school is sponsor to a year long contest between two teams, the Odds, led by Jane Clark, and the Evens, captained by Charabelle Kerr, in the buying and selling of war stamps and bonds. The losing side is to provide the winner with a party at the close of the school year.

At the present the race is very close with the lead changing several times a week.

Presbyterians Plan For Birthday Meet, Feb. 18

The Presbyterian church is making plans for its annual Birthday Party to be held Friday evening, February 18 in the high school gymnasium. Mrs. John H. Smith is general chairman and her assisants are Mrs. M. G. Partridge and Mrs. E. M. Campbell.

An interesting program is being arranged under the direction of Mrs. James C. Murdoch. Tables will be placed for each month and the chairmen are for January, Mrs. J. W. Spafford; February, Mrs. T. LaBounty; March, Mrs. John R. Thompson; April, Mrs. Duncan Oliphant; May, Mrs. Chas Sager and Mrs. John Saling; June, Mrs. Norris Morehouse; July, Mrs. Sam Sisson; August, Mrs. Hoyt Raymond and Mrs. T. Ehinger; September, Mrs. L. E. Brown; October, Mrs. E. C. Brandt; November, Mrs. Robert Manchester and December, Mrs E. J. Aebersold.

Warmest January 25 In History Recorded

The warmest January 25 in the history of the State of Michigan was recorded officially by the weather bureau in Detroit when the mercury climbed to 61 degrees in that city, Tecumseh thermometers, however, recorded slightly higher temperatures than those in the Motor City, the high here being 65 degrees.

Yesterday's temperature here threatened that of Tuesday, the bright sunshine of mid-afternoon sending the mercury well above the 60 mark. Sun temperature on downtown thermometers registered near the 90 line.

Many people are forecasting an early spring, some declaring that they already have heard and seen robins.

Band Will Play Concert Feb. 3

PROGRAM IS FOR BENEFIT OF HOMER SERVICE DEPARTMENT OF RED CROSS

The Tecumseh high school band, under the direction of Clare Camburn, will present a concert at the high school auditorium, Thursday evening, February 3, for the benefit of the Home Service Department of the Red Cross.

The program will consist of band selections, solos and novelty numbers and will include both standard and popular trumpet numbers by Ned Harrington, trombone selections by Charles Goodacre; baritone solo by Ronald Goodacre; "The Last Chord" played by three trombones, Donald Everhart, Charles Goodacre and Darrell McClure; a musical dialogue "Nicoid" by the entire band.

There will be no admisson charge and no silver collection will be taken but those attending are asked to contribute articles for convalescent soldiers in hospitals. The contributions may include pieces of solid hard wood (no veneers(for wood carving, old silver for silvercraft, broken tweezers or manicure scissors for fish flies, jigsaw puzzles, playing cards, dominoes, checkers, chess, cribbage, athletic equipment, mouth organs and musical instruments ,sheet music, or other suitable articles.

Ralph Orendorff Dies In Veteran's Hospital

Mr. and Mrs. Harvey Lewis and Mrs. Maude Wilson with Mrs. C. J. Doyle of Adrian were in Flint Tuesday for the funeral of the former's cousin and Mrs. Doyle's nephew, Ralph Orendorff, whose death occurred Thursday at the Veterans hospital in Dayton, O.

Mr. Orendorff, who was 46 years of age, was the son of the late A. B. Orendorff and Mrs. Orendorff of Flint, both former Tecumseh residents. His mother was the former Minnie Morrison and he was also a nephew of Mrs. Hattie Kemp. Mr. Orendorff was a veteran of World War I and for many years was employed in the offices of the Detroit News and Detroit Free Press.

Besides his mother he leaves a sister Lillian, also of Flint.

Military funeral services were held Tuesday with burial in Flint.

SEND IN ADDRESSES OF MEN IN SERVICE

Through the kindness of the American Legion Auxiliary and several other organizations, a number of private individuals and The Herald, the home town newspaper is being sent to all service men from Tecumseh.

Relatives are requested to send addresses of boys recently entering service to The Herald Office so they, too, may receive the paper. Changes of addresses should also be sent in regularly to keep the mailing list up-to-date.

INFANT BURIED

Funeral services for Baby Evart McKenzie, infant son of Pvt. and Mrs. Evart McKenzie, were held Monday afternoon at the Belding Funeral Home. Rev. J. Stubb of Deerfield officiated and bearers were Harriett Clark and Agnes Horak, aunts and Edna Reed and Ruth Frichcorn, cousins of the baby. The flower girls were Billie Lee McKenzie and Fay Douglas McKenzie, cousins, and a hymn was sung by Marie Joseph, also a cousin.

Burial was in Deerfield cemetery.

SKIRT ON DISPLAY

J. N. Satterthwaite has on display in his office window, a grass skirt sent from the New Hebrides Islands by Lt. Martha Comfort.

The skirt recently received by Mrs. A. A. Comfort was made by the mother of Lt. Comfort's maid.

Surgeons O. K. Local Hospital

COVETED AWARD BY AMERICAN COLLEGE GRANTED; IS DISTINCT COMPLIMENT

The Tecumseh Hospital has been notified of its placement on the Approval List of the American College of Surgeons, for its progress in meeting their requirements and for the standard of service being rendered in Tecumseh. This is a coveted award of approval for which all hospitals work.

In order to be eligible for this approval by the American College of Surgeons, a hospital must have at least twenty-five beds. An organized medical staff must be maintained, and regular meetings held. Certain standards must be met on the content of the hospital records of patient care. Clinical laboratory facilities must be provided, X-ray, surgical and maternity services must be maintained according to certain standards. An accredited nursing service must be provided for the care of the patients in the hospital.

At the annual medical staff meeting, Dr. P. B. Hardy was elected chief of staff for 1944. Dr. H. H. Loveland was re-elected as secretary-treasurer.

Tecumseh Hospital dos not as yet have laboratory facilities in the hospital, but partially meet this requirement by sending such work to qualified laboratories, such as the University Hospital laboratory in Ann Arbor, the State Department of Health laboratories in Lansing, and Bixby Hospital laboratory in Adrian.

Tecumseh Hospital, like all other hospitals, has been carrying on under certain difficulties necessitated by present conditions, particularly in relation to medical personnel. However, it must be realized by the community, that the care of our boys in service comes first, and that any inconvenience they contend with in waiting for medical attention, means that the boys are getting just that much more service when they need it, it was said.

It was further emphasized that in emergencies, if residents cannot locate the family physician, they should call the hospital. There is always a physician available for emergencies there.

In five and one half years time, more than 1000 babies have been born in the Tecumseh Hospital. A twenty-five dollar war bond was presented to Jacky Lee Escott, son of Mr. and Mrs. Walter Escott of Clinton by the Tecumseh Hospital Auxiliary. Baby Escott was the 1000th baby to be born in the hospital. It was significant that the award should go to the Escotts, since this was their fourth child to be born in Tecumseh Hospital.

ENGAGEMENT ANNOUNCED

Mr. and Mrs. Victor Cooper of Chicago have announced the engagement of their daughter, Patsy, to Sgt. Kenneth Will, Jr., son of Mr. and Mrs. Kenneth Will of Tecumseh. Sgt. Will has just been transferred from Cherry Point, N. C., to the west coast, and is in charge of the hydraulic department of the Mitchell bomber squadron.

$500 FOR CHURCH ORGAN

The Presbyterian Ladies Aid Society met last Wednesday afternoon at the home of Mrs. Earl Lindsley. During the business meeting the society voted to contribute $500 to the church organ fund and also made plans for the annual birthday party of the church.

Mrs. Al Helzerman told of the work of her son Capt. R. F. Helzerman with the medical corp at Tinker Field, Okla., and Mrs. E. J. Aebersold told of her trip to Mission, Texas.

OFFICERS INSTALLED

Recently elected officers of the Rebekah Lodge will be installed Friday evening, January 28, the installing team from Blissfield Lodge doing the work. The meeting is open to Rebekahs and their families and members are to bring sandwiches and either cake or jello for the lunch to be served after the meeting.

OBLIGATION NIGHT

Tecumseh Chapter, Order of the Eastern Star, will hold their postponed January meeting tonight. This will be obligation night. The regular meetings will be resumed Thursday evening February 3.

The hall has been redecorated throughout during the past month.

SORORITY MEMBER

Parents Are Invited To Youth Club Opening

The Opekasit Club, an organization for the young folk of Tecumseh, operating with the aid of funds rom the Community Chest, will have its formal opening on Saturday evening in the Baldwin building, formerly Palman's store, on East Chicago boulevard.

While the club does not yet have all of its furniture and equipment, it was said that the youngsters are becoming anxious to get under way this week. The public, including parents, are invited to visit the club on Saturday evening and to learn about its program, Mrs. Purnell Osburn has been named as chaperone.

Members of the Youth Council are asking for donations of furniture for the girls' lounge at the club. Chairs, desk or table, and couch or davenport, and other articles also are needed. Any one having articles to donate may notify Mrs. Florence Howe. The furniture is needed this weekend, if possible.

Edw. G. Palmer Buried, Tuesday

PNEUMONIA IS FATAL TO ONE OF RIDGEWAY TOWNSHIP'S BEST KNOWN RESIDENTS

(Special to The Herald)

BRITTON, Jan. 27—Edward G. Palmer, aged 76 years, one of Ridgeway's township's best known residents, died Saturday afternoon in Tecumseh Hospital, to which institution he had been removed only a few hours before, suffering from pneumonia.

Mr. Palmer was born October 11, 1868, in Ridgeway township, the son of Enos and Mary Palmer, and except for 13 years, between 1924 and 1937, when he was in Detroit, he had lived here and in this vicinity. At the time of his death his home was on the Palmer farm, south and west of this village.

The deceased was a member of the Britton Congregational Church, the "Boulevard Shrine" of Detroit, Maccabees of Detroit, Tent 112, Court 671, and Woodman's Camp No. 6, also of Detroit.

Surviving are the widow, Margaret, three daughters, Mrs. Orpha Lee of Miami, Fla., Mrs. Mildred Gripton of Dearborn, and Mrs. Martha Taylor of Illinois; two sons, Ralph Palmer of Rochester, N. Y., and Kenneth Palmer of Detroit; a brother, Ernest Palmer of Britton; also, nine grandchildren, two great grandchildren and three nieces and nephews.

Funeral services were held Tuesday afternoon at the Niblack Funeral Home here, the Rev. Mr. Gould officiating.

Burial was in the Ridgeway cemetery.

Charles W. Beebe, 81, Former Resident, Dies

Charles W. Beebe, aged 81 years, a former resident of Tipton and Tecumseh, died Sunday at his home in Adrian where he had lived for a number of years. Mr. Beebe was born in Tipton. He followed the trade of machinist and carpenter until retiring in 1491.

Survivors are the widow Emma, two sons Lyle of Adrian and Percy of Muskegon, a daughter Mrs. Vivian Jenkins of Inglewood, Calif., and four grandchildren. A son, two sisters and two brothers preceded him in death.

Funeral services and burial were held Wednesday afternoon in Adrian.

MRS. M. L. DANNELLS' MOTHER DIES IN IND.

Mr. and Mrs. M. L. Dannells were called to LaGrenge, Ind., Wednesday by the death of her mother, Mrs. Mary E. Shapland, who fell two weeks ago and fractured her hip. Mrs. Shapland was nearly 95 years of age. Mr. and Mrs. B. C. Dannells, Mr. and Mrs Robert Dannells, and Miss Barbara Dannells are also attending the funeral, which will be held there this afternoon.

CAP is Seeking Local Recruits

TRAINING IS INTENDED TO EASE TRANSITION FROM CIVIL TO MILITARY LIFE

Capt. Kenneth Morey, of Adrian, commanding officer of the 5th Group, Civil Air Patrol, flew to Tecumseh last Sunday. While here he gave fifteen members of the local Civil Air Patrol rides in a U. S. Army Liason type airplane. Capt. Morey's visit was arranged to coincide with a recruiting drive that has been under way the last couple of weeks to secure new members for the Tecumseh Flight of Civil Air Patrol.

CAP was recently made an auxiliary of the U. S. Army Air Forces. It offers pre-induction training to men about to enter the armed forces in a variety of subjects such as military drill, military courtesy and discipline, aircraft navigation, meteorology, first aid, civil air regulations, and theory of flight. The training secured at CAP drill will ease the transition from civilian life to military life for those who are entering the services, particularly prospective aviation cadets.

Those people who are unable, for one reason or another, to serve their country in some other branch of the service will find CAP gives them an opportunity to do something beyond their ordinary jobs to assist in the war effort. The aviation ground school subjects covered prepared students for the written part of the civil aeronautics private pilot's examination.

The Tecumseh flight has drill from 7 p.m. to 9 p.m. on Tuesdays and Thursdays at the high school. Anyone desiring further information should contact the commanding officer on one of those evenings. Both men and women are eligible for enlistment.

Men's Health Program Offered at High School

A business and professional men's health and recreational group was organized here on Monday evening as a part of the Tecumseh public school's night school program.

The first session will be held this evening at 7:30, and the program will consist of setting-up exercises and volley ball, under the direction of Coach Fred Raizk. Regular sessions each Tuesday and Thursday evenings are being planned.

Persons interested are urged to be present at tonight's meeting. They should bring gym clothing and towels and soap for after-session shower.

Peppy Petee, one of the local boys who is enthusiastic about the program, has this to remark: "With the government's 'save the fat campaign' and the 'lose the fat campaign,' starting at the high school tonight, this war business is beginning to look like a fatty business."

Mrs. Sarah Hoagland Buried In Ridgeway

(Special to The Herald)

BRITTON, Jan. 27—Mrs. Sarah Hoagland, aged 86 years, died last Thursday at the home of her daughter, Mrs. Maude Craig, here.

Besides her daughter, with whom she had made her home, she is survived by one son, Grant, and three other daughters, Mrs. Herbert Smith, Mrs. Clifford Schultz and Mrs. Alfred Haystead ,all of Britton.

Friends and relatives from Britton, Dundee, Blissfield, Deerfield, Holloway, Milan, Grass Lake, Macon and Tecumseh attended the funeral services which were held Saturday at 2:30 from the Niblack Funeral Home. The Rev. Mr. Gould officiated and burial was in Ridgeway cemetery.

ROTARY HEARS ABOUT CANNING OF PRODUCE

The Rev. Edward Escolme, pastor of the Friends Church here and chairman of the Victory Garden Campaign in Tecumseh, was the guest speaker at the regular dinner meeting of the Rotary Club, Tuesday evening at Brees House. The Rev. Mr. Escolme discussed the community canning project in Battle Creek last summer, when thousands of cans of Victory Garden produce were processed in a civic project. Mr. Escolme was in Battle Creek on Monday where he attended a Victory Garden meeting of chairmen throughout the state.

IN AUSTRALIA

FRIENDS OF ISRAEL

The Friends of Israel will meet today at 3 o'clock in the home of Mrs. R. R. Van Winkle on East Logan street.

To Hold Hearing on Township Zone Code

A public hearing on the proposed zoning ordinance of the Township of Tecumseh has been announced for Saturday evening, February 19, at 7:30 p.m., in the council building. The announcement was made by L. W. Larsen, chairman of the zoning committee.

The ordinance and map, in tentative form, are now in the office of the township supervisor, in the Strand theatre building, and may be examined there any afternoon, the notice says.

The township's ordinance dovetails with the village's zoning code, which becomes effective on February 15. After that time, all building and repairing within the corporate limits must conform to the zoning law.

6 Tons of Paper Collected Here

FURTHER PICK-UPS WILL BE MADE BY VILLAGE IF RESIDENTS WILL CALL

Between five and six tons of wast paper were collected by the Village of Tecumseh, in the "save the paper" campaign, last Saturday, Wade L. Jones, village clerk, said today. The Saturday drive, in which village trucks and employees were used, was under the direction of the Rev. B. O. Bashore.

"Tecumseh made an excellent showing," Mr. Jones said, "in the campaign Saturday. Hower," he continued, "I understand that there are still several residents with waste paper and that they desire to put it to work in the war effort. If they will call my office, we will send a truck to pick up the paper as soon as possible."

All of Saturday's collection was turned over to an Adrian firm and taken away immediately to the mill by truck.

Mr. Jones said that some 70 large cartons are to be brought to Tecumseh this week to be used as waste containers. Persons desiring these cartons, he said, should call his office, phone 223.

Heilman Is Chairman For "March of Dimes"

Edward C. Heilman has been named chairman for Tecumseh in Lenawee county's "March of Dimes" campaign to fight infantile paralysis. The county and state's campaigns are a part of the national program, under the direction of President Franklin D. Roosevelt.

"There will be no ball here on the President's birthday, January 30," Mr. Heilman said, "but we are asking that the public contribute to the worthy cause by sending in their dimes and dollars this week. Two years ago Tecumseh made an excellent showing in this drive, and I'm sure that she will do so again this year."

Mr. Heilman urged individuals churches, lodges, clubs and other organizations to contribute as liberally as possible. Checks and money should be turned over to the chairman this week.

BAPTIST UNION

The Baptist Women's Union will meet Thursday afternoon February 3, at 2 o'clock in the home of Mrs. R. B. Gillespie on East Logan

Tecumseh Tied For Cage Honor

INDIANS' WIN AND BLISSFIELD'S LOSS LAST WEEK CHANGES LEAGUE LEAD

Tied with Blissfield High School for first position in the Lenawee County Basketball League, the Tecumseh High School Indians were being drilled this week by Coach Fred Raizk to assure a victory on Friday evening, here, when Tecumseh meets the quintet from Morenci.

"We've got to play better ball than we did in the last half of the Hudson game last week or we're sunk," was Coach Raizk's summary of how the Indians are stacking up in the League. "You never saw a finer cage team on any floor than we had during the first half of the Hudson game," Raizk continued, "but we sure played sloppy ball in the last half."

Nevertheless, the Indians defeated Hudson by a score of 28 to 17. The score, however, should have been in the 50's for the local cagers, but they were definitely off their stride. Doug Murdoch and J. Osburn played good ball throughout the fray but Costigan, who usually plays a spectacular game, did an about face and played what seems to have been his worst game of the season.

"Blissfield may be tripped again before the schedule is finished," Raizk remarked, "but we can't count too much on that. Maybe we'll be tripped, too. There's only one way that Tecumseh can assure itself of the league honor and that is to win every game that we play from now until the schedule is over."

Tecumseh still has four games to play after tomorrow night's battle with Morenci. The Indians are favored to win this week's game her by an easy margin, unless, perhaps, some of the players think the going is too easy and become over-confident.

CORP. MEYERS WOUNDED

Word has been received that Corp. Frederick W. Meyers of Britton, was wounded in action during the battle of Tarawa in November. Corporal Meyers enlisted in the U. S. Marines in December 41 and has been serving in the Pacific area more than a year. He is now in the Marine hospital at Pearl Harbor.

MISCELLANEOUS SHOWER

Mr. and Mrs. George McKendry, recently married, were guests of honor at a miscellaneous shower held Saturday evening at the home of Mr. and Mrs. James Brady at their farm home west of town. Seventy-five relatives, friends and neighbors attended and enjoyed a social evening. Refreshments were served by the hostess. Mr. and Mrs. McKendry received a variety of gifts. Several relatives from Detroit attended.

WOUNDED IN ACTION

Relatives have received word that Pvt. Milford C. Osburn, son of Mr. and Mrs. Milford Osburn of Ypsilanti, formerly of Tecumseh, was wounded in action somewhere in the South Pacific. His mother was formerly Mabel Allison and he is a grandson of Mrs. Clarence Allison.

180 Friends Help Macon Resident To Celebrate His 90th Birthday

One hundred eighty friends and neighbors met at the home of Charles East of Macon, Saturday, January 22, 1944 in honor of his 90th birthday anniversary.

The home was decorated with spring flowers. The dining room was graced with a tea table centered with a gorgeous display of snapdragons and daffodils. At either end were coffee and tea service also candelabra with yellow candls. A large white cake with 90 candles gave an effective touch to the harmonious color scheme and artistic arrangement.

Tea was poured by two of Mr. East's nieces, Mrs. Daniel Boyd of Saline, Mich. and Miss Fern Cornville of Detroit. Throughout the afternoon many piano solos were played by the musicians and many vocal numbers were sung by the quartette composed of Mr. and Mrs. Otis Hoadley and two daughters of Detroit.

Mr. East received the first guest and mingled among them throughout the day until midnight. He produced tintypes of himself as a young man and related many experiences which were foreign to the younger people.

He received many beautiful as well as useful gifts besides cards, letters and a purse of money.

Guests were present from Ludington, Detroit, Brooklyn, Saline, Deerfield, Milan, Tecumseh, Kalamazoo, Dundee, Cone, Britton, Adrian, Ridgeway, Macon and Scottville.

His parents James and Jane East of London, England came to America in a sailing vessel and landed at New York. Later they came to Monroe, Michigan where Charles was born ninety years ago. When Charles was 6 months old, his parents moved to the farm on which he now lives and owns. The home on the farm was a log cabin with a bark roof and a stick chimney plastered inside and out with mixed clay. The farm was 40 acres and later another 40 acres adjoining was bought all of which except about 8 acres was forest. There was no road only a blazed trail from the Ridge Road back to the house. Later a stage coach traveled the Ridge Road.

Charles attended about three terms of school in the Cobb school house located on the Ridge Road on the site of the Henry school, Macon Dist. No. 7. After working for about 6 months in the North woods logging on the Manistee River at Cadillac, he returned home on his 21st birthday to be married to Miss Mary A. Henry, the oldest daughter of the late John and Sevilla Henry whose farm joined the East farm. The bride and groom were married by John C. Palmer, Justice of the Peace of Ridgeway. To this union were born six children four of whom are living: viz., Mrs. Gertrude Young and Mrs. Edna Agner both of Milan, John East of Ridgeway and Earl East at home with his father in Macon.

EDUCATION AND DEMOCRACY

"We cannot run democracy with an illiterate electorate," says Dr. Harry Emerson Fosdick, who stresses the necessity of education.

This is very true but there has been a tendency in this country, in recent years, to deride educational qualifications in connection with suffrage.

We are unable to discover any wisdom on the part of a republic which would permit ignorant people to cast ballots and thus control political decisions.

As we see it, too many ignoramuses are voting in the United States today. In some of our states, we understand, the ballot is extended to aliens, many of whom are without the faintest conception of the principles of the American system.

We have tremendous faith in the composite judgment of the people of the nation but their verdict must represent intelligent individual decision.

Today we have too many voters tied in a bundle and delivered in mass by political leaders. These voters accept the advice of their leaders which is often based upon what is promised for the economic benefit of the group.

DELIVERING THE GOODS

Reddy Kilowatt and Michigan's Workers ARE MEETING VITAL *War* DEMANDS

★ Great changes have taken place for everyone in the two years since Pearl Harbor. Everyone, from the farmer to the workers in our great industrial plants, has responded to that vital word PRODUCTION.

Production and more production of planes, tanks, guns and ships in an ever-increasing volume. Working hand in hand with management and worker alike, Reddy Kilowatt (that dependable, flexible, electric servant) has helped to "deliver the goods"—putting the Axis in reverse—putting the United Nations well out in front and on the road to Victory.

Reddy is mighty proud of the part he has played in this great production program and you can keep right on depending on him to "deliver the goods" to hasten the day of Victory.

Thrifty Farmers
MAKE HAY
While the Sun Shines!
Thrifty Farmers Also
Keep Buildings in Repair

Yes, it's an old saying that "thrifty farmers make hay while the sun shines." And there's nothing new about the fact that thrifty farmers also keep their buildings and fences in repair.

Property that is neglected, that is permitted to "run down" depreciates rapidly and needlessly. You and all of us know of farms in such a condition.

Our government does not want you to neglect your farm buildings, even in this emergency. The home front and the battle front needs food from the farms, and they must be in shape to produce it.

If you have buildings that need repair, see us for the materials. No priorities are needed, and there is no limit on the amount you may spend for such needed work.

Farmers also should bear in mind that the government now permits the spending of up to $1,000 per farm for necessary new improvements.

For any materials you may need, call upon us.

Less Than a Teaspoon of Feed a Day

A Baby Chick needs less than a teaspoonful of feed a day. Why be penny wise and pound foolish. Give your baby chicks the proper start by feeding them HAYDEN'S STARTER AND GROWER.

The quality of that teaspoonful of starting mash is very important, not only to the chick, but TO YOU. In the long run, your profits are made on the rapid growth and development of your pullets.

HAYDEN'S STARTER is built to give you everything the chick needs for the proper start in life.

This window sticker identifies you as the purchaser of extra War Bonds during the Fourth War Loan. It is a badge of honor to be displayed with pride. Be the first in your neighborhood to have one. Buy an extra War Bond today!

Facts about the Fourth War Loan

The man responsible for the Fourth War Loan drive in your community has full information about the several types of War Bond investments available to you. Ask about *all* of them. One may suit your needs better than another. You may find that you have been missing something. And whether you are *asked* to buy *extra* Bonds or not, take this opportunity to help your community reach its quota in the Fourth War Loan. Buy . . . and buy to the limit!

You Get ⅓ More Than You Invest

When held 10 years, Series E War Bonds yield 2.9% interest compounded semi-annually. Then you get back $4 for every $3 invested. Buy War Bonds from your Bank . . . Post Office . . . Mail Carrier . . . or Production Credit Association.

You'll be glad this neighbor asked you to Buy Bonds

ONE day soon, a neighbor may stop by to talk about the Fourth War Loan and the share your locality is expected to play in it. Or, he may talk at a War Bond rally at the high school. Chances are he'll ask if you'll buy more Bonds. Will you look on it as a request for a donation? Or will you look on it as an opportunity to build up the financial reserve every business-like farmer or rancher has to have to run his place profitably?

No need to tell you it takes money to run a war. No need to tell you it's *your* war, *your* liberty at stake. But we're all human and just a little bit given to "letting George do it." Only this time we're *all* George. *We've* got to do it! And in buying those Bonds, we're doing ourselves as big a service as we are our fighting men and our country. We're building strength — personal financial strength — with which to meet the inevitable problems of tomorrow.

Something Worth Buying

Maybe you have a son off at war. What a homecoming when he gets into his jeans and you've *both* got those Bonds to fall back on for the machinery and equipment and buildings you'll be needing in the future. And how about the education you've promised yourself you'd give your children? And that long vacation in the sunshine you and your wife have so long deserved? The *only* way to have these things is to save the money *now*. U. S. War Bonds are the safest and most liquid investment you can make for these future needs — needs worth *providing* for!

The Clinton Woman's Club met Thursday afternoon and devoted the time to Red Cross work.

Mrs. E. R. Quigley had charge of the sewing while other members made surgical dressings with Mrs. W. P. Van Tuyle as the chairman. The club secretary, Mrs. F. B. Wilson, announced that the Clinton club women with state club women are co-operating in the "March of Dimes" for infantile paralysis fund and each evening from Jan. 24 through Jan. 29 the Clinton club will receive donations at the Clinton theater.

February 3 the club will do the annual sewing for the Michigan Children's Aid Society. Women should report for sewing during the forenoon and a 1 o'clock co-operative luncheon will be served.

TO MAKE SURGICAL DRESSINGS

The Red Cross surgical dressing committee is beginning work on dressings again this week. The surgical dressing rooms are open Tuesday afternoon and evening, Wednesday afternoon and Thursday afternoon and evening. The afternoon hours will be at 1:30 and the evening hour is 7 o'clock. The quota is large and all workers are urged to turn out. Those working will wear light colored wash dresses and a head covering.

ROTARIANS BUY BONDS

The Clinton Rotary club reported another 100 per cent attendance at its meeting Thursday night in an attendance contest with the Blissfield club. In a war bond sale every club member purchased an "extra" war bond which will apply on the Clinton quota.

WEAVER-NORRIS

Frank L. Weaver, son of Mr. and Mrs. L. C. Weaver of Clinton and Miss Martha Norris of Ypsilanti were married Sunday afternoon by Rev. W. R. Shaw at the First Baptist church in Ypsilanti. Rev. Shaw was assisted by Rev. Gordon Speer. They were attended by Mrs. Robert Johnston and Stanley Weaver.

A reception was held following the ceremony. Mr. Weaver will leave soon for College Park, Md., where he will be engaged in civilian public service work at the University of Maryland experimental agricultural station. Mrs. Weaver will join him there in June at the close of the school year.

FIRE DEPARTMENT CALLED

The Clinton fire department was called afternoon to the home of Mr. and Mrs. William Jedele Jr., where fire was discovered in one corner of the kitchen, burning its way upward and into the siding. It apparently started in an ironing board hanging on the wall and which had not been used since last Wednesday. The damage was slight.

MASONIC DEGREE CONFERRED

The Ford rolling mill from Detroit of which Hayes Bennett is the manager, conferred the third degree on Kenneth Alber, Murrell Clark and Journey Stoner at a meeting of the Clinton Masonic lodge Friday night. Mr. Bennett is Mr. Alber's step-father. Before the meeting the women of the Order of the Eastern Star served a 6:30 o'clock dinner to 85 men, including Masons from Detroit, Manchester and Tecumseh.

Corp. and Mrs. Miles Crockett are here from Lakeland, Fla., visiting her parents Mr. and Mrs. Frank Fabrique.

Mr. and Mrs. W. J. Spillson have sold the Midway Lunch to Anthony Caristianos of Ypsilanti who reopened the restaurant Saturday.

NINETY-FOURTH YEAR—NUMBER EIGHTEEN | TECUMSEH, MICHIGAN, THURSDAY, FEBRUARY 3, 1944 | FIVE CENTS PER COPY

Zoning Board To Be Chosen

POST WAR PLANNING COMMISSION ALSO TO BE NAMED AT MEETING, MONDAY

The village council, in regular session on Monday evening, is expected to name a board of appeals that will take office and start to function when Tecumseh's new zoning ordinance becomes law on February 15. The new board probably will be made up of five or six members and will be one of the most powerful groups acting under the council. It will hear all complaints relative to the zoning code and interpret the language of the law.

The final hearing on the zoning code before it becomes effective will be held in the council building next Thursday evening, at 7:30. At that time residents may register any complaints they may have and, if the council so desires, it may make amendments from time to time.

The council also is expected to name a post-war planning commission at its meeting on Monday. This commission, probably made up of 10 or 12 persons, will coordinate the post war efforts of the village and act as a clearing house for interested persons or groups.

Tecumseh township's zoning ordinance, now in tentative form, and open for inspection each afternoon during the week at the office of the supervisor, will be submitted to public hearing on Saturday evening, February 19, in the council chambers.

The township ordinance, like Tecumseh's, governs and controls all future building, repairing or remodeling of buildings outside the corporate limits. It is expected that the township's ordinance will become effective during the month of March.

Ira Wilmoth Dies; Funeral Friday at 1:30

Ira Wilmoth, aged 60 years, well known resident of Holloway, died Monday evening at Bixby hospital in Adrian, after a four years illness. He entered the hospital on Sunday.

Mr. Wilmoth who was a former president of the Michigan State Farmers Union, became associated with the union as an organizer in 1934. He served as president from 1937 till 1939 when the Farmers Union became the Farmers Guild. Since that time he had been an active member of the Guild until his health failed.

Mr. Wilmoth was born in Ogden township, the son of Rev. and Mrs. L. F. Wilmoth and had spent his entire life, with the exception of three years, in Lenawee county. Recently he and Mrs. Wilmoth have operated the telephone exchange in Holloway.

Survivors are the widow, formerly Edna Giles, one daughter Mrs. Walter Hall of Northville; a grandaughter; two sisters Mrs. Edward Bancroft of Adrian and Mrs. Robert Black of Ypsilanti; four brothers Wayne of Texas, Royal, Harold and Olin o Jackson.

Funeral services will be held Friday afternoon at 1:30 at the Everiss Funeral Home in Adrian and at 2 o'clock at the Holloway Presbyterian church, Rev. D. S. Carmichael will officiate and burial will be in the Raisin Presbyterian cemetery.

BARACA CLUB MEETS

The Baraca Men's Club of the Baptist church met Sunday with an increase in both attendance and interest. George Schumm as leader presented the subject "Can controversial questions have a part in the church program?" It was shown that this is possible if presented in the spirit of tolerance and respect for the other person's viewpoint.

The topic for discussion February 6 will be "Should the church have a part in the Post War Program?" All men are welcome at this meeting to be held at 11:15 in the church parlors.

TO MEET FEB. 14

The annual meeting of the Lenawee County Horticultural Society will be held Monday evening, February 14, in the supervisors room at the court house in Adrian. Officers will be elected and T. A. Merrill of M. S. C., Lansing, will be the speaker.

LUNCHEON MEETING

The Methodist Women's Society of Christian Service will hold a luncheon meeting Thursday, February 10 at the church. Luncheon will be served from 12 till 1 o'clock and reservations must be made with Mrs. Bert Warren.

TAX NOTICE

Beginning Friday, December 10, I will be at the United Savings Bank in Tecumseh, every Tuesday and Friday for the collection of taxes, dog tax and insurance.

Community Party Is Planned at Macon

The people of the Village of Macon and the surrounding area are invited to attend a community party to be held Friday evening, February 4 at the Recreation Room of the Macon Farm Repair Shop. A pot-luck supper will be served at 7 o'clock.

The entertainment planned will include a group of secular songs by the Chapel Choir; selections by the K-P Four Barbershop quartet; a tenor soloist from Detroit; selections by the orchestra; cards and both square and round dancing.

The program is sponsored by the Macon Chapel Choir. There is no admission charge.

Band Concert Program Ready

PROGRAM THIS EVENING AT HIGH SCHOOL IS FOR THE BENEFIT OF RED CROSS

The Tecumseh high school band under the direction of Clare Camburn will present a concert in the high school auditorium this evening for the benefit of the Home Service Department of the Red Cross. The program as arranged is as follows:

March by the band; trombone solo, "Cujus Anemam" from Stabat Mater (Rossini) by Charles Goodacre; march by the band; baritone solo "Visions of You" (Stillwell) by Ronald Goodacre, with Mrs. Clark Goodacre as accompanist; march by the band; Necold featuring Donald Everhart, Alice Schumm, Robert Wood, Lee Coffey, Ned Harrington, Dorothy Bowen, Floris Howe, Robert Irwin, Billy Hayden and Jack Puffer; intermission; overture "Midnight Sun" (Yoder) by the band; piano solo "Sixth Symphony in B flat Minor" (Tschaikovsky) by Jack Puffer; cornet solo "Tramp, Tramp, Tramp" (Goldman) by Ned Harrington with band accompaniment; trumpet solo "Star Dust", Ned Harrington, with piano accompaniment by Jack Puffer; "Lost Chord" (Sullivan) by three trombones, Donald Everhart, Charles Goodacre and Darrell McClure; closing "Star Spangled Banner" by the band.

There will be no admission charge or silver collection but those attending are asked to bring articles for convalescent soldiers in hospitals. The articles may include pieces of hard wood for wood carving; silver for silver craft, broken tweezers or manicure scissors for fish flies, games and jig saw puzzles.

DEGREES CONFERRED

At the regular meeting of Tecumseh Grange held Thursday evening, the third and fourth degrees were conferred on a class of seven candidates. Visitors were present from Rome Grange and furnished two candidates.

The Grange voted to give $5 to the March of Dimes and also to erect a yard light.

A committee was appointed to decide about organizing a Juvenile Grange.

The next regular meeting will be held February 10.

Grange members and their guests will enjoy a social evening at the hall Saturday night with dancing and refreshments. The committee in charge is Mr. and Mrs. William Gibson and Mr. and Mrs. Floyd Barrett and members are to bring sandwiches, donuts or cookies.

The degree team, with Howard Matthews as captain, will go to Pittsfield Grange Wednesday evening, February 9, and later to Azalia Grange.

PYTHIANS MEET

The Pythian Sisters met last Wednesday evening with the new officers in charge. Two new members were initiated and one obligated and reinstated. The lodge voted to buy a bond. Refreshments were served at the close of the meeting.

P. E. O. TO MEET

Chapter AJ, P.E.O., will meet Tuesday evening, February 8, with Mrs. Marjorie Bailey. All members are requested to have at least one large block of woolen pieces ready for the Red Cross afghans which the Chapter is preparing for convalescent soldiers.

TRUCK BLAZES

The rural fire truck was called out early Thursday evening to extinguish a blaze which had started in the wiring of a gasoline truck, south of town. The truck was driven by Kenneth Hopke. The blaze was extinguished with serious damage.

SEWING COMMITTEE

Members of the Tecumseh Hospital sewing committee for February are Mrs. Howard Mathews, chriaman, Mrs. H. H. Loveland, Mrs. E. A. Collins, Mrs. Grace Coffey, Mrs. R. H. Russell and Mrs. Albert Bagshaw.

Jap Prisoner To Speak Here

WILL ADDRESS TWO AUDIENCES AT FRIENDS CHURCH; QUARTERLY MEETING, SUNDAY

Charles E. DeVol who returned to the United States a few weeks ago on the S. S. Gripsholm from Japanese occupied China, having spent the latter part of his stay in China in a Japanese internment camp in Shanghai, will be the speaker at the Tecumseh Friends Church, Sunday evening at 7:30. He is a minister of the Friends Church, and he has spent many years in missionary service in China.

Mr. DeVol was born in China, both of his parents being medical missionaries. He was educated in the United States being a graduate of Marion College, Marion, Ind., and he holds a Master of Arts degree conferred on him by Indiana University. Besides being a teacher and a preacher he is an ardent naturalist. About 1931 he began to specialize in Chinese ferns. He has sent fern collections to Harvard University and the Smithsonian Institute, also to outstanding botanists in England, Denmark, Japan, Burma, India, as well as China. His brother Dr William Ezra DeVol returned to the United States from medical missionary service in Nanking, China, on the previous sailing of the Gripsholm.

The Tecumseh Friends Church also will be host this week-end to the Adrian Quarterly Meeting of the Friends Church. The opening meeting will be held on Friday evening at 7:30 with the Rev. Joseph Spear of Detroit addressing a meeting of the elders and overseers. The public is invited to this service, which is followed by a business meeting for the ministers, elders and overseers only.

Saturday morning, the Rev. Mr. Spear will be the speaker at the gospel meeting held at 10 o'clock. Following the lunch at noon, the quarterly meeting convenes in business session. At 7:30 on Saturday evening, Mr. DeVol will address a youth rally, Sunday morning at 10:30 o'clock Rev. Claude A. Roane the pastoral and evangelistic superintendent of the Ohio Yearly Meeting of Friends will be the speaker. The quarterly meeting ministerial service will be held at 2:30 Sunday afternoon with Mr. DeVol as the speaker, and the closing service will be a mass meeting held on Sunday evening at 7:30 with Mr. DeVol again speaking.

George M. Morehouse Buried In Ridgeway

George M. Morehouse, aged 75 years, died Thursday at his home in Ridgeway where he had lived for many years. In 1890 he was married to Effie M. Shaffer who died in 1926. Two years later he again was married to Jennie L. Pennington who survives.

He also leaves three song Brice of Ridgeway, Norris of Tecumseh and Dale of Cleveland, three daughters Mrs. Nova Disher and Mrs. Neva Campbell of Toledo and Mrs. Elsie Walker of Detroit; 20 grandchildren and eight great grandchildren.

Funeral services were held Saturday afternoon at the Niblack Funeral Home in Britton, Rev. C. B. Gould officiated and burial was in Ridgeway cemetery.

O. E. S. MEETS

The postponed January meeting of Tecumseh chapter, Order of the Eastern Star, was held Friday evening, with obligation ceremonies, and regular business, followed by a social hour. The War Service committee reported on the recent rummage and bake sale and the chapter voted to give $100 to Percy Jones Veterans hospital at Battle Creek and to buy a bond.

The regular meetings will be resumed with the February meeting tonight.

HONOR SON

Mr. and Mrs. Merrill Murphy entertained at dinner Sunday honoring their son Jimmy's 18th birthday. The table was centered with a birthday cake decorated with 18 red, white and blue candles and the Army Air Corps insignia in silver. He received several gifts.

The guests were Mr. and Mrs. Bernard Seeburger and family of Adrian, Mr. and Mrs. Orin Beevers and Glenn Socks.

SPEAKS TO ROTARY

Fay Whelan of the Hoyt E. Whelan Implement Co., was the speaker at the regular dinner meeting of the Rotary Club, Tuesday evening at Brees House. Mr. Whelan discussed the rationing program as it affects the sale and manufacture of farm machinery. His talk was very interesting and educational.

AUXILIARY TO MEET

The Tecumseh Hospital Auxiliary will meet Tuesday evening in the Red Cross room of the Ford Building with the new officers in the chairs.

Sgt. Charles Badura, Jr., Missing In Action

Mr. and Mrs. Charles Badura of Britton received word last Tuesday from the War Department that their son Sgt. Charles Badura, Jr., has been reported missing in action since Januady 11.

Charles was a graduate of Britton high school in 1942 and entered the Army Air Corps in October 1942 as a gunner and engineer. He left for overseas in 1943 and was stationed at a base in England. He was wounded in action November 26, 1943 and after treatment left the hospital in England December 11. On January 11, 1944, he was reported missing while on a mission over Germany.

Bond Sale Near Half Way Mark

PURCHASES LOCALLY AMOUNT TO $163,980.25 AGAINST QUOTA OF $354,000

Tecumseh is nearing the half-way mark in its Fourth War Loan Drive, John R. Thompson, co-chairman of the drive, announced this morning. Sales up to close of business last evening here amounted to $163,980.25, or approximately 47 per cent of the $354,000 quota. Mr. Thompson said that he felt certain that Tecumseh would reach the half-way mark today.

"It's a grand showing, but we've got a long way to go," was the way W. L. Berkhof, general chairman of the drive, summed up the report. "Only 12 days remain before the drive closes, February 15, and we must reach our goal. To do this it means that we must sell as many bonds in 12 days as we have sold thus far in the campaign. It's going to be a tremendous task, but I feel that we will accomplish it."

Mr. Berkhof was unable to break down the total figure and show how the purchase of bonds is progressing in the town's several industries. He declared, however, that payroll deductions are heavy and he said that in some instances factories are exceeding their accomplishments in the Third Loan drive.

"Tecumseh has never failed in any bond drive and she will not fail in this one," Berkhof declared. "I know that Tecumseh will come through; she will not let down the boys who are fighting. We'll make our quota if every man and woman boy and girl, spend every penny they can find on defense bonds and stamps."

He pointed out that the junior and senior high school students here are exceeding their quota in any previous loan campaign. Sales at the school in January showed that more than 90 per cent of the students were buying and the school has been awarded the Minute Man flag.

Of the total sales announced this morning, Mr. Thompson said that $93,980 of the amount were in E, F and G bonds. In these classes of bonds, Tecumseh's quota amounts to $104,000.

Music Club Presents Monday Club Program

Tecumseh Music Club under the direction of Mrs. W. G. Waldron, presented the program at this week's meeting of Tecumseh Monday Club. Mrs. Waldron opened the program with a reading Mrs. Eaton's motto "Problems of Life Day by Day" and also played a piano number "El Irresistible". Other numbers included a vocal trio "By Bendervaires Stream" by Mrs. Perry Hayden, Miss Virginia Retter and Mrs. Harley McConnell; vocal solos "Summer Time" and "Old Man River", Mrs. McConnell, accompanied by Mrs. Kenton Hunt.

Mrs. Glenn Van Denbergh then gave a brief history of Carrie Baxter Jennings, of Howard City, who is a personal friend of hers. Mrs. Jennings who is 90 years of age is composer of "Heart's Ease", "Love's Creed" and a lullaby "Nestle Down". The lullaby was sung by Mrs. Robert H. Moore and Mrs. Thos. Gallant sang "Love's Creed" and "The Lord's Prayer" with Mrs. Waldron accompanying. The program closed with a piano duet "Moon Dawn" and "Stand By the Flag" played by Mrs. McConnell and Miss Retter.

Mrs. C. W. Fisher presided at the business session when Mrs. H. H. Hammel, chairman of the Infantile Paralysis committee reported a collection of $10. Mrs. P. D. O'Brien was chairman of the program and Mrs. Howard Matthews gave current events.

At the last meeting Mrs. Fisher appointed Mrs. Hoyt Whelan, Mrs. C. R. Dustin and Mrs. R. H. Moore as a nominating committee to report at the February 7 meeting. The resignation of Mrs. Neville Hart was accepted and a memorial to Mrs. Paul Bowen, written by Mrs. Fisher, was read by Mrs. Hunt.

Mrs. Anna E. Kennedy Dies at Her Home Here

Mrs. Anna E. Kennedy, widow of the late Frank Kennedy, died Wednesday afternoon at her home on North Pearl street after a long illness. She was operated on at St. Joseph's hospital in Ann Arbor in September and since that time had been confined to her home.

Mrs. Kennedy, who was 71 years of age, was born in Monroe, September 14, 1873, a daughter of Northan and Elizabeth Van Watson. She was married to Frank Kennedy of Tecumseh in March 1894 and with the exception of two years in Macon had since made Tecumseh her home.

She leaves one daughter, Mrs. Lillian Tingley, of Tecumseh and a sister, Miss Lillis Van Watson of Monroe. Mr. Kennedy died in 1934.

Funeral services will be held Saturday afternoon at 2:30 at the Belding Funeral Home. Rev. Edward Escolme will officiated and burial will be in Brookside cemetery.

Dundee Cagers Humble Indians

CASE OF OVER-CONFIDENCE COSTS LEAGUE-LEADERS A GAME WITH SMALL SCHOOL

Coach Fred Raizk's league-leading Tecumseh high school Indians found out Tuesday evening that it doesn't pay to become over-confident. They found it out the hard way, too, because they came home from Dundee on the short end of a 28-to 25 basketball score.

"I'm afraid the boys were a little too certain," was Coach Raizk's comment. "That's the only reason I can give for our loss. We should have had the game by a dozen or more points, but you can't make baskets when the plays are wild."

Fortunately for the Indians the Dundee game was outside the league and does not count against the official standing.

Last Friday evening, with Morenci, an official league game, the Indians won by a score of 37 to 17. It was, perhaps, because this score was so lop-sided that the Raizkmen made up their minds that it would take better cage outfits than Dundee to beat them.

In the Morenci game, the first half was somewhat slow but in the final stanza Costigan, Osburn, Sisson, Brown and Murdoch displayed a brand of ball that was difficult even for the Morenci team to follow.

Tecumseh still is tied with Blissfield for the Lenawee league honor and next week's playing undoubtedly will tell the championship tale. The Indians do not play this week Friday but journey to Clinton next Tuesday for a game there. On Friday evening of next week, on the local court, the league-leading teams, Tecumseh and Blissfield, are expected to play the game that will decide the county championship.

Tires Must Go To Essentials

PURPOSE OF DRIVING, NOT DISTANCE WILL DETERMINE ISSUANCE IN FUTURE

DETROIT, Mich., Feb.3.—The purpose for which a person drives his automobile, rather than the distance he drives it in a given month, hereafter will determine his eligibility, under rationing, for passenger car tires, the Office of Price Administration said today.

Serious depletion of the supply of used passenger tires available for rationing to low-mileage drivers, coupled with inadequate stocks of new tires, compels a shift in the tire rationing program from a "mileage" to an "occupational" basis, OPA said.

Ecective February 1, OPA abandoned the existing regulations that only these persons holding gasoline rations good for driving 402 miles a month or more can qualify for Grade I tires—new pre-war tires or new tires made of synthetic rubber. Theeafter, any person who drives his car in connection with a highly essential occupation, regardless of his gasoline ration, may apply for a ration certificate good for buying a grade I tire, or, if such a tire is not available, he may obtain a certificate for a grade III tire (used tires or new tires made principally from reclaimed rubber). The remaining supply of grade III tires will go to persons doing occupational driving of a less essential character.

The fourteenth weekly report showing the maximum amount of their fuel oil ration householders should have burned to date this winter has been released by the Detroit District Office of the OPA.

According to the report, consumers in this area should not have burned more than 54 per cent of their total yearly allotment as of today.

In issuing the report, the OPA District Office said that householders will have to redouble their efforts to live within their oil rations for the remainder of the winter. Consumers have been burning their oil rations at an alarming rate and unless this over-consumption is checked, there will not be enough left for the 40 per cent of the season still to come, OPA said.

Period four coupons must be used until February 8 when the new period coupons become effective, in all areas under fuel oil rationing except the south. Consumers should do everything possible to make these period 4 coupons last during this next, week until the new ones become valid for buying fuel oil.

Housewives who wish to can early fruit may now obtain five pounds of sugar from their retailers for this purpose by using sugar stamp 40 in War Ration Book 4, The Office of Price Administration announced today.

The stamp will be valid from February 1, 1944 through February 28, 1945, 11 months, and will be the only sugar stamp used for buying canning sugar. Additional amounts will be made available later on application to local boards. Last year, two five-pound sugar stamps were validated for home canning.

Today's action is a preliminary one, designated primarily to provide sugar in the south where early fruit such as strawberries are now ready for canning. Announcement of the complete plan will be made shortly.

The five pounds of sugar obtainable with sugar stamp 40 is part of the total sugar allowance that will be available for the 1944 home canning season, OPA said. Additional sugar will be made available to persons who wish to can and preserve more fruit than can be put up with the five pound per person stamp allowance.

In the first enforcement settlement of its kind, the Moore Coal Company, Borea, Kentucky, has paid treble damages in the amount of $771.54 for the sale of 479 tons of bituminous coal at a price which violated the producer's price ceiling by 50 cents per ton.

Since the Office of Price Administration assumed enforcement of ceiling prices for producers, distributors and sales agents of bituminous coal on August 28, 1943, enforcement officers have concentrated their attention on trying to bring about voluntary compliance by educating the industry. From now on, actions for treble damage will be brought against all price ceiling violators, inasmuch as it is believed that coal men have had ample time to familiarize themselves with the regulations.

STATES CONTROL VOTING

There has been a lot of loose talk about the soldiers' vote, with considerable emphasis upon the idea that unless the Congress passes legislation permitting the Federal government to handle the voting there will be no suffrage available to service men.

We are unable to follow this conclusion. The question of suffrage is left to the states, under our constitution, and there is no insurmountable obstacle toward proper action by the states to permit service men to vote.

Of course, there is always the chance that the matter will be delayed in Congress for so long a time that there will be difficulty in handling the balloting on the basis of state action. Moreover, it is possible that some of the states will not take necessary legislative steps to make voting practicable.

We are thoroughly in favor of permitting all service men to vote who wish to cast a ballot but we are inclined to believe that the matter of suffrage should be left to the states. After all service men are citizens of the various states, as well as of the federal government, and most of them have sense enough to understand that the states control the matter.

There are some fields of action where the federal government must, of necessity, operate. There are other activities that should be left to the individual states and the matter of suffrage is one of these matters.

Your Brood Sows Need Your Help.

Help your brood sows by feeding HAYDEN'S PIG AND HOG BALANCER.

Saving more of the pigs actually farrowed may mean the whole difference between profit and loss for the season.

The HAYDEN method of feeding will help put more thrifty pigs per litter INTO THE FEEDING LOT.

That move alone, we repeat, will pay good dividends.

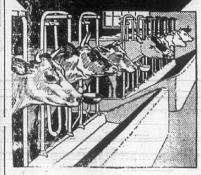
CONCRETE DAIRY IMPROVEMENTS
can help America increase food production



The Department of Agriculture has urged greatly increased milk production to meet the needs of the United Nations for dry milk, butter, cheese. Concrete improvements—such as a new milk house, cooling tank, dairy barn floor, granary, manure pit or storage cellar—will help many farmers do a bigger production job.

Concrete improvements are fire-safe, sanitary, cost little to build, last for generations. *Concrete farm jobs require a minimum of critical war materials.* If you need help, get in touch with your concrete contractor or building material dealer.

Tecumseh Herald
Tecumseh, Mich.
Mr. Wickwire

Dear Sir,

I have been putting this off all together too long, but I hope you will not hold it against me.

I want to thank you very much for sending me the Tecumseh Herald, and let you know that I am receiving it quite regularly. Of course, I sometimes get the latest one first, but that means little because after being overseas nearly two years, I have become accustomed to having early mail come late and vice versa. However, whether the mail is old or not, we enjoy it just as much.

Thanking you again, I remain,

Yours truly
James L. Mackey.

Saturday, Jan. 15, 1944

Mr. Wickwire, Editor:

I wish to express my thanks for the very nice surprise I received when I came back to my room from the flight line the other day and found my home town paper on my desk. I have lost track of some of my pals that I went to school with, and I hope, through your paper, I can find out where some of them are.

Last time I was home, I found out that Russell Gove was down here at Corpus Christi. After I got here I called him up and had a long talk with him. That is as close as I have been to any of the fellows from home since I have been in the service.

Yesterday I woke up (at 6:00 a.m.) to find it snowing here in the southern part of Texas, but it didn't snow enough to stay on the ground. Today the weather was much different. The sun was shining, and it was very warm. Give me Michigan where you know what the weather is going to be like the next day.

It is about time to hit the sack. So will have to close. Thanks again for the Herald.

Sincerely,
A/C A. R. Baaske

Sunday, Dec. 12, 1943

Dear Mrs. Smith:

Just a short note to let you know how much I enjoy and appreciate my weekly copy of tahe "Herald". I know how much I read it through so I can well imagine how much the fellows overseas read and appreciate it.

I certainly hope Jim gets home over Christmas. I am planning on it and I know a lot of the other fellows are. It would surely feel great to have all of the gang home at the same time but the Navy is still the Navy so I guess that is impossible.

Hugh DesErmia sent me Jim's address so I have written him. We have about 600 V-5's here so I know what they are going through. With all of Jim's experience it should almost be a snap for him.

Well, I have to go down to eat so thanks again to the Legion Auxiliary.

Sincerely,
Bob Laidlaw

December 29, 1943

Dear Madam President:

Please thank the members of the Tecumseh Legion Auxiliary very much for the Air mail stationery.

I was unable to be home for the holidays so each package from Michigan meant just that much more this year.

The stationery has been used several times already and I always put a P.S. on each letter. This writing paper was also a Christmas gift from Tecumseh, Michigan."

Thanks again.

George E. Green, Jr.

Mr. Earl Wickwire
Tecumseh Herald
Tecumseh, Michigan
Dear Mr. Wickwire:

I want to express my thanks to the group of people who made it possible for the Herald to be sent to me way up here in Alaska. It certainly brings Tecumseh closer to me, and I'm sure that the fellows in Italy and in the South Seas appreciate it even more.

We have pretty good mail service up here most of it being flown here from Seattle. I receive letters from home in about a week's time.

The weather up here now is mighty cold, but we have been issued special protective clothing which enables us to withstand the terrific buffeting of the Aleutian Williwaw.

The country from a rugged standpoint is beautiful, the high snow capped peaks outlined against the blue sky brings forth the latent beauty of this picturesque outpost of America's last frontier.

I had intended this letter to be much longer, but duty calls me and I must close for now.

Thanking you again, I remain,
Respectfully yours,
Robert M. Williamson, S-1-c

Camp Murphy, Fla.
Jan. 23, 1944

Dear Mr. Wickwire:

I received about four issues of the Herald before I could figure out who was sending them to me. So I will take this opportunity to thank you and everyone who take part in sending The Tecumseh Herald to the boys in the service.

It is a great paper coming from a great small town and believe you me it is swell to be able to read it way down here in Florida a few days after it is published up there in Michigan.

Thanking you again, I remain
Pvt. Kalman "Ted" Vincze

Mrs. L. A. Carlson
Treasurer
Underwood-Orr Unit 34
American Legion Auxiliary
Tecumseh, Michigan
My dear Mrs. Carlson:

We wish to acknowledge receipt of your letter of December 8, together with check in the amount of $15.00 from Unit 34, Department of Michigan.

We wish to thank you and every member of your Unit for this very fine contribution and also to extend the thanks of the boys in the services to whom these records will be sent. Each $15.00 buys one kit of new records and one single kit means so much toward their entertainment, especially to the boys overseas.

Sincerely yours,
MILT D. CAMPBELL, Director
Division of National Defense

Las Vegas, Nevada
Jan. 12, 1944

Dear Tecumseh Friends:

I have just finish d reading the past few weeks' Tecumseh Heralds and was inspired to write my thanks to you ladies in the Legion Auxiliary and everyone responsible for sending them out.

I was shipped here in Nevada just a few days ago from Pre-Flight school in California so my forwarded mail just caught up with me. I caught up on all the home-town news my letters had failed to give me.

We put in long hours in this Aerial Gunnery School but I've certainly learned a lot. I imagine a lot of those crack-shot deer and pheasant hunters in Tecumseh would like to do some of the shooting we do. We're practising deflection shooting with shotguns at clay pigeons—also shooting from moving trucks and from turrets.

There is classroom work too—learning to disassemble and assemble 50 cal. machine gun blindfolded—operation and maintenance of Sperry Ball Turrets and Computing Sights. We get a week's aerial gunnery experience in actual B-17 flights before we graduate here. After this I'm hoping for my first furlough in a year before I go on to Advanced Bombardiering School where my aviation cadet training or a bombardier's commission winds up.

Thanks again,
Don Carlson.

What are you doing about the empty chair?

?

Tonight, as the family gathers around the fireside, almost everyone is thinking of an empty chair.

Perhaps the one in your house is empty for the first time. Or perhaps it has been empty for many months. Perhaps it will go on being empty always.

For many these are not happy times. But they should be times of hope—hope that you can make stronger.

You know that even though the tide has turned now, and we've begun to win this war—our soldiers cannot come home until it is won.

And you know that the sooner it is won—the more soldiers will come home.

What are you doing about those empty chairs?

There is something you can do—something vitally important that everyone in America can do NOW.

You can buy War Bonds—War Bonds for every empty chair in the house.

And keep on buying War Bonds until these chairs again hold those whom we love and are so dear to us.

War Bonds Speed Victory!

Money Makes Might When Invested in Defense-

Just as right makes might, money invested in the cause of right can, and does, make the might to win.

Buy War Bonds and Stamps if you would aid the battle for Victory.

Money lent to your government sends precious materials to the war front—and provides security and a future income for you.

Investing in Bonds is one way that those on the Home Front may serve.

You'll be glad this neighbor asked you to Buy Bonds

ONE day soon, a neighbor may stop by to talk about the Fourth War Loan and the share your locality is expected to play in it. Or, he may talk at a War Bond rally at the high school. Chances are he'll ask if you'll buy more Bonds. Will you look on it as a request for a donation? Or will you look on it as an opportunity to build up the financial reserve every business-like farmer or rancher has to have to run his place profitably?

No need to tell you it takes money to run a war. No need to tell you it's *your* war, *your* liberty at stake. But we're all human and just a little bit given to "letting George do it." Only this time we're *all* George. We've got to do it! And in buying those Bonds, we're doing ourselves as big a service as we are our fighting men and our country. We're building strength — personal financial strength — with which to meet the inevitable problems of tomorrow.

Something Worth Buying

Maybe you have a son off at war. What a homecoming when he gets into his jeans and you've *both* got those Bonds to fall back on for the machinery and equipment and buildings you'll be needing in the future. And how about the education you've promised yourself you'd give your children? And that long vacation in the sunshine you and your wife have so long deserved? The *only* way to have these things is to save the money *now*. U. S. War Bonds are the safest and most liquid investment you can make for these future needs — needs worth *providing* for!

Defendants.

ORDER OF PUBLICATION

At a session of said Court, held at the Court House in the City of Adrian, County of Lenawee and State of Michigan, on the 17th day of January, A. D., 1944.

Present: HONORABLE G. ARTHUR RATHBUN, Circuit Judge.

In this cause it appearing from affidavit on file that the residence of each and all of the above known defendants and their unknown heirs, devisees, legatees and assigns, if living, is unknown to the affiant subscribing to the affidavit of non-residence now on file in this cause, and that it cannot be ascertained in what State or Country said defendants and each of them reside, if living, and it appearing to the satisfaction of this Court that the above named defendants or their unknown heirs, devisees, legatees and assigns are proper parties to this suit;

On motion of John R. Zeigler, Attorney for Plaintiffs, it is ordered that the appearance of said above named defendants be entered herein on or before three months from the date of this order; that the said unknown heirs, devisees, legatees and assigns of said known defendants be made parties defendant hereto and that the appearance of said unknown heirs, devisees, legatees and assigns of the aforesaid known defendants be entered herein on or before three months from the date of this order, all in accordance with the statutes of the State of Michigan in such case made and provided; and that in the case of the appearance of such defendants that they cause their answer to the bill of complaint to be filed and served according to law, and in default thereof said bill of complaint will be taken as confessed by said known defendants and by said unknown heirs, devisees, legatees and assigns.

And it is further ordered that said plaintiffs cause a notice of this suit to be published or served according to law and the statutes of the State of Michigan in such case made and provided.

G. ARTHUR RATHBUN,
Countersigned:
ALICE M. WELCH,
Deputy Clerk.

UNDERWRITING

A personal decree is sought against the defendants to quiet title to that certain piece or parcel of land situated and being in the Township of Ridgeway, County of Lenawee and State of Michigan, and described as follows, to wit:

The East Half (½) of the Southeast Quarter (¼) of Section Twelve (12), Town Six (6) South, Range Five (5) East, containing Eighty (80) acres, more or less.

REGISTRATION NOTICE
for
VILLAGE ELECTION
MONDAY, MAR. 13TH, 1944

To the Qualified Electors of the Village of Tecumseh (Prect. No. 1 and 2)

County of Lenawee, State of Michigan

Notice is hereby given that in conformity with the "Michigan Election Law," I, the undersigned Village Clerk, will, upon any day, except Sunday and a legal holiday, the day of any regular or special election or primary election, receive for registration the name of any legal vote in said Village not already registered who may Apply To Me Personally for such registration. Provided, however, that I can receive no names for registration during the time intervening between the Twentieth Day before any regular, special, or official primary election and the day of such election.

Notice is hereby further given that I will be at Village Clerk's Office

MONDAY, FEB. 21ST, 1944

The twenty-first Day Preceding Said Election

(The 20th day preceding being a legal holiday)

As provided by Sections 2767, and 2822 Michigan Election Laws, Revision of 1941.

From 8 o'clock a. m. until 8 o'clock p. m. on each said day for the purpose of REVIEWING the REGISTRATION and REGISTERING such of the qualified electors in said VILLAGE as SHALL PROPERLY apply therefor.

TUESDAY, FEB. 22—LAST DAY
For General Registration by PERSONAL APPLICATION

The name of no person but an ACTUAL Resident of the Village at the time of said registration, and entitled under the Constitution, if remaining such resident, to vote at the next election, shall be entered in the registration book.

NOTICE—Absent Voter Must Be Registered

Although Sec. 2774, Laws Relating to Elections, Revision of 1939, still provides that an absent voter may apply for registration at time of applying for ballot, and gives form of Affidavit he should make, Act 63 of P. A. 1939 stipulates that in absent voters application for ballots he must State that he is a "duly qualified AND REGISTERED elector."

Opinion of the Attorney General is that Acts 66 and 63 "must be construed to repeal the inconsistent provision of Sec. 2774 permitting absentee registration AT THE TIME of making application for an absent voter's ballot."

Thus the Absent Voter's application and affidavit for registration are useful only in cases where voter may mail these in, then make application for ballots later, after registry has been completed.

The portion of application shown herewith enclosed in brackets should be crossed out when applying for registration.

Form of Affidavit

STATE OF MICHIGAN
County of ..... ss.
I ..... being duly sworn depose and say that I am a citizen and duly qualified elector of the .... precinct of the village of ..... in the county of ..... and State of Michigan; that my postoffice address is No. .... street or R. F. D. No.... P. O. .....; that I am not now registered as an elector therein (and that I am voting by absent voter's ballot at the election or primary election to be held upon the ..... day of ..... 19.., the application for which ballot accompanies this application) that I make this affidavit for the purpose of procuring my registration as an elector in accordance with the statute: That I make the following statements in compliance with the Michigan Election Law: Age.....; Race .....; Birthplace .....; Date of naturalization .....; I further swear or affirm that the answers given to the questions concerning my qualifications as an elector are true and correct to the best of my knowledge and belief.

Signed .....

Taken, subscribed and sworn to before me this ..... day of .....19... My Commission expires .....19....

.....
Notary Public in and for said County, State of Michigan

Upon receipt of such affidavit in the time specified herein, the clerk shall write in the registration book the name of applicant together with the other information required by this chapter and such applicant shall thereupon be deemed to be duly and properly registered.

Note—If this acknowledgment is taken outside of the State, the Certificate of the Court tha tthe person aking he acknowlegment is a notary must be attached.

Registration of Absentee by Oath

If any person whose name is not registered shall offer and claim the right to vote at any election or primary election, and shall, UNDER OATH state that he or she is a resident of such precinct and has resided in the VILLAGE TWENTY DAYS next preceding such election or primary election, designating particularly the place of his or her residence and that he or she possesses the other qualifications of an elector under the constitution; and that owing to the sickness or bodily infirmity of himself or herself or some member of his or her family, or owing to his or her absence rom the VILLAGE on public business or his or her own business, and without intent to avoid or delay his or her registration, he or she was unable to make application for registration on the last two days provided by law for the registering of electors preceding such election or primary election, then the name of such person shall be registered, and he or she shall then be permitted to vote at such election or primary election. If such applicant shall in said matter, wifully make any false statement, he shall be deemed guilty of perjury.

Section 2790, Compiled Laws—

All the provisions relative to registration in Townships and cities shall apply and be in force as to registration in Villages.

WADE L. JONES,
Village Clerk.

CLINTON

The possibilities of establishing an American Legion home here have been discussed by the Clinton post and the Rev. O. E. Priest and the Rev. Fr. John A. Ross named as a committee to investigate. The post reports a membership of 37 as compared with a quota of 40 set by the district. The rehabilitation of veterans of World War II also was discussed and the post has urged service men and their families needing help with government allotments to call on post members.

PUT OUT GRASS FIRE

The Clinton fire department was called to the Paul Nelms farm two miles west and a half mile north of Clinton Wednesday afternoon to extinguish a grass fire. Firemen battled the flames with water for two hours. No buildings were endangered.

CHURCH SOCIETY MEETS

Nine women of the Congregational Junior Priscillas met Tuesday evening with Mrs. Arthur Hill. At the business session at which the newly elected president Mrs. Mervyn Witherell presided, the class voted to have a food sale at the February family night observance. Mrs. O. E. Priest led in the study of the "Psalms." Mrs. Hill assisted by Mrs. Benjamin Mahrle Jr., served refreshments. The next meeting is to be held with Mrs. Mahrle.

SACKETT-SELLERS

Pfc. Harold Sackett of Windover Field, Utah, son of Mrs. Ilah Mae Sackett of Clinton and Miss Ruth Sellers, daughter of Mr. and Mrs. Arthur Sellers of Adrian, were married January 25 by Rev. George Johnston at the Nazarene church in Adrian. They left February 1 for Salt Lake City, after a 15 days furlough.

ADDRESSES ROTARY CLUB

C. L. Kimball spoke on "Public Warehousing" at Thursday evening's meeting of the Clinton Rotary club. Frank B. Wilson is a new member of the club.

SEWING MEETING HELD

The annual sewing meeting of the Congregational Woman's Union was held Friday with Mrs. C. L. Kimball. A 12 o'clock luncheon was served by Miss Eleanor Wellwood and her circle. The vice president, Mrs. Donald O'Hara, conducted a short business session. The devotional topic, "Meeting New World Problems" was developed by Mrs. Glen Randall. Besides tying a comforter, considerable sewing was done for Taugaloo College in Mississippi. The next meeting will be held at the Church Feb. 20.

Miss Allene Rice of Clinton and Stanley Mlekodaj of Knox, Ind., a member of the U. S. Navy, were married Saturday by Justice Franklin J. Russell at the city hall in Adrian.

FIRE DEPARTMENT CALLED

The Clinton fire department was called at 1 o'clock Sunday afternoon to the Irish Hills where fire was discovered on the roof of "The Old Tavern" rented by Frank Preston. A four-foot square was burned in the roof. The first call had been put in for the Onsted firemen and they had the fire under control so state police turned the Clinton truck back six miles west of Clinton.

Richard Winder has enlisted in the U. S. Navy and left last week to begin training.

Leslie D. Middlebrook is at Great Lakes, Ill., for naval training.

Mrs. Robert Walton has gone to Texarkana, Texas, where her husband Pvt. Walton is stationed.

CARD OF THANKS

We wish to express our thanks to our friends for their thoughtfulness at the time of the death of our mother Mrs. Mary E. Shapland; for the cards and flowers and many acts of kindness.

NINETY-FOURTH YEAR—NUMBER NINETEEN | TECUMSEH, MICHIGAN, THURSDAY, FEBRUARY 10, 1944 | FIVE CENTS PER COPY

Post War Plan Group Is Named

COUNCIL ALSO APPOINTS BOARD OF APPEALS IN ZONING; HEARING IS TONIGHT

The village council, in session Monday evening, named a post-war planning commission for Tecumseh, selected a five-member board of appeals in connection with the town's new zoning ordinance, and adopted an ordinance assessing a 10 per cent penalty on water bills, delinquent for more than 15 days. Heretofore, a discount has been offered on water bills if paid within the 15-day period after they were issued.

The post-war planning commission, established by ordinance, is made up of R. W. Herrick and Geo. H. Adamson, whose terms of office expire April 1, 1946; W. J. Beardsley and C. H. Baker, whose terms expire April 1, 1945; and P. C. Satterthwaite and F. K. Smith, whose terms expire April 1, 1944. Mayor J. F. Elliott, J. H. Rohweder, a member of the council, and Frank Hoekstra, engineer of the village, are ex-officio members of the group

It is the task of this commission to co-ordinate the efforts of all post-war planning within the village and to act as a clearing house for after-the-war programs. The new body will meet and organize within a week, it is believed.

The board of appeals, as provided for in the zoning ordinance, is made up of Ralph Oliver and Guy Belding, whose terms expire April 1, 1946; John R. Thompson and Ned Baldwin, whose terms expire April 1, 1945; and W. L. Jones, whose term expires April 1, 1944. It is the job of this board to listen to all appeals from property owners from the zoning code, which becomes effective on February 15.

The final public hearing on the zoning ordinance will be held in the council chambers this evening at 7:30. At that time, residents who object to the ordinance in any way may make their desires known to the council. It is within the power of the council to amend the ordinance at any time.

The council adjourned its session until February 15, enabling the trustees to clean up any unfinished business before the fiscal year of the village ends, on February 20.

Mrs. John A. Saum Dies After Long Illness

Mrs. John A. Saum, aged 66 years, died suddenly Saturday afternoon at her home on South Union street after a long illness. Mrs. Saum was formerly Fannie Darling, a daughter of Mr. and Mrs. Frank Darling, and was born in Tecumseh August 27, 1877. She had spent her entire life here and was a member of the Presbyterian church.

She leaves her husband, three daughters Mrs. Dorothy Dove of Bradenton, Fla., Mrs. Josephine Sieloff of Detroit and Miss Garnet Saum at home; one son John Jr., of Adrian, two sisters, Mrs. Anna Hardenburg of Tecumseh and Mrs. Gladys Kuespert of South Bend, Ind., three brothers R. W. Darling of Jackson, Leslie of Lima, O., and Stanley of Highland Park, also 10 grandchildren.

Funeral services were held Tuesday afternoon at the Collins Funeral Home. Rev. Alvin C. Brazee officiated and burial was in Brookside cemetery.

Bearers were R. W. Darling, Leslie Darling and Stanley Darling, Walter Mays, William Coffee and Dr. Milton Darling. Relatives and friends attended from Jackson, Lima, O., Detroit, Adrian, South Bend, Ind., Lockport and Chicago, Ill., Devils Lake, Ann Arbor, Addison and Deerfield.

HUNT-SCHRADER

Boy Scout Sunday To Be Observed Here

February 13 will be observed as Boy Scount Sunday and local Boy Scounts will be welcomed at the 11:15 service at St. Peter's Episcopal church. They will be in procession with their Scountmaster, Burton C. Dannells and members of the Troop committee.

The Rev. John R. Scarlett, rector of St. Peter's, will present a special sermon for Scounts based on the first part of the Scout oath, "On my honor I will do my duty to God."

Q. O. Employee To Be Honored

ORVILLE DEWEY, VETERAN OF 25 YEARS WITH COMPANY, TO GET SERVICE RING

Orville Dewey of 206 N. Maumee street, a veteran employee of the Quaker Oats Company here with 25 years of uninterrupted service to his credit, will be honored at a dinner, to be served Saturday evening at 6:30 o'clock at Brees House. At that time Donald Nixon, superintendent of the plant here, will present Mr. Dewey with the 25-year gold service ring, awarded by the company. Mr. Dewey and his wife will be the guests of honor at the dinner, which will be attended by some 50 employees.

Born in 1894, Mr. Dewey entered the employ of the Quaker Oats Company in 1919 and it was while working at the local plant that he met and married Miss Flossie Van Ripper, also an employee. The wedding was in April, 1924. The Deweys are the parents of five children, Latham, now at Alma College in the Naval Air Corps school, and Lilly Gean, Shirley, Dorothy and Orville, Jr., all at home.

Mr. Nixon is announcing the plans for the company's party, complimented Mr. Dewey for his long period of service. "He is one of the company's oldest employees here, he is reliable—always on the job. A check on Mr. Dewey's service record shows very few days away from his work during the 25 years," he said.

Mr. Dewey operates a macaroni machine at the local plant.

Funeral Here Tuesday For Mrs. Amy Gregg

Indians Ready For Sugar Boys

GAME HERE TOMORROW EVENING IS LIKELY TO DECIDE LENAWEE CAGE HONORS

Tecumseh will go into Friday's game with Blissfield, here, as the undisputed leader of the Lenawee Cage League, the result of the Sugar Boys' defeat at Blissfield, Tuesday evening. Morenci defeated Blissfield by a 36-36 score. Before that game, Blissfield and Tecumseh were tied for first place.

Can Tecumseh defeat Blissfield at basketball?

That question will be answered here, tomorrow evening when the league-leading teams of the two towns meet on the floor of the Tecumseh high school gymnasium at 8 p.m. Tecumseh and Blissfield are tied for first place in the Lenawee race, and, some observers say, are so evenly matched that anything may happen. However, because the Indians are playing on their home floor, Tecumseh is favored in the contest.

We should take Blissfield by an easy margin," was Coach Fred Raizk's comment. "Our team is playing excellent ball and there is only one possible drawback—overconfidence. However, we know that we are up against a strong team and that it's going to take some real work to register a victory."

Scouts delare that Blissfield has a one-man cake outfit in Bradley, the Sugar Boys' forward. He is the most consistent player the visitors have and thus far this season has averaged about 19 points in each game he has played. Naturally, Tecumseh will give Bradley considerable attention in tomorrow's game.

The Indians won another cage game at Clinton on Tuesday evening when they defeated the Red Skins on their own court by a score of 42 to 36. It was a fast, clean game that attracted a record attendance.

Coach Raizk played his first string team throughout the contest and had the Indians played the brand of ball throughout the game tat they did during the first quarter the score would have been very lop-sided. However, after a 14-4 lead in the first few minues of play, Ira Raizkmen seemed to take on a spirit of over-confidence or something and dropped the bars for a few minutes of play. They tightened the offensive in the third and fourth quarters, however, and retained a six-point margin.

Tomorrow's game here with Blissfield is expected to attract a crowd that will tax the capacity of the local gymnasium.

After Tuesday's game the Clinton young folk were entertained at a dance at the Opekasit Club here.

Charles H. Howe, 78, Dies at His Home Here

Charles H. Howe aged 78 years, life long resident of this vicinity, died Friday afternoon at his home northwest of Tecumseh.

Mr. Howe was born July 32, 1866 in Dundee and was one of a family of five children of Harley and Hulda Howe. The family moved to Tecumseh when he was very young and his entire life was spent in and around this village.

Survivors are the widow Mary Kerr Howe, his chidren Mrs. Lowa Johnson of Detroit, Mrs. Margaret Goodenough of Seattle, Wash., Frank of Tecumseh, Mrs. Helen Icheldinger, Mrs. Ada Galdoni and Mrs. Alice Wright of Detroit, John of Ypsilanti and Mrs. Hulda Learmouth of Toronto, Canada; his sister Mrs. Lois Carney of Dundee; 12 grandchildren, two of whom are in the armed forces and one great grandson. A son Daniel preceded him in death.

The funeral was held Monday afternoon at the Collins Funeral Home, Rev. Edward Escolme of the Tecumseh Friends church officiated and bearers were Percy Galdoni, Herbert Icheldinger, Walter Johnson, and Robert Wright of Detroit, Earl Kerr of Tipton and George Forsythe of Britton. Burial was in Brookside cemetery. Relatives and friends from Toronto, Canada, Detroit, Toledo, Adrian, Britton, Clinton, Holloway Macon and Tipton attended the services.

Bert Folk Injured When Hit By Auto

Bert Folk is a patient at Tecumseh hospital with a punctured ear drum, head and leg injuries and painful bruises, the result of a peculiar accident Friday evening.

Mr. Folk was driving east on West Chicago Blvd., when one of his tires blew out and his car struck another machine parked in front of the Yale Kerby home. While attempting to clear the street of the wreckage Mr. Folk was stopping traffic and was struck by car wriven by George Hassenzahl of Clayton, who did not see him. Mr. Folk was thrown about 10 feet and the impact bursted the ear drum. Several stitches were taken in his left leg but X-rays showed no broken bones. His condition is satisfactorily and he expects to be taken home soon.

Plan to Equip Hospital Lab.

AUXILIARY DISCUSSES NEED AND MAKES PLANS TO RAISE MONEY FOR THE WORK

At the meeting of Tecumseh Hospital Auxiliary, held Tuesday evening, plans were made for the equipment of a laboratory at the hospital. The institution has no facilities for laboratory work, and it is sent to other hospitals, in spite of this lack. Tecumseh hospital has been placed on the approved list by the American College of Surgeons. A room is now available at the hospital and Miss Gertrude Spaulding, superintendent estimates the cost of adequate laboratory equipment at $1000.

The Auxiliary is anxious to fill this need and specific plans for raising money for that purpose during the year were outlined. Contribution boxes will be placed at once in down town business places to remain through the month of March. A cookie sale is planned for April; in May Hospital Day will be observed; a garden party will be held in June; a bake sale in July; August plans are incomplete; a tag day is planned for September; a Thanksgiving dance for November, and bridge parties in private homes during October, November and December.

The Auxiliary will meet March 14 in the home of Mrs. Frank K. Smith, president of the organization.

252 In Service Now Get Herald

LEGION AUXILIARY VOTES TO CONTINUE SENDING NEWSPAPER TO NEW INDUCTEES

The American Legion Auxiliary met Monday evening in the Legion hall with Mrs. Paul Keyser, Mrs. Louis Schneider, Mrs. Jennie Hodges and Mrs. Otto Baaske as hostesses.

During the business session the community activity committee reported collecting $125 from the boxes placed in various stores. This money will be used for playing cards and stationery for service men. Two blankets were purchased for a needy family and it was voted to give $5 to the March of Dimes and to buy two $100 War Bonds. It was also voted to buy 3500 poppies for Poppy Day, which is 1000 more than their quota. Plans were discussed to entertain the district president in March, with units from Britton and Clinton as guests. The local unit will again sponsor the Americanism essay and Poppy poster contests. A committee was appointed to have charge of redecorating the meeting rooms.

The Auxiliary will continue to send The Tecumseh Herald to local men entering service and requests that families notify the Auxiliary or The Herald of the addresses and changes. A total of 252 subscriptions are now being sent and many donations to the fund have been made by various organizations and many individuals. Gifts from Tecumseh Grange and Dave Watson were acknowledged Monday evening.

After the meeting lunch was served by the committee.

The next meeting will be held March 6 with Mrs. L. A. Carlson, Mrs. Ralph Oliver, Mrs. Jack Smith and Mrs. Charles Howe as the committee in charge.

Col. Webster Anderson Wins Legion of Merit

Col. Webster Anderson of Washington, D. C., visited his parents, Mr. and Mrs. R. K. Anderson the first of the week.

Col. Anderson of the quartermaster corps, has been awarded the Legion of Merit for exceptionally meritorious conduct in the performance of outstanding service, by the War Department.

As chief of the defense aid branch, motor transport division, office of the quartermaster general from August, 1941, to May, 1942, Col. Anderson's citation said, he undertook to reduce to the minimum the cubic content of crated vehicles for shipment overseas. It added: "Col. Anderson obtained the co-operation of the motor industry and of the governments of the United Nations and achieved a great saving in cargo space. This achievement had much influence on the number of vehicles actually delivered to combat areas."

Colonel Anderson graduated at West Point in 1928 and remained as an instructor in mathematics for a number of years. He spent three years at Schofield barracks, Hawaii, and recently returned to his home in Washington, D. C., after two years in England, North Africa and Italy.

Col. Anderson has a brother, Lt. Col. John Hicks Anderson, who graduated from West Point in 1934 and now is stationed at Galveston, Texas.

Tax Returns Due March 15

MAKE THEM OUT NOW, DON'T WAIT, U. S. URGES; TO GET AID HERE FEB 14

Wage earners are urged by the Department of Internal Revenue to begin filing out their 1943 income tax returns as soon as they receive tax and wage receipts from their employers. A representative of the department will be at the Hotel Chieftain from 8 a.m., to 5 p.m., on Monday, February 14, to assist local taxpayers, and at the city hall in Adrian, from February 15 to 23, inclusive.

In order to clarify those who are eligible to pay income tax, G. W. Blunt, director of the Jackson regional office of the department, pointed out the following four classifications, when he was in Tecumseh last week.

1. Any single person whose gross income was $800 or more.

2. Every husband or wife if either one had a gross income of more than $624.

3. Every husband and wife whose combined income was $1,200 or more.

4. Every individual who paid or owed a tax on his or her 1942 income.

"Many persons have been coming to the places designated for help in filing their returns, BUT we are unable to assist them BECAUSE they do not have complete and accurate information for us to work with," said the representative.

In order to obtain assistance from such designated places, by the collector's office in filing their 1943 returns, a person MUST come equipped with the following information:

"You need to know the amounts paid you during all last year for personal services, such as wages, salaries, bonuses, commissions, etc., also, interest, dividends and any other income you may have received from other sources.

"You need to have a list of your deductible items and amounts claimed, such as contributions to charitable or religious organizations, interest on indebtedness paid; or taxes paid during the year.

"If you paid an income tax last year, 1942, you need to know how much the whole tax bill was, and how much you paid in March and June, in 1943. You should have received with the tax form mailed you, a Form number 1125, which does give this information. BRING THIS FORM WITH YOU, as this must be attached to your 1943 return when filed.

"If you filed a declaration of estimated tax in September or December, 1943, and paid a tax, you will also need to know the amount you paid. If you have a copy of your estimated return as filed for these months, bring this copy with you.

"You also need figures on the amount of income and victory taxes your employer withheld from your pay check during the year 1943. He (the employer) is required to furnish you this information receipt which reflects the summary of wages and deductions in full for the year of 1943.

"Returns must be filed and any tax due must be paid not later than MARCH 15, 1944, to the COLLECTOR OF INTERNAL REVENUE of your district."

Bond Sale Over $200,000 Mark

TECUMSEH HAS MET ITS QUOTA IN "E" BONDS BUT STILL NEEDS $150,000 SALES

Despite the fact that Tecumseh has met and exceeded its "E" bond quota of $104,000 in the Fourth War Loan, it still needs more than $150,000 to meet its general quota of $354,000, John R. Thompson, co-chairman of the drive here, said this morning. To date, Mr. Thompson said, Tecumseh's bonds sales amount to $201,637.50. Of that amount, he said, $108,000 are in "E" bonds.

"We are nearing the top of the ladder, but it's going to be a hard climb from here on out," was W. L. Berkhof's comment. He is general chairman of the local campaign. "We need over $150,000 to put this community over the top, and we must raise that amount before next Tuesday midnight. That's not a small amount of money, and the task is a hard one, because we must sell at least $25,000 worth of bonds daily if we are to succeed."

Mr. Berkhof called upon organizations, industry, lodges, clubs, societies, etc., with idle money in their treasuries, to purchase bonds before the campaign ends. In response to his call, the village council, in session on Monday evening, invested $10,000 of Tecumseh's funds in bonds, and other organizations are planning similar investments, it was said.

"We're going over the top in every Loan drive previously and we can't fail in this one," Mr. Berkhof declared. "The boys on the front are expecting us to back them with our dollars, and certainly we will not fail them. I'm sure that there is sufficient idle funds in this area that can be used to push our campaign over. But we must not delay, the time is short. We have only until next Tuesday midnight, February 15, to reach our quota."

Mr. Berkhof said that industrial payroll deductions are going on here at a fast pace and he pointed to the high purchase of "E" bonds to show that this part of the drive is progressing satisfactorily. He said that in all probability he would be able to break down the figures next week, showing the local industry purchased bonds.

LOAN YOUR MONEY TODAY!

The nation is now attempting to borrow $14,000,000,000 from its citizens, with individuals as distinct from banks and corporations, asked to provide $5,500,000,000.

Confronted with the necessity of waging two tremendous wars, across vast ocean spaces, the expense of warfare reaches fantastic proportions.

It is not too much to expect that the patriotic response of the people of the United States will likewise attain fantastic proportions. This means, of course, that every individual must make a special exertion to support the financial structure of the nation.

The expenses of the war will be much more than any amounts that can be secured through taxation, regardless of how many new levies the Congress decides to levy. To balance the books of the nation, as a going, solvent concern, it is vital that the people lend their money to the government.

It is not much to ask the temporary use of some money, with the government paying interest on the loan. In some countries there has been no such procedure. The dictatorial governments ruthlessly confiscate property and funds, taking what they need without regard to the ownership of individuals.

Buy Bonds and, when the war ends, you will have the money for that permanent improvement you have long desired.

DO YOU REMEMBER?

Brood Sows Need More Than Grain Alone

Grain alone is an incomplete ration for the proper feeding of brood sows.

Grains are low in proteins. Grain proteins are unbalanced. They are deficient in minerals, and lack certain vitamins declared by feeding authorities to be essential.

Too Fattening and Constipating

Used alone, grains are too fattening and constipating for brood sows.

Feed HAYDEN'S HOG BALANCER along with your grain to supply the needed extra proteins, vitamins, and minerals.

HAYDEN HEN HUMPER

Hayden Flour Mills Tecumseh, Mich. February 10, 1944

Make Your Poultry Dollars Talk Cents?

Probably the most precious thing any feeder has in this vital spring of 1944 is time. Therefore time is worth dollars to you.

It takes just as much time to buy and bother with cheap chicks as with good ones,—in fact it may take more. So why not buy good chicks with proven parentage.

And if you want your poultry dollars to talk cents invest in the very best starting mash you can lay your hands on. May we suggest HAYDEN'S STARTER.

Made in Tecumseh on a formula of proven performance it has brought growth to chicks for several years and profit to their owners. Why not save time and make dollars by using HAYDEN'S STARTER this year.

Provide plenty of clean dry litter. We have Servall and Peat moss.

We'll Help You to Keep Within Your Defense Budget

Budgeting for defense—buying stamps and bonds, helping to win the war—calls for a new system of budgeting in many homes.

And in order to make your dollars go farther, it's our job to sell you quality groceries and supplies that will stretch your dollars.

Remember this: There is no substitute for quality in food. Good food goes farther, it is the cheapest in the end.

For more than 80 years we have prided ourselves on selling quality foods at low prices.

Back the attack by upping your payroll savings your very next payday. Measure your savings by your new higher income.

Pin-up picture for the man who "can't afford" to buy an extra war bond...

YOU'VE HEARD people say: "I can't afford to buy an *extra* War Bond." Perhaps you've said it yourself . . . without realizing what a ridiculous thing it is to say to men who are dying.

Yet it *is* ridiculous, when you think about it. Because today, with national income at an all-time record high . . . with people making more money than ever before . . . with less and less of things to spend money for . . . practically every one of us has *extra* dollars in his pocket.

The very *least* that *you* can do is to buy an *extra* $100 War Bond . . . above and beyond the Bonds you are now buying or had planned to buy. In fact, if you take stock of your resources and check your expenditures, you will probably find that you can buy an *extra* $200 . . . or $300 . . . or even $500 worth of War Bonds.

Sounds like more than you "can afford"? Well, young soldiers can't afford to die, either . . . yet they do it when called upon. So is it too much to ask of us that we invest more of our money in War Bonds . . . the best investment in the world today? Is that too much to ask?

REGISTRATION NOTICE
for
VILLAGE ELECTION
MONDAY, FEB. 13TH, 1944

To the Qualified Electors of the Village of Tecumseh (Prect. No. 1 and 2)

County of Lenawee, State of Michigan

Notice is hereby given that in conformity with the "Michigan Election Law", I, the undersigned Village Clerk, will, upon any day, except Sunday and a legal holiday, the day of any regular or special election or primary election, receive for registration the name of any legal vote in said Village not already registered who may apply to Me Personally for such registration. Provided, however, that I can receive no names for registration during the time intervening between the Twentieth Day before any regular, special, or official primary election and the day of such election.

Notice is hereby further given that I will be at Village Clerk's Office

MONDAY, FEB. 21ST, 1944

The twenty-first Day Preceding Said Election

(The 20th day preceding being a legal holiday)

As provided by Sections 2767, and 2822 Michigan Election Laws, Revision of 1941.

From 8 o'clock a. m. until 8 o'clock p. m. on each said day for the purpose of REVIEWING the REGISTRATION and REGISTERING such of the qualified electors in said VILLAGE as SHALL PROPERLY apply therefor.

TUESDAY, FEB. 22—LAST DAY
For General Registration by PERSONAL APPLICATION

The name of no person but an ACTUAL Resident of the Village at the time of said registration, and entitled under the Constitution, if remaining such resident, to vote at the next election, shall be entered in the registration book.

NOTICE—Absent Voter Must Be Registered

Although Sec. 2774, Laws Relating to Elections, Revision of 1939, still provides that an absent voter may apply for registration at time of applying for ballot, and gives form of Affidavit he should make, Act 63 of P. A. 1939 stipulates that in absent voter's application for ballots he must state that he is a "duly qualified AND REGISTERED elector."

Opinion of the Attorney General is that Acts 88 and 63 "must be construed to repeal the inconsistent provision of Sec. 2774 permitting absentee registration AT THE TIME of making application for an absent voter's ballot."

Thus the Absent Voter's application and affidavit for registration are useful only in cases where voter may mail these in, then make application for ballots later, after registry has been completed.

The portion of application shown herewith enclosed in brackets should be removed or left out when applying for registration.

Form of Affidavit

STATE OF MICHIGAN
County of ..... ss.

I ..... being duly sworn depose and say that I am a citizen and duly qualified elector of the .... precinct of the village of ..... in the county of ..... and State of Michigan; that my postoffice address is No. ..... street or R. O. ..... ; that I am not now registered as an elector therein (and that I am voting by absent voter's ballot at the election or primary election to be held upon the ..... day of .....19..., the application for which ballot accompanies this application) that I make this affidavit for the purpose of procuring my registration as an elector in accordance with the statute: That I make the following statements in compliance with the Michigan Election Law: Age?...; Race ....; Birthplace ....; Date of naturalization .....; I further swear or affirm that the answers given to the questions concerning my qualifications as an elector are true and correct to the best of my knowledge and belief.

Signed .....

Taken, subscribed and sworn to before me this ..... day of .....19... My Commission expires .....19....

.....,
Notary Public in and for said County, State of Michigan

Upon receipt of such affidavit in the time specified herein, the clerk shall write in the registration book the name of applicant together with the other information required by this chapter and such applicant shall therupon be deemed to be duly and properly registered.

Note—If this acknowledgment is taken outside of the State, the Certificate of the Court tha tthe person aking he acknowlegment is a notary must be attached.

Registration of Absentee by Oath

If any person whose name is not registered shall offer and claim the right to vote at any election or primary election, and shall, UNDER OATH state that he or she is a resident of such precinct and has resided in the VILLAGE TWENTY DAYS next preceding such election or primary election, designating particularly the place of his or her residence and that he or she possesses the other qualifications of an elector under the constitution; and that owing to the sickness or bodily infirmity of himself or herself or some member of his or her family, or owing to his or her absence rom the VILLAGE on public business or his or her own business, and without intent to avoid or delay his or her registration, he or she was unable to make application for registration on the last two days provided by law for the registering of electors preceding such election or primary election, then the name of such person shall be registered, and he or she shall then be permitted to vote at such election or primary election. If such applicant shall in said matter, wifully make any false statement, he shall be deemed guilty of perjury.

Section 2790, Compiled Laws—

All the provisions relative to registration in Townships and cities shall apply and be in force as to registration in Villages.

WADE L. JONES,
Village Clerk.

AN ORDINANCE TO AMEND THE ZONING ORDINANCE FOR THE VILLAGE OF TECUMSEH

The Village of Tecumseh ordains:

Sec. 14.1—The Village Council of the Village of Tecumseh shall appoint a "Board of Appeals" consisting of five (5) members each, to be appointed for three (3) years; provided, however, that one (1) member of the first board to be appointed hereunder shall serve until April 1, 1944, two (2) members until April 1, 1945 ,and two (2) members until April 1, 1946. Thereafter all members shall be appointed for a term of three (3) years and shall serve until their successors are appointed and qualified. Such Board of Appeals shall fix rules and regulations to govern its procedure in acting upon appeals, and shall hear and decide appeals from and review any order, requirement, decison or determination made by an administrative official charged with the enforcement of this Ordinance. They shall also hear and decide all matters referred to them or upon which they are required to pass under this Ordinance. The concurring vote of two-thirds (2/3) of the members of the Board of Appeals shall be necessary to reverse any order, requirement, decision or determination of the administrative official, or to decde in favor of the applicant any matter upon which they are required to pass under this Ordinance or to effect any variaton in this Ordinance. Such appeal may be taken by any person agrieved or by any officer, department, board or bureau of the Village of Tecumseh.

Passed this 7th day of February, 1944.

J. FLOYD ELLIOTT,
Village President.
WADE L. JONES,
Village Clerk.

AN ORDINANCE TO CREATE A VILLAGE PLANNING COMMISSION

THE VILLAGE OF TECUMSEH ORDAINS:

Section 1—A Village Planning Commission for the Village of Tecumseh shall be created and organized under the provisions of Act No. 285 of the P. A. of 1931, and shall have the powers and duties herein specified.

Section 2—Said Planning Commission shall consist of nine members, one of whom shall be the Mayor, one a member of the Village Council to be selected by the Council, one an administrative official of the Village to be selected by the Mayor, with the approval of the Council, the above three members to serve ex-officio, and six other members to be appointed by the Mayor with the approval of the Village Council, and who shall serve for the terms herein specified.

Section 3—Members of the Village Planning Commission shall have the qualifications of electors and shall represent insofar as is possib'e different professions or occupations. They shall serve without compensation and shall not hold any other municipal office, except that one of said appointed members may be a member of the Zoning Board of Appeals. The terms of the ex-officio members shall correspond to their respective official tenures, except that the term of the administrative official shall terminate with the term of the Mayor appointing him. The terms of the six members at large shall be for three years; provided, however, that two members of the first board to be appointed hereunder shall serve until April 1, 1944, two members until April 1, 1945 and two members until April 1, 1946. (300.) SEC. 3. PENALTY AND LIEN. All bills shall be rendered to customers showing the net amount due, and if not paid within fifteen days after being so rendered, ten (10%) per cent of the bill shall be added thereto as a penalty for failure to make prompt payment.

All net water bills ,together with the ten (10%) per cent penalty for failure to make prompt payment shall be a lien against the property to which the water is furnished. Delinquent bills shall be assessed against the property and collected in the manner provided by ordinance of the Village of Tecumseh.

(301.) SEC. 4. RENTAL CHARGE FOR METERS. A semi-annual rental charge for meters, except as herein otherwise provided, shall be made against all users of water as follows: For 5/8 inch meter Twenty-five Cents; ¾ inch meter Twenty-five Cents; one inch meter Fifty Cents; 1¼ inch meter Seventy-five Cents; 1½ inch meter One Dollar; 2 inch meter One and 50-100 Dollars; which rental charges shall become due semi-annually on the 1st day of January and the 1st day of July of each year and shall be added to the charge for actual water consumed.

(302.) SEC. 5. OCCUPANCY BY TWO OR MORE FAMILIES. Where two or more families occupy a house, or other building for housekeeping purposes, each shall be classified as an individual apartment and shall be charged a minimum rate of $2.25 for each apartment per quarter, plus meter rental charge as provided in this ordinance, and the owner of such building shall be responsible for payment of all such water rates.

(303.) SEC. 6. OCCUPANCY BY TENANTS. Whenever any building, except as provided in Section 5 of this Ordinance, is occupied by the owner and one or more tenants or entirely by tenants, each occupant shall be classified as an individual user of water and shall be charged a minimum rate of $2.25 per quarter, plus meter rental charge as provided in this Ordinance, and the owner of such building shall be responsible for payment of all such water rates.

(304.) SEC. 7. WATER FURNISHED TO CONTRACTORS. Contractors constructing any building or buildings or any other construction requiring the use of water shall notify the Village Clerk of intention to use water and shall request that a suitable meter be installed. Prior to the installation of such meter, or such use, the contractor shall deposit with the Village Clerk the sum of $10.00 when a ¾ inch meter is to be used; $15.00 when a one inch meter is to be used and $25.00 when a two inch meter is to be used, and a'l water used shall be paid for at the same rate as charged to other users of water.

(305.) SEC. 8. DEPOSIT BY TENANTS. Consumers who are tenants of property served with water from the Village system shall deposit $5.00 before service of water shall be permitted to them, the same to be retained by the Village during such tenancy, at end of which it shall be returned less any water bills then owing.

This deposit by the consumer is not to relieve the owner of the property from responsibility for all water charges, and is to be required only when the owner of property is a non-resident, or the deposit is requested by the owner of the property as an added protection to the owner, but shall in no way relieve the owner from responsibility for all water charges.

(306). SEC. 9. WATER FURNISHED OUTSIDE CORPORATE LIMITS. No person residing outside the corporate limits of the Village of Tecumseh shall be permitted to use water from the Village water system without permission for such use being granted and the rate therefor fixed by the Village Council. Any meter hereafter installed outside the corporate limits of the Village shall be paid for by the owner of the premises, and no meter rental charge be made. Whenever the Village Council shall grant permission to any person residing outside the corporate limits to secure or obtain water from the Village water system, all costs and expenses in connection with laying pipes and providing for delivery of water to the premises shall be paid by the person to whom such permission for use of water is granted. The Village shall not be responsible in any way for any loss, damage or injury which may be caused by the construction and installation of such water system to premises outside the Village.

(307.) SEC. 10. REPEALING CLAUSE. All ordinances or parts of ordinance contravening the provisions of this ordinance are hereby repealed.

(308.) SEC. 11. This ordinance shall be deemed an emergency ordinance necessary for the public welfare and safety and shall take effect immediately upon its passage.

Made and passed by the Council of the Village of Tecumseh at a regular meeting held this 7th day of February, 1944.

Sheriff Probes Gas Ticket Sale

LOCAL YOUTHS ADMIT DISPOSING OF OPA RATION COUPONS; COURT ACTION AWAIT

The theft and sale of OPA gasoline rationing coupons—a venture that may cost the purchasers their gasoline ration books—was disclosed by members of the Lenawee county sheriff's office last week with the apprehension of more than a dozen local youths involved in the crime. The boys already have told their story to Probate Judge M. E. Tripp at Adrian, but as yet he has not made an order in their case, awaiting a more complete investigation.

According to sheriff's deputies, the officers first began an investigation into the destruction of some 30 rural mail boxes on M-52 west and north of Tecumseh, last Halloween. The boys apprehended, it was said, admitted the destruction and a further quiz led the deputies to the OPA coupon racket which, one deputy declared, rivaled anything that Detroit might produce.

Officers say that two groups of boys were involved, some seven or eight in the mail box episode, and about as many more in the gasoline coupon racket. Federal officers have been notified of the destruction of the mail boxes and what action will be taken in that case has not been learned.

The gasoline ration coupons, officers say, were stolen from a local gasoline filling station. It appears that one lad, about 16 years of age, committed the theft and then allowed the others in his group to contact the "black market" cusotmers. Deputies say that coupons good for five gallons of gasoline were sold for as much as $1 each and that two and four gallon coupons brought 25 and 50 cents each, depending upon how badly the prospective customer needed the gas, and how short the salesman was of ready change.

Officers estimated that the boys probably obtained from $300 to $400 in their illegal racket before they were apprehended. They have admitted the theft and the sale, it was said, and now they have been asked to furnish the court with a list of their "black market" customers. Judge Tripp is awaiting such list before making an order in their case. OPA authorities also have been advised of the racket and have talked with the youths.

Deputies said that they did not know what action the federal government might take in the mail box destruction cases, but they hinted that purchasers of the black market ration coupons might be called before the local ration board to explain how they obtained the tickets. OPA has a right to suspend customary gasoline rations in cases where violations are discovered, it was pointed out.

LOCAL NAVY RECRUITS HONORED IN TOLEDO

Richard Beaubien and Arthur Cubberly who left Saturday for Great Lakes Naval Training Station were entertained at the "Navy Send-off Breakfast" in Toledo that morning honoring all volunteers from the Toledo recruiting station. The Electric Auto-Lite Co. was host for this breakfast which was served in the Victorian Room at the Hill crest Hotel. This was the 87th breakfast to be given to Navy volunteers. Each volunteer was interviewed and answered roll call on Radio Station WTOL.

Richard's mother, Mrs. Pearl Packard and his uncle, John Starkey were his guests at the breakfast.

ROTARY CLUB MEETS

"The Case of the Veteran of World War No. 2," was the interesting topic discussed by Harold Klinger of the U. S. Employment Service, Adrian, and Vance Ogden, Tecumseh, at the regular Rimmeeting of the Tecumseh Rotary Club, Tuesday evening at Brees House. The program was carried out in a question and answer form and was highly instructive as well as entertaining. It touched on the soldier's post-war problems and answered many questions now in the minds of Rotary members.

Van's Pastry Shop To Have a New Location

LeRoy Van Winkle, proprietor of Van's Pastry Shop, announced today that he had purchased the building on East Chicago Boulevard formerly occupied by Nyland's Shoe Store, from John R. Nyland, and that he would move his bake shop to that location, probably in April.

The new property, Mr. Van Winkle said, will be completely remodeled to meet the needs of the shop, and a new modern oven will be installed.

Mr. Van Winkle has operated a bake shop in Tecumseh for several years. The Nyland building has been vacant for several months. It was last occupied by Bascom's Market.

World Day of Prayer For Missions, Feb. 25

The World Day of Prayer for Missions will be observed in Tecumseh by a union service in the Tecumseh Methodist church on Friday, February 25 at 2:30 p.m. Mrs. H. H. Loveland will be the chairman of the meeting, with Mrs. D. S. Carmichael of Holloway giving the address. Representatives of each of the cooperating churches will also take part in the service.

Meetings of a similar nature are being held all around the world, thereby making a continuous twenty-four hour prayer service. The World Day of Prayer program has been compiled from the statements and requests for special prayer presented at an assembly last March, when a hundred or nationals, repatriated missionaries, more nationals, repatriated missionaries, relief workers, etc., from many different nations, as well as from our own country, were called together to "pool their concern."

The public is invited to this gathering.

Miss Alice A. Boyd Weds Hugh DesErmia

At a wedding held at 10 o'clock Monday morning in St. Peter's Episcopal church, Miss Alice C. Boyd, daughter of Mr. and Mrs. H. R. Boyd of Clinton, became the bride of Hugh A. DesErmia, son of Mrs. Clara DesErmia and L. A. DesErmia of Tecumseh. The Rev. John R. Scarlett read the marriage service and the couple were attended by Miss Ruth S. Byrd, sister of the bride, and Keith A. Des Ermia, brother of the groom.

The bride wore a gold colored tailored suit and hat and a shoulder bouquet of gardenias. Her sister wore a rose colored suit with a nosegay of roses and violets.

Following the ceremony a wedding breakfast was served at a hotel in Ypsilanti and later Mr. and Mrs. DesErmia left on a short trip. On their return Mrs. DesErmia will resume her studies at Michigan State Normal College. The groom expects to enter the armed services in the near future.

The bride is a graduate of Clinton high school and a senior at Michigan State Normal College in Ypsilanti. The groom is a graduate of Tecumseh high school and later attended Cleary College in Ypsilanti. For the past year and a half he has been employed at Willow Run.

Those present at the wedding Monday were Mr. and Mrs. C. A. DesErmia of Onsted, Mr. and Mrs. C. J. Smith and Mr. and Mrs. Stanley Smith of Britton, Mr. and Mrs. H. R. Boyd and Ruth of Clinton, Mr. and Mrs. Gordon Williams of Adrian, Miss Stiles of Jackson, L. A. DesErmia, Mrs. Clara DesErmia and son Charles of Tecumseh.

TWINS DIE

Wilma and William Reum, twin babies of Mr. and Mrs. Earl Reum of Dundee, born February 8 at Tecumseh hospital, died Thursday morning at the hospital.

They are survived by their parents, one brother and four sisters and their grandparents, Mr. and Mrs. Louis Reum and Mr. and Mrs. Roscoe Randell of near Dundee.

The bodies were taken to the Niblack Funeral Home in Britton where private services were held Friday afternoon. Rev. E. H. DuBois officiated and burial was in Rice cemetery.

WOUNDED IN ACTION

Word has been received that Sgt. William Soncrant, son of Mr. and Mrs. Elray Soncrant of Adrian, was wounded in action January 21 in Italy where he is with the Fifth Army. He has been awarded the Purple Heart decoration. No other information was received. He is the grandson of Mrs. George Soncrant of Tecumseh.

Tecumseh Near Cage Victory

LAST FRIDAY'S DEFEAT OF BLISSFIELD MAKES INDIANS UNDISPUTED LEADERS

Coach Fred Raizk's Tecumseh high school Indians walked into an easy lead in the Lenawee County Basketball League when they defeated the Blissfield high team on the local court, last Friday evening by a score of 41 to 18. Tecumseh has won eight of the 10 games it has played and tops the league standings with a score of .800. Blissfield is second with seven won and four lost and a percentage of .636. Unless something unforseen occurs, the Indians should be easy winners of the county championship, with two games remaining on their schedule, this week Friday evening at Manchester and next week, Friday, with Addison, here.

Last Friday's game with Blissfield had been billed as a "close match" with a probable victory for either team but after the first few minutes of play it was very evident that the Sugar Boys were definitely out of the running. At the end of the first quarter Tecumseh led by an 8-3 score; at the half by 16-4 and at the close of the third stanza it was 35 to 16.

Tecumseh's air-tight zone defense proved too much for the Sugar Boys and Art Bradley, Blissfield's top basket-maker, was held to eight points during the game instead of his customary 18-point average in every other game of the season. Costigan ran off with the scoring honors for Tecumseh, making 19 points during the evening. Murdoch was next with 12 points.

The Indians travel to Manchester tomorrow evening for the last away-from-home game of the season. The Dutchmen are bad medicine for Tecumseh, always, but Coach Raizk is certain that his team can run up a victory. The final game on the schedule will be played here a week from tomorrow evening with Addison, which team now holds fourth place in the league.

Miss Helen J. Claus Weds Sgt. R. L. Carter

Miss Helen Jean Claus, daughter of Mr. and Mrs. Burtsel Claus of Tecumseh and Sgt. Richard L. Carter, son of Mr. and Mrs. Herbert Carter of Toledo, were married Tuesday evening at 8:30 at the Baptist church. The double ring service was read by the Rev. Blair O. Bashore, pastor and Dr. R. E. Wilson of Caro, a cousin of the bride.

Preceding the ceremony Mrs. E. H. McConnell, organist, played Schubert's "Serenade" and Beethoven's "Prelndio Religioso," and Mrs. John McColl sang "I Love Thee" by Grieg. Palms, gladiolus and lighted tapers in candelbra decorated the altar.

The bride, who entered the church with her father, wore white satin with train and long veil and carried an arm bouquet of calla lilies. Her sister, Mrs. James E. Stevens, was matron of honor and wore blue silk brocade and carried pink roses. The bridesmaids were Donelda Cook of Jackson, Clara Gillespie, Crystal Wise and Betty Heidenreich. All were in pastel gowns and carried bouquets of spring flowers. Sally Baker of Tipton in a long dress of pink and blue, was flower girl and Gerald Carter, brother of the bridegroom, in a soldier suit to match his brother's, was ring bearer. Mr. Carter was attended by his uncle Clarence Graham of Britton and ushers were Ned Ruesink, Dalton Van Valkenburg, Lowell Wise and Donald Everhart.

Following the ceremony refreshments were served in the church parlors by Kathleen Powell, Ruth Hendershot, Betty Fielder and Nancy Cook. Later Sgt. and Mrs. Carter left on a short trip. On their return Mrs. Carter will remain with her parents and Sgt. Carter will return to South Carolina.

Guests from Caro, Jackson, Toledo, Adrian, Britton, Tipton and Tecumseh attended the wedding and reception.

William Powell, Wife Married 67 Years, to Observe Anniversary

OPEN HOUSE, HONORING OCCASION, WILL BE HELD NEXT WEEK ON TUESDAY

Mr. and Mrs. William H. Powell will celebrate their 67th wedding anniversary Tuesday, February 22, at their home on North Democrat street where open house will be held from one till five o'clock. A family dinner will be held on Sunday.

Mr. and Mrs. Powell have spent their entire lives in this community. Mrs. Powell was formerly Eugenia Smith, daughter of Mr. and Mrs. Joseph Smith and was born in Franklin township 83 years ago on February 3. Mr. Powell was the son of Mr. and Mrs. Sidney Powell and was born in Clinton township and celebrated his 85th birthday last December 14. They were married February 22, 1877, by the Rev. Samuel Wilson in her home which was located the first house south of the Clarence Fisher corner in Franklin township.

Mr. Powell operated a milk route here for over 20 years and later opened the Powell Bar-B-Q on M-50 which is now occupied by Hummack's grocery.

They have two daughters Mrs. Ada Lidke with whom they make their home and Mrs. Lulu Everett also of Tecumseh. Both are in fairly good health for their ages.

Warren H. Underwood Buried in Ridgeway

Warren H. Underwood, aged 72 years, passed away Thursday at his home on East Pottawatamie street after a three months illness.

Mr. Underwood was a son of the late Samuel and Mary Underwood and was born November 23, 1871 near Britton where he spent nearly all his life. He retired from the farm three years ago and moved to Tecumseh. He engaged in furbuying for many years and after moving here was employed by Tecumseh Products Company for some time. He was a life member of the Masonic Lodge. On May 15, 1912 he married Miss Ida Gettus of Britton who survives.

Besides the widow he leaves a daughter Maxine at home, a brother Webster Underwood and a nephew Myrl Underwood of Ann Arbor.

Funeral services were held Sunday afternoon at the Niblack Funeral Home in Britton. Rev. O. E. Priest officiated and bearers were Clay Underwood, Amos Underwood, Rufus Underwood, John Gittus, Lennie Gittus and William Gittus. Burial was in the family lot in Ridgeway cemetery.

PRESBYTERIAN BIRTHDAY PARTY FRIDAY NIGHT

Plans are completed for the annual Presbyterian Birthday Party to be held Friday evening in the high school gymnasium, under the sponsorship of the Ladies Aid Society with Mrs. John H. Smith as general chairman, Mrs. M. G. Partridge and Mrs. E. M. Campbell are her assistants. Mrs. J. C. Murdoch is chairman of the program committee and is assisted by Mrs. Edith Smith, Mrs. Walter Pfaus and Miss Jane Elliott. "America Sings" in nine scenes will be presented with Miss Elliott as reader, Mrs. John McColl, song leader and Mrs. Bertram Updyke as pianist.

PASTOR TO WED

Rev. R. W. Scheele will have charge of services Sunday at Grace Ev. Lutheran church. The pastor J. de Ruiter is being married Sunday, February 20 to Miss Helen Measel in Detroit. He will be away until February 25.

Lenten services will be held Thursday evening, February 24, at 8 o'clock when Rev. A. H. Baer of Adrian will preach on "The Apprehension."

JOIN ARMED SERVICE

Thomas Hamilton, Bill Sisson, Robt. Seitz, Donald Teegarden and Bud McEnroe were in Detroit Thursday for induction into the armed service. Teegarden was rejected; Sisson and McEnroe were assigned to the navy, the others to the army.

GET SOUVENIR

Mr. and Mrs. Lyman Curtiss have received an interesting box of shells and curios from their son, Jack Curtiss, who is with the navy in the Southwest Pacific.

Escolme Chosen As Garden Head

IS CHAIRMAN OF LENAWEE VICTORY COMMITTEE, LOCAL GARDEN GROUP ELECTS

The Rev. Edward Escolme, pastor of the Friends churdh here and during the past year chairman of the Tecumseh Victory Gardening Program, has been named chairman of the Victory Garden Committee for Lenawee county. He succeeds Mrs. Elmer Beamer of Blissfield.

Mr. Escolme said today that he had not had an opportunity to make a survey of his new job but he declared that he was making plans to attend the state meeting of Victory Garden chairmen in Detroit, next week Wednesday and Thursday. After that meeting he indicated that he would have a statement.

The opening meeting of the Victory Garden Committee for Tecumseh was held at Freez-it Lockers on Tuesday with the Rev. Mr. Escolme presiding. Other members attending were Mrs. Neil Pearson, E. C. Brandt and Miss Marion Whelan.

The committee accepted the resignations of Mr. Escolme, Perry Hayden and Mr. Brandt and extended invitations to Mrs. O. W. Laidlaw, Mrs. Lewis Lent and Mrs. B. G. Onsterhout to serve on the committee during the coming year.

Mrs. Pearson was named as chairman succeeding Mr. Escolme. Miss Whelan was named as secretary. The other member of the board besides those named is George Parsons.

The duties of the committee in the coming year, it was decided, are as follows: To sponsor and encourage the planting and care of local Victory gardens; to encourage the community food bank, and community center canning project.

The committee adjourned its meeting until February 28 at 8 o'clock, when another session will be held at Freez-it Lockers.

Girls, Women Needed To Help Fight Sabotage

If you are a girl, 16 to 40 years old, have had a high school education and would like to help the FBI combat sabotage and crime by working for it at Washington, D. C., here is your chance.

R. A. Guerin, special agent in charge of the eastern Michigan district of the Federal Bureau of Investigation, has announced that there are many openings for girls and women with good records in the identification division of the of the bureau at its Washington headquarters. Typing or stenographic ability is not necessary, since the work is chiefly clerical and filing. The salary is $1752 a year, including overtime, less 5 percent deduction for retirement and the usual withholding tax deduction.

Applicants need not be concerned about the difficulties of finding living quarters at Washington, for the FBI assures applicants of desirable accommodations in government dormitories at $24.50 a month.

Work in the identification division is mainly concerned with handling the records and fingerprints of millions of persons listed and indexed in the FBI annex. This work has increased tremendously within the last two years, since records are now kept of millions of civilian and government employees as well as of criminals. The positions are not merely for the duration of the war, but are permanent.

Full details of the work may be obtained by addressing R. A. Guerin, special agent in charge, 913 Federal Building, Detroit 26, Michigan.

WIT-WISDOM CLUB

The Wit and Wisdom Club will meet Monday evening February 21, at the home of Miss Jennie Gillespie and Mrs. C. A. Slayton with Mr. and Mrs. Faye VanValkenburg as assistant host and hostess.

Tecumseh $237,000 Over Top

ALLOCATION OF $220,000 FROM STATE MAKES LOCAL FIGURES SOAR ABOVE QUOTA

Tecumseh wound up its Fourth War Loan bond drive yesterday by exceeding its quota by more than $237,000. Likewise, Lenawee county met its quota as did the State of Michigan.

Tecumseh's final sale figure was boosted some $220,000 by the allocation of state purchases to this township. Earlier in the week Tecumseh was given credit for $44,000 in state bonds and yesterday, John R. Thompson, co-chairman here, was advised of another $176,000 purchase credit by the state. This made Tecumseh's final sale figure $591,600 against a quota of $354,000.

Tecumseh did not need credit for the final state purchase to shove this community over the top in the drive, in fact Tecumseh went over the top without the aid of any of the state's funds. Locally, more than $115,000 worth of "E" bonds were sold against a quota of $104,000. Large industrial purchases also were made here, chief of which was a $150,000 sale to Tecumseh Products Company on the closing day.

W. L. Berkhof, chairman of the bond sales here, issued a formal statement last night as follows:

"As an executive chairman of the Tecumseh War Savings Committee I desire to express my sincere appreciation to the workers and citizens of this community for the splendid response which has been given to the appeal of our government for investments in war securities. Tecumseh has once again given conclusive proof of its greatness by not only meeting but actually exceeding, by a wide margin, its heavy quota of $354,000. This is indeed a record of which we can all be proud and one which can rightfully claim its place in the long list of Tecumseh achievements.

"A special word of appreciation should, I feel, be extended to the management of our industries for the fine cooperative spirit which has been evident throughout the drive. The heavy sale of Series E bonds which has been particularly gratifying can be traced, in a large measure, to the pay-roll deduction program administered within the various plants and the ultimate success of the drive was, of course, directly dependent upon the purchase of a large quota of industrial bonds by the Tecumseh Products Company through the cooperation of its president, R. W. Herrick.

"A word of recognition should also be given to the Tecumseh Rotary Club for the leadership which it furnished in the drive which has just been completed. The steering committee selected from its membership and composed of John Thompson as co-chairman, M. L. Daniells, Wade Jones, Earl Wickwire, Ralph Comfort, and Walter Nichols have given unstintingly of their time and effort and in doing so have not only contributed greatly toward the success of the drive but have also put into practice the Rotary pledge of "Service above self."

"Although complete figures for all agencies and firms which have cooperated in the administration of the drive are not available, we are pleased to publish the following figures which represent amounts purchased through the Tecumseh issuing agencies namely the United Savings Bank and the local post office and Strand Theatre. A number of the firms listed have also made purchases through out-of-town agencies which will eventually be credited to Tecumseh.

Tecumseh Products Co.	$225,000.00
* Macon Township	9,733.00
Ford Hayden Mill	10,200.00
Meyers Aircraft	3,975.00
George H. Adamson	2,735.00
Bert Folk Shop	1,000.00
H. Brewer Co.	547.00
Quaker Oats Co.	15,625.00
Tecumseh Public Schools	3,270.00
Consumers Power Co.	6,000.00

"Note: The Macon Ford Schools should be credited with a sale of $4,783.50 in bonds through the school drive which was carried on under the leadership of Ivan Parker, principal.

"Britton, Ridgeway and Onsted in this area all have far exceeded their quotas in the present drive,

BUY BONDS TO SAVE LIVES

The Anglo-American warfare is being conducted with considerable skill. This is evident in the exceedingly low casualty list that accompanies major victories.

The explanation of the low loss of life is found in the superiority and abundance of the tools of war. British and American troops, taking the offensive, have the implements of their trade in vast numbers and mechanical weapons buy victory without paying in blood for every inch advanced.

The present War Bond campaign is designed to provide the funds with which to continue the policy of equipping our men with the best and most of what they must have to win. Tanks, planes, guns, jeeps and a thousand other items that help to overwhelm the enemy are the means of saving American lives.

There are few Americans who would refuse to contribute according to their means to a fund designated to have human life. The Fourth War Bond campaign is an opportunity to lend some money to help save American lives, which may include some of the boys from Lenawee county.

It is no wonder that reports from all over the United States tell of enthusiastic reponses. Given the facts and understanding the need the people of this country will not fail to help their fighting men. It's a matter for every loyal citizen to consider and an opportunity for all of us to "back the attack" and support the war strategy that is designed to save American lives.

It is 145 years since George Washington died. Time has not displaced our reverence for his vigorous and true democratic spirit. As a statesman and military leader, he shouldered discouragements and triumphed, always with an unyielding loyalty to the democratic ideals which Americans hold dear. Washington devoted his iife to building our nation into what he described as "an indissoluble union of the states" . . . living with "a regard to public justice" . . . unbroken by malicious attack or tyranny. Now, when we are again fighting so desperately to maintain America's freedoms, we must do honor to Washington's great leadership. Help our "winter soldiers" through to Victory, by putting every dollar you possibly can into War Bonds!

Patriotic Pageant Is Presented By D.A.R.

Abi Evans chapter, Daughters of the American Revolution, met Friday afternoon at the home of Mrs. Arthur H. Brown. The regent, Mrs. Hoyt Whelan, presided at the business session, when contributions of $35 for the blood bank and $4.50 sent to Ellis Island for the marine hospital, were reported; also that three boxes valued at $150 had been sent to the organization's approved schools in the south. The chapter voted to purchase two $25 war bonds and to subscribe to three national defense magazines for the library and the school. Mrs. Edith Cotton Smith was made delegate to the Continental Congress in New York and these delegates appointed for the state confedence: Mrs. O. W. Laidlaw, Mrs. Clarence Fisher, Mrs. Brown, Mrs. Smith, Mrs. C. R. Dustin and Miss Ethelyn Garlinghouse.

It was announced that Mary Lou Carlson of the high school senior class has been chosen as Good Citizenship Girl for the season.

A patriotic pageant "Battle Songs of Freedom," was then presented with Mrs. Claus, Mrs. B. O. Bashore and Whelan as narrators. The pageant was in the nature of a radio program and was prepared by Joseph Maddy, professor of music at the University of Michigan. The continuity was written by Prof. Kenneth Rowe of the dramatic department of the University. It was a story of America during four wars, the Revolutionary, Civil World War I and II in narrative and music.

Mrs. R. S. Moore, who fell and fractured her hip recently, had assisted Mrs. Fisher in arranging the music which was sung by Mrs. Harley McConnell, Mis Ruby Preston, Mrs. Charles Ruthruff and Mrs. Al Helzerman with Mrs. W. G. Waldron as piano accompanist.

Refreshments were served from a table centered with spring flowers. The refreshments were purchased and sent from Berea College, as one of the projects of the chapter.

Contributions are still being taken for the boxes to be sent to the southern mountain schools, and included yarn, dress materials, quilt pieces, and other articles which may be left at the Brown home. A call is also made for old spectacles and cases to be left at the Freez-It Lockers.

SCOUTS PRESENT PROGRAM

The Presbyterian League met Tuesday evening at the home of Miss Marie Koernig with Miss Ruby Preston and Mrs. Dale Tingley assisting in entertaining. Mrs. Albert Bagshaw conducted devotions and Miss Elizabeth Cole was in charge of the program which was presented by the Girl Scouts.

The program consisted of a talk on "How Scouts Assist in the War Effort," by Nancy Wilson, and a play "The Pageant of the Flag" by Cynthia Spafford, Bonnie Beasley, Pauline Bagshaw, Joyce Smith, Betty Jo Hanna, Eris Bailey, Nora Lee Swift, Nancy Wilson, Catherine Hicks, Joan Hart and Joan Buehrer. All sang "The Star Spangled Banner" in closing after which refreshments were served.

HONOR BRIDE-TO-BE

Miss Marilyn Selders entertained Thursday evening at her home west of town in honor of the approaching marriage of Miss Ardis Palmer and Leroy Tirb. The 16 guests were fellow employees of the honored couple. Games were enjoyed and prizes awarded. A scrap book was made from pictures cut from magazines, covering the life of Miss Palmer from birth until 1954 and was presented to her. She also received a shower of gifts for her kitchen. Lunch was served in conclusion.

CULBERTSON P. T. A.

The Culbertson P. T. A. held its February meeting at the home of Mr. and Mrs. Wilbur Boyce with 45 in attendance. Potluck supper preceded the business meeting. The program consisted of pictures taken by Miss Marian Grigg while on a trip through the western states; exercises by the kindergarten, first and second grades and song by the entire school.

The March meeting place will be announced later.

HONORS DAUGHTER

Mrs. C. L. Dickinson entertained Thursday at a six o'clock dinner for her daughter, Anita, who was celebrating her sixth birthday. The guests were Waneta Cleveland, BarbaraOusterhout, Jane Smith, Mary Pat McCann, Grace Beth Moore, Judy Sisson and Betty Wilson. Joyce Gray was unable to attend because of the measles. Following dinner games and a social time were enjoyed.

PYTHIANS MEET

The Pythian Sisters met last Wednesday evening and made preliminary plans for entertaining the district convention in May. They voted to purchase a $100 War Bond, also to donate articles for convalescent soldiers in Walter Reed hospital in Washington, D. C. At the close of the meeting a social hour was held with entertainment in charge of Mrs. Margaret Swift, Mrs. Opal Brady and Mrs. Marie Raymond.

ALTAR SOCIETY MEETS

Mrs. Walter Mueller was hostess to the February meeting of St. Elizabeth's Altar Society Thursday evening at her home on East Logan street. The business session was followed by an auction and social hour when refreshments were served.

The March meeting will be held at the home of Mrs. Paul Clauda in Indian Acres.

GARDEN CLUB TO MEET

Tecumseh Garden Club will hold its opening meeting Friday afternoon at the home of Mrs. Neil Pearson with Mrs. R. K. Anderson and Miss Mary McWilliams as cohostesses. The meeting will begin promptly at 2:15. Mrs. John R. Thompson will talk on "Spices from All Over the World" and Mrs. Stanley Rees on "February Pruning."

FATHER HONORED

Mr. and Mrs. Arthur L. Jepson were hosts to a family gathering February 3 in their home on Ottawa street in honor of Mr. Jepson's father Harry Marsh who was celebrating his 71st birthday anniversary.

The evening was spent socially with cards and dancing. In conclusion luncheon was served by the hostess featuring a large birthday cake decorated with light candles and red hearts which formed the name "Dad." Mr. Marsh was presented with gifts from the group.

Mrs. Jepson whose birthday was the same day, was also presented with gifts.

AUXILIARY MEETS

Palmer Gray Auxiliary met Friday evening at the home of Mrs. Fred Marsh and completed a dozen comfort cushions for Tecumseh hospital.

NEWS OF OUR MEN AND WOMEN IN UNIFORM

Mr. and Mrs. Frank French recently received the following letter from their son Sgt. George L. French who is with the army in Italy:

Jan. 17, 1944

Dear Mother and Dad:

Have a few minutes so will write a few lines thanking you for the fruit cake that just arrived. Also received a letter from you and a package from "Sis" with books, candy, playing cards and sewing kit. Received another present here, was mad. Sergeant several days before Xmas. The holidays this year were just like any other day except that both Xmas and New Years day we had turkey with all the trimming.

Had a letter from Allen, he mailed it New Years day and I received it the 5th. Also had one from Frank Shea. Mailed the 5th, got that one on the ninth. He is here in Italy so I may run into him. Allen's letter was cut up so badly by the censor that I didn't get much out of it. He is feeling lots better and putting on weight. I will be wondering until I see him, what was in the other half of his letter. Have a change in address again, it is now 3359th Truck Co. APO 464. Am getting the paper a few at a time, generally about six or seven weeks old but I still enjoy them.

Was surprised to hear that "Pat" Murphy was in the Army, there still must be a lot of men without families that haven't been called up. Hope he can stay at Sheridan as he won't be too far from home.

I am feeling fine, working a lot of hours, eating good. Since being here we have had fresh meat once a day and plenty of white bread. Oranges and tangerines are in season and there seems to be plenty of apples. The biggest treat however are roasted peanuts. Had just about forgotten there was such a thing until I arrived here.

Well it's after 10:00 o'clock and that is late for me to be up so will say so long for now. Intend to write to "Sis" a letter in a few days. Hope this finds all of you well. Don't worry about me.

Love to all,
Your son.

GETS SILVER WINGS

Ralph John Camburn, 21, son of Mr. and Mrs. Clare H. Camburn of RFD 1, Tecumseh, was a member of the 22nd class of aviation cadets to graduate from the new Columbus Army Air Field near Columbus, Miss., on February 8, 1944. He received the silver wings of a flying officer and commission as a second lieutenant in the Army Air Forces. Lt. Camburn entered pilot training last May 1943, and attended flying schools at Albany, Ga. and Greenwood, Miss. before his graduation at the advanced flying school near Columbus, Miss. Before he enlisted for pilot training he had attended Michigan State Normal College, Ypsilanti. He was a graduate of Tecumseh high school.

GETS PROMOTION

The promotion of Clarence James Gabler from corporal to sergeant has been announced by Col. Sam Gurney, Jr., station commander of the Army Air Base at Dyersburg, Tenn., where Sgt. Gabler is stationed. He is the son of Mr. and Mrs. George Gabler of Tecumseh and prior to his entry into the armed service was an aircraft inspection supervisor for Briggs Mfg. Co., Detroit.

A prophet is one who understands the trend of events of the past and projects the trend into the future. That is all there is to it.

4-H CLUB NOTES

Miss Isabell Tripp entetrained the Merry Marvels 4-H Club Monday evening at a Valentine Party. Patty Brooks and Anita Atkinson were in charge of the program and Marilyn Brooks and Neva Kanavel were in charge of refreshments.

4-H Club leaders will hold their annual meeting Friday, February 18 at the Methodist church in Adrian opening at 2 o'clock and continuing until 8 with dinner at 5:30. All 4-H handicraft and clothing leaders are expected to attend.

Clothing demonstrations will be given by club members and Mrs. Corinne White of M.S.C., Lansing, will be there to aid leaders. Handicraft leaders will hold a discussion which will be followed by a work period. Victory club ideas will be discussed by Victory project leaders at 4 o'clock.

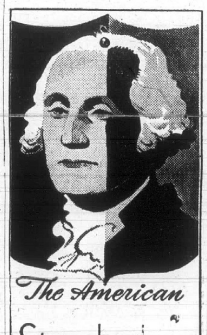
R. J. Laser, county club agent, Beatrice Franquist, home demonstration agent and Louis G. Hall, county agricultural agent will have charge of the meeting.

National 4-H Club Mobilization week will be held March 4-12, and a statewide program will be conducted in connection, to include citizenship training, salvage drives and health programs.

The Section 4-H Scrap Club under the leadership of Mrs. Purnell Osburn will meet Friday afternoon February 18, at the school, when 8th grade boys will give a report of their scrap collection and the girls will work on their sewing projects.

HOSTESS AT DINNER

Miss Elva Mae Dickinson, who was home from St. Joseph's Mercy Hospital in Ann Arbor Saturday, was hostess at a six o'clock dinner for Miss Clara Gillespie, in honor of her approaching marriage to Donald Smith, S-1-c. Covers were laid for Miss Gillespie, Misses Mary Jane Smith, Mary Jean Wolters, Margaret Jane Sage, Joan Hanna, Barabara Dannells, Lois Clrk and the hostess. A social evening followed.



The American Standard Of Living

. . . IS THE HIGHEST TO BE FOUND ANYWHERE IN THE WORLD.

There are approximately 25 MILLION telephones in the United States or more than in all of the rest of the world combined.

About 92 MILLION telephone calls are completed each working day of the year in the United States.

To carry all of these conversations requires in the neighborhood of 90 MILLION miles of wire or enough to almost reach the sun or to encircle the globe 3,600 times.

During peace times you can telephone to 25 ships at sea or to anyone of 20 MILLION other subscribers in 75 foreign countries.

Billions of dollars are invested in telephone equipment and hundreds of thousands of trained men and women are employed to serve you day and night throughout the year.

MICHIGAN ASSOCIATED TELEPHONE COMPANY

REV. GEO. L. JOHNSTON

The Rev. Geo. L. Johnston, Nazarene pastor at Adrian, will be the special speaker each night at the Ridgeway Nazarene church February 21 through March 5. Special music will be furnished by the local Male Quartet and the Ladies' Trio. Services begin at 8 p. m.

FARM ACCIDENTS COST 84 LIVES

Eighty-four deaths in Michigan during 1943 resulted from accidents that were classified as agricultural, an increase of three over the 1942 total, the state health department reports today.

Deaths from occupational accidents in all classifications totaled 314, a decline of 14 per cent from the 1942 total of 366. Greatest increase in occupational deaths was reported for the war-stimulated mining and quarrying industries, the 38 deaths reported in this classification in 1943 being exactly twice the number recorded for the preceding year.

A 10 per cent drop in deaths resulting from accidents in Michigan manufacturing plants is reported also, the 1943 total being 85 and that for the preceding year 94.

Excuse us if we've come down on your neck with a thud, Mr. Schicklegruber—but the foundation of peace is weightier than you think. And we believe it fitting that before it is put in its place, you be shovelled into the ground under it. Then perhaps you will have a truly lasting impression of democracy's undying spirit and readiness to accept and beat down the challenge of lunatic-fringe warriors like yourself. We're almost rid of you, Adolph—so just look forward to getting all you deserve!

Student Cadet Nurses To Receive Training at Tecumseh Hospital

Miss Lucille Petrie of the United States Public Health Service, Washington, has approved the Tecumseh Hospital to provide nursing education experience for senior cadet nurses under the United States Cadet Nurse Corp plan. Likewise, the Michigan Board of Registration of Nurses has sanctioned the program as outlined in Tecumseh for the students.

Arrangements have been completed with Miss Elizabeth Moran, director of nursing at the Henry Ford hospital, Detroit, to send students beginning April first, to the Tecumseh Hospital for experience in a small community hospital program. All students will be cadet nurses who have completed at least two-and-one-half years of their nursing education, and who have requested experience in Tecumseh.

Senior Cadet Nurses have the privilege of a variety of experiences during their last six months of training, such as in public health work, visiting nursing, veteran's hospitals, Army or Navy hospital, and small hospitals which have approved and can provide adequate supervision and clinical experience.

Tecumseh Hospital was the first small hospital in Michigan to be approved for this program.

Although this is an educational program, these cadet nurses will aid considerably in providing satisfactory nursing care for the patients in the hospital. It is anticipated that opportunities for participating in community activities will be possible for the students.

GRANGE MEETS

Tecumseh Grange met Thursday evening for a potluck supper and regular meeting. Because of the snowstorm there was a small attendance. A report of Pomona Grange was given by Rev. B. O. Bashore and Mrs. Howard Matthews. Mr. and Mrs. W. E. Wilson of Gaylord were guests.

Thirty-one members of Tecumseh Grange visited Pittsfield Grange Grange last week Wednesday evening, when the degree team conferrd th third and fourth degrees on a class of candidates.

Mr. and Mrs. Charles Patterson, Mr. and Mrs. Clarence Hunt and Mr. and Mrs. Eldene Clement are the refreshment committee for the social evening to be held Saturday evening, February 19. Cards and dancing will be enjoyed by members and guests. Members are to bring sandwiches and doughnuts.

AN ORDINANCE AMENDING AN ORDINANCE FIXING WATER RATES AND TIME OF PAYMENT OF SAME

The Village of Tecumseh ordains:

(298.) SEC. 1. DEFINITION OF "PERSON," "USER," "OCCUPANT" AND "OWNER." The words "Person," "User," "Occupant" and "Owner" as used in this ordinance shall be construed to mean any person, firm, corporation or co-partnership.

(299.) SEC. 2. RATES. The rates to be paid by all consumers of water from the water system of the Village of Tecumseh shall be as follows:

$2.25 payable April 1st of each year.

$2.25 plus $.25 for each 1000 gallons used in excess of 20,000 gallons up to 100,000 gallons payable July 1st of each year.

$2.25 payable October 1st of each year.

$2.25 plus $.25 for each 1000 gallons used in excess of 20,000 gallons up to 100,000 gallons payable January 1st of each year.

The following rates are for users in excess of 100,000 gallons:

100,001 to 200,000
at $.15 per 100 gallons
200,001 to 300,000
at .12½ per 1000 gallons
300,001 to 400,000
at .10 per 1000 gallons
400,001 to 500,000
at .09 per 1000 gallons
500,001 to 600,000
at .08 per 1000 gallons
600,001 to 700,000
at .07 per 1000 gallons
700,001 to 800,000 gallons per six months period
at the rate of 6 cents per 1000 gallons
800,001 to 10,000,000 gallons per six months period
at the rate of 5 cents per 1000 gallons
10,000,001 to 25,000,000 gallons per six months period
at the rate of 4¼ cents per 1000 gallons
25,000,001 to 50,000,000 gallons per six months period
at the rate of 3.5 cents per 1000 gallons
All over 50,000,000 gallons per six months period (8,333,333 gallons per month) at the rate of 3 cents per 1000 gallons

(300.) SEC. 3. PENALTY AND LIEN. All bills shall be rendered to customers showing the net amount due, and if not paid within fifteen days after being so rendered, ten (10%) per cent of the bill shall be added thereto as a penalty, for failure to make prompt payment.

All net water bills together with the ten (10%) per cent penalty for failure to make prompt payment shall be a lien against the property to which the water is furnished. Delinquent bills shall be assessed against the property and collected in the manner provided by ordinance of the Village of Tecumseh.

(301.) SEC. 4. RENTAL CHARGE FOR METERS. A semi-annual rental charge for meters, except as herein otherwise provided, shall be made against all users of water as follows: For ⅝ inch meter Twenty-five Cents; ¾ inch meter Twenty-five Cents; one inch meter Fifty Cents; 1¼ inch meter Seventy-five Cents; 1½ inch meter One Dollar; 2 inch meter One and 50-100 Dollars, which rental charges shall become due semi-annually on the 1st day of January and the 1st day of July of each year and shall be added to the charge for actual water consumed.

(302.) SEC. 5. OCCUPANCY BY TWO OR MORE FAMILIES. Where two or more families occupy a house, or other building for housekeeping purposes, each shall be classified as an individual apartment and shall be charged a minimum rate of $2.25 for each apartment per quarter, plus meter rental charge as provided in this ordinance, and the owner of such building shall be responsible for payment of all such water rates.

(303.) SEC. 6. OCCUPANCY BY TENANTS. Whenever any building, except as provided in Section 5 of this Ordinance, is occupied by the owner and one or more tenants or entirely by tenants, each occupant shall be classified as an individual user of water and shall be charged a minimum rate of $2.25 per quarter, plus meter rental charge as provided in this Ordinance, and the owner of such building shall be responsible for payment of all such water rates.

(304.) SEC. 7. WATER FURNISHED TO CONTRACTORS. Contractors constructing any building or buildings or any other construction requiring the use of water shall notify the Village Clerk of intention to use water and shall request that a suitable meter be installed. Prior to the installation of such meter, or meters, the contractor shall deposit with the Village Clerk the sum of $10.00 when a ⅝ inch meter is to be used, $15.00 when a one inch meter is to be used and $25.00 when a two inch meter is to be used, and all water used shall be paid for at the same rate as charged to other users of water.

(305.) SEC. 8. DEPOSIT BY TENANTS. Consumers who are tenants of property served with water from the Village system shall deposit $5.00 before service of water shall be permitted to them, the same to be retained by the Village during such tenancy, at end of which it shall be returned less any water bills then owing.

This deposit by the consumer is not to relieve the owner of the property from responsibility for all water charges, and is to be required only when the owner of property is a non-resident, or the deposit is requested by the owner of the property as an added protection to the owner, but shall in no way relieve the owner from responsibility for all water charges.

(306). SEC. 9. WATER FURNISHED OUTSIDE CORPORATE LIMITS. No person residing outside the corporate limits of the Village of Tecumseh shall be permitted to use water from the Village water system without permission for such use being granted and the rate therefor fixed by the Village Council. Any meter hereafter installed shall be classified as the corporate limits of the Village shall be paid for by the owner of the premises, and no meter rental charge be made. Whenever the Village Council shall grant permission to any person residing outside the corporate limits to secure or obtain water from the Village water system, all costs and expenses in connection with laying pipes and providing for delivery of water to the premises shall be paid by the person to whom such permission for use of water is granted. The Village shall not be responsible in any way for any loss, damage or injury which may be caused by the construction and installation of such water system to premises outside the Village.

(307.) SEC. 10. REPEALING CLAUSE. All ordinances or parts of ordinance contravening the provisions of this ordinance are hereby repealed.

(308.) SEC. 11. This ordinance shall be deemed an emergency ordinance necessary for the public welfare and safety and shall take effect immediately upon its passage.

Motion made by Rohweder, supported by Kerby that Ordinance as read be accepted, adopted and given immediate effect. Ayes: Van Vleet, Turnbull, Kerby, Truesdale, Rohweder. Nays: None. Motion carried.

Trustee Turnbull recommended the adoption of the following Ordinance.

AN ORDINANCE TO AMEND THE ZONING ORDINANCE FOR THE VILLAGE OF TECUMSEH

The Village of Tecumseh ordains:

Sec. 1—The Village Council of the Village of Tecumseh shall appoint a "Board of Appeals" consisting of five (5) members each, to be appointed for three (3) years, provided, however, that one (1) member of the first board to be appointed hereunder shall serve until April 1, 1944, two (2) members until April 1, 1945 and two (2) members until April 1, 1946. Thereafter all members shall be appointed for a term of three (3) years and shall serve until their successors are appointed and qualified. Such Board of Appeals shall fix rules and regulations to govern its procedure in acting upon appeals, and shall hear and decide appeals from and review any order, requirement, decison or determination made by an administrative official charged with the enforcement of this Ordinance. They shall also hear and decide all matters referred to them or upon which they are required to pass under this Ordinance. The concurring vote of two-thirds (2/3) of the members of the Board of Appeals shall be necessary to reverse any order, requirement, decision or determination of the administrative official, or to decide in favor of the applicant any matter upon which they are required to pass under this Ordinance or to effect any variation in this Ordinance. Such appeal may be taken by any person agrieved or by any officer, department, board or bureau of the Village of Tecumseh.

Motion made by Truesdale supported by Rohweder that Ordinance as read be accepted, adopted and given immediate effect. Ayes: VanVleet, Turnbull, Kerby, Truesdale, Rohweder. Nays: None. Motion carried.

President Elliott appointed the following to serve as members of the Zoning Board of Appeals:

Ralph Oliver term expires April 1, 1946.

Moved and supported that above appointments be confirmed. Motion carried.

Trustee Turnbull recommended the adoption of the following Ordinance.

AN ORDINANCE TO CREATE A VILLAGE PLANNING COMMISSION

THE VILLAGE OF TECUMSEH ORDAINS:

Section 1—A Village Planning Commission for the Village of Tecumseh shall be created and organized under the provisions of Act No. 285 of the P. A. of 1931, and shall have the powers and duties herein specified.

Section 2—Said Planning Commission shall consist of nine members, one of whom shall be the Mayor, one a member of the Village Council to be selected by the Council, one an administrative official of the Village to be selected by the Mayor, with the approval of the Council, the above three members to serve ex-officio, and six other members to be appointed by the Mayor with the approval of the Village Council, and who shall serve for the terms herein specified.

Section 3—Members of the Village Planning Commission shall have the qualifications of electors and shall represent insofar as is possible different professions or occupations. They shall serve without compensation and shall not hold any other municipal office, except that one of said appointed members may be a member of the Zoning Board of Appeals. The terms of the ex-officio members shall correspond to their respective official tenures, except that the term of the administrative official shall terminate with the term of the Mayor appointing him. The terms of the six members at large shall be for three years; provided, however, that two members of the first board to be appointed hereunder shall serve until April 1, 1945 and two members until April 1, 1946. Thereafter all members shall be appointed for a term of three years and shall serve until their successors are appointed and qualified. No member of the Planning Commission shall receive any compensation as such.

Section 4—The Village Planning Commission shall consider and advise the Village Council on all proposed changes in the Zoning Ordinance, shall consider and pass upon all plats and make recommendations as to approval, modification or disapproval thereof to the Village Council and shall have all the ther duties and powers vested in Village Planning Commissions by virtue of the laws of the State of Michigan or ordinances of the Village of Tecumseh.

Section 5—The Village Planning Commission may be allowed such amount or expenses as deemed advisable by the Village Council.

Section 6—This ordinance shall be deemed an emergency ordinance necessary for the public welfare and safety and shall take effect immediately upon its passage.

Motion made by Trustee Van Vleet supported by Trustee Kerby that above Ordinance be accepted, adopted and given immediate effect.

Ayes: VanVleet, Turnbull, Kerby Truesdale, Rohweder. Nays: None. Motion carried.

President Elliott appointed the following to serve as members of the Village Planning Commission.

R. W. Herrick term expires April 1, 1946.

The ELECTRIC FRONT

NO important war materials have been delayed because of a shortage of Reddy Kilowatt Power. There has been no question of the availability of this vital power when industries here were faced with the necessity of immediate expansion and extension of their production facilities. Great new factories received power and were served without delay.

This fine record should not be taken as a matter of course. It was accomplished only because it is the policy of Consumers Power Company to plan for future needs; to anticipate the demands of tomorrow and prepare for them.

Today our engineers are planning and preparing for tomorrow, when Reddy Kilowatt Power will be devoted to making your work more enjoyable, your home more livable and your life a better, happier one.

REGISTRATION NOTICE
for
VILLAGE ELECTION
MONDAY, MAR. 13TH, 1944

To the Qualified Electors of the Village of Tecumseh (Prect. No. 1 and 2)

County of Lenawee, State of Michigan

Notice is hereby given that in conformity with the "Michigan Election Law," I, the undersigned Village Clerk, will, upon any day, except Sunday and a legal holiday, the day of any regular or special election or primary election, receive for registration the name of any legal vote in said Village not already registered who may Apply To Me Personally for such registration. Provided, however, that I can receive no names for registration during the time intervening between the Twentieth Day before any regular, special, or official primary election and the day of such election.

Notice is hereby further given that I will be at Village Clerk's Office

MONDAY, FEB. 21ST, 1944

The twenty-first Day Preceding Said Election
(The 20th day preceding being a legal holiday)

As provided by Sections 2767, 2822 Michigan Election Laws, Revision of 1941.

From 8 o'clock a. m. until 8 o'clock p. m. on each said day for the purpose of REVIEWING the REGISTRATION and REGISTERING such of the qualified electors in said VILLAGE as SHALL PROPERLY apply therefor.

TUESDAY, FEB. 22—LAST DAY
For General Registration by PERSONAL APPLICATION

The name of no person but an ACTUAL Resident of the Village at the time of said registration, and entitled under the Constitution, if remaining such resident, to vote at the next election, shall be entered in the registration book.

NOTICE—Absent Voter Must Be Registered

Although Sec. 2774, Laws Relating to Elections, Revision of 1939, still provides that an absent voter may apply for registration at time of applying for ballot, and gives form of affidavit he should make, Act 63 of P. A. 1939 stipulates that in absent voter's application for ballots he must state that he is a "duly qualified AND REGISTERED elector."

Opinion of the Attorney General is that Acts 66 and 63 "must be construed to repeal the inconsistent provision of Sec. 2774 permitting absentee registration AT THE TIME of making application for an absent voter's ballot."

Thus the Absent Voter's application and affidavit for registration are useful only in cases where voter may mail these in, then make application for ballots later, after registry has been completed.

The portion of application shown herewith enclosed in brackets should be crossed out when applying for registration.

Form of Affidavit

STATE OF MICHIGAN
County of ..... ss.

I, ... being duly sworn, depose and say that I am a citizen and duly qualified elector of the .... precinct of the village of ..... in the county of ..... and State of Michigan; that my postoffice address is No. ...., street or R. F. D. No.... P. O. .....; that I am not now registered as an elector therein (and that I am voting by absent voter's ballot at the election or primary election to be held upon the ..... day of .....19... the application for which ballot accompanies this application) that I make this affidavit for the purpose of procuring my registration as an elector in accordance with the statute: That I make the following statements in compliance with the Michigan Election Law: Age..... Race ..... Birthplace ..... Date of naturalization .....

I further swear or affirm that the answers given to the questions concerning my qualifications as an elector are true and correct to the best of my knowledge and belief.

Signed .....

Taken, subscribed and sworn to before me this ..... day of .....19... My Commission expires .....19.....

.....
Notary Public in and for said County, State of Michigan

Upon receipt of such affidavit in the time specified herein, the clerk shall write in the registration book the name of applicant together with the other information required by this chapter and such applicant shall therupon be deemed to be duly and properly registered.

Note—If this acknowledgment is taken outside of the State, the Certificate of the Court tha tthe person aking he acknowlegment is a notary must be attached.

Registration of Absentee by Oath

If any person whose name is not registered shall offer and claim the right to vote at any election or primary election, and shall, UNDER OATH state that he or she is a resident of such precinct and has resided in the VILLAGE TWENTY DAYS next preceding such election or primary election, designating particularly the place of his or her residence and that he or she possesses the other qualifications of an elector under the constitution; and that owing to the sickness or bodily infirmity of himself or herself or some member of his or her family, or owing to his or her absence rom the VILLAGE on public business or his or her own business, and without intent to avoid or delay his or her registration, he or she was unable to make application for registration on the last two days provided by law for the registering of electors preceding such election or primary election, then the name of such person shall be registered, and he or she shall then be permitted to vote at such election or primary election. If such applicant shall in said matter, wifully make any false statement, he shall be deemed guilty of perjury.

Section 2790, Compiled Laws—

All the provisions relative to registration in Townships and cities shall apply and be in force as to registration in Villages.

WADE L. JONES,
Village Clerk.

HAYDEN HEN HUMPER

Hayden Flour Mills Tecumseh, Mich. February 17, 1944

If you're going to raise broilers this year we have some good news for you!

Last year we produced a broiler ration that really did the trick so well we have enough confidence to recommend it generally.

We honestly believe that it will pay you extra profits to START YOUR BROILERS ON HAYDEN'S BROILER MASH this year. You don't wait a single day to start feeding this mash. FEED HAYDEN'S BROILER MASH from the very moment the chicks are able to eat. Continue on to market time.

THIS ONE FEED—Hayden's Broiler Mash—is all you need from start to finish.

Poultry Pointers

Do not overcrowd your broilers. Provide ½ sq. ft. of floor space per bird for first 6 weeks.

NINETY-FOURTH YEAR—NUMBER TWENTY-ONE | TECUMSEH, MICHIGAN, THURSDAY, FEBRUARY 24, 1944 | FIVE CENTS PER COPY

Indians Clinch League Honors

NOW UNDISPUTED CAGE CHAMPIONS OF LENAWEE; TOURNAMENT HERE NEXT WEEK

The Tecumseh high school Indians clinched their hold on the Lenawee County Basketball League championship last Friday evening when they defeated the Manchester high team on the court there by a score of 35 to 21. Only one game now remains on the Tecumseh schedule, tomorrow evening, here, at 8 p.m., with Addison.

The cage tilt with the Dutchmen on Friday was an easy one, the Indians swinging into a sharp lead during the first five minutes of play and for a time it appeared that the score-board would never turn above 16 for the home-folk. At the beginning of the third quarter, however, the Raizkmen slowed down to a walk and spent an easy 15 minutes playing with the ball. Udnoubtedly, had Coach Raizk insisted, the score for Tecumseh might easily have been doubled.

The game here tomorrow evening with Addison promises to be a fast one, despite the fact that the visitors know that they cannot change Tecumseh's hold on the title. Addison, it is said, would like very, very much to catch the Indians off guard and to ring up a victory.

The State District Cage Tournament will be played on Tecumseh's floor on March 2-3 and 4, next week Thursday, Friday and Saturday. Class C and D schools will participate.

The Class C schedule is as follows: Thursday, Milan vs Tecumseh, 9:15 p.m.; Friday, 9:30 p.m., Dundee vs Lambertville. The winners of these two games will play for the championship at 9:15 p.m., Saturday.

The Class D schedule follows: Ida vs Petersburg, 8 p.m., Thursday; Deerfield vs Britton, 7 p.m., Friday; Dexter vs the winner at 8:15 p.m., Friday and the championship game at 8 p.m., Saturday.

Tecumseh has won the tournament championship for three years in a row and Coach Raizk is anxious that the Indians win it again this year as well as the Lenawee honors.

Church Birthday Party Attended By Over 350

Over 350 persons attended the annual Birthday Party of the Presbyterian church held Friday evening in the high school gymnasium where 12 long tables were arranged for the 12 months of the year, each one decorated appropriately for the month represented.

Older members of the church were given special recognition and presented with corsages and boutonieres. Those present were J. J. Orr, Charles F. Kemp, David Boyd, Mrs. Ida Spencer, Mrs. Esther Goheen and Mrs. C. A. Slayton and flowers were sent to those unable to attend.

"America Sings" a patriotic program was presented following dinner with Miss Jane Elliott as reader, Mrs. B. Updyke, pianist and Mrs. John McColl, song leader. There were nine scenes reaching from the days of the Pilgrims to the "America of the Future," and included a minuet by eight children; a quilting party with Jack Tonneberger as soloist; songs of the Civil War by Tecumseh Products quartet; a display of crayon pictures by Lenore Larsen and Mary Lou Carlson; accordion medley of World War I songs by Mary Lou Gilman; songs of World War II sung by James Freckelton while a spotlight was thrown on an honor roll of men and boys from the church now in service, made by Mrs. Lee Purkey. The program closed with the singing of "God Bless America."

Mrs. John H. Smith was general chairman and was assisted by Mrs. E. M. Campbell and Mrs. M. G. Partridge. Mrs. James Murdoch was program chairman and was assisted by Mrs. Walter Pfaus, Mrs. Edith Smith and Miss Jane Elliott.

CELEBRATES 80TH BIRTHDAY

Why "Woman Driver" Is No Longer Funny!

WPB MA-16

The way of a Wac with a tractor is something to make old-timers shake their heads in surprised admiration. The young woman shown here is filling one of the 239 Army jobs now entrusted to Wacs.

Women's Army Needs Recruits

JOBS ARE OPEN FOR LOCAL WOMEN A ND GIRLS WHO WOULD LIKE TO JOIN NOW

The long haul to victory is being effectively shortened, thanks to the members of the Women's Army Corps, Lieut. Barbara Rogers of Jackson, a member of the WAC's recruiting corps, declared this week when she visited Tecumseh for the purpose of interesting local girls and women in joining the corps. The WAC's superior record has silenced the sceptics and justified the slogan "Women's place in war —The Women's Army Corps," the recruiting officer declared.

The comparatively restricted scope of activity that was open to the WAC during its early history has now, because of the spectacularly successful record made to date, been broadened to include no less than 239 digerent Army duties. Furthermore, the prospective Wac may now enlist for a specific job, the job of her choice, and take her pick of the Army Service Forces, Army Ground Forces or Army Air Forces. She may, moreover, choose where she'll work; her first assignment may be at whatever Army post within her own Service Command she specifies.

The Women's Army Corps has a vital use for a great variety of skills and aptitudes, but the most important qualification is a willingness to learn. The WAC is prepared to teach each member what she needs to know to fill an Army assignment of vital importance to the winning of the war. This Army training may well be the foundation for many a successful post-war career.

There is an opportunity for every qualified American woman to become part of the living tradition that "A Wac is a soldier too!"

Mrs. Doris Bagshaw, 611 W. Chicago boulevard, can furnish needed information to any local woman or girl who would care to find out more about the Women's Army.

PAGEANT PRESENTED AT D. A. R. MEETING

A patriotic song pageant "Battle Songs of Freedom", was presented by Abi Evans chapter, D. A. R., at this weeks meeting of Tecumseh Monday Club. Mrs. Blair O. Bashore and Mrs. C. R. Dustin were readers of the script and the vocal numbers were sung by Mrs. Harley McConnell, Mrs. Perry Hayden, Miss Ruby Preston, Mrs. Charles Ruthruff and Mrs. Al Helzerman with Mrs. W. G. Waldron as accompanist.

Mrs. T. Rentschler, vice president, presided at the business session and Mrs. Dustin was leader of the program. Tea was served in conclusion by Mrs. R. W. Herrick, Mrs. B. B. TurnBull and Mrs. W. J. Morse.

Puerto Rico will be the topic of next week's program.

SPEAKS TO ROTARY

Carl Brablec, superintendent of schools at Britton, was the guest speaker at the regular dinner meeting of the Rotary Club here, Tuesday evening at Brees House. Mr. Brablec, the guests of Guy E. Belding, discussed Russia's western neighbors. His talk was interesting and educational.

HONORS DAUGHTER

Mrs. Harry Creger entertained a group of 18 last evening at a waffle supper for her daughter Mrs. Carol Hammack in observance of her third wedding anniversary. The girls later enjoyed a social evening with games. Decorations were in pink and white with a table centerpiece of snapdragons. Her husband, Ernest Hammack, S1-c is somewhere overseas.

DR. BROWN'S OFFICE

Music Club Officers Chosen on Tuesday

Mrs. Harley McConnell was elected president of Tecumseh Music Club at the annual meeting held Tuesday evening in the home of Mrs. Thos. Gallant, Jr. Others elected were Mrs. W. G. Waldron, vice president; Miss Virginia Retter, recording secretary; Mies Elizabeth Seger, corresponding secretary; Mrs. John Wintersteen, treasurer; Mrs. Clarence Fisher, councillor.

Mrs. Al Helzerman was leader of the program on Schubert and gave a paper on his life and works. Mary Jane Hayden sang "I Heard A Forest Praying", "Alice Blue Gown" and "Say a Prayer for the Boys Over There"; Miss Retter played Schubert's Serenade; Mrs. J. M. Mulvany sang "Who is Sylvia"; Mrs. McConnell and Miss Retter played his "Unfinished Symphony" as a piano duet; and Mrs. Waldron closed the program with a piano solo "Minuet".

Refreshments were served by the hostess assisted by Mrs. Kennard Wise and Miss Seger.

Mrs. S. N. Wisner, 64, Is Buried at Tipton

Mrs. S. N. Wisner, aged 64 years, died Friday morning at the home of her daughter Mrs. Donald Mc. Clure in Adrian after several months illness.

Mrs. Wisner was formerly Julia E. Daniels, a daughter of the late Lorenza and Eliza Daniels and was born in Franklin township March 25, 1879. She was married to Newell Wisner of Tecumseh June 21, 1925. She was a charter member of the Tipton Community church.

Survivors are the husband and one son Edward of Tecumseh, three daughters Mrs. McClure of Adrian, Mrs. Ralph Ruesink of Tipton and Irene of Clark Lake; two brothers Arthur and Harry of Tipton, a sister Mrs. Grant Ogden of Owosso and five grandchildren.

Funeral services were held Monday afternoon at the Tipton Community church, Rev. W. E. Grove of Curtice, O., a former pastor, officiating. Burial was in the Tipton cemetery.

SAY THANK YOU

Miss Mabel Lockwood recently visited the headquarters of the American Friends Service committee in Philadelphia and New York. She reports much appreciation shown for the fine work being done by the sewing and knitting groups of the Tecumseh Friends church and the Business and Professional Women's club under the direction of Mrs. Naomi Sallows. The garments sent in by the groups were outstanding from the other contributions.

BARACA CLUB

The Baraca Men's Club of the Baptist church held a business meeting at the parsonage, Friday evening, with 16 men present. After the meeting refreshments were served by Rev. and Mrs. B. O. Bashore assisted by Mrs. Howard Matthews.

Next Sunday's topic for discussion will be a continuation from last Sunday. Each member is requested to present a topic for future discussion.

REPORT FOR TRAINING

Laine R. Holden of Tecumseh was one of the group of Navy inductees who left yesterday for Detroit to be assigned to a training station. Merrill Gray of Tecumseh and Lavon Tubbs of Britton are members of the group leaving today for Fort Sheridan, Ill., to begin Army training.

BROTHER WOUNDED

Mrs. A. W. Porter has received word that her brother Pvt. Frank Echler has been wounded in action in Italy and has been awarded the Purple Heart. Pvt. Echler was a former employee of Tecumseh Products Company.

Tecumseh Has $48,000 Invested In War Bonds

The Village of Tecumseh has $48,000 invested in War Bonds, Wade L. Jones, village clerk, informed the council when it convened in special session, last week.

Of the total invested, $30,000 is money from the highway, water and general funds of the village, and the remaining $18,000 is from the cemetery fund.

At the special meeting, held to wind up the village's affairs before the close of the fiscal yar, the trustees approved payment of all bills against the village and listened to committee reports.

A petition of residents of East Chicago boulevard, asking that that part of S. Maumee street, between Chicago boulevard and Pottawatamie street, be classified in the zoning code as residence "B" property instead of Class "A", was referred to the planning commission for recommendation.

Florence Weld Guild Elects New Officers

Miss Marie Koernig was re-elected president of the Florence Weld Mission Guild at the annual meeting held Monday evening at the home of Mrs. B. J. Pulver on North Union street. Others elected were Mrs. M. G. Partridge, vice president; Miss Ruby Preston, secretary; Mrs. Harold Wilson, treasurer; Miss Mary Whitelock, secretary of literature; Mrs. James C. Murdoch, secretary of youth's work and Mrs. Al Helzerman, secretary of children's work.

Miss Whitelock conducted devotions and annual reports were given. The president made the following appointments: Miss Bess Spayde, publicity, Mrs. Frank Buck, Sunshine secretary; Mrs. Edith C. Smith, Mrs. Pulver and Mrs. Jennie Satterlee, membership and Mrs. Partridge, program chairman.

Mrs. Satterlee was assistant hostess for the meeting.

Garden Club Holds First Meet of Year

The Tecumseh Garden Club held its opening meeting of the season Friday afternoon in the home of Mrs. Neil Pearson with Mrs. R. K. Anderson and Miss Mary McWilliams as assisting hostesses.

The new president, Mrs. Lewis Lent, presided and the club decided to assist the Hospital Auxiliary in giving a garden party in June for the benefit of the hospital. It was also decided that each member is to bring flower seeds to the next meeting, to be sent to service men who are recovering from wounds and illness in a hospital on an island, the exact location being a military secret. The hospital grounds are being landscaped and the seeds will be sown by men who are able to do so.

Mrs. John R. Thompson gave an interesting talk on spices, as far back as the time of Christ, and Mrs. Stanley Rees gave the members instruction in pruning grapevines. In conclusion tea was served from a table decorated with daffodils at which Mrs. C. C. Ruppel and Mrs. Arthur Eaton presided.

DIES IN DEARBORN

Mrs. Frank Bartholomew, a former resident here, died Friday morning at her home in Dearborn after several months illness. Mrs. Bartholomew was formerly Olive Mead, a daughter of the late Thomas Elizabeth Mead and was born in Raisin township.

She leaves her husband, one son Thomas Mead Hagaman and a grandson of Detroit and a brother Richard T. Mead of Tecumseh.

The funeral and burial were held Monday in Detroit.

PUBLIC LUNCHEON

Because a special dinner at the Methodist church, scheduled for Thursday evening, has been cancelled and because all supplies for th meal had been purchased or donated, the Women's Society of Christian Service will serve a special chicken luncheon at the church Friday noon. This is a public luncheon and all are welcome.

A & P CORRECTION

In the A. & P. Tea Company's advertisement on page three of this issue the price of new cabbage is in error and should read four cents per pound. The price of Sunnybrook eggs should read, dozen carton, 46 cents and Crestview eggs, large size, grade b, 40 cents. Giant green peas are advertised by error.

DID YOU HEAR HIM?

Several local radio listeners report hearing Air Cadet George K. Rockwood talk from California Tuesday morning. George is a former resident here, now in training at Las Vegas, Nevada. His mother Mrs. Bernard Clark and family recently moved to California.

MORAN-BUSCHE

Albert Moran and Mrs. Carol Busche, both of Tecumseh, were married Saturday, February 19, in Toledo.

Victory Garden Meet in Adrian

ESCOLME, NOW IN DETROIT, CALLS MEETING FOR FRIDAY IN COUNTY COURTHOUSE

The Rev. Edward Escolme is attending the spring conference of the National Victory Garden Institute, being held in Detroit yesterday and today. Among the speakers are Gov. Harry F. Kelley; Marvin Jones, War Food Administrator, William M. Jeffers; Russell Firestone, and Louis Bromfield.

Aims for 1944 include the following:

1. 22,000,000 victory gardens in 1944.

2. A vegetable and fruit garden for every family that has suitable soil and a sunny site.

3. To encourage company, community and school gardens, wherever they can be grown.

4. The encouragement of gardening as a recreation as well as a means of providing food and beauty.

On Friday, February 25 a meeting will be held in Lenawee County for the purpose of promoting this program locally. This meeting will be held in the supervisors' room, at the court house, Adrian, at 3 p.m. Paul R. Krone, chief victory garden section, civilian war service division, will be here as the speaker. Any interested person is invited to attend, especially those persons who were interested in the Victory Garden program a year ago, and vocational agricultural instructors in the high schools of the county.

The Rev. Mr. Escolme is the chairman of the Victory Garden committee of Lenawee county.

Funeral Services Today For Fred Clement, 75

Fred Clement, aged 75 years, a resident of Macon township for over 30 years, died Monday at a Nursing Home in Morenci where he had been a patient for a year and a half. Mr. Clement moved to Macon from Jasper in 1911. After the death of his wife in 1938 he sold the farm and made his home with his children.

Survivors are one son Eldene Clement of Tecumseh, a daughter Mrs. Bessie Sleight of Jackson and a brother George Clement of Kinsley, Kansas.

Funeral services will be held today at 1 o'clock at the Niblack Funeral Home in Britton. Rev. Edward Escolme will officiate and burial will be in Pleasant View cemetery at Blissfield.

Harmon H. Russ, 93, Is Buried In Raisin

Harmon H. Russ, aged 93 years, died Sunday at his home in Adrian township after several days illness from influenza. Mr. Russ was born in Springville and spent his entire life in this community. He followed the contractors trade for many years.

In 1941 Mr. Russ cut the first crop of "Dynamic Kernels" for Perry Hayden and also assisted with the past years crop.

He leaves one daughter Mrs. Lillian Bayne of Adrian township, and a few nephews and nices. Mrs. Russ who was the former Sarah Smith, died in 1938.

The funeral was held Wednesday afternoon with burial in Raisin Valley cemetery.

COMMITTEE NAMED

Mrs. George Green is chairman of the Tecumseh Hospital Auxiliary sewing committee for the month of March. Others on the committee are Mrs. Guy Belding, Mrs. Clyde Barber, Mrs. Jennie Satterlee, Mrs. Anna Heesen and Miss Ethelyn Garlinghouse.

Any person interested in helping the auxiliary with hospital sewing or mending, is requested to call Mrs. Howard Matthews, 427-R.

With the Air Medal were received citations for "meritorious achievement while participating in five combat missions over enemy occupied Europe." Sgt. Reid later made two more missions before being reported missing. He had previously been awarded the Purple Heart.

Intangible Tax Due March 31

FIELD EXAMINER COMING TO TECUMSEH MARCH 8 AND 30 TO ASSIST TAXPAYERS

Howard J. Mattis, field examiner for the Michigan Department of Revenue will be in Tecumseh on March 8 and 30 for the purpose of assisting local taxpayers in the preparation of intangibles tax returns for 1943. He will establish headquarters at United Savings Bank and will be there between the hours of 9 and 3.

Intangibles tax returns for 1943 must be filed not later than March 31, 1944 to escape interest and penalty charges. Bank accounts, cash on hand, mortgages, land contracts, stocks, bonds, building and loan investments, matured annuities, accounts and notes receivable, and other similar investments are taxable as intangible personal property. Bank accounts and building and loan investments are exempt to the extent of $3,000 War Bonds, as well as other types of U. S. Government Bonds, are exempt from the tax. Postal Savings, however, are taxable.

On non-income producing intangibles the tax is one-tenth of one percent of the face, par or contributed value. Income producing intangibles are taxed at 6 percent of the income therefrom but in no case less than one-tenth of one percent or more than three-tenths of one percent of the face, par or contributed value. Each taxpayer is allowed a flat deduction of $10.00 from the total amount of the tax due.

Further information may be obtained by contacting Mr. Mattis at the time given above or by writing the Michigan Department of Revenue, Intangibles Tax Division, 200 Tussing Bldg., Lansing, Mich.

Elliott Heads Peoples Ticket

ALL OTHER OFFICE HOLDERS RE-NOMINATED AT PARTY'S CAUCUS HERE, MONDAY

J. Floyd Elliott, who is rounding out his third consecutive term as president of the village of Tecumseh, was nominated to succeed himself to that office by the Peoples Party, in caucus at the council building, Monday evening. The caucus also nominated all other office holders as candidates to succeed themselves at the village election, to be held on Monday, March 13.

Others nominated are: Wade L. Jons, village clerk; K. D. Hall, treasurer; B. B. TurnBull, Yale Kerby and S. Henry Smith trustees, two year terms and Sam Sisson, assessor.

Mayor Elliott called the caucus to order and R. K. Anderson acted as chairman, LeRoy Titley was secretary and Mrs. Edna Codling and E. C. Heilman were the tellers. There were no contests. Twenty-four voters were present.

At a meeting of the council last week, the trustees ruled that the polls should be open on election day from 8 o'clock in the morning until 6 o'clock in the evening. The following election officials were named: Inspectors, Marion Elliott, A. B. Harding, Bess Spayde, Edith Gray, F. E. Smalledge and Minnie Russell; clerks, Myrna Tingley and Edith C. Smith; gate keepers, Robert Quackenbush and John Wyrill; election commissioners, E. H. VanVleet, H. W. Truesdale and J. H. Rohweder.

The nomination as a candidate on the Peoples' Party ticket this year is equivalent to election, inasmuch as no other party has held a caucus or submitted candidates. The time for caucus has now legally expired.

Mayor Elliott is a veteran member of the village's official family. He has served five terms as president, and several times he has sat at the council table as trustee. Mr. Jones also has served five ro six terms consecutively as village clerk.

Former Britton Youth Wins Honor In England

A communication from an Eighth A.A.F. fighter station in England announces that Russell H. Beasley, son of Mr. and Mrs. Leon Beasley of Monroe formerly of Britton, has been awarded the Good Conduct Medal, in recognition of his faithful and exact performance of duty in the U. S. Army Air Forces. The presentation was made at a fighter base somewhere in England. Sgt. Beasley is assigned to special duty services.

His brother Roy who is stationed in the Aleutian Islands, also has been awarded a Good Conduct Medal and ribbons for active duty service. He writes that the snow drifts there are from seven to 10 feet high, some higher.

Another brother Raymond is a military police at Ft. Custer.

The boys are cousins of Mrs. William Spreeman.

LENT AT ST. PETER'S

The forty day penitential season of Lent began yesterday on Ash Wednesday and was marked by special services at St. Peter's Church. The Holy Communion was celebrated in the morning, and in the evening the Rev. John R. Scarlett conducted the Episcopal Prayer Book services of the Litany and the Penitential Office.

Services will be held each Wednesday evening in Lent at eight o'clock. Next Wednesday the Rev. Mr. Scarlett will conduct evening prayer and talk on the subject, "Why a Season of Pentitence."

The choir will sing at the Wednesday evening services and hold its weekly rehearsals immediately following.

LENTEN SERVICES

A Midweek Lenten service will be held this evening at 8 o'clock at Grace Ev. Lutheran Church with Rev. A. Baer of Adrian preaching on "The Apprehension."

On Sunday evening, February 27, at 8 o'clock, a technicolor movie will be shown at Grace Lutheran church. The film "Training of Our Youth", will show student life at the Michigan Lutheran Seminary at Saginaw. A free will offering will be taken.

FEW TAXES UNPAID

There are still quite a number of property owners in Tecumseh township who have not paid their taxes, awaiting the "last day" warning, Mrs. Amey Scutt, treasurer, said today. Mrs. Scutt warned that Tecumseh's call to report to the county treasurer cannot be far away and urged that payment be made as promptly as possible.

DISTANCE AN OBSTACLE

"The major obstacle in the Pacific is not so much the Japanese as distance," declares Admiral Chester W. Nimitz.

This statement ought to give Americans a better understanding of the problems that have been overcome to carry the war to the Japanese. The Pacific is a vast ocean, much larger than the Atlantic. When the war began we were far from the scene of action and had no bases anywhere in the main theatre of operations.

Not only have we had to transport men, material and ships enormous distances, under adverse conditions, but we have had to build port facilities and set up installations to serve the Army, Navy and Air Force as operating bases.

MATHEMATICS MAY GET YOU

The toll of accidents in the United States in 1943, according to the National Safety Council, was 94,500 killed; 9,700,000 injured; and a monetary loss of $5,000,000,000. This includes wage losses ,medical expenses, production delays and damage to equipment and other property.

The fatalities were just a shade under the 1942 toll but the number of injuries was three per cent higher. One of every fourteen Americans suffered a disabling injury.

The statistics reveal that motor vehicle accidents caused 23,300 deaths; occupational accidents, 18,000; accidents in the home, 33,000, and public accidents, exclusive of motor vehicles, 15,500. It is noted that falls caused 27,000 deaths; burns, 9,600 and drownings, 7,500.

The average reader will not be impressed by these figures. Somehow all of us expect to escape injuris through accidents, regardless of mathematics and personal carelessness.

1,200 Lbs. of Milk From a Brood Sow?
The average brood sow, when properly fed during the period of pregnancy, will supply about 1 quart of milk per day from each udder. This is about 800 to 1,200 lbs, of milk, testing from 8½ to 10 per cent fat, during the 8 week nursing period.
This fact alone is reason enough why you should incorporate HAYDEN'S PIG AND HOG BALANCER in your brood sow ration.

BOTTLED GAS USERS HAVE BEEN CARED FOR

Despite the tremendous war load being carried by the industry, users of "bottled" or "tank" gas for domestic and normal industrial purposes have suffered little during the past two years, Sam Campbell, of the American Gas Service Company was informed by F. J. Jacobs, executive secretary of the Liquefied Petroleum Gas Association.

In a report made to Mr. Campbell and other members of the association, it was stated that all normal needs were cared for with the exception of a small group of users whose activities were declared non-essential and who were located in areas where other fuel was available.

In the meantime, according to the annual progress report, Butane, Propane and other gases in the hydrocarbon range, best known to the public as "bottled" or "tank" gas, have been diverted in huge quantities into the making of synthetic rubber for self sealing gasoline tanks, tires and aviation engine mountings, increasing the volatility of high octane aviation gasoline and other war uses.

"While the figures on domestic and normal industrial use have raised almost 20 per cent in the past year, this does not mean that we can make any new installations that are not in the highest priority brackets," Mr. Campbell said. "All of this increase is due to new installations made in growing war plant areas where new defense housing has been erected and to the conversion to liquid gas of appliances moved away from public utility gas mains."

NEWS OF OUR MEN & WOMEN IN UNIFORM

Mr. and Mrs. Yale Kerby received the following letter from their son Leland, who enlisted in the Marines and arrived in San Diego February 12. It really tells what he is doing with his time, spare and otherwise. But in spite of everything he likes it fine and can "take it."

Feb. 17, 1944

Dear Folks:

What's holding up the letters? Bob Siemen got one yesterday. I hope I get one tomorrow.

They sure are working us here, man alive, no time for ourselves at all! Wake up about 5:15 (everyone wakes up fifteen minutes early.) Shave and wash by 6:00 for chow. Not much time when you have to dress. Drill till eleven—Chow—Drill or some darn thing, exercising, etc., till 3:00; from 3:00 to 4:00 wash clothes; 4:00 to 6:00, drill; chow at 6:00; after chow, clean rifles, M-1's-semi automatic. We keep it under our bunk. Oh, yes in the morning we have to make our bunks up, at night, down. Making a bed up and a bed down is two different things; a bed down is the way you make it; Up is a special way. At night time your bunk is made down, shoes shined and rifle cleaned, the floor swept, pail of water drawn, etc., then it is time for lights out. We clean our bayonets also.

Have to fall out in two minutes. Just ate noon chow. (Friday). Write.

Love

Leland

P.S. Ask me questions. I will answer them and no more.

SAYS THANKS

Sgt. Gene Pangle writes his folks from Amarillo, Texas, to thank all concerned for The Tecumsh Herald. He has very little time to write, but gets the paper which he says is "the best little paper on earth" and he certainly appreciates it.

Tecumseh, Michigan

Dear Ladies:

This is to acknowledge numerous copies of The Tecumseh Herald which have reached my ship, either singly or in bunches. You have no idea how much pleasure I get from reading it, cover to cover. I really am very grateful for it and also the package and want to thank you for them. This is a bit late but there has been a great deal of work going on here on the ship and I don't get too much time to write letters. But at the moment work has eased off a bit, so I can write a few letters home. With many thanks again to your great orgnization, I remain,

THAT'S RIGHT . . . AN ARMY TRAVELS ON ITS STOMACH!

KEEP YOUR EQUIPMENT WORKING FOR VICTORY!

Without the absolute essential food you're producing, all the courage and gallantry of our fighting men would come to naught. Our whole national war effort would be stymied.

Keep that in mind every time you use any piece of farm equipment . . . including your buildings. They're soldiers in this war, too. It's your mighty responsibility to keep them in tip-top condition . . . to keep producing food that fights for freedom.

When any of your farm "soldiers" are in need of repair our store is at your service. Despite war-time conditions we are making every effort to keep in stock the things that farmers need most to keep their equipment in good fighting order.

MORE EGGS!

FREE! This booklet shows how to build modern, improved-type poultry houses for all climates. Shows structural details.

Housing your hens in a comfortable, sanitary, rat-proof concrete poultry house is a good way to insure bigger egg production. When built of concrete a poultry house will last a lifetime and its modest first cost will be practically the last.

Long-lasting concrete is the thrifty material for feeding floors, dairy barn floors, milk houses, foundations, grain storages, manure pits, water tanks—improvements that help you raise more needed foodstuffs.

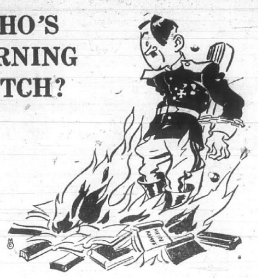
KEEP ON Backing the Attack WITH WAR BONDS

WHO'S BURNING WITCH?



Remember the Reichstag fires, Hitler—the burning of the world's greatest literature? Even your ego was incendiary—all consuming, in those days, wasn't it? Now that your end is so near, you ought to be warned by those hot flames—burned like an ugly, malevolent witch. But that won't be the intelligent way to ride the world of you. There is no such thing as witchcraft. Your malice was always quite real, quite earthy and intentional. You, Hitler, are a criminal—and shall so be judged.

What d'ya mean - "FREE ENTERPRISE"?

THAT'S just a name for the way America works.

It's the simple principle that human beings like to get on in the world.

That when a man sets out to be a doctor or a shoe salesman or an electrical engineer—that's what he wants to be. *And he can be.*

That when a farmer plows his field and plants his seed, he's got a right to a fair return. A right to buy more land — and extend his fences.

That when a business man founds a business, he's building for a future—and nobody can take that future from him.

That when any man works hard and saves his dollars, those dollars are his. He can spend them if he likes. Or he can invest them and put them to work for him.

Call that any name you like. Call it Free Enterprise or Democracy or Opportunity. Whatever you call it, it's American-bred-in-the-bone.

Without it, nobody's going to plan any further than tomorrow. Without it, there's no incentive to invent or invest, discover or develop. Without it—and don't let any one tell you otherwise — this country would lose its high place among the nations.

What Will You Be Doing When the War is Over?

WILL YOU BE LOOKING FOR A JOB ALONG WITH 10 MILLION OTHER PEOPLE? WHY NOT PROTECT YOUR FUTURE? YOU CAN IF YOU ACT NOW.

Big business already is talking post-war.

Many defense industries are beginning to "taper off" production.

Over-time hours are being shortened materially.

In some plants workers are being laid off with "releases."

What will you be doing when the war is won?

Will you be one of those "released" and looking for a job as will millions of others? Or, will you protect yourself against post-war lay-off by joining with an organization NOW that is sure to "go places" in the post-war program?

A Big Future Ahead

We do not need to tell you what the automobile business has been in the pre-war days. You know. It was the biggest business in the nation. Likewise, we need not tell you what it will be in the post-war era. You know, it's coming back stronger than ever.

It may take from two to three years after the war before car manufacturers hit top production. In the meantime, existing cars must be serviced. They must be kept on the road. People demand transportation. It's part of our job to see that they get it.

No Lay-offs In Sight

We cannot see where there will be any lay-offs in our business in post-war. Rather, it will be an ever-increasing volume of business. We expect to do far more business after the war is won than in the hey-days of 1929. It can't be otherwise.

Think!

Cars must be serviced. Tires will be worn out. New ones to replace them.

Gas will not be rationed. Driving will increase 200 to 300 per cent.

To care for these increases the automotive sales and service business is certain to need men. Their jobs will be steady, their pay will be "tops."

Such jobs as these will be the jobs we have to offer right here at home, among your friends and neighbors.

What is our picture? Listen!

We'll need two or three gasoline service station attendants when rationing is lifted.

We'll need a stockkeeper, a tractor salesman, a couple of tractor mechanics.

We'll need at least two new car salsmen, a car washer, one or two men on our grease rack, four or five mechanics in our shop.

We'll need a Firestone store manager, and a couple of office girls or men.

Help Needed Right Now

And we need men right now, don't think we don't.

We're anxious to hire men right now to fill some of these jobs because we want to get our organization together and "set" for post-war.

If you are interested in a steady post-war job at top pay now and then, we'd like to interview you. There are many, many more things that we can tell you about our business. Things we know will interest you.

Won't you come in and talk with us? We have an interesting story—a story that will be dollars in your pocket after the war is won. Butler Motor Sales, Tecumseh. By, Chas. O. Butler. Advertisement.

NINETY-FOURTH YEAR—NUMBER TWENTY-TWO | TECUMSEH, MICHIGAN, THURSDAY, MARCH 2, 1944 | FIVE CENTS PER COPY

Ration Tokens Now in Effect

LOCAL STORES RECEIVE SHIPMENTS; RULES OF NEW BUYING PLAN EXPLAINED

Buyers of rationed food here this week will set out with the rest of the nation to do their shopping under a new sysem of point exchange.

The system, effective Sunday, which the OPA hopes will simplify the swapping of points for provisions, and which the agency also calls the biggest single job undertaken since the point method first went into effect on March 1, 1943, embodies as its two chief new features:

Designation of blue and red stamps in book 4 for processed foods and meats or fats, respectively, as being worth 10 points.

Use of tokens, also colored blue and red for the two general food divisions, as one-point change pieces.

A supply of six tons, or 18,135,000 of the tokens, made of a fibrous, vulcanized material, have been shipped to Michigan.

The consumer will acquire the tokens only through the retailer who gives them to him as point change.

The following red and blue stamps, all now worth 10 points and with the expiration date of May 20, are now good:

Blue stamps A8, B8, C8, D8 and E8, for processed foods.

Red stamps A8, B8 and C8, for meats, fats and cheeses.

Also good until March 20, the OPA explained, are the following 8, 5, 2 and 1-point stamps in book 3:

Green stamps K, L and M, for processed foods.

Brown stamps Y and Z, for meats, fats and cheeses.

The tokens, however, may be used for change for both the old and new stamps, and during the transition period ending March 20, one-point green and brown stamps also may be used as change.

It was explained that the old green and brown stamps of varying values are being held over for the three-week period to make sure that no community may suffer through lack of distribution of the new tokens.

At the same time, food shoppers were urged to use all of their old stamps before using the newly designated 10-pointers, so that they then will have only war ration book No. 4 left for rationed foods, thus making shopping simpler.

Describing the tokens as "just the small change of rationing," the OPA declared that it was nevertheless vital, under the new system, that they be kept in circulation.

The OPA has ruled that your storekeeper may give the small, fiber coins as change only when you make a purchase.

The tokens are good indefinitely.

In empasizing that the new system has been instituted only as an attempt at further simplification, the OPA pointed out that under it, only two denominations of point currency will be in existence: 10 points, the denomination of all stamps, and 1 point, the worth of the token.

Retailers are expected to find it easier to count points in groups of 10, making the proper point change with the tokens, than to count over stamps of varying denominations as they did heretofore.

ENGAGEMENT ANNOUNCED

The engagement of Miss Erma Day, daughter of Mr. and Mrs. Price E. Day of Adrian, to George V. Underwood, F-1-c, U.S.N., son of Mr. and Mrs. Geo. V Underwood of Tecumseh, was announced at an informal gathering Saturday evening at the Day home in Adrian

Mr. and Mrs. Underwood and Miss Day recently returned from New York where they visited George on his return from active sea duty.

WED 49 YEARS

Mr. and Mrs. Dell Beevers observed their 49th wedding anniversary Monday and that evening entertained their son and wife and daughters and their husbands. The time was spent socially and refreshments were served. Those present were Mr. and Mrs. Guy Beevers, Mr. and Mrs. James Brady, Mr. and Mrs. Clayton Covell and Mr. and Mrs. George Kopka.

LADIES UNION

The Baptist Ladies Union will meet this afternoon at the home of Mrs. W. J. Morse on West Logan street. Mrs. A. C. Brazee is chairman.

Thursday, March 10, will be the last day for the payment of Tecumseh township taxes without penalty. I will be at the United Savings Bank each Tuesday and Friday afternoon, including March 10, to receive taxes.

Red Cross Drive Launched Here

TECUMSEH ASKED TO GIVE $6,000 OF COUNTY'S TOTAL QUOTA OF $55,000

Tecumseh's campaign to raise $6,000, this community's share of the American Red Cross War Fund in Lenawee county, was launched here this week by Mr. and Mrs. Perry Hayden, co-chairman. The drive will end a week from Saturday, March 11, Mr. Hayden announced, and he believes that Tecumseh will far exceed its goal. Lenawee county's quota in the national drive is $55,000.

"Once again, Tecumseh's patriotic and loyal citizens will have an opportunity to give to the Red Cross," Mr. Hayden said. "With the goal in 1944 calling for twice as much as last year, there is every indication that the community will go over the top. Despite high incomes, giving may take on more of a sacrificial spirit this year, because of heavy tax payments, bond purchases, etc."

House to house canvassing will start this week, with the following captains in charge of their districts: Mrs. Fred Marsh, sotheast quarter; Elizabeth Chase, northeast quarter and Brownville; Mrs. Neil Pearson, southwest quarter; Mrs. Alta Lidke, northwest quarter.

Industrial canvassing will be made in each plant with the executive head of each business and the head of the local union acting as co-chairmen.

Canvassing in the business district will be made by a committee of merchants.

Clubs, organizations, and societies are invited to make appropriations at their next business meeting early in the month, and make payments direct to the United Savings Bank, which is cooperating as the local depository. For further information, the public is asked to contact Mr. and Mrs. Hayden.

Betty Eileen Fielder Weds Pvt. T. P. Johnson

The home of Mr. and Mrs. William Fielder at 217 N. Pearl street, was the scene of a pretty home wedding Monday evening when their daughter Betty Eileen became the bride of Pvt. Thomas P. Johnson, son of Mr. and Mrs. Peter Johnson of Manchester. The Rev. B. O. Bashore of the local Baptist church performed the double ring ceremony at a candle light service in the presence of the immediate families.

Promptly at 8 o'clock the bridal party took their places before the fireplace banked with palms, baskets of gladioli, calla lilies, iris and daffodils, with fern and candlebra decorating the mantle. The bride was attended by her sister Mrs. Glenn Crittenden of Macon and William Minor of Clinton assisted his brother-in-law as best man.

The bride wore a tailored suit of olive drab gabardine with brown accessories and a corsage of bronze and yellow tea roses tied with gold ribbon. Mrs. Crittenden wore brown crepe with a corsage of pink chrysanthemums and sweet peas tied with silver ribbon.

Following the ceremony refreshments were served at a lace covered table centered with a tiered wedding cake with miniature soldier and bride, with tall pink candles in white holders at either side. The cake was made by the bride's mother.

Later Pvt. and Mrs. Johnson left on a short trip and on their return he will resume his duties at his post at Baxter General Hospital in Spokane, Washington. The bride will remain with her parents and continue her work at the Ford plant in Manchester.

Those present for the wedding were Mr. and Mrs. Peter Johnson and sons Harry, Nicky and George and daughters Christine, Pauline and Mary of Manchester; Mr. and Mrs. William Minor and Albert Minor of Clinton, Mr. and Mrs. Glenn Crittenden of Macon, Mr. and Mrs. William Fielder and daughter Juanita, Sherry Lee and Patty and sons Richard and Jimmy, Mrs. Lillian C. Policies Fixed For Youth Club

CONSTRUCTIVE CRITICISMS AND SUGGESTIONS HEARD AT COMMUNITY MEETING

Approximately fifty adults, representative of all of Tecumseh's organizations, and several young people met in the club rooms Tuesday evening with the joint Youth Councils of the newly organized Opekasit Youth Club, Rev. J. C. Murdoch, as chairman of the council, presided. A financial report was given by the treasurer, Perry Satterthwaite, and Mrs. Purnell Osburn, supervisor, outlined the activities of the club. She reported 210 paid members and an attendance of between 25-125 during a typical week.

Constructive criticisms and suggestions were volunteered by the interested group, many of them coming from the youths themselves and these will form the basis for the future policies of the club. Representative spokesman pledged a willingness of their respective groups to offer assistance in providing equipment and leaders for planned activities along constructive lines.

Mrs. Sam Sisson and Mrs. Frank Smith volunteered to supervise the club during the noon hour for a trial period during which the club rooms will be open. That period begins immediately and will continue as long as it seems practicable.

The girls' lounge is now ready to be equipped since Wilfred Waldron donated his services toward papering it and erecting a vanity table. Vanity mirrors have been offered, but furniture, slip covers, vanity benches, curtains, and vanity skirts are awaiting the assistance of some deft hands.

Farmers Are Invited To Free Show at Strand

How to keep farm machinery in fighting trim is the keynote of the special free motion picture program sponsored by the Hoyt E. Whelan Co. of Tecumseh which will be shown on March 9th at 12:30 p.m., at the Strand Theatre.

"Every farmer, farm boy, or farm helper who works with tractors or other farm machinery, regardless of its make, is especially invited to attend this motion picture show," says Fay Whelan. "He is assured of getting much worth-while information on the care, repair, and servicing of farm equipment.

"Featured on the program is 'Wartime Care of Your Tractor' a talking picture which covers every angle of tractor servicing and care." says Mr. Whelan. "It has plenty of worth-while pointers for every farmer, no matter what make of tractor he owns."

Talking pictures on adjusting and servicing mowers, combines, and planters, plus a picture on hitching and belting of farm machines, are also on the program. An interesting newsreel showing action on the battlefronts of the world and on the production lines at home is included.

"We feel that this show is of direct benefit to the war effort," says Mr. Whelan. "With a severe manpower shortage and a lack of sufficient new equipment for 1944, the farmers of America have a real job ahead if they are to meet production goals. Every piece of farm equipment must be kept in tip-top condition to prevent delays and crop losses. This show will help every farmer with his equipment problems.

"Be sure to 'share the ride' with your friends and neighbors to save gasoline and rubber, but be sure to come to this instructional program," says Mr. Whelan.

While this show is largely a man's show, women who are interested are cordially invited to attend.

COLLEGE DRIVE WORKERS MEET ON ADRIAN CAMPUS

Mr. and Mrs. R. J. McCoy, Mr. and Mrs. Leon Williamson, Mr. and Mrs. Geo. Schumm, Mr. and Mrs. Perry Hayden and the Rev. Edward Escolme representing the local committee for the Adrian College Centennial, were guests of President Samuel Harrison at a dinner in Metcalf Hall at the college, Tuesday evening.

Workers from the city of Adrian and other points of the county were also in attendance. Following the dinner, reports were made showing that $31,000 of the county goal of $100,000 already has been reached. Later the Tecumseh guests were shown around the buildings of the college.

Perry Hayden is the chairman of the Tecumseh campaign which has a goal of $14,000.

RED CROSS MONTH

The President of the United States has proclaimed the month of March as the Red Cross Fund Month. This means that March is the month that we in Lenawee county must raise our share of the funds to carry on the work of the Red Cross—in actual cash, $55,000.

It should not be necessary for the Red Cross Fund Committee for Lenawee County to sell this organization to any citizen. The work of the Red Cross is well known and the demand upon it during the coming year is going to be extremely heavy.

The $55,000 that Lenawee is expected to contribute—and Lenawee should exceed its quota—is considerably larger than the amount asked for in 1943. In fact, contributions must be approximately doubled if the county is to reach its goal. It means, then, that all of us must give substantially more, and we should do it gladly. Giving to the Red Cross is one of the ways, and one of the only ways of backing up the boys overseas with something more than words.

The Lenawee committee this year faces a definite canvassing problem. Everyone is employed in essential industry, there is a shortage of workers who can give their time soliciting funds. If a worker feels to call upon you, do not use this as a reason for not supporting the Red Cross. Seek out your campaign chairman in your locality and send in your contribution. If you do not know your chairman, mail your gift to Mr. or Mrs. Perry Hayden, who are the chairmen for Tecumseh township.

We all know the story of Bataan. One of the few ways that the hardness of the lot of prisoners of war can be helped is through the Red Cross. Let's all share our responsibility by giving and giving freely to this great organization.

Hog Houses
Brooder Houses
AVAILABLE TO FARMERS!

Would a new brooder house or a couple of new hog houses enable you to increase your production for Victory? Of course it would.

And we have the needed materials available instantly ready for removal to your farm. You do not need a priority to buy..

We have material for the "A" Type hog houses, so popular with farmers nowadays. For brooder houses, build with RILCO (round roof) rafters.

If you are in the market for this type of equipment we urge you to visit us now, while our stock is still available.

Roof and Sidewall Shingles

Does your home or some of your farm buildings need new roofs? We have asphalt shingles available NOW and you do not need priority. If you act quickly, we also have labor available to do the work.

Consider refinishing your home with asbestos sidewall shingles. Labor and shingles available for this work, too.

BURIED IN ENGLAND

The many relatives and friends of Mrs. Marjorie Van Valkenburg Hylan will be interested in the following information regarding her husband, whose death occurred overseas Jan. 28.

N. W. Hylan was born in Stoneham, Mass., July 28, 1907. He received his B.A. degree from the University of Michigan in 1930 and graduated from Tufts Medical college in 1935. He had a very successful practice in Derry, N. H. He joined the army in Aug. 1941 and received his appointment as flight surgeon in March 1943. He left for overseas duty in July 1943 and was stationed in England. He died Jan. 28, 1944 as a result of injuries received when he parachuted to safety. He was buried in the American cemetery in England with full military honors.

In August, 1933 he was married to Marjorie Van Valkenburg.

The widow and four children David, Janet, John and Roger survive. Memorial services were held in his honor at the Methodist church in Derry, N. H. Sunday Feb. 20, 1944.

The Red Cross War Fund Drive, which began March 1, will be conducted by Mrs. L. C. House, War Fund chairman for Macon twp., assisted by the following helpers: Mrs. Frances Collins, Mrs. Arlene Papp, Mrs. Ellen Collins, Mrs. Laurel Bailey, Mrs. Loren Avery, Mrs. Henry Miller, Mrs. Lucile Cross, Mr. Virgil Bortel, Mrs. Effie Gibson, Mrs. Marjorie Taylor, Mrs. Otto Bach, Mrs. Percy Cadmus, Mrs. Emily Lewis, Mrs. LaVerne Russell. The quota for Lenawee county is nearly doubled this year and it is hoped that all will cooperate with the solicitors by doubling, if posible, your last year's donation and Macon twp. will again go over the top.

Mrs. Ralph Mickel entertained at supper Tuesday evening a surprise on Mr. Mickel's mother, Mrs. Franc Mickel, who celebrated her birthday anniversary, February 23. Places at table were laid for a group of nine neighbors and the hostess. A red-flowering cineraria centered the table and a tapertrimmed home-made walnut layer birthday cake was placed at one end of the table. Mrs. Mickel received gifts. A pleasant social time was enjoyed.

The World Day of Prayer was observed Friday by the Ladies Society of Christian Service which met with Mrs. L. C. House, Mrs. Clayton Bigelow was the leader of the day's program which was put out by the United Council of Church Women.

Saturday evening a group of thirty neighbors arrived at the home of Mr. and Mrs. William Gibson to help Mrs. Gibson celebrate her birthday anniversary. A co-operative luncheon was served. Mrs. Gibson received gifts and the evening was spent socially.

Guests Sunday of Mr. and Mrs. Fred Lewis were Mr. and Mrs. Dolbert Deck and daughter of Ypsilanti. Callers in the afternoon included Mr. and Mrs. Claude Hale of Highland, Mr. and Mrs. Henry Bruckner of Milan, Mr. and Mrs. Harry Dennison and Mr. and Mrs. Al Pierson and daughter of Ypsilanti.

The Woman's Club will be entertained in the home of Mr. and Mrs. L. C. House for an all day meeting Thursday, March 9. Dinner will be served at the usual hour.

Mrs. Richard L. Williams is a guest of her parents Mr. and Mrs. Ralph Halladay after spending five months in Tampa, Florida with her husband Sgt. Williams.

Mr. and Mrs. Clyde Spence and son of Monroe were guests over the week-end of Mr. and Mrs. Fred Teufel.

Mr. and Mrs. Joseph Sheward entertained Sunday evening Mr. and Mrs. Robert Neal and twin sons of Detroit.

Postwar casualty ?

WILL YOUR CHILD be a victim of this War—after it's over?

Will she grow up in a depression-ridden, poverty-stricken, half-sick country that never recovered from the War?

Or will she grow up in a strong, healthy, prosperous America that offers every girl and boy the best education, the best job, the best chance to make the best living in all the world?

It's up to you. It's in your hands—now.

So—buy War Bonds—now. All you can. Hold them until the date of maturity. Let them bring you $4 for every $3. Keep saving—and keep the money you save!

For if *all* of us do that, this post-war America will *be* the finest place in the world for your child—and you.

bookshelves, rugs, hassocks, etc. could be used to advantage to create a reading nook on the small balcony.

Table games, such as dominoes, checkers, puzzles, could be used to advantage. The American Legion Auxiliary is to have a "game shower" for the Youth Club at its next meeting. Other organizations may follow suit in respect to other needs of the club.

The Rev. John Scarlett, Episcopal rector, has been added to the Youth Council. He was present at the meeting and spoke briefly, as did the Baptist minister, the Rev. B. O. Bashore.

Community interest in the club, generally, is high, and visitors from surrounding communities are using the club as a pattern. It is operating on Community funds and by periodic reports to and from the community at meetings similar to that of Tuesday evening, hopes to answer the needs of those it is intended to serve.

The club is well-chaperoned nightly but parents and other interested adults are welcome to visit it at any time. The "For Members Only" sign on the door was intended solely to safeguard the community's investment in the club facilities. Youths from surrounding communities if invited by a member may be admitted to the club upon the payment of a twenty-five cents fee as guest-charge, except on special courtesy nights when guests are admitted free.

FAREWELL PARTY

Mr. and Mrs. William Grigg and Mr. and Mrs. Clarence Hunt were hosts to a group of 70 neighbors and friends last Wednesday evening at a farewell party in the Grange hall for Mr. and Mrs. Walter Haviland who are moving to Adrian this week. Pot luck supper was followed by games and a social time. Mr. and Mrs. Haviland were presented with a gift.

Puerto Rico Is Topic at The Monday Club

"Our Sugar Bowl—Puerto Rico" was the topic of the program at this week's meeting of Tecumseh Monday Club and Mrs. George E. Green gave an interesting paper on its country, people, customs, education, agriculture, sugar and needlework. Mrs. T. Rentschler was leader and opened the program with a poem "The Thinker" by Edgar Guest.

Mrs. Sam Sisson presented a group of children in costume in "The Minuet." Those taking part were Albert Hart, Anita Dickinson, Joann Pfaus, Jerrold Barron, Mary Lou Burleson, Jimmie Hartsell, Judy Sisson and Tommy Wills.

During the business session the club voted to amend the by-laws at the next meeting, changing the meeting date to once every two weeks instead of weekly, because of lack of funds. Mrs. Al Helzerman made a plea for children's used clothing or Children Inc. in Detroit.

Mrs. Edward Beal is leader of next week's meeting with "Panama" as the subject. Mrs. R. H. Moore will be in charge of music.

BIRTHDAY PARTY

A number of friends and relatives gathered at the home of Mr. and Mrs. Bert Creger recently to help Mrs. Creger celebrate her birthday and also as a farewell for Donald Graf who was home on furlough from Camp Chaffee. The time was spent socially and refreshments were served. Mrs. Creger was presented with several gifts.

Those present were Mr. and Mrs. Leo Creger and three children of Brooklyn, Mr. and Mrs. Raymond Service and son Gary of Clinton, Mr. and Mrs. Otto Graf of Saline, Mrs. Minnie Sarvey of Macon, Mr. and Mrs. Donald Graf and baby Janice Marie, and Mr. and Mrs. Creger.

PARAGON P. T. A.

The Paragon P. T. A. met Friday evening at the home of Mr. and Mrs. Chester Baker at Tipton. Mr. and Mrs. George Parson presented a program of movies and Mr. and Mrs. George Robey who are moving to Hudson were presented with a gift.

The next meeting will be held with Mr. and Mrs. John Cook.

O. E. S. TO MEET

Tecumseh chapter, Order of the Eastern Star will meet tonight for pot luck supper at 6:30 preceding the regular meeting.

JUNIOR LEAGUE

The Westminster Junior League met at the Presbyterian church parlors Tuesday evening and entertained the young women of the Methodist church. Contributions were brought for a service box.

WED 25 YEARS

Mr. and Mrs. William Kempf of Tipton will celebrate the 25th wedding anniversary Wednesday March 8. Mrs. Kempf was formerly Florence Willnow of Tecumseh.

COUNCIL NAMED

According to Act 83, Public Acts of 1943, requiring the re-establishment of county Councils of Defense Governor Kelly is today announcing the appointment of the following members of the Lenawee County Council of Defense: Eugene F. Olson, Dr. L. J. Stafford, Adrian; Dr. James A. Blanchard, Morenci; Fred C. Culbar, Hudson; E. C. Hellman, Tecumseh. Ex-officio members of the Council are Elmer M. Bringman, Sheriff, Lawrence J. Hammond, Prosecuting Attorney, Adrian; Eugene Ryan, Chairman Board Supervisors, Addison.

BRITTON

Mr. and Mrs. Clarence Exelby were called to Detroit Saturday by the serious illness of William Rinn who passed away Monday. Mr. Rinn who is well known to Britton folks, at one time had a blacksmith shop here.

Mrs. Opal Benedict is recovering nicely and is able to be up and around a part of the time.

Clara Ellen Gottschalk and Wilma McCarbery spent Tuesday night with Evelyn Gall. In the evening they attended the Latin Club at the home of Mrs. E. Baker.

Mr. and Mrs. Clarence Exelby spent the weekend in Dearborn, with their son Donald and famlyi.

LaVon Tubbs who left Thursday for Army Air Corps service is station-d in Illinois.

Lowell Edwards has received word to report for Naval Training service on March 1.

Richard C. Henning, seaman first class is spending a 16 day furlough with his parents, Mr. and Mrs. Carl Henning and family.

The last basket ball game of the season were played at Britton Thursday evening. The Big Reds beat South Rockwood 32-23 and the Reserves beat Tecumseh 26-13.

The monthly Latin Club party was held at the home of Mrs. E. Baker Tuesday evening with sixteen boys and girls present. Games were played and refreshments were served by the committee.

The basket ball tournament is to be held at Dundee March 1, 2 and 3.

A meeting for the purpose of discussing plans for a recreational center was held at the school Monday evening eb. 21. A committee consisting of five members with Ernest Palmer as chairman was chosen. Two members are to be selected from the Village board. This committee with the help of the Village Board will improve the School park grounds which is to be used this summer for the young people. Plans for a center for next fall will be discussed later.

Douglas Ferman and Carl Brown who are attending College at Kalamazoo spent the past week at their homes here.

Mrs. G. L. Gripton entertained at a dinner party Sunday in honor of her husband's birthday the following guests.

Mr. and Mrs. Edward Gripton and son, Mr. and Mrs. Ivan McCarbery and children Gary and Kathleen, all of Dearborn, Miss Shirley and Carol Priest of Clinton, Mr. and Mrs. Glen Gripton daughters Joyce and Ardeth Ann and Mrs. Flora Exelby.

Joyce Gripton has accepted a position at the Ypsilanti State hospital.

At the Village caucus held recently at the town hall the following candidates were nominated on the Citizens ticket; Raynor Benedict, president; Edmund Millyard, clerk; Maude Craig, treasurer; Byron Covell, assessor; Ira Steel, Leon Kniffen, Carl Auten, Earl Griffin and Arthur Carothers, trustees.

Mr. and Mrs. Leon Kniffen entertained at a buffet luncheon Sunday evening in honor of Thomas Hamilton who leaves soon for the Army. The guests were A. Luckhart of Manchester, Mr. and Mrs. John Hamilton and Mr. and Mrs. Adrian, Mr. and Mrs. Ed Taylor and daughter Helen, Mr. and Mrs. Ernest Taylor, Mr. and Mrs. Francis Taylor, Mr. and Mrs. Lee Taylor, Mr. and Mrs. Frank Kniffen and children and Mr. and Mrs. Thomas Hamilton and son Eddie.

Mr. Eberley of Detroit was a weekend guest in the Vern Pocklington home.

A fitting end for the little rat—getting caught in the trap he set for himself, with his first dreams of subjugating a world of people. How do you feel, Adolph—squirming, helpless, your doom certain? Still you can't begin to evaluate the suffering you brought to millions of men, women and children the world over. Why you can't even be judged by a "jury of your peers," Adolph. How could your peers be fit to judge anyone's crimes? Squirm, Hitler—while you can!

NEWS OF OUR MEN AND WOMEN IN UNIFORM

Mr. and Mrs. Ralph Oliver have received the following letter from his brother Verne who is the first local service man to be heard from in China.

Somewhere in China
Feb. 13, 1944

Hello Ralph, Helen, Lenore and Chuck:

Be sure and note the new address. Cannot say how I came here but you can guess. Glad to get out of India as it was a dirty hole. Am in a barrack with electric lights, stove, good bed with sheets, clothes closet and bureau with 4 draws. The food is good, served on plates with tea or coffee. Have a boy to clean the room, make beds, eac. Had 4 Xmas packages and hope to get some more any day now with some mail also. Has Ernie been home yet? Bet he will be very soon. Suppose the Lt. hated to go back. I hear everyone had a good time over the Holidays. The Chinese are very jolly and can still laugh after what they have been through for the last few years. Had candy, cookies, cigarettes, razor blades, gum and what not in the packages from Tip, Lila, Mabel and Bessie Carroll. Will write later.

Love,
Verne.

Dear Sir:

I have received three copies of Tecumseh Herald and enjoy reading them very much and thanks for sending them. When I read them they cheer me up. It makes me feel a lot just like I was at home. So will be closing now. I will do whatever I can for my country and thanks again for sending me The Tecumseh Herald.

Yours truly,
Pfc. Ernest L. Hastings

Tecumseh Legion Auxiliary

Just a few lines today to let you "girls" know that your very nice package arrived yesterday. All our Christmas packages have been a bit late in arriving, but the days are all alike over here so we can make any day a day to celebrate.

I want to thank you very, very much for the swell stationery. I've already started to use it as you can see. Having you "folks back home" thinking of us means everything in the world. Words can't express our appreciation for it.

This is a mighty strange country over here. Of course we've gotten more or less used to it now so it doesn't seem so queer. I'll be ready to come back to the good old U.S.A. when we get our job done—this time to stay—we hope and pray.

Thanks again for the nice gift, and for thinking of me. Hoping to see you all in the not too distant future.

As always

Dear Friends:

I was deeply pleased to receive the Christmas gift of this fine stationery which arrived just before Christmas. My hearty thanks to you for your fine work. It certainly is nice to remember and more so in a foreign land.

Best wishes for a "Cheerful and Happy New Year."

Sincerely,
Lester D. Proctor

Jan. 24, 1944

Mr. Wickwire, Editor
Dear Sir:

I received my first copy of the Tecumseh Herald today, and I was very pleased to get it. It makes me seem so very much closer to home than I am.

As you can see by my address, I have moved since that copy was sent. I am now stationed "somewhere in New Guinea." The climate here isn't bad at all. Outside of the heat and incessant rain, it is fairly pleasant here. While I was in Australia, there wasn't much to be done but since we arrived here, I have been working every day, including Sundays, getting ready for bigger things. I suppose you are having some very miserable weather there in the old home town about now. I would give my years pay just to be in some cold weather for a change.

Well, I will have to close, and thanks again for sending The Herald to me.

Sincerely,
Cpl. Harold E. Brown.

Dear Ladies:

Thank you very much for this fine stationery which you sent me for Christmas. I also want to thank you for sending me the Tecumseh Herald. They are both very appropriate gifts for men in the service as they help him to keep in close touch with friends and loved ones back home.

With best wishes for a Happy New Year.

Sincerely,
John Anderson

Sunday, January 16, 1944

President, American Legion Auxiliary
Dear Madam:

This letter is to thank your organization, which I understand is responsible for sending "The Tecumseh Herald" to me.

You cannot understand what it means to us in the armed forces to get news of the offerings of news which the home town has to give. It means a lot to know that there is someone at home, thinking of you besides your relatives. It makes you realize that you have friends.

It may not seem important to my bunkmate, from Colorado, that Ernie Oliver wrote home and is alright. But it's important to me. It is important to him, though how his old friends are. And so it goes.

The Herald is important to me. And I want to thank you who have been responsible for bringing it to me through the help of Uncle Sam's mailcarriers.

Sincerely,
Dick Hammel

Madam Secretary:

It was very thoughtful of your splendid organization to send gifts to men in service. I am sure they appreciated the gift as much as I did.

Air mail stationery is an especially welcome gift, as before long, I expect to be taking an ocean voyage at the taxpayers' expense, and all of my correspondence will be mailed air mail.

Thank you again for your thoughtfulness.

Sincerely yours,
Neville L. Hart

Help Feed AMERICA!

HELP FEED AMERICA FRUIT

Our Government asks every family in America with available space, to grow some Fruit and help in the War effort. Home Owners are urged to grow more fruit. Fighting men, our Allies, and the people on the home front need the vitamins, minerals, sugars of fruit for health and strength.

Let me show you how you can plant now—enjoy delicious fruits amazingly soon—increase the value of your property—help hurry our Victory. Call me. No obligation.

STARK'S YOUNG-BEARING TREES

Grow More and Finer Fruit—Quicker

Plant fruit trees and plants you can depend on to live and bear good fruit—QUICKER! I will show you Stark's famous RECORD-BEARING STRAIN TREES—vigorous, sturdy, young trees. They are quick bearing. They are heavy bearing. They are the cream of 128 years of Stark-Burbank fruit and tree improvements. Call or write me without obligation.

1,200 Lbs. of Milk From a Brood Sow?

The average brood sow, when properly fed during the period of pregnancy, will supply about 1 quart of milk per day from each udder. This is about 800 to 1,200 lbs. of milk, testing from 8½ to 10 per cent fat, during the 8 week nursing period.

This fact alone is reason enough why you should incorporate HAYDEN'S PIG AND HOG BALANCER in your brood sow ration.

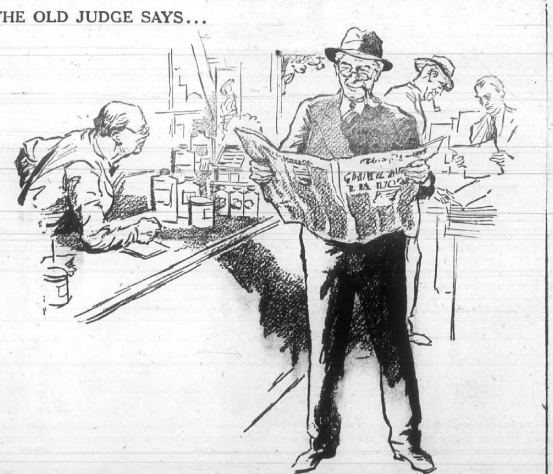
THE OLD JUDGE SAYS...



"Somethin' special catch your eye in the paper, Judge?"

"Sure did, Chet...an article here telling about prohibition in India being written off by the Madras government as a dismal failure after a three-year trial. They found out that enforcement was ineffective and that there was a steady increase in bootlegging and other violations of the law which increased penalties failed to check.

"It all goes to prove what I've said time and timeagain, Chet...*prohibition does not prohibit.* It's been tried in this country 47 times in the last 33 years and discarded everywhere except in three states. Was found to be a failure and abandoned in Canada, Norway, Sweden, Finland and Russia, too.

OPA Will Check County Stores

BETTER COOPERATION WITH PRICE CONTROL IS OBJECT OF DISTRICT SURVEY

DETROIT, March 9th—A drive to mobilize price control forces among retailers and consumers in the Detroit OPA District will be launched March 13, under direction of Arthur B. McWood, District price executive, it was announced today. The program calls for more than 650 price panel representatives and volunteer workers to conduct a store survey of every food store in this area.

The basic purpose of the store survey is to obtain better compliance with price control regulations by helping retailers to understand the necessary requirements, Mc-Wood said that the drive also will protect storekeepers and their customers from black market competition.

"While OPA Washington officials can help us by providing national rules and regulations, they cannot actually make price control effective here in this district without our help," he declared. He said that a strong "compliance for community protection" program, carried on by the joint efforts of local retailers and consumers, is the only way "to protect the District district from the invasion of inflationary forces."

The store survey provides for a schedule divided into our specific action periods. They are:

1. March 13-18. Education of retailers by Price Panel representatives through a survey all food stores for compliance with price regulations.

2. April 3-8. Second check of stores where violations were discovered to determine whether storekeepers have corrected errors.

3. April 10-15. Meetings with Rationing Board Price Panel for all storekeepers found "out of line" during the second survey check.

4. April 17-May 1. Deliberate violations referred to OPA District office for immediate enforcement action.

In the survey, ten "popular market-basket" foods will be checked for selling and quoting prices, Chairman McWood explained today in pointing out that Board officials, retailers, businessmen and housewives here have long recognized the need for a store survey.

"We'll have effective price control in this area only when every one of us, retailers and consumers, realize that it's our personal responsibility," Mr. McWood said.

The initial move in the store survey will send rationing board representatives into more than 9000 food stores here during the week of March 13. Their duties will include:

1. Assisting storekeepers by explaining price regulations, helping them with the display of necessary official store signs and price lists including groceries, meats and soaps.

2. Comparing the retailer's selling prices on a selected list of foods with he OPA ceilings.

John J. Kingan Dies, Funeral on Saturday

John J. Kingan, aged 66 years, well known local resident, died Tuesday afternoon at 4:30 at his home at 301 East Pottawatamie street after a long illness. Mr. Kingan suffered a heart attack a year ago while working at the Bruce Foundry and never fully recovered. He was born in Tecumseh, January 2, 1878, and was the son of James and Ellen McKinney Kingan. On April 15, 1907, he was married to Harriett Louise White who survives. His entire life was spent here with the exception of five years in Hillsdale. He was employed for many years at the Heesen Foundry until its dissolution.

Besides the widow he leaves two sisters Mrs. Amey K. Scutt and Miss Margaret Kingan, both of Tecumseh and two nieces Mrs. Beatrice Grates of Detroit and Marjorie McQueen of Tecumseh.

The body will be at the residence on E. Pottawatamie street where friends may call until 11 a. m. Saturday.

Funeral services will be held at the Collins Funeral Home Saturday afternoon at 2:30. Rev. Alvin Brazee will officiate and burial will be in Brookside cemetery.

83RD BIRTHDAY

Mrs. Kenton Hunt will hold open house Sunday afternoon, March 12, from 3 until 6 o'clock, at her home at 215 East Logan street, for her grandmother Mrs. L. Buler in honor of her 83rd birthday.

TAX NOTICE

Because of the death of my brother I will be at the United Savings Bank, Tuesday afternoon, March 14 instead of Friday, March 10 for final collection of township taxes.

AMEY K. SCUTT,
Twp. Treasurer.

Monday Club To Meet Only Twice Monthly

At this week's regular meeting of Tecumseh Monday Club the by-laws were amended so that beginning in the fall meetings will be held every two weeks, instead of weekly. The club voted o give $5 to Red Cross and a report of the Youth Council was given by Mrs. T. Rentschler, who also presided at the meeting.

The program, in charge of Mrs. Edward Beal, consisted of a talk on Victory gardening by Rev. Edw. Escolme; vocal solo "My Shawl" (Cugat) by Mrs. Harley McConnell and a piano solo "Scherzo" (Beethoven) by Mrs. Kenton Hunt, who also accompanied Mrs. McConnell.

At next week's meeting Mrs. H. E. Whelan will give a review of "The Trial of Christ" by John Masefield and Mrs. W. G. Waldron will review Wagner's opera "Parsifal."

Local Election Monday, Mar. 13

ONLY ONE TICKET IN THE FIELD AND FEW BALLOTS ARE EXPECTED

With only one ticket in the field, few ballots are expected to be cast here on Monday when voters go to the polls at the council building to choose the officers for the Village of Tecumseh for the coming year. There has been little interest in local elections here for the past several years and it is altogether likely that not more than 100 votes will be cast.

The one party in the field, the Peoples Party, is headed by J. Floyd Elliott, who is seeking re-election to the office of president. Others on the ticket, all incumbents, are: for clerk, Wade L. Jones; treasurer, K. D. Hall; assessor, Sam Sisson; trustees, for two year term, B. B. Turnbull, Yale Kerby and S. Henry Smith.

The polls will be open from 8 o'clock in the morning until 8 o'clock in the afternoon.

Funeral Services Today For Henry McCarbery

Henry McCarbery, life long resident of Ridgeway township, died Sunday night at Tecumseh hospital where he had been a patient for several weeks.

Mr. McCarbery who was 74 years of age, was born July 7, 1869 in Ridgeway township and was the son of the late James McCarbery and wife. He was married March 23, 1898, to Miss Adah H. Boyd of Clinton and they lived on his farm in Macon until March 1908 when they moved to their present home in Ridgeway. He was a member of Tecumseh Lodge, F. & A.M.

Besides the widow he leaves one daughter Mrs. Lelah Gauthier of Detroit, a nephew Garth Underwood of Bellevue who made his home with them for 20 years, a brother Charles McCarbery of Britton, two sisters Mrs. John L. Underwood of Britton and Mrs. Rose Cox of Ridgeway and several nieces and nephews.

The uneral will be held this (Thursday) afternoon at 2:30 at th Niblack Funeral Home in Britton. Rev. A. B. Johns will officiate and the Masons will conduct services at the grave in Ridgeway cemetery.

MRS. MYRA S. KILBY DIES AT CLINTON

Mrs. Myra S. Kilby, aged 96 years, died Monday morning at the home of her son Edgar Kilby and wife in Clinton. Mrs. Kilby was born in Clinton where she spent most of her life and was the last Civil War widow of the village. She was a member of St. John's Episcopal church, the American Legion Auxiliary and the Clinton Woman's Club.

She leaves two sons Edgar of Clinton and Frank of Adrian and several grandchildren. Mr. Kilby and a daughter preceded her in death.

Funeral services will be held at 2 o'clock his afternoon at the Hause Funeral Home in Clinton. Rev. John R. Scarlett of St. Peters church will officiate and burial will be in Riverside cemetery at Clinton.

TO LEAVE FOR SERVICE

Hugh A. DesErmia of Tecumseh, Hardy E. Moringstar of Tipton and Lyle E. Hunt of Adrian Rt. 3, are among the group of 18 Lenawee county army inductees who will leave Saturday for Ft. Sheridan, Ill. Nine were assigned to nte Navy but none were from this vicinity.

HURT IN ACCIDENT

Kenneth Johnston was brought to Tecumseh hospital Sunday evening for treatment of minor injuries received when his car skidded on the ice and stretch a tree north of town about 6:30. He left the hospital Monday.

$6,000 By March 11 is Goal of Red Cross Campaign Here

Perry Hayden, Red Cross drive chairman here, said this morning that by request of the Tecumseh Products Company Union, there would be no solicitation of workers in that plant, except for non-union workers.

"The Union, at a meeting of its board, made the decision," Mr. Hayden said, "and we have agreed. The union believes that its members here can best be solicited in their homes, and we will respect the wish. However, the union is anxious that its workers subscribe generously to the Red Cross through home solicitation."

Mr. Hayden said that the president of the Products Union, Carl Fosbender, had authorized this statement: "I personally believe that the example set by Meyers Aircraft, of one day's pay per employee, is not too much to give. If they can do it out there, we can certainly do it at Products. I, personally, will give my day's pay, cheerfully. We want the boys to give all they possibly can."

Tecumseh's drive for the 1944 War Fund for the American Red Cross, with a local quota of $6,000, started officially Sunday afternoon with a rally held in the Presbyterian church, with Perry Hayden presiding.

The high light of the rally was the presentation by Bruce Hoffman, secretary of the Meyers Aircraft Company, with two checks: one was for $304 from the Company's employees, making an average of $8 per employee, or approximately one day's pay per employee. The second check presented by Mr. Hoffman was for $500 as a gift from the Meyers Aircraft Co.

Roy McPhail, chairman of the Lenawee County Chapter, Adrian, outlined the various activities of the Red Cross. Mrs. Victor Wahl, executive secretary spoke briefly, and exhibited a $100 bill that had been brought to her office by a woman donor living on a rural route out of Adrian. Mrs. Geo. Prentiss, representing the Home Service Division of the Red Cross told of some personal experiences in connection with the work. Lyle Johnson, secretary for the current drive, spoke briefly. Fred P. Wood, of Adrian also spoke. He is chairman of the Lenawee County Drive for $55,000, and urged hearty participation by everyone.

RED CROSS GIFTS FROM FORMER RESIDENTS MAY BE SENT HERE BY MAIL

Many former residents will want to send gifts for the American Red Cross to help Tecumseh over the top in its quota, Perry M. Hayden, local chairman, believes. He said that he would appreciate the of such gifts at the contributor's earliest convenience. Checks should be made payable to the American Red Cross and mailed to Mr. Hayden at 512 West Logan Street, Tecumseh. "Thanks a million," says the chairman, who reminds that the drive lasts officially until March 31.

The high school band under the direction of Clare Camburn played several selections. Mrs. Harley McConnell and James Freckleton sang appropriate numbers. W. L. Berkhof led in community singing, and the Rev. Blair O. Bashore of the Baptist church, led in prayer.

Under the leadership of Elizabeth C. Hayden, co-chairman of the Tecumseh drive, are the following captains and house to house solicitors, whose territory extends to the Tecumseh township limits:

Northwest Section: Alta Lidke, captain with the following solicitors: Mrs. Ethel Pulver, Mrs. Mertie Waring, Mrs. Ted Ehinger, Mrs. Grace Coffey, Mrs. Lewis Lent.

Northeast Section: Elizabeth Chase, captain with the following solicitors: Mrs. Carl Thompson, Mrs. Leo Stoll, Mrs. Sam Pemberthy, Mrs. Roland Mohr, Mrs. Ted LaBounty, Mrs. Fred Chase.

Southwest Section: Mrs. Nell Pearson, captain with the following solicitors: Mrs. John Smith, Mrs. Florence Howe, Mrs. Anna LaPointe, Mrs. Ray Puffer, Mrs. George Green, Mrs. Clare Dickinson, Mrs. A. H. Brown, Mrs. Laine Holden, Mrs. E. D. Brown, Mrs. Dwight Hodges, Mrs. Carol Frost, Mrs. Nina Heesen, Mrs. M. H. Thielan, Mrs. Wm. Hamilton, Mrs. C. F. Sage, Mrs. Harold Wilson, Mrs. Paul Ammer, and Mrs. Louis Schneider.

Southwest Section: Mrs. Fred Marsh, captain, with the following solicitors: Mrs. Sam Sisson, Mrs. Bert Warren, Mrs. Ed Everett, Mrs. Al Heizerman, Mrs. W. J. Freitz, Mrs. Ira Ashley, Mrs. Lynn Hubbard, and Mrs. Harold Sisson.

The following women have offered to serve as solicitors in the United Savings Bank during the week as follows: Wednesday afternoon, Mrs. Geo. Isaacson; Thursday morning, Mrs. Carl Thompson; Thursday afternoon, Mrs. Harold Sisson; Friday morning, Mrs. H. H. Hammel; Friday afternoon, Mrs. Al Helzerman; Saturday morning, Mrs. Albert Bagshaw; Saturday afternoon, Mrs. Lyman Curtis; Saturday evening, Mrs. Jack Smith.

Mrs. Edith Smith has charge of the teachers and staff of the Tecumseh public schools.

Under the chairmanship of Guy Belding, are the following business men who will solicit business places as follows: Southwest quarter, and out of town firms, Wade L. Jones; southeast quarter, Earl Wickwire; northeast quarter, Ned Baldwin and Leroy VanWinkle; northwest quarter Yale Kerby.

The following larger manufacturing firms of the community will be in charge of the following chairmen:

Meyers Aircraft, Bruce Hoffman; Quaker Oats Co., Donald Nixon and Wm. Fretz; Tecumseh Products Co., Orville Farver and Carl Fosbender; Bruce Foundry, Geo. McCombs and Paul Mack; Ford Hayden Mill, C.I.O. Union, Fred Fairbanks; Hayden Flour Mills, Inc., Perry Hayden.

To date the following gifts have been reported: Meyers Aircraft, $500; Meyers employees, $304; George Adamson and employees, $145; Consumers Power Co., $50; Village of Tecumseh, $75; Eastern Star, $20; Monday Club $5; Junior Westminster League $5; miscellaneous individual gifts bring the amount in hand now to around $1,150.

Elizabeth and Perry Hayden, sochairmen, request that every possible effort be made to have all donations made by Saturday night March 11.

John J. Breen Dies In Veterans' Hospital

John J. Breen, a native of Tecumseh, died February 28 at Veterans hospital in Dearborn after several months illness. Mr. Breen who was 66 years of age was born in Tecumseh leaving here when 15 to go to River Rouge where he was employed until he enlisted in the Spanish American War, serving in Co. C, 31st Michigan Infantry. He was released from the army in 1899 and was a member of the Great Lakes Engineering office staff for 17 years. He later became affiliated with the River Rouge Savings Bank, retiring last year because of his health.

He was a member of the Knights of Columbus and the Veterans of Foreign Wars of River Rouge where he lived for over 50 years and was one of its best known citizens.

Survivors are the widow Margaret, two sons Kenneth and Ellsworth, three grandchildren, two brohers Frank of Detroit and Thomas Breen of Tecumseh. A sister Mrs. Will Hoy died last summer.

Funeral services and burial were held Friday in River Rouge.

HEN'S FREAK EGG WEIGHS QUARTER POUND

It doesn't take a freak hen to lay a freak egg, Glenn Driscoll, local Ford school teacher, declares. To prove his statement he has an egg that weighs a quarter of a pound. It is perfectly formed and is much larger than a double yolk egg and heavier. Inside the first hard shell is another large egg, also with a hard shell. Between the two hard shells was a film of white, but there was no yolk.

ROTARY FILM SHOWN

A motion picture film, known as the Paul Harris Film, named for the founder of Rotary International, was shown to members of the Tecumseh Rotary Club, following dinner at Brees House, Tuesday evening. Guests at the meeting included Roy Schlegel, Chicago; Clark Rathbun, Owosso, and J. J. Petrilio, Tecumseh. F. V. Owen of Tecumseh was admitted to membership.

COUNCIL MEETS

The regular meeting of the village council was held on Monday evening. Guy E. Belding tendered his resignation as a member of the village zoning board of appeals and it was accepted. Mayor J. Floyd Elliott named E. C. Hellman to fill the vacancy. There was little other business before the council except routing reports and the auditing of current bills.

SPECIAL COMMUNICATION

A special communication of Tecumseh Lodge, No. 69, F. & A.M., will be held Friday evening, March 10, when the first degree will be conferred on a number of candidates.

Indian Cagers At Region Meet

TO PLAY ST. CECELIA, DETROIT THURSDAY AT YPSI; WINNERS AT DISTRICT

Coach Fred Raizk's district-winning Indian cagers will journey to Ypsilanti this evening to participate in the state regional basketball tournament at Central high school, and, if successful there, they will go next week to Jackson and Lansing for the quarter and Michigan finals, Thursday and Friday.

The local high school cagers won their privilege to go to the regional meeting last Saturday evening at Dundee when they defeated the Class C Dundee team in the district tournament by a score of 31 to 26. It was a rough and tumble session, during which some poor sportsmanship was displayed on the part of the spectators.

On the opening day of the Dundee tournament, Tecumseh defeated Milan high by a 30 to 29 score, making possible the Saturday game and the Class C district pennant for the Indians. This is the fourth straight year that Tecumseh has won the district honors.

At Ypsilanti tonight, the Indians will play St. Cecelia high school, Detroit, at 8 p.m. St. Florian high school, Detroit, will play Blissfield high at 9:15 and the winners of the two games will play for the honors at 9:15 p.m., Friday.

"We have an excellent cage team and wouldn't be at all surprised but that we are successful at Ypsi," was Coach Raizk's comment. "Of course, we are up against a good school, St. Cecelia, but so are they. If our team plays the kind of ball that we did in the district meet at Dundee I haven't any doubt but that we'll succeed tonight."

Mrs. Fritz Gygi Dies After Long Illness

Mrs. Fritz Gygi, aged 61, died Friday morning at Tecumseh hospital after a long period of failing health. She recently broke a hip and later while recovering broke the other leg and was returned to the hospital.

Mrs. Gygi was formerly Abbie Jay, daughter of the late William and Emma Jane Jay and was born July 16, 1882 in Adrian. Most of her life was spent in Franklin township. On March 16, 1905 she was married to Mr. Gygi who survives. She was a member of the Presbyterian church, the Ladies Aid Society and the Missionary Circle.

Besides her husband she leaves a daughter, Mrs. John Saling and a granddaughter, both of Tecumseh.

Funeral services were held Monday afternoon at the Collins Funeral Home. Rev. James Cameron officiated and bearers were Veari Osburn, Milford Osburn, Garland Osburn, Byron Osburn, George Robinson and William Jay. Burial was in Brookside cemetery.

Among those from away who attended were Mrs. Emma Osburn, Mrs. Easton Driscoll and Milford Osburn of Ypsilanti, Mr. and Mrs. Byron Osburn of Hudson, Mr. and Mrs. William Jay of Toledo, Mr. and Mrs. George Robinson, Mr. and Mrs. Charles Boyd and R. G. Turner of Onsted, and others from Clinton and the surrounding territory.

BURIED IN BROOKSIDE

Funeral services for John C. Smith were held Sunday afternoon at the Collins Funeral Home. The Rev. Edward Escolme officiated and Mrs. Escolme sang two hymns. Bearers were Kenneth, Claud, Benjamin and Cegal Smith, Leland Wilson and Vernon Bennett and burial was in Brookside cemetery.

Relatives and friends attended from Adrian, Bridgewater, Ypsilanti, Brooklyn, Rome Center, Clinton, Sand Lake, Tipton and Texas.

FORMER RESIDENT DIES

Mrs. Eliza Chaplain, a former resident of Tecumseh and widow of the late George Chaplain, died Friday at her home in Elkton where she had lived since leaving Tecumseh a number of years ago. Mrs. Chaplain was nearly 95 years of age.

The body was brought here Monday for burial in Brookside.

BED IS AVAILABLE

The Odd Fellow and Rebekah hospital bed is available free of charge to anyone in the community with non-communicable disease. Anyone wishing this service may notify Mrs. George Kopka, 120 South Ottawa street. Persons do not have to be a member of the organization to use this service.

TO COLLECT FATS

The Girl Scouts will collect waste fats Saturday March 11, and proceeds from the sale will be given to the Red Cross.

Baptist Service Sunday In Change of College Folk

A group from Adrian College will be in charge of a special Sunday evening service at the Baptist church, March 12, at 8 o'clock.

Chaplain Elmer Brayton of Oscoda will be the preacher, Miss Lucy Mildren, dean of women at Adrian College will speak about the college, and there will be musical numbers including a violin solo by Josephine Dibden and vocal trio, Meredyth Radabaugh, Ruth Davis and Josephine Dibden both accompanied by Ruth Bailey.

Rev. O. V. Robinson, former pastor of the Baptist church, now of Grand Rapids, will be the preacher at the final World Parish Day service to be held Thursday evening, March 16. This will also be Family Night and a pot luck supper will precede the service.

March 12 to 15 Is Potato Week

EIGHT MILLION BUSHELS OF 'SPUDS' WILL BE ON PARADE TO MANY KITCHENS

Governor Harry F. Kelly has issued a proclamation declaring March 12 to 18 will be Michigan Potato Week.

Michigan's 8,000,000 bushels of quality potatoes will be on parade to many kitchens during this week and for several weeks to come. This year's crop is not only of especially good quality but with the cooperation of handlers, merchants and farmers, a plentiful supply is available to consumers all over the state. Of the 23,000,000 bushels produced last year on the 250,000 acres, part of this important crop has been shipped to neighboring and distant states. At the present time 4,902 car load lots have been sent to eleven states.

Charles Figy, Commissioner of the State Department of Agriculture has stated that the big concern of agricultural leaders is not so much the immediate consumption allows quality products to deteriorate. He recommends to eat more potatoes while the quality is tops.

Naturally, potatoes being a perishable product, usually deteriorate in value while in storage over a period of seven or eight months. March and April usually finishes the quality season of Michigan potatoes.

So, according to Mr. Figy, "Let's eat more of this valuable food crop while it is still at its best."

Mrs. Henry Ruesink, 64, Is Buried at Tipton

Mrs. Henry Ruesink, aged 64 years, died Saturday morning at Bixby hospital in Adrian where she had been a patient about a week. She had been failing for several months.

Mrs. Ruesink was formerly Jessie Rawson and was born June 23, 1880 in Wheatland township. She married Mr. Ruesink February 27, 1904 and had spent her whole life in Lenawee county.

Besides her husband she leaves a daughter Mrs. Edgar Gibson of Baltimore Lake, a son Corp. Floyd Ruesink of Tennessee, two brothers Walter Rawson of Hillsdale and Harry Rawson of San Diego, Calif., also two grandchildren.

Funeral services were held Tuesday at the Everiss Funeral Home in Adrian, Rev. Harley Bowerman officiated and burial was in the Tipton cemetery.

FUNERAL SERVICES HELD FOR MRS. LESTER MIX

Funeral services for Mrs. Lester W. Mix were held Thursday afternoon at the Belding Funeral Home. The Rev. A. C. Brazee officiated and bearers were Leon Miller and Donald Sargeant of Jackson, John Schultz of Detroit and the three sons Leon R. Mix of Tecumseh, Ray E. Mix of Wyandotte and Lt. C. Mix of Key West, Fla. Burial was in Brookside cemetery.

Among those from away who attended the service were Mr. and Mrs. Charles Daniels of Detroit, Mrs. Lena Butler of Melvindale, Mrs. Florence Burrit and Mrs. Ralph Randall of Coldwater, Mr. and Mrs. Leon Miller and Mr. and Mrs. Donald Sargeant of Jackson, Mr. and Mrs. John Wood and Mrs. Harriett Goodman and son Jack of Lansing, Mr. and Mrs. Ernest Myers of Adrian, Lyle Dickerson of Detroit and business associates of Mr. Mix from the Ford Motor Company.

PRESBYTERIAN LEAGUE

Mrs. C. W. Gilman, Mrs. John Lott and Mrs. Charles Sager were hostesses to the Presbyterian League Tuesday evening at the Gilman home. The group voted to give $4 to Red Cross and made plans for their annual tea to be held March 18, in the church parlors. Mrs. Harold Wilson presented an Irish program and in conclusion refreshments were served.

Youth Club Is Paying Its Way

CONTRIBUTIONS FROM TOWNSFOLKS ARE GENEROUS; PUBLIC COOPERATION URGED

At a meeting of the joint Youth Councils held Thesday evening, action was taken on a number of suggestions made at the open meeting of a week ago. Plans are being promulgated to post a bulletin of activities for each day of the week. These will be as varied as the young members desire and volunteer leadership permits.

"Bill" Aebersold, chairman of the Junior Council, reported that at a mass meeting held in the club rooms Monday evening, house and entertainment committees were named. The teen-agers will soon be functioning by teams to keep their clubroom clean and operating efficiently.

To date, a net revenue from the juke-box and sales of cokes and potato chips amounts to $30 since the opening of the club on January. This more than off-sets the rent for that period. A total of $300 has been advanced thus far to the club treasury by the Community Fund Committee. After renovating, heating, lighting, and equipping the rooms, and paying a supervisor, there remains to date a balance of approximately $375 with all outstanding bills paid. The house committee has functioned efficiently and volunteered many hours of sanding floors, doing carpentry, painting and many odd jobs, besides securing equipment, all in the short spare of a few weeks in order that the club might be opened shortly after the need for it was felt. This committee consists of: Marvin Watkins, Yale Kerby and M. W. Wilson. The Junior Council supplied much assistance.

The club will continue to be open at the noon hour with volunteer chaperones in charge. Mrs. Karl Schneider and Mrs. Elizabeth Hammel have been added to these formerly mentioned. Arrangements also are being made to open the club from 4:30 to 6 p.m. Mrs. Lea Purkey is volunteering her services for that period. For a trial period of two weks, two nights a week will be restricted to junior high members and two to senior high members. All will enjoy the privileges of the club together on Friday and Saturday nights, however. The specific evenings for each group will be announced at the school.

Mr. and Mrs. Ellsworth Collins have donated two magazine subscriptions and the Westminister League of the Presbyterian Church has taken over the furnishing of the powder room. Lyle DesErmia is contributing mirrors. Table games are being contributed in answer to last week's request. The American Legion Auxiliary voted to furnish some specific equipment not in excess of $10. Mr. and Mrs. E. C. Hellman have donated a piano.

The interest of the community in the Youth Club is appreciated by those in charge. Open meetings to which the public is invited and at which reports will be given will be held every sixty days. Each organization in town should be represented at these meetings. The Council would appreciate the names and telephone numbers of each such delegate to be notified when these meetings occur.

AUSTRALIAN MONEY

Mrs. Mertie Waring has received a box of Australian coins from her son Sherman who is in New Guinea with the armed forces. The pieces include a penny, three cent piece, six pence, shilling and florin, also an engraved heart made from an old Australian coin...

Sgt. Waring also sent a note of thanks to the American Legion Auxiliary for their Christmas gift. The stationery reached him on February 16.

CHIMNEY FIRE

The fire department was called Saturday morning to the Occidental farm west of town where a chimney burning out was discovered by a passing motorist. No serious damage resulted. The house is occupied by Mr. and Mrs. Harvey Proctor.

FIRE RAZES HOUSE

During the high wind last Wednesday, fire destroyed th eLindsley Bros. tenant house, near Macon, which was occupied by Wesley Lloyd and family. The Lloyd household goods with the exception of a few kitchen articles were a complete loss. The house was covered by insurance.

MISSIONARY CIRCLE

The Presbyterian Missionary Circle met Friday afternoon with Mrs F. N. Griffith and Mrs. E. E. Davies at their home on South Pearl street. The program included a review of the study book by Mrs. J. C. Murdoch.

BLACK MARKET CUTS DRIVING

Mr. James C. Derrieux ,O.P.A. Administrator in Atlanta, says that "A" book holders might be driving 150 miles a month instead of the present 120 miles except for the black market in gasoline.

He estimates that ration coupons worth 50,000,000 gallons of gasoline have been stolen in the eight Southeastern states since January, 1943, and that, in addition, counterfeit coupons have drained off another 50,000,000 gallons annually.

Mr. Derrieux believes that the public's apathy toward black markets is one of the most serious obstacles in the OPA's war against illegal gasoline traffic. Naturally, he hopes to make automobile drivers conscious of the effect of such operations upon their driving allowance.

WILL GERMANY COLLASPE?

When will Germany collapse?

This question has been thoroughly discussed in the United States where millions of people consider a "collapse" a magical method of ending a war.

It just isn't so. A collapse will come only when the armed forces of the United States batter the Nazis to their knees, giving them more battle than they can take.

The process isn't easy. It means death, suffering and destruction. It requires some courage at home as well as among the fighting men who go after the enemy.

There is only one way to produce a collapse among the adherents of aggression, to kill enough of the enemy to make it impossible for the remainder to stand up and fight.

We might as well steel ourselves, as a nation and a people, to the sober thought that we won't get out cheaply this time. In the first World War, the end came soon after we got our army ready to fight and our losses were relatively small. In this struggle it may be many months of bloody warfare and we may have to learn that the price of war is added to the folly of peace and pacificism.

There is a chance, of course, that the war may end suddenly and that we will be happily surprised, but the job of the nation and its entire population today is to accept war, wage war and thus end war.

To Re-Roof
YOUR HOME!

Why not rid yourself of worry and expense NOW by installing an asphalt roof on your home—a roof that will last indefinitely; one that will withstand the elements.

We have thick-butt asphalt shingles available NOW for a new roof on your home and, what is more, we have LABOR AVAILABLE NOW to do the work.

Remember, this is wartime. Both labor and materials are difficult to obtain. We were fortunate in discovering both and we are making our services available to our customers.

Do not delay placing your order if you want our labor and material service for either a roof job or a side-wall shingle job. Orders are this work are coming in, our pool of labor is limited.

Let us estimate the cost or refinishing your home with side-wall shingles. You'll be surprised how little more they cost than paint, how much more permanent they are.

Estimates are furnished without obligation.

THE OLD JUDGE SAYS...

"Judge, would you mind tellin' Charlie here what you told me the other night walkin' home from lodge. I can't word it just the way you did."

"Sure thing, Tim. Here's what I told him, Charlie. There's no such thing as votin' a nation, a state, a county, or even a community dry. We had proof enough of that during our 13 years of prohibition. What you really vote for is whether liquor is going to be sold *legally* or *illegally*...whether the community is going to get needed taxes for schools, hospitals, and the like, or whether this money is going to go to gangsters and bootleggers. That's the answer, boys . . simple as A-B-C."

British Major Sees The Nazi Hog Being Pushed Into His Stye

"KEEP YOUR GRIN ON" IS ENGLISHMAN'S SALUTE TO HIS FRIEND IN TECUMSEH

"Think where we were three years ago and keep your grin on," is Major Philip Hammond's salute to his old friend in Tecumseh, Frank Sutton, who' soldiered in England in World War 1, and knew the Hammonds intimately.

Major Hammond, now too old for active duty, tells something of the Englishman's feeling toward the Nazis in a letter to Mr. Sutton, just received. The Major's letter written under date of December 27, from Moreston Holt, Norfolk, England, is as follows:

"I am writing to wish you all everything you can wish for yourselves for 1944. We have had, thank God, a very wonderful year in 1943, finishing up with the sinking of the Scharnhorst, a very nice Christmas present, and greatly helping the convoy route to Russia. It also tends to free ships that we are anxious to send to help knock out the Japs.

"We are all well here and not any longed bothered by Bosch bombings though I have no doubt there will be some more trouble when we get started at this end. He is saving up all he can to make our landings and our exit ports unpleasant if not actually dangerous. There is not a chance for a walk over. We have got a real hard scrap ahead with a lot of casualties and likely to get harder as the hog is pushed nd kicked back into his stye. We may expect him to try anything and you must realize that we are all dealing with a mad dog and one that knows that it is in a corner with a rope around its neck.

"I have just got a post card from my boy in Malaya. It took eleven months to come but he was still alive in Feb 1943.

"I want to get at these yellow bastards but I do not know how I can do it because I have been thrown out of the army as too old and useless. It is a miserable business being out of the active game that I was used to for forty three years though I am mixed up with several other things that may come in very useful under certain circumstances. I feel it very much now that I have no one in my family who can, except by accident, kill a Bosch. My eldest boy has to keep on in a administrative position after an operation and my second boy is a prisoner in Malaya so you see there is no one but me to gently press the trigger and if by any kindly chance some of them arrive here by accident or on purpose from the air you bet my gun is loaded and already to go off.

"We are all well fed and going right on with it. We are all pleased that Eisenhower should be head of the so-called second front (why it is called this I can not think as we already have five other fronts). He has done very well indeed and has the outstanding value of listening to men who know and after weighing it all up, acting upon it. By this means he gets the best out of everyone he contacts He will have the help of Montgomery who has a great reputation and following here and among the troops. When the show starts, there is sure to be some sort of a comeback on this exposed coast but we are all ready for the bump if it comes. All our children are here; we don't like deserters and we shall all stay by the ship, take what is coming and give, I hope, as good as we get and then some.

"I have lost Colonel Clopton's address; will you send it to me please. Starrman has two boys in Italy, one lost at sea and three serving here waiting to go abroad.

Well so long old friend; think where we were three years ago and keep your grin on."

Gas Ration Coupons Must Be Endorsed

DETROIT, Mar. 9—A simplified but important procedure for motorists to follow with gasoline rations, when they get their new 1944 license plates, was outlined today by Theron M. Hall, rationing attorney for the Detroit District Office of the OPA.

Each motorist should scratch out the old license number on the cover of their ration book. The new license number should then be inserted on the cover. There is no need to write the new number on each stamp, if the old number is already placed on them.

Hall pointed out, however, that motorists should at all times carry sufficient identification, such as their tire inspection record, to produce, if and when they are asked for it. He further emphasized that all new rations obtained must have the new license number written on the face of each stamp as in the past.

"This procedure will affect the A book holders more than others as these rations are good until July," said Hall. Most supplemental rations will be renewed around March 1st when the 1943 plates are no longer good. At this time motorists will be able to write their new number on each stamp.

HAYDEN PORK MAKER
Hayden Flour Mills Tecumseh, Mich. March 9, 1944

GRAIN IS SCARCE, PUT THIS FEED STRETCHING IDEA TO WORK.

With the shortage and high price of grain, and the ceiling price on hogs, it is absolutely foolish to try to produce pork on grain alone.

You need to supplement your grain with a good hog balancer, one that contains the necessary proteins, minerals, etc. to properly balance your grains.

Feeding tests have proven that in some cases a good Hog Balancer cuts consumption of grain nearly in half. We do not make that broad a claim, but we do know that HAYDEN'S HOG BALANCER will make your high priced grain go further, and produce pork quicker.

This feed stretching idea is contained in 3 words, "HAYDEN'S HOG BALANCER." Start today.

Wherever He Must Fight

Your RED CROSS is at His Side

There isn't one among us who hasn't fought in a war, who can imagine what hell-on-earth the men who survive go through. Yet without the Red Cross, the combat-life of any soldier would be many times more unbearable. For Red Cross is at his side, to administer blood plasma in battle's midst. It is at his side to keep him in touch with his family. And those unhappy men who are taken prisoners of war by the enemy, are kept alive by Red Cross food. Each of us who has a loved one in uniform will rally to the Red Cross War Fund, giving generously, as much money as we can. And those of us who have been spared separation from son, husband, brother or sweetheart, will all the more want to give—that others may live—

Army and Navy Tests March 15

APPLICATION BLANKS FOR LOCAL STUDENTS ARE RECEIVED IN TECUMSEH.. .. ...

Application blanks for the Army-Navy College Qualifying Test to be held on Wednesday, March 15, are now available through the high schools, Superintendent of Schools W. L. Berkhof, announced today.

The application blank is part of the leaflet, "Army-Navy College Qualifying Test," distributed by the War and Navy Departments and the U. S. Office of Education. This leaflet describes the Army Specialized Training Program, the Navy College Program and outlines the requirements for both. The test provides a basis for the selection of students for the Army and Navy programs which send a continuing flow of officer candidates, specialists and technicians into the armed forces.

The test is open to male civilians between the ages of 17 and 21 years on July 1, 1944 who are in their final term of high school, who are recent graduates of high school or who are presently attending an accredited college without a certificate of graduation from high school. No one who is presently enrolled in any branch of the armed services is eligible, but those who took previous Army-Navy College Qualifying Tests are not now in the services are eligible.

Taking the test does not constitute enlistment in the armed forces and a student is not obligated to enter either program if accepted. However, those who take the test must express a preference, Army or Navy, so that test results may be forwarded to one service or the other. Those who prefer the Army will not be considered by the Navy and vice versa. Navy includes Marine Corps and Coast Guard.

Designed to measure aptitude and background, the two hour test is general in nature. Familiarity with elementary mathematics is essential. The test is in three parts in which the first part is on the meaning and use of words, the seconds asks questions about scientific matters of general knowledge and the third consists of a number of problems in mathematics. The test employs the "best answer" technique in which the student selects the most appropriate answer among several choices.

In addition to meeting the requirements outlined above and passing the test, candidates must exhibit officer like qualities including appearance and meet the following general physical requirements:

Army

Minimum height 5 feet and a maximum of 6 feet, 6 inches; minimum visual acuity of 20|200 without glasses, correctable with glasses to 20|40 in each eye; weight proportional to height; ten serviceable upper and ten serviceable lower teeth; normal (15|15) hearing in each ear for whispered voice.

Navy

Minimum height 5 feet, 5½ inches, and a maximum of 6 feet 4 inches; minimum visual acuity of 18|20 in each eye, correctible to 20|20; normal color perception; weight proportional to height, twenty vital serviceable teeth, including four opposed molars two of which are directly opposed on each side of the dental arch, and four directly opposed incisors.

Children With Measles Need Medical Attention

Measles of especially serious type, now epidemic in Michigan, can have bad after effects, the state health department warns today in urging parents to obtain prompt medical attention for children who have been exposed to the disease.

The so-called red measles now sweeping the state—over 9,000 cases were reported in the first seven weeks of 1944—is the second leading cause of death of children under five years. Eighty-two persons died of measles in Michigan last year; 70 per cent were under five years.

Parents are advised to keep preschool children at home if there is a measles outbreak in the community. Children who are known to have been exposed to measles should be put to bed with the onset of upper respiratory symptoms, and if measles develops, should be kept there for several days after the rash disappears. Severity of the disease often can be modified by administration of certain biologic products at the hands of a physician, if given shortly after exposure.

Common complications following measles are pneumonia, middle ear and mastoid infections and kidney damage.

THE TECUMSEH HERALD

NINETY-FOURTH YEAR—NUMBER TWENTY-FOUR | TECUMSEH, MICHIGAN, THURSDAY, MARCH 16, 1944 | FIVE CENTS PER COPY

$3,733 of R. C. Quota Paid In

DRIVE DATE EXTENDED TO NEXT SATURDAY; SUCCESS OF CAMPAIGN ASSURED

"Since Tecumseh's current Red Cross War Fund drive started officially on March 5 our workers have turned in $3,733.10," said Perry and Elizabeth Hayden, co-chairmen, this morning. "This only includes money that has actually been deposited in the bank by Wednesday noon," they added.

Macon with a quota of $700 has already turned in $630.20 to the local bank for deposit. This amount is not included in the $3,733.10 mentioned above.

A gift from the United Product Workers Board of $500 materially boosted the receipts to date. This was in addition to the "One Day's Pay" that Carl Fosbender, president of the union, urged every member to contribute. Due to the fact that the gifts of the Products workers were made at their homes, incomplete returns do not give the final figures. However, deposited receipts from the captains of the house-to-house workers are as follows: Elizabeth Chase, $456.25; Mrs. Neil Pearson $568.20. Mrs. Edith C. Smith has turned in to date $74 from the teachers and workers of the Tecumseh Public schools, but has indicated that more is to come. A total of $222 has been received by the following volunteer workers who had a table in the lobby of the United Savings Bank: Mesdames Freda Sisson, Alta Thompson, Elizabeth Hammel, Edna Helzerman, Doris Bagshaw, Olga Smith. Bernice Isaacson and Ethel Pulver. It is planned to have solicitors there throughout the balance of this week.

Under the chairmanship of Guy E. Belding, captain of the business district solicitation, a total of $1,065 has been turned in. Assisting him have been Yale Kerby, Earl Wickwire, Ned Baldwin, Roy Van Winkle and Wade Jones.

"The response has been so wholehearted," said Perry Hayden. "That it has been a pleasure to work on this drive. One of the most pleasing gifts was turned in by Miss Roberts, $15.60 from the Brownie Scouts and $7.71 from the Pixies. There have been remarkable gifts from organizations, but because complete details are not at hand, a full list will be withheld till the conclusion of the drive."

Reports are not available as yet from the Bruce Foundry, Tecumseh Products non-union workers, and the employees of the sales department at the Products, nor from the Quaker Oats Co., Hayden Flour Mill, or Hayden Ford Mill, but indications are that giving is substantially ahead of last year.

When questioned as to whether Tecumseh was "over the top," the chairmen with incomplete reports from all of solicitors hesitated to make a full committment. However, Perry Hayden did indicate that he felt that by the end of the week Tecumseh would be over the top on its quota of $5,500.

It was hoped to wind up the drive locally by March 11 but the closing date has been set back to March 18. Every donor and solicitor is urged to have all gifts turned in to the bank on or before Saturday night, March 18.

TALKS ON S. AMERICA

Ronald Pocklington, until recently in the employ of the federal government in South America, where he helped to speed up the production of raw rubber, was an interesting speaker Tuesday evening when he addressed the Tecumseh Rotary Club at Brees House.

Mr. Pocklington has spent many years in South and Central America and Africa and his first-hand story of the work that is being done there was extremely interesting. He urged a more complete understanding between America and its neighbors to the south, declaring that in his opinion the United States' greatest market in post-war lies in that area.

BLOOD PLASMA HERE

Ten adult doses of blood plasma and five children's doses have arrived at Tecumseh Hospital, it was announced today by Miss Gertrude Spaulding, superintendent. The plasma is to be used in emergency cases, only, and is in liquid form. It will be replaced by the State Department of Health as it is used. The plasma is a part of the blood recently donated by residents of Lenawee county to the American Red Cross.

CHIMNEY FIRE

The fire department was called to the John H. Smith tenant house on West Kilbuck street, Tuesday afternoon where a chimney was burning out. The house is occupied by Mr. and Mrs. Raynor Oliver. Most of the damage was from smoke.

Three Persons Injured In Traffic Accidents

Mrs. William Holmes of Chicago was brought to Tecumseh hospital Tuesday after the car driven by her husband skidded on the ice and went through a guard rail into a gully on US-112, east of Clinton. Mrs. Holmes was injured about the head and X-rays were to be taken to determine the extent of her injuries. Mr. Holmes suffered minor bruises and their car was wrecked.

Mrs. Blanch Seymour of Lansing was brought to a doctor's office here for treatment of cuts and bruises after her car skidded and struck a tree west of Tipton.

Higher Postal Rates March 26

LOCAL LETTER RATES GOES TO AIR MAIL, PARCEL POST ALSO IS UP

Effective March 26, higher postal rates will go into effect over the nation for many services. Information of the new schedule received at the local post office, inlocal first class letters will be addicate that on the above date all vanced from 2c to 3c, requiring the same postage as first class letters anywhere in the U.S.

Another change, is an increase of 3 percent on all parcel post rates.

Although air mail letters to and from those in military services here and overseas will continue to be charged at the regular rate of 6c for the first ½ ounce, all other air mail letters in the U. S. will be charged 8c for the first ounce. This is an increase of 2c but also provides the patron a full ounce for the first 8c instead of ½ ounce for 6c as heretofore.

The Book rate is 4c for the first pound and 3c for each pound over that.

Money orders are advanced as follows: Orders up to $2.50 will cost 10c; from $2.51 to $5.00 the rate will be 14c; from $5.01 to $10.00 , 19c; from $10.01 to $20.00, 22c, from $20.01 to $40.00, 25c and a sliding scale for higher amounts. The cost on insured parcels up to $5.00 is 10c. From $5.01 to $10.00 this rate will be 20c, and from $25.01 to $50.00 the rate is 30c. A sliding scale effective for higher amounts has been determined.

These new rates were approved in the recent revenue bill.

Roy J. Whiting Dies; Funeral This Afternoon

Roy J. Whiting, well known local resident died Monday afternoon at Tecumseh hospital where he had been a patient for four weeks. Mr. Whiting who was 67 years of age, was born September 6, 1876 in Saline and was a son of the late Francis and Viena Berdan Whiting who lived for many years on the Ridge Road. For the past 26 years Mr. Whiting has been employed as steel stock keeper for the Ford Motor Company. Previous to that time he was associated with his brother, W. W. Whiting, for 18 years in the manufacture of the Chic Cigar. On May 18, 1904 he was married to Miss Mabel Bowen of Adrian, who survives.

Besides the widow he leaves a son Wallace Whiting of Tecumseh, a daughter Mrs. Gertrude Hoag of Chicago, his brother W. W. Whiting who is also a patient at Tecumseh hospital; three grandchildren and a niece Mrs. Marjorie Booth Taylor of Ridge Road.

Funeral services will be held this (Thursday) afternoon at 2:30 at Collins Funeral Home. Rev. James C. Murdoch will officiate and burial will be in Brookside cemetery.

HILLMAN-MCATEE

Miss Evelyn A. McAtee, daughter of Mrs. Pauline McAtee of Tecumseh and Pfc. Howard F. Hillman, son of Mrs. Susie Hillman of Palmyra, were married Friday evening at St. Peters Episcopal church by the Rev. John R. Scarlett. They were attended by Miss Allis McAtee, sister of the bride and Royal Hillman, nephew of the groom.

Pfc. Hillman who is stationed at Camp Shelby, Miss., will return to his base the last of the week and the bride will resume her work at the Ford Mill here.

GOOD CONDUCT MEDAL

Sgt. Warren L. Puffer has been awarded the Good Conduct medal for efficiency and exact performance of duties and conduct. Sgt. Puffer was recently transferred from Camp Maxey, Texas, to an APO address. Sgt. Puffer is the son of Mr. and Mrs. R. W. Puffer.

AID SOCIETY MEETS

The Presbyterian Ladies Aid Society met Wednesday afternoon at the home of Mrs. D. C. Heesen with Mrs. Jennie Satterlee conducting devotions and Mrs. John R. Thompson in charge of the program.

Predicts Million War Casualties Before Battle of 1944 is Over

STORIES OF FIGHTING WITH JAPS AND GERMANS TOLD TO BRUCE WORKERS FIRST-HAND

Loren Mason, 23-year-old private first class, at one time a member of Clarton's raiders—commandos of the Marine Corps—whose decorations show that he fought at Guadalcanal, Makin, Tarawa, Midway and the Marshalls, was one of a group of appealing speakers at a special patriotic service at the Bruce Foundry & Manufacturing Company Tuesday, when the war "on the other side of the pond" was brought home to more than 100 workers assembled at the company's plant.

Pvt. Mason, who is a convincing speaker, declared that his experiences in combat had made him appreciate and realize the full meaning of Old Glory. He was one of three Marines who pulled down the Jap flag at Makin and hoisted the Stars and Stripes, after a battle that lasted three days and four nights. His regiment killed 340 Japs by actual count—every Jap on the island.

Recalling the battle of Tarawa, November 11, 1942, Mason told his audience that it was impossible for the Marines to stop and care for their wounded without endangering their own lives. One soldier, he said, though badly wounded, kept on fighting until the Japs found him and killed him. The Marines found this boy three days later. He had been tied by his arms to a tree so securely that he was in a standing position. He had 142 bayonet stabs in his body and the skin on his knee caps and chest had been carved off. He died, not from cruelty, but from shock and exhaustion.

Pfc. Mason appealed to his listeners not to think of the long hours they might be putting in, but to think to their own boys and their friends who are giving up everything that they have for their country.

"I spent 21 months 'over there'," he declared, "and when I came home I appreciated keenly even the electric lights that could be turned off and on, and a place to sleep, other than having to sink into the mud to get a little rest and pretend it was a little bit of Heaven."

Pfc. Gladowski, who fought at the Solomons and Guadalcanal, and who participated in 188 air raids, also was a speaker. It was during his oversea's service that he contracted Malaria fever and he has had 29 recurring attacks. He told of his experiences with the Germans and of the cruelty he observed.

Gladowski, a Marine, was a guard over the first German prisoners captured. In reply to his "good morning" he declared that they would "Hell Hitler," that their spirits were high, and that they expressed a desire to locate on Long Island after Germany had won the war. The Germans are good fighters and intelligent, he declared.

Discussing German cruelty, he told how they shot a woman, a refugee from some European country, through the stomach. She was pregnant, he said. The Germans not only kill men, women and children, they also kill the unborn.

After his combat with the Germans, Gladowski was shipped to the South Pacific area and he spent 64 days on the ocean fighting off Jap planes. It was after he landed at Guadalcanal, he said, that he fought more than the Japs. Here it was Malaria, dysentary, yellow jaundice, moo moo, beri beri and many other diseases, some of them so horrible that we will never see the men who contracted them.

"You can always tell Jap planes," he said, "because of the groan of their motors. It isn't the feeling of fear of getting killed that you hate, it is when you go through the darkness with a white bag in hand and start picking up victims. You don't pick up the body in one piece, you pick up an arm and put it in the bag, then a severed head, then a shoe with a foot in it. You see a truck badly smashed. You can't get into the cab, you stick your head in. Just a mass of blood and slime—not pleasant. You go back and in the morning you dig a hole, bury your find and cover it with dirt. You put a little cross on top and say a prayer. Then you wait for the next night."

"You stand this torture of mind as long as you can," the Marine said, "and then you get shipped back to the United States. On the way back you guard 32 mental patients. You have to keep them below dack and keep them from killing themselves."

An American soldier, sailor or Marine, or any member of the American armed forces, hates a person who does not support them by their help as much as they do a Jap, because they know a Jap is their enemy. They always hope that their own people will stand back of them with their help and production of equipment, so badly needed.

Chief Gunner's Mate Kromar of the United States Navy, who enlisted before Pearl Harbor, also spoke. He wears the Silver Star, showing that he participated in five major engagements in the Southwest Pacific. He fought in the battle of the Coral Sea, saw the Lexington when it was sunk, and he was on the Yorktown when it was sunk. He told of another attack in with a gunner named Noland was injured. 19 of his crew of 21 were killed. Noland immediately trained a group of plane pushers to be gunners and shortly the ship was ready for combat. It was after an attack by three torpedo planes that the captain ordered the ship abandaned.

"I later saw a boy about 17 years of age, sitting on the deck praying for things to fight with. He had been hit in the stomach and was waiting to be taken below deck. Late that afternoon, four bombers came from Australia and with their help we got back to Pearl Harbor."

Naval Lieutenant Chesner also spoke briefly, impressing upon his audience the importance of the work that is being done at the Bruce plant. He said that the local plant is the only factory in the district engaged in a special type of work, and asked for the assurance from the employees that production of castings will be built up to Navy requirements, today, tomorrow and every day.

Naval Lieutenant Patterson, in charge of the group of speakers, declared that it was the purpose of the service men to bring to the local workers a report from "the other side" on the subject of war. He declared that it takes six people at home to keep one man at the battle front. The county with the greatest interests and efforts of workers will win the war. Compared to 12 million workers in the United States, Germany has 23 million workers, nearly two for one. The requirements of those at work in the United States are far different than those in Germany. There, work is done under the strictest discipline. workers in some sections feeling bayonets in their backs. They must work all of the time or forfeit food ration cards.

"Here," the lieutenant said, "you are working on landing craft material. There is no other product in the field of material in the U. S. that has priority over landing craft and parts." He impressed upon the workers the importance of this type of production and urged them to speed the war effort.

The lieutenant declared that any attacks that we make within the next few months must be made with landing craft. "We will need thousands of landing craft of one kind or another," he declared, "and it will depend upon how well prepared we are when that day comes how many American lives will be saved or lost. We, at home, are depended upon by them at the battle front to do our part and every minute of our time should be spent in preparing material for them to work with. We have not yet seen the beginning of this war, for there will be a million casualties before the end of 1944." He declared that in his opinion the war will not end this year, that it will be well into 1945 before Germany will fall.

Lieut. Patterson was introduced to the assembly by W. J. Bruce, president of the company. Previous to the speaking, the assembly joined in singing the Star Spangled Banner, the music being furnished by Don Goddard.

House Here Is Badly Damaged By Flames

The interior of the house formerly owned by the late Fred Slater and located at the corner of Pottawatamie and Ottawa streets, was badly damaged by fire of unknown origin, Friday afternoon. The fire was discovered by a neighbor when smoke was seen coming through the roof, and the blaze had eaten so far that fireman worked over three hours to save the building.

The house was formerly the Oscar Palmer property and is now owned by Clara Vandersee of Ottawa Lake. The tenants were Mr. and Mrs. Arthur Jepson and family and Mr. and Mrs. Arnold Shook. The latter family had only lived there a few days.

Most of the furniture and personal belongings were saved.

War Gardening Urged By Mayor

WEEK OF MARCH 19TH SET ASIDE FOR PLANNING OF GARDENS FOR THIS YEAR

Mayor J. Floyd Elliott, today issued a proclamation calling Tecumseh's attention to the need for Victory Gardens this year and urged that this village join with the State of Michigan in making its plans for such gardens this summer. He set aside the week of March 19th for the making of such plans that Tecumseh may "prudently guard against a lack of food affecting the war effort on both the battle front and the home front."

Mayor Elliott's proclamation reads as follows:

"Michigan Victory Gardeners in 1943 produced a half million tons of food valued at $200,000,000.

"Their efforts, combined with the efforts of Victory Gardeners in the other states of the Union, not only provided food directly for millions of families, but permitted the reduction or removal of ration points of many canned vegetables, thus making additional amounts of these foods available to all families.

"The demand for food is greater in 1944 than in 1943. There must be more food for our armed forces, more for lend-lease, more to take care of the people of reoccupied countries. There must be more home grown foods if shortages of the civilian supply are to be avoided and ration points are not to increase.

"The 1944 Victory Garden goal is a 10 per cent increase in the number of gardens and a 25 per cent increase in production. This means that in Michigan there must be 792,000 gardens in which will be grown 25,000,000 bushels of food.

"Remembering the great contribution made to the 1943 Victory Garden program by the people of Tecumseh and vicinity and realizing their common and ardent desire to do all that they can to help win the war, I do now call upon each and everyone to observe Victory Garden Week beginning March 19th by making plans and preparations to plant a garden in 1944, to the end that we shall do our part in achieving the State's new goal and prudently guard against a lack of food affecting the war effort on both the battle front and the home frnt.

"Given under my hand and the seal of the village of Tecumseh this 16th day of March in the year 1944.

"J. Floyd Elliott, mayor."

Busy Victory Workers At Macon Name Officers

The Busy Victory workers of Macon School District No 8, have chosen as their officers: Richard Croll, president; Robert Croll, vice president; Geneva Kimerer, secretary and treasurer; Gene Kimerer, reporter.

This club has really helped toward the war effort with their projects which included collecting milk weed pods; collecting 122 tin cans which was more than their quota; going over the top in the scrap metal drive with 700 pounds and making checker boards for soldiers for the Junior Red Cross.

FOR OUR FIGHTING MEN

Now that the Fourth War Loan drive has been successfully completed, it is now the business of the nation to provde the $200,000,000 which the American Red Cross asks in order to make its service fully available to our fighting men and their families.

The Red Cross, while a private organization, financed by voluntary contributions and annual memberships, has a semi-governmental status and serves as an auxiliary to the armed forces. It is well known for its activities in connection with disasters in times of peace but becomes indispensible in connection with its aim function which calls forth its utmost efforts in time of war.

During the present emergency, as pointed out by the President, in his proclamation, the war time activities of the Red Cross include "the collection of life-saving blood for the wounded, recreational work in military hospitals, provision of aid to families of servicemen, shipment of food parcels to prisoners of war, production of surgical dressings, operation of overseas clubs and recreational centers and recruitment of Army and Navy nurses."

In accordance with its custom, the Red Cross appeals to the people of the nation for financial support that will enable it to successfully operate. Last year the organization asked for $125,00,000 but this year enlarged demands require a goal of $200,000,000.

This is a comparatively small amount for the people of this country to contribute in behalf of their fighting men. The amount requested is but little above the amount collected in the second war drive in 1918 and should be speedily oversubscribed.

In connection with the present conflict, we should remember that the Red Cross represents our only opportunity to give something to our fighting men. Unlike the War Bond drive, in which we were asked to invest our money and promised a good rate of interest, the Red Cross campaign appeals to the generosity of Americans and their concern about the welfare, comfort, health and protection of those who fight or their country.

The goal set for Lenawee county is $55,000. Figured on a per capita basis, this is a relatively small amount but it will require substantial gifts from those who enjoy substantial incomes. Every person should take pride in becoming a member of the Red Cross and make his, or her, contribution as large as possible.

There is little enough that we can do for those who face death at the hands of our enemies. Talking about their bravery and expressing verbal appreciation of their deeds provides no comforts, gives no service and heals no wounds. The agency attempting these things is the Red Cross and it must have some of your money in order to do the job.

THE OLD JUDGE SAYS...

"Sorry Judge, my shipment of suspenders still hasn't come in. Some articles are mighty scarce these days. I don't get anywhere near as much as I could sell."
"With the war going on, Frank, we've got to expect those things. It's true of luxuries just as it is of necessities. Take whiskey, for example. There's a real shortage in that. It's to be expected when you realize there hasn't been a drop of it distilled in this country since way back in October, 1942.
"The only thing distillers have been making during that time is war-alcohol for the Government. So, I wasn't surprised a bit to read how bootlegging and black markets have sprung up around the country as a result of the dwindling supply. Our 13 years of prohibition proved that if folks can't get *legal* whiskey, they'll get *illicit* whiskey. Sure hope the shortage doesn't last too long. I'd hate to see this country turned over to the bootleggers again."

He's Fighting To Save American Homes!

Protect Yours WITH SIDEWALL SHINGLES!
Does your home need a new coat of paint? Wouldn't it be more sensible, economical to refinish it with sidewall shingles?
Considering labor and materials, sidewall shingles cost only about fifty per cent more than a two-coat paint job. A paint job lasts from three to five years; sidewall shingles last indefinitely. They resist heat and cold, make your house warmer in winter, cooler in summer.
We have the shingles in stock, ready to do your job. An assortment of colors to choose from. We also have labor available to do the work if you act quickly.
PLEASE DO NOT DELAY
Don't wait to place your order if you are considering sidewall or roof shingles. Our labor pool is small, others are asking for the service. Cost estimates furnished without obligation.

Go Easy on Scratch Grains When Feeding Hayden's Egg Mash

Hayden's Egg Mash will produce plenty of eggs when fed in the proper amount, along with scratch grains (corn, wheat, etc).

The NUTRITIONAL FACTORS are supplied principally from the Egg Mash itself.

When you OVERFEED ON GRAINS, the result is actually LESS EGG PRODUCTION, and birds out of condition.

The secret is to keep your hoppers full of Hayden's Egg Mash at all times, and then to follow the following grain consumption tables:

POUNDS OF SCRATCH TO FEED DAILY PER 100 BIRDS

Month	Light Breeds	Heavy Breeds
March	13 lbs.	14 lbs.
April	12 lbs.	13 lbs.
May	11 lbs.	12 lbs.
June	10 lbs.	11 lbs.
July	9 lbs.	10 lbs.
August	8 lbs.	9 lbs.
September	9 lbs.	9 lbs.
October	9 lbs.	10 lbs.
November	9 lbs.	10 lbs.
December	10 lbs.	12 lbs.

County Granges In Celebration

TECUMSEH AMONG 13 GRANGES OBSERVING 70 YEARS OF SERVICE TO COMMUNITY

Thirteen Granges of Lenawee county which were 70 years old or more, celebrated their anniversaries at the Pomona Grange meeting held Thursday in Onsted. A history of each Grange was given by a representative. Those who celebrated the anniversaries and the ones who gave their histories were, Tecumseh, Howard Matthews; Tipton, Mrs. Alton Whelan; Onsted, Mrs. Athol Brainard; Palmyra, and Mrs. Artemus Wotring and Mrs. Emil Wellnitz; Adrian, Mrs. H. N. Hood; Fruit Ridge, Frank Eliot; Fairfield, Mrs. Fred Morse; Medina, Ralph Tew; Morneci, Mrs. Maud Thomas; Rome, Mrs. E. H. Hoddinot; Madison, A. E. Kuney; Rollin, Mrs. Frank Pratt; Woodstock, Mrs. Earl Miller.

Five officers from Michigan State Grange took part in the anniversary program. They were W. G. Armstrong, master; Charles Figy, overseer; Mrs. Helen Swanbeck, secretary; Mrs. Bert Wermith, lecturer and Oscar Yeutter, steward.

Mr. Figy spoke on "Seventy Years of Grange Influence." Other numbers included welcome by Mrs. Brainard; vocal solo by Ernest Harris of Tecumseh; music by Mr. vocal trio by Mrs. Frank Sanborn, Miss Alice Staelen and Roger Sanborn.

During the business session two resolutions were adopted, one opposing a nation wide program of wage control for farm workers by the War Food Administration and the other recommending the elimination of detailed reports of operations of farm trucks in connection with certificates of war necessity by the Office of Defense Transportation. Mrs. Fred Clenathen was installed as lecturer to succeed Arthur Daniels, resigned and Mrs. Therol Brittain was installed as county Juvenile Grange matron.

At the evening session the fifth degree was conferred on a class of 72 candidates, bringing the Pomona membership to more than 450.

The next meeting will be held April 13 at the Madison Grange hall, instead of the first Thursday, because of the meeting of the Michigan Milk Producers Association scheduled for that date.

HOSPITAL AUXILIARY MEETS

The monthly meeting of the Tecumsh Hospital Auxiliary was held Tuesday evening at the home of the president, Mrs. Frank K. Smith. Routine business was in order and six members were added. It was decided to hold the next meeting on April 11 at the home of Mrs. G. A. Rathbun at which time a very important and interesting program in charge of Miss Gertrude Spaulding will be given. This program will include a talk giving information concerning the new laboratory for which the Auxiliary is working.

After the meeting adjourned refreshments were served by the hostess.

HONORS GRANDMOTHER

Mrs. Kenton Hunt was hostess at open house Sunday afternoon and evening for her grandmother, Mrs. L. S. Buler, who was celebrating her 83rd birthday. Many friends were received during the day and Mrs. Buler was the recipient of many gifts, flowers and greetings. Refreshments were served by Mrs. Elmer Bryan and Mrs. Owen Partridge. Mrs. Enna Whaley, daughter of Mrs. Buler also assisted in receiving the guests, 15 of whom were later entertained at a chop suey supper.

Mrs. Buler and Mrs. Whaley recently came from Adrian to reside with the latter's daughter Mrs. Hunt, whose husband is in the armed service.

Mrs. Ella Blanchard, Formerly of Macon, Dies

Mrs. Ella C. Blanchard, widow of the J. R. Blanchard of Clinton, died Friday in the home of her sister Mrs. Cora D. Miller in Kokomo, Ind. Mrs. Blanchard was 85 years of age. She was born in Ohio but moved to Macon with her parents Mr. and Mrs. John F. Day, when she was a young woman. She attended Michigan State Normal College in Ypsilanti and also Hillsdale College and taught eight years in the county schools. On June 1, 1886, she was married at Macon to Rev. Everett S. Chandler of Coldwater who died in 1917. On April 2, 1938, she married Mr. Blanchard who died in April 1942.

Survivors are the step-son Mrs. Miller, three brothers Frank Day of Adrian, Charles Day of Alliance, O., and Bertram Day of Dayton Beach, Fla., a brother-in-law Guy Collins of Macon, and three step children Dr. J. R. Blanchard of Morenci, Mrs. Lois Smith of Detroit and Mrs. Bernice Weeks of California.

Funeral services were held Monday in North Judson, Ind., with burial in Elmwood Memorial Park in Chicago.

COL CLEARY AND WIFE SPEAK TO THE D. A. R.

Abi Evans chapter, Daughters of the American Revolution, met Friday afternoon at the home of Mrs. Fay Whelan with Mrs. Virgil Deming, Mrs. E. D. Brown, Mrs. Andrew Wilson and Mrs. D. F. Wright assisting in entertaining.

Mrs. Hoyt Whelan presided and the chapter voted to give $10 to the Red Cross. Reports of the work of the Nurses Aide were given by Mrs. Louis Schneider and Mrs. Lewis Lent.

Col. and Mrs. Owen J. Cleary of Detroit were guests and the colonel told of the Michigan Military forces located in Detroit where 4500 army men guard the Ambassador bridge, the tunnel and important war plants in the city. He also spoke of his mother, who had been prominent in State and national D.A.R. work and also in the Ypsilanti chapter, Mrs. Cleary, who was in the uniform of the Red Cross Volunteers, told of the work of that organization which has headquarters in Ann Arbor.

In conclusion tea was served by Mrs. Edith C. Smith and Mrs. C. R. Dustin.

TO MEET MONDAY

The Maccabees will meet Monday evening at the home of Mrs. Martha Nye.

Used Planes Will Be Available To Public

The Civil Aeronautics Administration disclosed that "second hand" airplanes have been posted for sale in this region in all War Training Service offices and in all CAA Inspection offices, as well as at all airports and flying schools. It was aso discosed that restrictions on buying or selling flying lessons have been lifted.

These moves are expected to make it possible for a number of flying clubs, and for hundreds of private pilots, flying or pleasure, business, and training to start flying, so that they may better be able to serve their country if the need should arise, and to get back in the air in a plane rented from the local airport, or in their own plane. It is opening a field of recreation that is educational and healthy, to hundreds of war workers who will welcome this diversion from their jobs, and is viewed by officials as the passing of a milestone on the skyroad to the great flying era expected to begin after the war.

Practically all popular models are to be included in the types of planes that are to be offered for sale. This first list is restricted to Fairchilds and Cessnas, of the type used in instrument training etc. but the future lists which will be made available every few days will include such popular models as Stinson, Beechcraft, Waco, Fairchild, Cessna, Piper, Aeronca, Taylorcraft, Porterfield and many other makes.

Air-minded prospective buyers will be given a chance to inspect the planes and then submit sealed bids to CAA regional offices. Original owners will be given a priority on purchasing the ships if they offer the top prices permitted under the OPA ceilings, published in the OPA bulletin Rev. SR14, which rolls the prices back to levels of October 1, 1941. A depreciation in price of 8 per cent per year is stipulated.

Thus, if you want to buy a Piper (J3C-5), of he "family type", which was built in 1938 and sold then for $1,386.00, you may buy it now for approximately $793.44.

FLOYD RATHBUN, ADRIAN
Says "Hogs Best I Ever Had"

It's always a pleasure to print a testimonial when it comes from a thoroughly satisfied customer. That's why we are glad, with the permission of the customer, to print this item about Floyd Rathbun, RFD Adrian, on Hayden's Hog Balancer.

ESTIMATES 43 HOGS WEIGH 190 LBS. AT 4 MOS. 23 DAYS

Floyd was at the mill last week, getting more Hayden's Hog Balancer, when we questioned him as to results. His statement speaks for itself:

"All I can say is that these hogs have done wonderfully well" said Floyd. And then he added, "I think this lot of 43 hogs is the best bunch of pigs I ever had."

On March 9th he estimated their average weight at 190 lbs. and they were born Oct. 15.

Hayden Hog Balancer

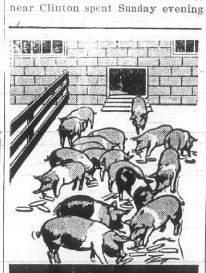
Hasten to Haydens Today



More Pork when hogs are kept on sanitary CONCRETE

A sure way to increase your pork production is to keep pigs on concrete from farrowing to market time.

One farmer who does this reports: *"My first crop is gone to market by the time the second is farrowed . . . average weights around 275 pounds at six months . . . 100 pounds of pork with 300 pounds of feed."*

Hog floors are only one of many improvements that will make your farm more efficient and productive. A new barn floor, poultry house, milk house, milk cooling tank, manure pit or watering trough costs little to build with concrete and will last a lifetime.

Concrete farm jobs require a minimum of critical war materials. Many jobs need just a few bags of cement, and some sand and gravel or stone.

If you need help, get in touch with your concrete contractor or building material dealer. Let us send you free "how-to-build" booklets.

Check booklet subject, paste on penny postal and mail today.

CLINTON

CHURCH SOCIETY MEETS

The March meeting of the Methodist Woman's Society was held at the home of Mrs. Dell Jenkins. Mrs. A. D. Woodward presided. The women voted to buy a kitchen stove and to contribute $10 to the Red Cross fund. As has been the custom, a mother and daughter luncheon will be held in May. Announcement was made of the fourth quarterly conference of the Clinton-Macon churches to be held April 27. The society's meeting date was changed to the first Wednesday of each month, effective May 3. The devotions were conducted by the Rev. S. H. Berry.

Miss Hazel Way began the review of the book "We Who Are America." Tea was served by Mrs. Jenkins, featuring a candle lighted birthday cake honoring Mrs. Bert Rogers whose birthday occurred March 8.

ADDRESSES CHILD STUDY CLUB

More than 20 members and guests attended the meeting of the Child Study Club held with Mrs. Clinton Hoelzer. The program was arranged by associate members and Mrs. Fred Reiser introduced the speaker, Mrs. H. H. Halladay, who spoke on "Youth Guidance." Refreshments were served by Mrs. W. H. Stewart, Mrs. Reiser and Mrs. W. B. Hornsby.

The meeting March 21 will be held with Mrs. William Moeller north of Clinton. Miss Bertha LaPointe of Tecumseh will speak on "Child Pschology."

COMMITTEE IS NAMED

Twenty-one members of the Congregational Philathea class met with Mrs. Harry Werth Thursday evening. Mrs. W. B. Hornsby acted as auctioneer for the Irish pig fair and more than $20 was received.

Mrs. D. W. Sell presided at the business session and appointed a ways and means committee to raise $100 toward the church's centennial fund. The committee consists of Mrs. Werth, Mrs. Thomas Pence, Mrs. Agnes Geiger, Mrs. Clyde Greenfield and Mrs. C. G. Heimerdinger. The class voted $5 for the Red Cross fund. March 14 the women are to meet at 10 a. m. with Mrs. L. C. Weaver to sew for war relief and a potluck dinner will be served at noon. The devotions were conducted by Mrs. J. D. Hause.

Mrs. Werth and her committee served refreshments.

The April meeting as husbands' night with a potluck supper will be held in the church social room.

GIRL SCOUTS RE-ORGANIZED

Under the auspices of the Child Study Club the Clinton Girl Scouts were re-organized Thursday afternoon. Mrs. Helen Way and Miss May Brady are acting as troop leaders. Twenty girls reported for organization and Vonda Lee Dresselhouse, having had the most Scout work, became captain of the division leaders who are Marian Goodrich, Sandra Haas, Jane VanTuyle, Thelma Jones and Barbara Sproull. The troop plans to meet every Thursday afternoon at the close of school, at the schoolhouse.

S. S. CLASS MEETS

The Congregational Priscillas met Thursday evening with the president, Mrs. Paul Dunham. The women voted to donate $5 to the Red Cross fund. Several aprons were made to be sent to a mission school in one of the southern states.

Mrs. Donald O'Hara read several pages of the book "George Washington Carver." Refreshments were served by Mrs. Dunham, Mrs. W. D. Moats and Mrs. Elmer Martens. The April meeting will be held with Mrs. Garfield Smith.

ADDRESSES ROTARY CLUB

The Rev. Fr. John A. Ross gave his impressions on Russia at the weekly dinner meeting of the Clinton Rotary club held Thursday evening at the Methodist church.

S. S. CLASS MEETS

Twelve members of the Methodist Semper Fidelis class met last Wednesday evening with Mrs. John Knight, the president. The women voted to place the layette that they made and Mrs. Paul Gieska was appoined to deliver it.

Mrs. E. H. Meyers continued the reading of the book "China's Heritage." Refreshments were served by Mrs. Glen Hindes and Mrs. A. D. Woodward. The class will meet April 13 with Mrs. Robert Jones, and Mrs. Helen Way is to be the assisting hostess.

PARTY IS PLANNED

The March meeting of the American Legion Auxiliary was held with Mrs. Maurice Heath. Mrs. August Feldkamp presided. The women voted to contribute $10 to the Red Cross war fund and to place their order for the poppies always sold the latter part of May. Plans were completed for the 25th anniversary party for the American Legion to be held March 19, with a potluck supper.

BYSTANDER HURT IN COLLISION

H. O. Peters suffered a broken right knee and painful bruises last Wednesday when two trucks traveling east collided near the river bridge. One truck driven by Guy Logan of Rockford, Ill., and loaded with war materials, hit the rear of a truck driven by Waldo W. LeVeck of Adrian and loaded with sheep. The LeVeck truck skidded against the bridge, striking H. O. Peters, 66, attendant at the Peters garage. He was the only one injured, neither of the drivers being hurt. The LeVeck truck was damaged slightly but both were able to be moved away on their own power.

Nemire Quits Ration Board

CHIEF CLERK OF COUNTY OPA UNIT RESIGNS AFTER POLICY DISAGREEMENT

Guy E. Nemire of Tecumseh, for two years chief clerk of the Lenawee County War Price and Rationing Board, OPA, last Friday tendered his resignation to E. W. Fitzgerald, district director, Detroit, following a disagreement with the Detroit office over its policy regarding the rationing of non-highway gasoline to farmers. Mr. Nemire's resignation was accepted and a successor has not been named. Pending reorganization, William Deschow of Detroit, is acting as clerk.

The policy disagreement that brought about Nemire's resignation arose on Thursday and Friday of last week when the chief clerk at Adrian was advised that non-highway gasoline for farmers would be rationed in Lenawee county on a 10-day basis. Nemire contended that such a policy was impractical and would work a definite hardship on farmers, with spring plowing and fitting of land only a few days off. When Detroit refused to amend its policy—charging that the Adrian office did not have adequate vault space to handle necessary coupons, the chief clerk resigned, declaring that he would not face the farmers of this area if such a policy were to be enforced.

"I just don't want to be here April 1 and meet these farmers if they are not to have ample gasoline for their spring work," was the clerk's final comment.

Since Nemire's resignation, OPA has amended its policy twice, first reports to the effect that a 15-day ration would be issued and later a ruling to the effect that a ration of 70-per cent of the year's supply would be available on April 1. If more gas is needed when the 70-per cent supply is gone, it was said this week that it w. ' be made available.

However, there are some 4,000 tractors in Lenawee county that must be supplied with fuel if farmers are to operate normally, and ration applications must still be processed for the gasoline that will be issued.

Kendall Cooper Heads Lenawee Cattle Club

Kendall Cooper of Tecumseh was elected president of the Lenawee County Jersey Cattle Club at the annual meeting of the club held recently in Adrian. Mr. Cooper succeeds Wm. L. Ayers of Jasper who resigned because of ill health. Ray Binns of Addison was elected vice president and Alfred Hyatt of Manitou Beach, secretary and treasurer.

Previous to the election of officers the four directors whose terms expired this year were re-elected. They are Mr. Cooper, Mr. Binns, Dale Addlerman of Blissfield and Bernard Bowman of Addison.

Plans were made to hold a County Jersey show next fall and H. E. Dennison of Lansing spoke on the activities of the National organization.

Dinner for 75 persons preceded the meeting.

PLANNING COMMISSION NAMES HERRICK CHIEF

The Tecumseh Planning Commission, in an organization meeting last week, named R. W. Herrick as its chairman. Other officers are P. C. Satterthwaite, vice-chairman, William Beardsley, secretary, W. L. Jones, assistant secretary. Other members are C. H. Baker, George Adamson and Frank Smith.

The Tecumseh Zoning Board of Appeals, in an organization meeting, named Ned Baldwin as its chairman, and Mr. Jones as secretary. Other members of the board are J. R. Thompson, Ralph Oliver and E. C. Heilman.

The new pipe organ for the Presbyterian church was delivered Friday and it is hoped to have it installed by Easter.

County G. O. P. Opposes McKay

DELEGATES TO THE STATE CONVENTION, HOWEVER, WILL GO UNINSTRUCTED

Lenawee county Republicans, in convention at Adrian on Monday, unanimously disapproved the re-election of Frank McKay, Republican national committeeman from Michigan, but the county's delegation to the state convention in Detroit, April 20, was given no voting instructions.

The resolution, which was recommended to the convention by a committee headed by Archie Bruce, read: "Resolved that this convention does not favor the re-election of Frank McKay as national committeeman of the Republican party of Michigan."

The convention endorsed the administration of Governor Harry Kelly and recommended his re-election. It also praised the work of Senators A. A. Vandenburg and Homer Ferguson and Congressman Earl Michener.

Charles Robertson, temporary chairman of the convention, declared that "the New Deal will go into its last stand in the fall election. If the Democrats win the election, they will be perpetual. If the Republicans win, the New Deal will be out for good."

Delegates named to the state convention next month are: Louis Germond, L. J. Hammond, Mrs. Budd Goodwin, and Henry Fox, Adrian; Willis Moore, Adrian township; Franklin L. Branch, Cambridge township; William Scheirla, Clinton township; Jacob C. Moore, Deerfield township; Arthur Allis, Dover township; John Keller, Fairfield township; Howard Evans, Franklin township; Fred Stewart, Hudson City; Frank Lawrence, Hudson township; Harry Stone, Medina township; Archie Bruce, Ogden township; Susan Allen, Morenci; and Fred Shoemaker, Woodstock township.

Two Social Functions Planned By Youth Club

The evening of March 28, Tuesday, from 8:00 to 9:30 p. m., will feature square dancing and entertainment a la Sadie Hawkins and Li'l Abner style at the Opekasit Youth Club. Ivan Parker of the Ford-Macon School will direct the entertainment, with the Driscoll orchestra furnishing the music. Members and their guests are asked to come in appropriate costume to lend atmosphere to the activity. Guests will be charged twenty-five cents. Members will be admitted on their membership cards.

Plans are afoot for what is to be known as the Annual Spring Formal of the Opekasit Club. There are rumors of a fourteen-piece "name" band coming to furnish the music. This dance will be held at the school in order to accommodate the crowd anticipated. The date: Saturday, April 15. The dance will really be semi-formal. Plans for publicity include all the surrounding towns. Profits will go to the Youth Club.

These two activities are just the beginning of more to follow, it was said. New games are constantly being added to the club's equipment. The Baptist church has donated a shuffle-board, which is proving very popular. Earl Lindsley, who redecorated the club's downstairs, when asked for his bill, said, "No charge. Glad to do it for the young people." The joint councils express their appreciation of the community's constructive help, and extends a welcome invitation to adults to visit the Club at any time.

ANNIVERSARY PARTY

Mr. and Mrs. Luther Wood entertained a group of friends Saturday evening at their home on West Logan street at a March anniversary party, honoring five couples whose wedding anniversaries occur in March. Music and dancing were the diversions after which a midnight supper was served.

The honored couples included Mr. and Mrs. Wood, Mr. and Mrs. Forrest Abner, Mr. and Mrs. Lawrence Vanderpool and Mr. and Mrs. Rinehart Radant of Tecumseh and Mr. and Mrs. Raymond Van Tuyle of Adrian. Other guests were Mr. and Mrs. Owen Good of Adrian and Mr. and Mrs. Rex Knisel of Blissfield.

SON DIES

Leon Archer Willnow, three-year-old son of Mr. and Mrs. Leon W. Willnow of Adrian, died Sunday night after a short illness. Mr. and Mrs. Willnow were former Tecumseh residents when Mr. Willnow was employed as linotype operator at The Herald.

Besides his parents he leaves his grandparents Mr. and Mrs. Vern Willnow of Adrian and Mr. and Mrs. James Anderson of Jasper, formerly of Tipton.

Funeral services were held Tuesday afternoon and burial was made in the Palmyra cemetery.

Private Robert Purkey In Hospital In S. C.

Mr. and Mrs. Lee Purkey received a telegram Sunday from their son Pvt. Robert Purkey stating that he had arrived at Stark Hospital in Charleston, S. C., was feeling fine and expect to be nearer home soon.

Pvt. Purkey was inducted into army service in March 1943 and after only 13 weeks of training was transferred overseas where he served on the front with the Fifth army in Italy. His parents have received no particulars as yet concerning his injuries although Mr. Purkey talked to his son by telephone on Tuesday and was assured that he is "progressing nicely" and soon may be sent to a Michigan hospital.

Junior Class To Stage Play

MYSTERY FARCE TO BE PRESENTED AT HIGH SCHOOL HERE ON MARCH 30-31

"Murder in Rehearsal", a mystery farce, will be presented by the Junior Class in the high school auditorium March 30 and 31. The play is produced by special arrangement with Samuel French.

The setting of the play is the bare stage of a theatre where Jack Ellery is directing the last rehearsal of a mystery play which is to be presented by a local dramatic group. During the play shots are fired at Jack by a jealous rival, but as the rehearsal continues it is discovered Jack is really dead and not merely acting. The local sheriff who is taking part in the play is furious to find a murder has been connected under his very nose. All are under suspicion and keep everything interesting until the close.

The show is played without benefit of scenery and with entire disregard for stage conventions. The actors use the auditorium as well as the stage for their playing area and make entrances from the seating area about as often as from the stage itself.

The play is under the direction of Jane Elliott and the cast is as follows: Jack Ellery, Jack Tonneberger; Claudia Warren, Lenore Larsen; Mrs. Fiske Warren, Marilyn Weslow; Harold Knight, Si Kring; Morton Hill, Jim Osburn; Trilby, Bonnie Alexander; Sheila Burnett, Ruth Schneider; Chubby Chambers and Robert Wilson; Sheriff Cullen, Don Purkey; Marge Benny, Catherine Gray; Bunky Simms, Barbara Kerby; Daffy Carmichael, Lilliard Brown; Stack Hilton, Wayne Dunbar; Stage Manager, Ardis Drewyor; Prompters, Jocelyn Anderson, Theyone Eggleston.

Tickets may be secured from any member of the Junior Class.

Mrs. Solie Fletcher Dies at Her Home Here

Mrs. Solie Fletcher, wife of Elgie Fletcher, died Monday night at her home on Bidwell Street after a long illness. Mrs. Fletcher was operated on a few months ago at University hospital. The family came here from Kentucky about a year ago.

New Bible Sound Film To Be Shown on Sunday

"The Book for the World of Tomorrow" the new sound film produced by the American Bible Society will be shown at the Tecumseh Friends Church on Sunday evening, March 26, at 7:30 p.m.

Among the ineresting sequences are the first printing from movable metal type in Europe by Gutenberg; how a translation into a foreign tongue is actually made; and the story of the Vulgate translation by St. Jerome, still an outstanding work of scholarship.

The film illustrated the important place of the Bible in our land and in many others and how, through the devoted labors of many men, it came to be the Book for the world of yesterday; how its rapid passage into the tongues of nine-tenths of mankind and its world-wide distribution have made it the Book for the world today; and how we, whose heritage it is, are challenged o make the Bible the Book for the world of tomorrow.

The Scripture lesson will be read from one of the oldest, if not the oldest Bible in Tecumseh, a copy of the Geneva Bible, printed in 1607. This is the famous "Breeches" Bible because of the wording of Genesis 3:7. It is owned by John Wyrill of Tecumseh. There will also be an exhibit of interesting Bibles owned by the people of Tecumseh and vicinity. Any one owning a foreign language Bible, or an old Bible, or a Bible of historical significance is asked to bring it to the Friends Church between 5 p.m. and 7:15 p.m. Sunday afternoon so that it can be used in the exhibit.

MR. BERKHOF SPEAKS

W. L. Berkhof, superintendent of schools, spoke on education, past, present and future, when he addressed the dinner meeting of the Rotary Club here, Tuesday evening at Brees House. Mr. Berkhof touched on the streamline training now being offered locally in the schools, due to the war emergency, and decared that educators face a real problem when the war is over when thousands of young men, forced to quit school for military service, will be asking for additional education.

The Rotary-Ann meeting, to be held next week Tuesday evening at the high school, was announced. W. L. Jones, secretary, urged that members notify him by Saturday of their intentions and whether or not they will bring guests to the meeting.

AID SOCIETY ELECTS

The Presbyterian Ladies Aid Society met last Wednesday afternoon at the home of Mrs. Wade Jones and during the business meeting elected officers for the coming year. Mrs. John H. Red Cross Quota Is Far Over Top

TECUMSEH'S ALLOTMENT OF $5,500 EXCEEDED BY 45 PER CENT, REPORT SHOWS

"Tecumseh has again gone over the top in typical style" said Perry and Elizabeth Hayden, co-chairmen, as they added up the cash receipts to date on the current Red Cross War Fund Drive. "At noon on Wednesday, March 22, the deposited receipts in the United Savings Bank were $7,906.19," they said. "Other pledges, and gifts that have not as yet been deposited make us quite certain of reaching at least $8,200" said the co-chairmen.

"The Strand Theatre is cooperating on a special picture along Red Cross lines and is permitting us to have solicitors in the lobby of the theatre this coming week, too" said the chairmen. Mrs. Earl Lindsley is in charge of this committee, and the workers who are to assist her are as follows: Thursday night, Mrs. R. K. Anderson, and Mrs. R. T. Mead; Friday night, Mrs. Geo. Wilson and Mrs Albert Bagshaw; Saturday night, Mrs. Clyde Bailey, Mrs. Howard Truesdale, Mrs. Earl Lindsley and Mrs. Carl Thompson.

"Due to the fact that there is no desire to omit credit due anyone, a final and complete report of Tecumseh's total gifts will not be given for another week. The fact that we have gone over the alotted quota of $5,500 by nearly 45 percent is the big news item this week," said Mr. Hayden.

NINETY-NINE PER CENT HONEST

Henry Morgenthau, Jr., Secretary of the Treasury, basing his remark upon income tax returns, asserts that "they show that ninety-nine per cent of the American people are honest."

Undoubtedly, the vast majority of people are honest but the fact cannot be proved by the percentage of income tax returns that fail to reveal efforts to cheat the Government. The average American is no fool and he has a lurking suspicion that his income tax arithmetic will be checked thoroughly.

There may be differences of opinion as to the exact percentage of honest people, with some thinking that ninety-nine per cent is an optimistic estimate. We have no statistical information on the subject, but, as a general rule, we are quite certain that there is more honesty in the world than many people believe.

FARM LAND BOOM DANGEROUS

Agricultural economists are worried over the incipient boom in farm land values, estimating that there has been a twenty-five per cent increase in the last two years.

While the rise has not been fantastic, those who remember the disaster that followed the boom in land prices, after the last war, have no inclination to go through the same experience again.

Senator Gillette, of Iowa, has proposed a tax on the re-sale of farm land amounting to ninety per cent within two years, diminishing on subsequent sales in later years.

No one seems to be interested, however, but it might be a good idea for farmers to get behind the proposal.

"That's really a great editorial you just read to us, Judge. Where did you say it appeared?"

"In 'The Stars and Stripes'... the newspaper of the U.S. Armed Forces in Europe. Kind of gives us folks back home something to think about, doesn't it, Bill?"

"It certainly does, Judge. Particularly the last paragraph. Would you mind reading that again?"

"Glad to, Bill. It says, 'We can remember the days of prohibition, when moonshine whiskey made quick fortunes for bootleggers, crooked politicians and dishonest police officials. As a result, we claim we know what we want in the way of liquor legislation and *feel those at home should wait until we return before initiating further legislation on liquor control.*'"

"Out of fairness to our boys over there fighting, Judge, how could we disobey such a wish?"

DON'T SAY--
"I Can't Afford to Insulate My Home"

Zonolite Brings the Comfort and Economy of Insulation Within the Reach of Every Home

No longer need you feel that insulation is another one of those things that will just have to wait.

You can afford to insulate NOW! You can afford Zonolite—the finest insulation money can buy—BECAUSE YOU CAN INSTALL IT IN YOUR ATTIC YOURSELF.

Inexpensive? Certainly . . . and simple. A few bags of Zonolite each week (no need to buy them all at once unless you wish), a few hours of your time, and the job is done.

We sell Zonolite. See us. We'll be glad to tell you how easy Zonolite is to handle . . . and of its benefits. It adds to your comfort both in summer and in winter . . . and SUBTRACTS so much from your fuel bill.

ARE YOU TRYING TO HEAT YOUR NEIGHBORHOOD?

Maybe you think you are not, but that's just what every householder who fires a furnace in an uninsulated home is doing. Uninsulated houses leak heat—it can't be otherwise.

You can stop this "neighborhood heating" if you'll install Zonolite.

What about SUMMER TEMPERATURES? You'll find upstairs rooms LIVEABLE after you install Zonolite.

Zonolite, you know, works for you 12 months out of the year. Its cost, $1.10 per bag—a bag covers 16 square feet of surface 3 inches thick.

FARMERS, ATTENTION: Zonolite is fine in your chicken coop. It is absorbent. Chicks will not pick at it. Inexpensive to use.

"RED" BECKER GETS 253 Lb. HOGS IN 187 DAYS

Another statute has been added to the Hayden Hog Balancer "Hall of Fame". This time it is "Red" Becker, otherwise known as William Leslie Becker. Red has been using Hayden's Hog Balancer for a long enough time now to know what it will do.

HOGS WEIGHED 3800 LBS.

About February 20, Red shipped 15 hogs. The total weight was 3,800 lbs. making them 253 lbs. each. They were born August 1, 1943, making them 187 days old.

Red says that he fed 1,925 lbs. of Hayden's Hog Balancer.

"I'm feeding it now to the sows, so they'll be good and peppy" he said.

ADD VEGETABLES BY WISE PLANNING

An amazing amount of vegetables can be harvested from even a small garden if the gardener wisely plans and plants.

In a plan suggested by O. I. Gregg, Michigan State College garden specialist, 25 by 50 foot garden can be so operated that a family of four can get an entire year's supply of 16 vegetables. The secret, he says, is to operate a succession garden with multiple use of the garden area.

There is no room for corn, potatoes or lima beans in this small garden. These vegetables are not rated as efficient in producing volume as the ones Gregg selects. Only one-third row of Table Queen squash are indicated in the plan.

Vegetables recommended include early, late and pole beans, radishes, lettuce, carrots, beets, rutabagas, early and late cabbage broccoli, Swiss chard, slicing cucumbers, squash, peas, onions, spinach, peppers and tomatoes.

Peas must be planted early in well prepared soil. By getting them in the ground in late March or early April the pea crop matures to permit interplanting with tomatoes. Turnips follow onion sets, radishes, lettuce and late carrots follow spinach, rutabagas and late cabbage follow beets.

Garden sites should consist of good soil in full sunlight. Shortcuts and success tips will be issued from now into the growing and harvesting seasons by cooperation of the Michigan State College staff with the Victory Garden Section of the Michgan Office of Civilian Defense.

You can take a lot of salt in connection with what you hear, and read, in a campaign year.

Little Tojo and his inhumanly militaristic cohorts have a debt to pay. For the Allied parachutists they've shot down: for the prisoners of war they assassinated: for the horrors they have inflicted upon the peoples of China. We wonder how heroic Tojo will be when he faces paying the penalty for his misdeeds. No doubt he'll just prove himself yellow through and through—heart and liver!

Ease Up on Scratch Grains If You Want Eggs in Spring

HAYDEN'S EGG MASH supplies the nutritional factors needed for high egg production.

OVERFEEDING OF SCRATCH GRAINS tends to reduce the concentration of those factors found only in the mash itself.

IN THE SPRING ESPECIALLY it is important that you watch the consumption of grains by your flock.

Good feeding practice is to use not over ONE POUND OF GRAIN for every POUND AND A QUARTER of Hayden's Egg Mash.

FROM NOW ON MOST OF THE EGGS PRODUCED ARE ON THE PROFIT SIDE OF THE LEDGER. If you are not feeding Hayden's Egg Mash, we suggest you start soon. It is doing the job for many successful egg producers.

EXTRA. That is the word for it. EXTRA VALUE is what you receive today for your electric dollar. Almost everything else you buy today is HIGHER in cost, but not electric service. Reddy Kilowatt, your electric servant, is still on the job, 24 hours a day, ready and willing to serve you. His wages? Only a few cents each day.

Reddy has not found it easy to keep right on serving you at the same low rates of pay. Costs of the materials he needs to keep your home lighted, your appliances working and our great factories humming for victory, have been greatly increased. It has required the best that management can offer to continue service at the same low, prewar prices. And this Company still is doing everything possible to see that these prices REMAIN LOW.

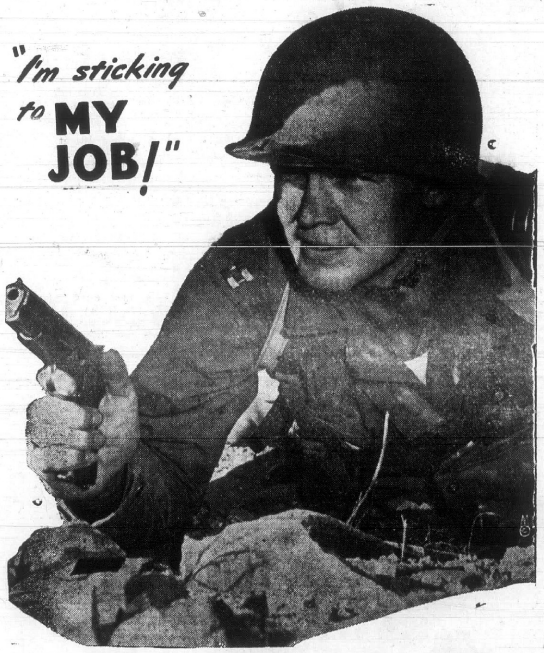
"I'm sticking to MY JOB!"



THIS boy—and many thousands of his fighting buddies have seen action! They were in North Africa, and after successful operation moved on to Italy. When Mussolini finally got his due they became part of our great strength in invasion forces. They're doing their job in Germany—and no one could be happier or prouder than they.

BUT also, no one knows better than they do, the price of Victory. And so those who survive, and are fit—will be shifted in the direction of Japan.

BECAUSE the r is far from over! The final third of the Axis is still a tough enemy. And our boys are sticking by their guns —and by their jobs.

SO though we take pride in our Victory in Europe: though happiness fills our hearts—let us too "stick by our guns" and our jobs—intensifying our war effort, rather than diminishing it: and putting all we can in the War Bond purchases that will shorten the battle—and save our loved ones' lives.

NEWS OF OUR MEN and WOMEN IN UNIFORM

Writes of Experiences In Peace River, Alaska

The Michigan Lutheran prints an interesting letter from Lyman Jones, son of Mr. and Mrs. John Jones, formerly of Tecumseh, now of Round Lake. When here the family worked at the Daisher celery farm and lived on North Democrat street.

Mr. Jones is now a pastor of the Lutheran church doing missionary work on the Alcan Highway and in Alaska. He has established his family in the Peace River District at Wembly, Alberta, Canada. They occupy a long cabin with a fine view stretching out 80 miles and with the Rockies in the distance. There is a church and a day school at Wembly. The soil is rich, all buildings are of logs; there is much dairying and raising of pork and beef. The Jones states that if Michigan people could only see the way they live there, the poverty and inconvenience, they would be more than thankful for what they have here. There are no greenhouses within 400 miles and paper flowers are used on graves.

Mr. Jones went by plane to Whitehorse, where the letter was posted and was continuing by plane to Fairbanks, Skagway and other Alaskan towns.

Underwood-Orr Post No. 34
American Legion and Auxiliary
Tecumseh, Mich.
My dear Legion and Auxiliary Friends:

Today I received my November 23 issue of the Tecumseh Herald and was reminded again of many good friends of the American Legion. I want you to know that I appreciate your sending the Herald very much and shall continue to feel so with each issue I was very pleased to see that the T. H. S. Indians keep up the good work by taking the County crown again. More power to them.

I realize now how much we Americans depend on our newspapers. The news is quite scarce down here, although I am also fortunate in receiving "Time" magazine from the Teachers' Club which is our best source of current world news.

It seems like much more than a year ago that I was playing for, or dancing at, the Legion Club parties. Much water can pass over the dam in a short time. When I came down here to South America the first part of October, I was told I would be here for two months "temporary duty." However, I had already learned that the Navy like to have their little jokes so felt quite sure I would be here for some time. Such is the case since the "temporary" part of my orders were changed to "permanent" about a month ago. This is really not bad duty down here provided you don't burst a blood vessel over the deliberate way in which everything is done on the few days which are not "holidays." The people in general appear to be quite content with the job of profiteering they are doing on the Americans. I think we little realized the true situation down here a year or two ago, however.

My work is with ships of our Navy, and the Navy of this country as you can tell from my address. We work directly with the ships' officers and crews in training in A.S.W. work. We are of course a long ways from a really active front, but we have "our moments." Censorship forbids saying anything of course, but you will probably read what I would say in the newspapers next week.

Thank you again for the Herald.
Yours sincerely,
Paul E. Johnson.

American Legion Auxiliary:
Dear Mrs. Smith:

I'm writing to you thanking you very much for the gifts of the Herald and stationery. You can express my thanks to the other ladies of the Auxiliary. Every thing is fine with me. Our Xmas dinner was swell, composed of turkey, gravy, fresh potatoes, cabbage, butter, bread, cranberry sauce, pie, tea and four cans of good old American beer. Xmas Eve and Day we received mail. Also on Xmas Eve the dance band composed of boys from here put on a special program for us and the movie was "Hello, Frisco, Hello." Xmas nite we saw "Stage Door Canteen". Lately we have been lucky to have quite a bit of fresh food come in, also canteen supplies. Mail is coming in good which is by far the most important to us. It's like old times to sit down and read the Herald again.

You might be interested in a brief travelogue of where I've been so here goes New Zealand which is really a beautiful country. If the people of America treat the soldiers home half as well as they treated us they can be proud of themselves. There wasn't a thing they wouldn't do for us. New Caledonia—French people and natives very small towns. Guadalcanal—you have read the history of that place. Russell Islands—only natives with native hut villages and the Munda campaign which we will forget. You can see I am seeing quite a bit of the world. I suppose Tecumseh is a pretty busy town with the Products in full war production. Keep things rolling, we need the material and this war isn't won yet. I have to close and again thanking you for the gifts. Best of luck to you and say hello to every one for me. I hope you had a very nice Xmas and that "44" brings you the best of luck and Victory to us all.

As ever,
Clyde Mitchell

My Dear Mrs. Smith and all:

I received your box of stationery today. I was very grateful and more than a little surprised. You could have picked no better or more appropriate gift if you had known my needs. Stationery is very hard to get here but very much on demand. Letters from home are the most important thing one receives out here. To receive them one must write letters first. So once more thanks to you all from the very bottom of my heart.

This may be boring but in case you are interested I will give you a little insight in to what type we lead out here. We eat quite well and have quite good living conditions plus the best medical care in the world. Here is a list of things we had for thanksgiving dinner: Turkey, mashed potatoes, peas, corn, cabbage salad, dressing, gravy, peaches pie, bread, butter and coffee. Not bad for fighting a war is it? I am sorry to say that all the fighting men out here did not fair quite so well. We happened to have been in a fairly good position at the time. We are bothered with quite a few reptiles and insects. The reptile group is predominantly rats and land crabs. While the insects are led by ants and above all mosquitoes.

There was a story about the size of these mosquitoes: One landed on one of our air fields and they pumped fifty gallons of gas into him before they realized it wasn't a P-40. Then there was the mosquito who offered to donate a pint of blood to the blood bank. Well Mrs. Smith after that I should hide my face but instead I will end this but now.

Thanks once again to you all.
As ever,
Joe Giauque

USS Bunker Hill

Dear Mrs. Smith:

I don't know how to start this because I don't think I know you but I wish to thank you for the Christmas package you sent me and I sure needed something to write on.

How is the weather at home now? It is sure hot out here in more ways than one. And I have been so busy and tired that I have not written any one for around 2 months. So I am trying to catch up today. When you see my mother again, tell her not to worry as it will take more than them damn Japs to keep me from coming home. I have got too much to go home too.

Well, if you will write, I will be glad to answer your letters in time.

I wish you and everyone that is helping out on this a Merry Christmas and a Happy New Year.
E. V. Osburn, S-2-c

Dear Sir:

As you have been sending The Herald to my old station I thought I better drop you a few lines to inform you of my new address. I have been receiving the Herald every week, even if you have been sending it to Ft. Monmouth.

Here at Baltimore we are doing actual Signal Depot work and enjoy this sort of work very much. My occupation in a Signal Depot is Receiving clerk, which consists of working in the Depot Warehouse to the Main Receiving office, but Depot work in the field will be quite a lot different than it is worked here; mostly all employees here are civilians.

The Holabird Signal Depot is located right on the edge of the City of Baltimore.

The weather here in Maryland has been very nice the past few days, about 75 degrees above all the time. Well I'll close for now.

Yours truly,
Herbert Maynard.

Feb. 18, 1944

Dear Aunt Minnie and Uncle Will:

I guess I have moved a little since the last time you heard from me. After graduating from Mechanical School at Amarillo, Texas, I moved out here to Las Nevada, to an Aerial Gunnery School. It's warm out here but gets cold at night.

I saw lots of beautiful scenery coming out here. I even went half way through California then back here. We passed many beautiful mountains and canyons on our way.

This place is surrounded by high mountains some times they are all covered with snow. But it never snows here.

How is everything with you folks. I hope you are both well and that Uncle Will is working steady.

I've been here a week now. Will start to school Monday. I don't think I'll be here as long as I was at Amarillo, Texas. They kept us terribly busy the last month at Amarillo is why I didn't get to write to you.

It's nearly chow time, so I'll have to sign off for this time. I am well and happy and do hope you will write soon.

With love,
Your nephew,
Richard Spreeman

Camp Phillips, Kansas

Dear Sirs:

I want to thank you ever so much for The Tecumseh Herald which I have received from you or the past two months. It gives a fellow the feeling that everyone back home are backing their boys to the best of their abilities and that's all we want to know.

I am in a new camp now. The 42nd Division was my old outfit, but recently I was shipped to the 79th. It is an old outfit and everyone is anxious to see overseas action, which no dobut they will in due time.

On the way here, our coach had no lights and it was dark about 6 o'clock. The soldiers didn't want to go to sleep, so a bunch in the far corner started singing. One fellow even hummed a tune on his comb. Soon almost everyone was singing. It seemed no matter how dirty the car or no lights, the spirit of the boys who were taken away from their Mother Division, couldn't be broken. I don't see how we can lose with boys like these.

Thanking you again for your paper, I am,
Sincerely yours,
T|5 Al Schumm

Feb. 6, 1944

Dear Mr. Wickwire:

As so many of the Tecumseh boys overseas have done, I too should like to express my gratitude for those enjoyable hours spent reading "The Tecumseh Herald."

Whenever I spy that familiar pink wrapper in my mail box, I look forward to that hour of the day when with the "Herald" spread out before me, I can bridge time and space to be among those who were a part of that glorious yesterday.

Today I'm certain that many of us read the "Tecumseh Herald" more carefully than ever before. It seems to have preserved the warp and woof of a little spot in the U. S. for which so many hearts are yearning.

The advertisements, that mysterious point system, the movies at the Strand, local news, marriages and deaths—all these attract the news hungry eye.

It is indeed heartening to note the successful bond drives, the splendid work of so many clubs and organizations devoted to the common goal.

The remarkable achievements of the Tecumseh Products, and other industries have made us tremendously proud of the unity of purpose displayed in winning the war.

We know that behind every effort are the men, women and children who are helping on the home front to hasten the great day of final victory.

For this little pattern of America that arrives in the pink wrapper; for this precious link with the past that brings happiness to Tecumseh's sons and daughters now engaged in the great war, Mr. Editor, I offer my sincere appreciation to all responsible.

Jon Young

February 9, 1944

To: Earl Wickwire,
Editor, Tecumseh Herald
Tecumseh, Michigan.
Dear Mr. Wickwire:

I hope that you will be able to print a little of this letter in the "Herald" because I feel that what I will say is of great importance.

I have been in the Army for a little over seventeen months now and I have served most of that time here at Georges Field. I have been in the Band at this field for that time. I feel that I could have done more if I could have been overseas but as the Government sees fit that I should be in the band I guess we can't do anything about it.

As that is the case we have to make the best of it so I have been on numerous Bond Rallys, a great chance to see the cross section of this nation. I have been at towns with a population of less than 300 and when you could see how the people act towards the purchasing of war bonds it's a great thrill.

I have also had the chance to play before the large crowds in Indianapolis and see just how the people react.

I would like to say a few things that the people think and do.

We put on a Bond Rally last Sunday, February 6th in a little town of Winslow, Ind., a town of 1280 people. We played for about one hour and then a few speeches were given, at the conclusion after the smoke had cleared away we had sold 30,000 dollars worth of bonds. Then we played in a little town of Patoka, Ind. we had sold over 15,000 dollars in the matter of three hours work. I really think that it is a wonderful feeling that when our days work is over and when we can see a record like that it is a job well done.

I wouldn't dare guess how many bonds we have sold since we have been here but in Indianapolis we sold over 2 million dollars in bonds.

I don't know what the quota is for Tecumseh but I do know that what ever it is that Tecumseh will go well over the top like the small towns have done here. I feel that what ever the price for Victory may be Tecumseh will have had it's share in it.

I can't impress on the people how much that every bond or stamp means in the great struggle. We have sold everything from ducks to goats at bond rallys, in the form of auctions. It is a lot of fun to see a duck sold for $1850, as was the case in Patoka, last night.

I hope that Tecumseh will be well over the top when this War Loan is over.

I receive the Herald every week and enjoy it very much.

Sincerely,
Sgt. Neil F. Jones.

Use Certified Seed Potatoes To Assure Maximum Yield in '44

Use of certified potato seed as a means of realizing maximum production from fields and gardens of this area is urged by one of the nation's largest food distributors.

"Victory garden leaders in the U. S. Department of Agriculture point out that proper planning and care of the garden can increase yields as much as 50 percent," said R. R. Betz, vice-president in charge of A & P Tea Company operations in this area. "In the production of no major food crop is quality seed more important than in the production of potatoes. And it is of great importance that soil used and labor expended result in good yields."

Betz said that his company was embarking on a new merchandising course this year in making available to stores in this section certified seed to meet the demands of growers both large and small. Warehouses are being stocked now, he said, adding that the company has made arrangements to keep sufficient seed on hand to supply the needs of thousands of victory gardeners "who buy their seed on or near the planting date."

"Emphasis this year is on maximum production from the area planted," he pointed out. "Experts agree that any appreciable decrease in the efficiency of the 20,000,000 victory gardeners who last year produced some eight million tons of food would be a matter of serious concern to all of us."

THE TECUMSEH HERALD

NINETY-FOURTH YEAR—NUMBER TWENTY-SIX | TECUMSEH, MICHIGAN, THURSDAY, MARCH 30, 1944 | FIVE CENTS PER COPY

Over $8,510 For Red Cross

TECUMSEH'S QUOTA OVERSUBSCRIBED BY MORE THAN 54 PER CENT, REPORT SHOWS

Including the generous gifts by patrons of the Strand theatre, totaling more than $300 during the past week, the Village of Tecumseh has subscribed more than $8,500 to the American Red Cross War Fund, exceeding its quota by more than 54 per cent, it was announced this morning by Mr. and Mrs. Perry M. Hayden, co-chairmen. The quota assigned to Tecumseh was $5,500 and Mr. Hayden announced that as of last night, $8,510.12 had been deposited in the United Savings Bank here to the credit of the War Fund.

Included in this total is a gift of $600 from the United Product Workers of Tecumseh, $50 rom the Eagles; Vacation Bible School, $10; D.A.R., $10; Tecumseh Garden Club, $5; O.E.S., $20; Brownie Scouts, $16.60 (largely earned from the collection and sale of fats), Pixies, $7.21; Band Mothers Club, $4; Florence Weld Mission Guild, $5; Ford U.A.W. C.I.O. Local 442, $50; Tecumseh Grange, $10; Grace Lutheran Church, $20.52; Christian Science Society, $11; Pythian Sisters, $10; Business & Professional Women's Club, $10; Tecumseh Gospel Tabernacle, $5; Harmony Homemakers Club, $5; Friends Church, $67; Tecumseh Public School Teachers, $86; Altar Society Catholic Church, $10; Tecumseh Hospital employees, $28; Girl Scouts, $12.34; Monday Club $5; Maccabees, $2; Royal Neighbors, $2, Daughters of St. Peters Guild, $5; St. Peters Guild, $5; Methodist Church, $10; Rebekahs, $5.

"We feel that particular mention again should be made of the pace that was set for the community by the Meyers Aircraft Co. employees which averaged $8 per employee." Mr. Hayden said. "A total of $2,196.80 was turned in by the women solicitors who had the following sections: Mrs. Nell Pearson, captain of the S. W. section, $647.20; Alta Lidke, S. W. section, $490.50; Mrs. Melvin Chase, N. E. section, $470.25; Mrs. Fred Marsh, S. E. section, $329.50; solicitors at the bank, $259.35.

"We are not listing gifts from individuals or corpotations" said Mr. Hayden, "because the list would almost be endless.

"Furthermore, whereas one gift for $1000 from one Tecumseh firm was deeply appreciated there were other gifts, although smaller, that represented similar generosity on the part of the givers. The response was spontaneous, willing, and whole hearted, and when our boys out there see what the old home town has done in their behalf, we will be well rewarded as a community.

"We want to thank every church, especially the Presbyterian, for the use of their auditorium March 8, every organization, every worker, The Tecumseh Herald and Adrian Telegram; the Strand Theatre, the United Savings Bank, all of the industrial and retail business firms, and every worker and every giver from the lowest amount to the highest. Truly it is more blessed to give than to receive, and Tecumseh is $8,500 better off right now, because it has given so freely and joyously. Again, we say to every blessed soul who made this drive such a success, thank you and thank you again."

DEGREE CONFERRED

Tecumseh Masonic Lodge met in special session Friday evening and conferred the Fellowcraft degree on a group of candidates.

Lt. Edward M. Kasnia Gets Oak Leaf Cluster

An Eight AAF Liberator Station, England—Second Lieutenant Edward M. Kasnia, son of Mrs. Anna Tanana, Route 2, Tecumseh, Michigan, has received an Oak Leaf Cluster to the Air Medal "for exceptionally meritorius achievement, while participating in five separate bomber missions over enemy occupied Continental Europe. The courage, coolness and skill displayed by Lieutenant Kasnia, upon these occasions reflecta great credit upon himself and the Armed Forces of the United States." Assigned to a veteran outfit in the European Theater of Operations, he has participated in bombing missions over Ludwigshafen, Kiel, Bremen and other important industrial targets in Germany and the Nazi-occupied countries.

Lieutenant Kasnia received his wings at Aloe Army Air Field, Texas.

Co-Pilot of the Liberator, "Tar Heel Baby," he received his B-24 training at Lowry Field, Denver, Colorado, before being sent to England.

Farm Tools Are Problem of War

LOCAL FARMERS FACE REAL TASK OF KEEPING THEIR MACHINERY GOING FOR VICTORY

Lenawee county farmers, who are bending every effort to speed up their Food for Victory Campaign, face a tremendous problem in keeping their farm machinery going, to say nothing of the agricultural manpower shortage, Fay A. Whelan of the Hoyt E. Whelan Implement Co., pointed out today.

"It is going to be up to the farmers, for the most part, to be their own mechanics, to make repairs at home and in the field, and to do the work with what labor is available in the neighborhood," Mr. Whelan said. I say this because I know that the 25 implement dealers in the county are, like ourselves, short of help, and they cannot possibly answer service calls as in years gone by. I think it is safe to say," he continued, "that most implement men are depending upon part-time labor, and to answer a hurry up call to a farm this year to start a tractor will be almost out of the question. We might be able to get there the next day or the day following, but certainly, with what little help we have, service calls will have to be taken in rotation."

Mr. Whelan also pointed out that while dealers have fairly good stocks of repair parts, when these are exhausted others will be coming in very slowly. He forecast that many pieces of farm equipment probably will be laid up for short periods of time, waiting for parts.

"We're out to give the farmer every possible service we can with the help and repair parts we have," he continued, "but I can't urge too strongly that the farmer do as much of their own repair work as they possibly can. If we're going to raise food for Victory, then we must keep the present equipment going with home repair."

He pointed out that Lenawee is receiving about 50 per cent of the new farm machinery it did in normal times, and about 35 per cent of the amount received a year ago. Some repair parts are available from factories but there are long delays after orders are placed.

"Instead of ordering new parts this year I'm afraid we'll have to repair the broken ones, get them welded or toggle them up the best we can," he continued. "The shortage of machines and manpower certainly will be felt very keenly on every Lenawee farm during the spring and summer."

CANCER DEATHS SET NEW MICHIGAN HIGH

Cancer deaths in Michigan in 1943 totaled 6,807, a new high that represented 12 per cent of all deaths, the Michigan Department of Health pointed out today in calling attention to the fact that April is designated as Cancer Control Month by state organizations formed to combat the disease. Special educational campaigns will be carried on by these organizations during April.

Cancer again ranked second last year among the 10 leading causes of death. The cancer death rates is rising steadily, explained in part by improvement in diagnostic methods which, each year, places increasing numbers of deaths in the cancer column. Some authorities, however, believe there is an actual increase in the rate, the number of persons in whom cancer develops. Also, cancer claims more victims in the higher age brackets and the average age of Michigan residents is ascending.

Best hope of controlling cancer lies in education, Michigan leaders point out. Hope of cure is greatest when the disease is discovered and treated in earlier stages.

Similar educational efforts have played a part in bringing about the decline in tuberculosis deaths in Michigan from second place in 1900 to seventh place last year.

NURSES MEET

A number of Tecumseh nurses attended the March meeting of the Lenawee District of the Michigan State Nurses' Association held at the home of Mrs. Lavern Pfister, in Adrian last Tuesday night. Twenty-five dollars was voted as a donation to the Red Cross.

Christianity Is Hope of World

PRESENT WAR IS NOT WAR TO END WARS, U. M. PROFESSOR TELLS ROTARY-ANNS

We are not fighting a war to end all wars, as some would lead us to believe, and if we are, why are we discussing a post-war standing army of two million men and a coast bristling with armaments, John L. Brumm, professor of journalism at the University of Michigan, asked his listeners when he addressed the annual Rotary-Ann dinner meeting at the high school here, Tuesday evening.

"What are we fighting for?" he qustioned. "Is it to return to the 'old way' of life, the called 'normal way' of American living, or is this a new order? What does the future hold for American civilization?"

Declaring that he is somewhat pessimistic as to the future of the world, Prof. Brumm is of the opinion that the old order must go, that in the post-war days to come America will not return to what the legalistic mind terms "the normal way," but rather the future will be guided by the younger element, the so-called legislative mind, which believes in tomorrow and fails to worry about yesterday.

An idealist, Prof. Brumm holds that the world's civilization will never get more out of life than it puts into it, that before strife and wars can be eliminated civilization must rise above greed and selfishness and be willing to work for the pleasure of doing rather than for the monitary return. Christianity, he declared, is the hope of the world and without it's acceptance universally there can be no permanent peace.

Today, Prof. Brumm, declared, the degree of man's success in life is measured by the amount of wasteful spending he is able to do. Such a measure of success, he declared, is wrong. Man should be willing to work, not for the salary he receives, but for the good he can accomplish. Unless such a thought is accepted universally in the post-war world then there can be no permanent peace, the speaker told his audience.

The Rotary-Ann dinner was attended by more than 100 Rotarians, their wives and guests. M. L. Dannells, president, presided, and W. J. Bruce acted as chairman. Group singing was led by W. L. Berkhof with Mrs. Ned Baldwin at the piano. The invocation was by the Rev. James C. Murdoch, the benediction by the Rev. John Scarlett.

The three-course dinner was served by Mrs. Fannie Brees.

DESCRIBES GERMAN SOLDIERS

German soldiers are divided into two classes by Gen. Bernard L. Montgomery, former commander of the British Eighth Army in Africa, who speaks with authority.

Gen. Montgomery says that the older German soldiers, who grew up before the Nazis got them, are "correct, almost considerate" opponents. In Africa they picked up British wounded, along with their own, and gave fair treament to prisoners of war.

The younger German soldiers, whose minds were trained in the Nazi school, are described as "thoroughly nasty" by the great British leader.

Obviously, the younger German soldier must be re-educated. This is a difficult task and begins, as the New York Times suggests, "by showing them in battle that crime doesn't pay."

THE OLD JUDGE SAYS...

"I was just tellin' my brother Fred this morning, Judge...there's never been a time in our lives when we got to live up to that old sayin' 'United we stand, divided we fall' more than we have to today."

"How true that is, Herb. And for the life of me, I can't figure out why, at a time like this, some folks insist on raising a question like prohibition. I can't imagine anything that would tickle our enemies more than to get us folks over here taking sides against each other, arguing about an issue like that. We've got a he-man's job on our hands to win this war and we can't be wasting our minds, our money and our strength fighting about something we tried for nearly 14 years and found couldn't work.

"I say there's a time and a place for everything, and this is no time or place to be doing any fightin' except the kind that's going to win the war."

EVERY FARM MACHINE MUST FIGHT IN THIS WAR FOR VICTORY

If your machine breaks down, remove the broken parts and bring them to us. If we haven't the new parts, possibly the old ones can be repaired or other types substituted. Tearing down the broken machine on your farm saves your time and ours. Time is at a premium—our repair shop is swamped and help is critically short.

An idle machine on a Lenawee County farm is as much a saboteur as a fighter who'd lay down his gun.

This is an appeal to the farmers of this area; a plea that they will make every piece of machinery on their farm fit to take part in the fight —producing food for freedom.

Home repair is your answer. Of course you can get the parts you need—right here. Our stock is for the most part quite complete, and we're here happy to order parts where necessary.

Remember! Uncle Sam equips his front line soldiers—so he's equipping his farm-front soldiers, too. Without your farm production there can be no Victory!

NOT JUST FEED BUT A WHOLE PROGRAM

Good chick management and sanitation measures have a greater bearing on your success than just the starting mash alone that you use. HAYDEN'S STARTED AND GROWER is made to build strong healthy chicks. The fact that it is not as high priced as some is proof of the efficiency of the makers.

Management and Sanitation

Regardless of the brand of starting mash or the kind of chicks you start with, YOUR SUCCESS DEPENDS ON MANAGEMENT AND SANITATION. If you'll follow the coming series of advertisements under the "HAYDEN HEN HUMPER" heading, and save them, and follow them, they'll make you money. If you have your chicks now and want the whole series of management pointers at one time, just write and we'll send them to you. We suggest again that you start with HAYDEN'S STARTER AND GROWER.

Tecumseh Will Observe Easter

SPECIAL PROGRAMS ARE ANNOUNCED BY CHURCHES; SEVERAL SUNRISE SERVICES

Services in observance of Easter will be held in the various local churches Sunday, with several sunrise services and breakfasts planned to open the day of worship.

At the Tecumseh Friends Church a series of special services will mark the pre-Easter and Easter season. Tonight at 8 o'clock a service of Remembrance will be held, this being the annual communion service. The union Good Friday service from 12 to 3 p.m. will be held this year in the Friends church. On Sunday morning at 7 o'clock the Christian Endeavor will have charge of the sunrise service with Mabel Lockwood as the leader. At 10:30 a.m. the church and Sunday school meet in a unified Easter service, there being no separate session of the Sunday school. The Sunday school choir will sing several special numbers. The pastor will speak on the subject "The Risen Christ." At 7 p.m. an Easter vesper service will be held at the Comfort Farm, southeast of town. This will be a camp-fire meeting and will be in charge of the young people. The pastor will speak on the subject "The Evening of the First Easter Day."

The Young People of the Presbyterian church will hold a Sunrise service and breakfast in the church parlors at 7 a.m., with all the congregation invited. Arrangements will be made at this time for resuming the Young People's meetings.

During the morning worship hour, Rev. James Cameron Murdoch will give the sermon on "First Man, Second Man." St. Andrews Choir and the Women's Chorus will sing. There will also be a baptismal service. The Sunday school will present an Easter program during the church school hour.

Nine children were baptized Palm Sunday at the Presbyterian church when 250 persons were in attendance. The children's chorus of 32 sang as well as St. Andrews choir.

The Methodist congregation will hold a Sunrise service and breakfast at the home of Mr. and Mrs. Ellsworth Collins Sunday morning at 8:30.

During the morning worship hour Rev. Norman MacNaughton will give the sermon "Triumphant Living." There will be a reception of new members and baptism of infants. The special musical numbers will include the organ prelude "Messiah"; the anthem "Easter is Here Again" by Means; offertory "Pastoral" and postlude, "Royal Pageant" by Marks.

Rev. B. O. Bashore will give the Easter sermon "He is Risen" at the Baptist church. New members will also be received at this service. The Young People of the church will hold a Sunrise service and breakfast at 7:30 a.m. in the home of Kathleen Powell.

At Grace Lutheran church Holy Communion will be observed at 8 o'clock tonight, Maundy Thursday. The Good Friday service will be held at 8 o'clock Friday evening and the Easter sermon will be given by Rev. J. de Ruiter at the 11 o'clock worship hour Sunday morning.

The traditional early Easter morning service at St. Peter's Episcopal church will be held at 7 a.m., with Holy Communion and special music. The church school festival service will be held at 11:15 a.m. with Holy Communion. Children's service will be at 9:45 a.m. as usual.

The Martha-Mary chapel at Macon will present the Easter cantata "The King of Glory" at 4 o'clock Sunday afternoon with Miss Harriett Hagans as leader.

The program as arraged is as follows: Prelude, "Aria," Handel; Doxology; hymn, "Christ the Lord is Risen Today"; Lord's Prayer and choral response; chapel choir "Rejoice in the Lord" with solo by Carl Thomas; Quartet and choir, "Christ Has Come," with solo by Herbert Gilmore; the Twenty-fourth Psalm; soprano solo, "Consider the Lilly" by Mrs. Mills Swick; quartet "When I Survey the Wondrous Cross", Mrs. Mills Swick, Mr. and Mrs. Herbert Gilmore and Carl Thomas; baritone solo, "Like as the Hart," Ray Waters; hymn, "Jesus Keep Me Near the Cross"; alto solo, "A Man of Sorrows"; Mrs. Herbert Morden; Chapel choir, "Cast Thy Burden" with solo by C. O. Bally; scripture reading; soprano solo, "I Know that My Redeemer Liveth," Mrs. Carl McClure; chapel choir, "The Earth is the Lord's" and "Lift Up Your Heads, O Ye Gates"; hymn, "All Hail the Power of Jesus' Name"; prayer and choral response; postlude "Hallelujah Chorus (Handel).

LET'S BE THE TOP TOWN IN EVERYTHING!

An Appeal to the Youth of Tecumseh

Fifty-six per cent over-subscribed in the Red Cross War Fund Drive; hundreds of thousands of dollars over the top in War Loan Drives; thirty per cent over-subscribed in the Patriotic League Drive, in fact the "top town" in Lenawee County in every money-giving patriotic enterprise that has come along since the war started, Tecumseh holds an enviable record of "backing the boys on the home front."

But there is one patriotic enterprise in which Tecumseh has failed, and failed miserably.

Tecumseh is NOT collecting its waste paper.

It appears that Tecumseh has not awakened to the fact that there is a very definite shortage of waste paper; that waste paper is fighting in this war, and that every week, hundreds and hundreds of pounds of paper are going to waste in this community—why, because no one is taking the time to collect it and make it available to some war-processing plant.

That there may be no doubt as to the seriousness of the paper shortage, let us quote from a resolution, offered in Congress on March 30, by Rep. Calvin D. Johnson (R) of the 22nd District of Illinois, that it be the sense of Congress "(1) that every effort should be made to utilize to the fullest extent possible all waste paper in order that essential supplies and services may be maintained during the present war, and (2) that the willful destruction of waste paper is an unpatriotic act seriously interfering with the war effort and of material assistance to the enemies of the United States. Sect. 2. The Congress hereby expresses itself as favoring, and recommends to the several States the enactment of, legislation which will make unlawful the willful destruction of waste paper."

Lack of Waste Paper Slows Down State Mills; Public Aid Is Urged

LANSING, Apr. 6.—Calling on the people of Michigan to redouble their efforts in salvage of urgently needed waste paper, Kenneth M. Burns, chairman of the State Salvage Committee of the Michigan Office of Civilian Defense, warns that because of lack of supplies some mills in the state are now operating on a day-to-day basis.

"The need or more waste paper at Michigan paper mills is fast becoming desperate," Burns said. "According to figures secured by the Regional War Production Board, inventories of waste paper at seven Michigan mills have declined from a peak of 12,131 tons on February 12 to 7,966 tons the week of March 18. That compares with requirements of approximately 8,000 tons a week. Paper mills are running on less than 24 hours supply of waste paper and have only been able to operate five and six days a week, where they had been on 24-hour, 7-day work schedules.

"A recent national poll showed only 50 per cent of the people in the United States are saving waste paper. We are falling short of our goal. We cannot let the armed forces down. I am convinced there is enough waste paper to supply the needs of our paper mills if we salvage it and send it to war."

It should not be necessary to enact a law forcing anyone to save waste paper. If our government needs it to fight this war, then it is up to us to save it cheerfully.

We appreciate the fact that everyone is busy in war time. We realize full well that the village government is short handed, that trucks and manpower are at a premium. We appreciate the fact that there are no salvage companies here that carry on the work of collecting and processing paper.

But that is not an excuse in war time, when paper is badly needed.

In the City of Adrian, only 12 miles away, there is a paper company that is crying for waste material. This company is willing to pay OPA ceiling price for the product, it is willing to send its own trucks to a collection station in Tecumseh to haul the paper to its plant.

Here is our suggestion:

Tecumseh has been kind to its Boy and Girl Scouts, to its youth generally. It has raised funds to pay membership fees in Scouting associations; it has contributed generously to make possible the operation of a youth club.

Might we suggest that now would be an excellent time for Tecumseh's youth to demonstrate to their elders that they appreciate these generosities by stepping forward and collecting the waste paper so badly needed in our war effort. Someone, certainly, would contribute trucks, and there is adult leadership available.

Aside from the tremendous aid the youth would be giving to the war effort the boys and girls also would be benefitting financially. This Adrian company would be only too happy to pay them for the paper and the funds could be placed in some youth treasury.

Is money so plentiful that youth need no longer work? We trust that such is not the case, but if it is, then we appeal to youth to step into this picture as a patriotic gesture.

Let's put Tecumseh on the map as doing its part in the collection of waste paper, too.

School Time To Change April 12

CENTRAL BUILDING STUDENTS TO REPORT AT 8:15 INSTEAD OF 9; OUT AT 4 P. M.

Effective Wednesday morning, April 12, the Tecumseh Public Schools will again operate on the old time schedule according to an announcement from the office of the superintendent. On the basis of this schedule the school day for the children enrolled in the branch buildings will, with slight variations in dismissal time, extend from 8:45 to 3:30 p.m. with the period from 11:30 to 1 p.m. for the noon recess.

The morning session for all pupils attending the Central Building will begin at 8:15 a.m. The elementary grades will be dismissed at 11:30 for the noon recess and the junior and senior high school classes will be dismissed at 11:45. The afternoon sessions for the same groups will begin at 1 o'clock and the dismissal times will be 3:30 for the grades and 4 o'clock for the junior and senior high school classes.

The change in the time program as outlined has been deemed advisable by the local board authorities to permit an earlier dismissal in the evening for the many students who hold after school jobs either in local places of business or on farms in the area.

The schools here recessed last evening for the spring vacation, W. L. Berkhof, superintendent, said, but the holiday this spring will be a brief one, due to an early closing date in June. The recess will last only until Tuesday night of next week and the schools will reopen on the new schedule, Wednesday morning.

The school year in Tecumseh this year ends on Friday, June 2, almost two weeks earlier than in years past.

Presbyterian Church Holds Annual Meet

The annual meeting of the congregation of the Presbyterian church here was held on Tuesday evening. The election was as follows:

Head usher, John H. Smith, assistants, Ted Ehinger, Harold Easton; trustees, Howard Truesdale, reelected, Dwight Hodges, M. G. Partridge; elders, John Saling, Glenn Van Denbergh, B. J. Updike, Percy Heidenreich, Jerry P. Spafford.

The financial reports indicated that the church had enjoyed its best financial year in a quarter of a century. Total receipts were well over $12,000, and receipts for benevolences more than doubled the preceding year.

The congregation, without a dissenting vote, authorized a $700 increase in the minister's annual salary.

The pastor, the Rev. James Cameron Murdoch, presided at the Ecclesiastical part of the meeting and L. H. Titley, president of the board of trustees, presided at the corporation meeting.

Good Friday Service at Friends This Year

The annual three-hour union Good Friday service will be held this year in the Tecumseh Friends church from 12 noon to 3 p.m., with local ministers participating in the service as follows:

"Father forgive them for they know not what they do", Rev. Edward Escolme; "Today shalt thou be with Me in Paradise", Rev. J. C. Murdock; "Woman, Behold thy Son—Behold thy mother", Rev. O. E. Priest; "My God, My God, why hast thou forsaken me?", Rev. Blair O. Bashore; "I Thirst", Rev. D. S. Carmichael; "It is finished", Rev. John R. Scarlett; "Father into thy hands I commend my Spirit", Rev. Norman MacNaughton.

The public is welcome to attend this service and any who feel that they cannot remain for the entire three hours are asked to feel free to enter or leave during the singing of the hymns.

The Good Friday offering may be placed on the offering may be placed on the offering plates found at the rear of the church. The offering this year will be given to the American Friends Service Committee for European relief and rehabilitation work.

As has been the custom in the past, downtown business places, offices and shops will observe Good Friday by closing their doors from 12 to 3 p.m.

Income Tax Aid Now Available

DEPUTY COLLECTORS IN ADRIAN THIS WEEK TO ASSIST IN MAKING ESTIMATED RETURNS

Persons who must file estimated income and Victory tax reports on April 15 will have the benefit of assistance from deputy collectors of the Department of Internal Revenue, it was announced today. Two representatives of the Department are at the city hall in Adrian today, and they will remain there throughout Saturday.

The law governing the filing of estimated income and Victory tax returns provides that a declaration must be made by every citizen or resident of the United States who, if—

1. Single or Married but living with Spouse (whether or not head of a family), expects to receive in 1944—

(a) more than $2,700 of wages subject to withholding; or

(b) more than $100 of income from all other sources, provided his total income is expected to amount to $500 or more.

2. Married and living with Spouse, expects to receive in 1944, either alone or together with his spouse—

(a) more than $3,500 of wages subject to withholding; or

(b) more than $100 of income from all other sources, provided—

their total combined income is expected to amount to $1,200 or more or

his total separte income is expected to amount to more than $624.

Thus, every individual who receives wages which are not subject to withholding—for example, compensation for agricultural labor or domestic service—and every individual who receives income from dividends, interest, rents, or gains from property transactions or from a business or profession, must file a declaration if his income for 1944 is expected to exceed the amounts stated in paragraphs 1 (b) and 2 (b) above.

In addition, a declaration is required of any individual whose income for 1943 was in excess of the amounts stated above.

In applying the foregoing rules, the first $1,500 of military pay should be excluded from income.

Husbands and wives who are only temporarily apart—for example, if one is in the armed forces—are considered to be "living together." Otherwise, separated husbands and wives are considered "single persons."

These rules apply also to aliens who are residents of Canada or Mexico and whose wages are subject to withholding in this country. Other nonresident aliens are not required to make the declarations.

CHAS. ESSLINGER DIES

Chas. Esslinger, 73, of Clinton, died Wednesday morning in the E. M. Wellwood home, where he had lived for some time. Mr. Esslinger came to Clinton from Dayton, O., 16 years ago. He had ben in poor health for some time.

He is survived by one brother, Fred, and two sisters, Mrs. Jos. Brinzer and Mrs. Julia Stark, all of Ann Arbor. His wife died several years ago.

Funeral services will be held this afternoon at 2 o'clock at the Hause Funeral Home, the Rev. O. E. Priest officiating. Burial will be in an Ann Arbor cemetery.

Red Cross Now Far Over Top

TECUMSEH HAS EXCEEDED ITS QUOTA BY 56 PER CENT; OVER $8,500 SUBSCRIBED

Tecumseh has turned in gifts to the American Red Cross during the current War Fund drive of $8,549.78, according to Perry and Elizabeth Hayden, co-chairmen. Still further contributions are expected.

Last year, Tecumseh turned in to the Lenawee County Chapter of the Red Cross $4,340.77, so this year's giving is 97 per cent ahead of last year, or $4,209.01 over 1943.

Tecumseh's quota of $5,500 has been oversubscribed by $3,049.78 or 56 per cent. An important part in the success of the local drive was the participation by Tecumseh organizations, apart from corporate and individual gifts. The complete list of organization gifts to date are as follows, totaling $1,101.17.

A partial list of organization gifts was published previously and Mr. Hayden announced today an addition to the list. Organization gifts to date, he said, total $1,101.17, and the added list is as follows:

Westminster Junior League, $15; American Legion Auxiliary, $60; Lyster Junior League, $5; P.E.O. Sisterhood, $5; Ladies Union, Baptist, $5; Tecumseh Club, $10; Hospital Auxiliary, $10; American Legion Home Ass'n., $100; Tecumseh Rotary Club, $15; Village of Tecumseh, $75; Reliable Class, Methodist $2; Presbyterian League, $4.

The largest single corporate gift was a check for $1,000 from the Tecumseh Products Co. The next largest was $500 from Myers Aircraft. Including the $240 from the Tecumseh Refrigeration Sales, the $500 from the United Product Workers of Tecumseh, $631 from non-union workers, and the gift for $1,000 from the firm itself, a total of $3,371 came directly from the Tecumseh Products, in addition to many gifts given at the homes of the workers.

When Harry Bradley, chairman of the Lenawee County Branch of the American Red Cross at Adrian heard what Tecumseh had done, he said, "If the rest of the county did as well as Tecumseh we would raise nearly $100,000 for the War Fund Drive. I am proud of that live little city of Tecumseh."

Gifts may still be left at the United Savings Bank, at Wade Jones' office, or may be mailed to Perry Hayden at Tecumseh. The closing date for the county drive has been set at April 15.

Says Local Pig Crop Has Been Sharply Cut

Dr. E. C. Schubel of Blissfield, veterinarian, was the speaker at the regular meeting of the Rotary Club here Tuesday evening at Brees House. He was the guest of Dr. William Britton, a member of the club.

Dr. Schubel discussed the conservation of livestock in war time and declared that veterinary medicine and surgery is vitally interested in agricultural economics. High prices of feeds and a shortage of manpower already have reduced this area's pig crop by from 25 to 40 per cent, he said, and the conservation of the pig crop this year and next is vital, the speaker pointed out.

The veterinarian told of advances being made in his profession and said that preventive remedies are on the up-swing. He also discussed stock feeding and explained how proper feeding is of a definite advantage to livestock raisers.

Four directors of the club were named at the meeting as follows: B. G. Ousterhout, for a two year term, and John Ziegler, Earl Wickwire and Paul Maves for three year terms. The directors will meet next Tuesday and elect officers.

ADVERTISING MICHIGAN

(Editorial in Lansing State Journal)

An important task confronts the nine-man tourist council named by Governor Kelly in accordance with an act of the special legislative session designed to stimulate the advertising of Michigan's tourist attractions.

The council will have responsibility for expenditures of $50,000 appropriated for the purpose of advertising the state as a whole. Inasmuch as there is reason to suppose that there may be a tourist business after the war the new council will be expected to arrange an effective advertising program which will attract a maximum number of tourists to Michigan.

In appropriating the advertising fund, the legislative appears to have specified that it be used to promote the interests of all Michigan rather than any particular section. Another $150,000 was appropriated by the legislature to subsidize promotion work of the four regional tourist associations and a grup of agriculture associations.

It would seem that the $50,000 appropriated to advertise Michigan as a whole might be expended most effectly by for national advertising in newspapers or other publications reaching the largest possible number of persons. While attractive brochures of "lure books" may entertain those who see them, it may be wondered whether, with the funds available, enough could be published to cover effectively a sufficiently large field.

Michigan's tourist business has been classed as the state' second industry and Michigan's tourist attractions have been enhanced by recent purchases of new recreation areas.

Charles M. Ziegler, state highway commissioner, who recently appeared before the house and senate roads committees in congress in support for a bill proposing federal funds for post-war road construction, pointed out that new roads are needed to provide access to lakes, forests, and streams for Michigan residents, and visitors from other states.

When the fighting is over and unrationed motorists may press the starter button and head where fancy suggests, Michigan should have its case before them in a way which cannot be ignored.

STEP NO. 1
In Your Chick Program

Buy quality chicks that are bred for high egg production.

They will cost more but your death loss will be lower, and your egg production will be higher. Don't be "Penny Wise and Pound Foolish."

STEP NO. 2

Thoroughly scrub, scrape, and disinfect your brooder house. Disease germs and worm eggs may remain in the cracks. There may be also dirt and dried droppings from your last brood of chicks. Also clean and disinfect your brooder stove hover. Your baby chicks are more susceptible to germs and parasites than were the older chicks you took out of this brooder last season.

Youth Club Planning For Amateur Night

Stunt night was held at the Youth Club Tuesday night with a good attendance.

Amateur night will be held Wednesday evening, April 12, with a loud speaker hook up; there will be a master of ceremonies and plenty of take-it-or-leave-it fun.

These planned activities each week are proving popular with the teen-agers who are showing themselves capable of organizing and directing their own activities as well as keeping the rooms clean.

The big event of the season is the Spring formal to be held Saturday evening, April 15 in the high school gym with a 14-piece orchestra. Tickets may be obtained from members.

The club rooms are closed at noon hour during the spring recess but will reopen at noon April 12. The club is open evenings as usual.

THE END of your ROPE — TOJO!

How do things look to you, oh infamous War Lord? You grinned a toothful smile when Mussolini fell off his sawdust throne. He wasn't so important, you thought. But now that your powerful Aryan partner in crime is biting the dust and going down to inglorious defeat, what do you think the prognosis is for your own future? We hope you realize it's just a matter of time, before you too will be at the end of your rope, with nothing but your own doom to receive you in the depths of your kind of hell!

Your Victory Garden Will Help Speed Victory

This year our government tells us that more than ever before Victory Gardens are needed to help supplement the nation's food supply. Such gardens, Uncle Sam says, are a part of our war effort.

That is why we have stocked pre-tested seeds of all varieties of garden vegetables—to assure quick growth and a bumper crop.

May we suggest that you buy your seeds now, while our stock is still complete. Planting time is just around the corner.

EVERETT EXELBY OF BRITTON SAYS HAYDEN'S HOG BALANCER O. K.

Everett Exelby has been living in Ann Arbor for the past few years. He started farming again this past year, and fed HAYDEN'S HOG BALANCER for the first time to 6 hogs. They averaged 220 lbs. each and were not quite 6 months old. Everett says he would never raise hogs again without Hayden's HOG BALANCER. He says they were a fine lot of pigs, and despite the fact that he bought every pound of feed, they made him money.

PREDICTS MORE GARDENS

Michigan citizens this year will raise 792,000 Victory Gardens, 10 per cent more than they grew in 1943, Governor Harry F. Kelly has assured Prentice Cooper, Governor of Tennessee and Chairman of the National Victory Garden Advisory Committee. The prediction was made in answer to the southern governor's request that Michigan make every effort to increase production of food at home.

"Interest in home gardening is greater this year than last," Kelly said, "and I assure you that when the records are compiled at the end of the season it will be found that Michigan has done its full part in providing food as a weapon for victory."

R. R. Fire Victim Is Buried at Ridgway

Funeral services for Emery Daykin whose death occurred last Wednesday at Danbury, O., were held Saturday at the Niblack Funeral Home in Britton. Rev. C. P. Gould officiated and hearers were members of Glenn H. Daykin Post of the American Legion of which he was a member. Military services were conducted at the grave by the *Glenn H. Daykin* post, assisted by Underwood-Orr post of Tecumseh, with Lowell Edwards, Britton Boy Scout, as bugler. Burial was in Ridgeway cemetery.

Mr. Daykin died from burns received when a railroad car caught fire. He was foreman of the N.Y.C. bridge construction crew and had been employed by the railroad for 22 years. He was a World War 1 veteran and the Legion post of Britton was named for his brother.

The survivors are his father Joseph Daykin, a sister Mae of Britton and three brothers Artrur of Britton, Leroy of Adrian and Clarence of Milan. His mother died a few years ago.

FRIENDLY CLASS MEETS

The Friendly class of the Friends church met Tuesday with Mrs. R. R. Van Winkle, Mrs. Herbert Murphy was leader of the program which consisted of a musical Easter reading by Mrs. Emma Day; a reading by Mrs. Adah Lockwood, and Solovox selections by Jack Tonneberger. Mrs. Naomi Sallaws reported on the election of officers as follows: Mrs. Day, president; Mrs. Pauline Van Valkenburg, vice president; Mrs. Ivah Cleveland, secretary; Mrs. Elizabeth Manley, treasurer; and Rev. Escolme, teacher. These officrs begin their duties in June.

Refreshments were served at the close of the meeting.

NINETY-FOURTH YEAR—NUMBER TWENTY-EIGHT | TECUMSEH, MICHIGAN, THURSDAY, APRIL 13, 1944 | FIVE CENTS PER COPY

Theatre To Give Show Proceeds To Chest Fund

"THIS IS THE ARMY," TO SHOW AT STRAND BEGINNING SUNDAY FOR THREE DAYS

Funds for the relief of Tecumseh's returning soldiers and sailors will be swelled by several hundreds of dollars next week as the result of an announcement by Walter Nichols, manager of the Strand Theatre, to the effect that beginning Sunday, the management of the theatre has decided to turn its share of the proceeds derived from the showing of the Irving Berlin film, "This is The Army," over to the Tecumseh Community Chest. The picture plays at the Strand for three days, Sunday, Monday and Tuesday, with an early afternoon matinee Sunday. An advertisement announcing the theatre's program will be found in another page of this newspaper.

"This Is The Army' has played to capacity audiences all over the country," Mr. Nichols said, "and is still packing them in wherever it is shown. We anticipate that we will have difficulty in handling the crowds here. We have decided to turn over our entire share of the proceeds from the showing to the Community Chest, and we will not deduct one penny for the expense of operation. We are making only one stipulation in connection with the gift. The money must be used for the benefit of returning soldiers and sailors."

Irving Berlin's "This Is the Army," comes to the screen of the Strand in its Warner Bros.' Technicolor production. The picture will be a happy invasion of the hearts of America by its stalwart and talented sons in the service.

The Warner Bros. production for Army Emergency Relief uses all three hundred and fifty of the original cast plus heavyweight champion Sergeant Joe Louis, in putting the great show on film, the studio was careful not to alter but to augment it. Thus a large cast of motion picture and radio stars was added as were some old and new Irving Berlin songs.

Hollywood is richly represented by, among others, George Murphy, Joan Leslie, Lieutenant Ronald Regan, George Tobias, Alan Hale, Charles Butterworth and Una Merkel.

Radio's great star, Kate Smith, sings the beloved hymn, "God Bless America," which she introduced to the nation over the air waves. Frances Langford puts over the new Berlin number "What Does He Look Like" while Gertrude Niesen sings some of the composer's World War I tunes.

A screen story was built around the show, linking together the generations of the two world wars and giving the production a plot interest which the stage version lacked.

Based upon a screen play by Casey Robinson and Captain Claude Binyon, Irving Berlin's "This Is the Army" was directed by Michael Curtiz who directed "Yankee Doodle Dandy," "Casablanca," "Mission to Moscow" and other outstanding motion pictures.

HONORED BY ARMY

KEESLER FIELD, Biloxi, Miss.—Prt. Everett L. Furgason, husband of Mrs. Everett Furgason, 207 W. Shawnee St., Tecumseh, Mich., has been rewarded for his excellent marks on Army mechanical aptitude tests with enrollment in Keesler Field's B-24 Liberator bomber mechanics school.

Prt. Furgason will undergo a rigid and comprehensive 17-week course at this unit of the Army Air Forces Training Command. He then will be qualified for active duty with one of the AAF'c B-24 units, or will attend a factory or gunnery school.

HARD TIMES PARTY

Members of the Tecumseh school band of their parents will hold a hard times party at the Grange hall Friday evening, April 14, with a potluck supper at 6:30. Those attending are to bring table service, sandwiches or rolls and food to pass. Prize will be awarded for the best costume. There will be dancing, games and stunts, a spelling bee and other amusements for both young and old.

MARRIAGE ANNOUNCED

Mr. and Mrs. Myron Dermyer are announcing the marriage of their daughter, Alta, and Robert Elaine Herman, son of Mr. and Mrs. Leonard Herman of Clinton, which took place March 31 in Wauseon, O. They were attended by Mr. and Mrs. Clarence Champanois.

WIT-WISDOM CLUB

Mr. and Mrs. Alvin Brazee will entertain the Wit and Wisdom Club Monday evening, April 17, at their home at Iron Creek. This meeting was postpned from April 10.

TECUMSEH'S AGAIN THE TOP TOWN!

Red Cross Quota Nearly Doubled

Tecumseh has nearly doubled its quota to the Red Cross War Fund, it was announced today by Perry Hayden, chairman.

A cashier's check for $903.09 was delivered to the Lenawee County Chapter at Adrian yesterday by Guy E. Belding, a member of the finance committee of the local drive, bringing Tecumseh's total gift in the present campaign to $9,522.87. Tecumseh's quota was $5,500.

The $903 check represented gifts turned in since the last report was made, plus a balance on hand from the 1943 drive, Mr. Hayden said. The drive officially closed on Easter Sunday.

Last year, Mr. Hayden said, Tecumseh gave $4,340.77 to the Red Cross making this community's largest gift to that organization in two years of $13, 863.64.

"Again we wish to extend our thanks and deepest appreciation to this community," was the chairman's comment. "It is apparent that we have again lived up to the reputation of being 'the biggest little town on earth.'"

Funeral This Afternoon For Elwood Comfort

Elwood Comfort, aged 51 years, died Monday evening at his home in Albion, after several week's illness.

Mr. Comfort was born at Tecumseh, May 24, 1893 and was the son of Mr. and Mrs. Albert Comfort, of Raisin township. He graduated from the Tecumseh high school in 1913, and later entered the employ of the Ford Motor Co. at Highland Park. He enlisted in the first World War, and was stationed at San Antonio, Texas, in the Signal Corps. After the war he returned to Tecumseh and was married to Bertine C. Rogers of Holloway on March 29, 1919. During the next five years he was employed at the Ford Motor Co., the Comfort Tile Yard and Satterthwaite Bros. hardware store. In 1924 he moved to Albion and entered the interior decorating business, which he operated successfully until six weeks prior to his death. Mr. and Mrs. Comfort celebrated their silver wedding anniversary two weeks ago. Mr. Comfort was a member of the Tecumseh Friends church and was a deep student of the Scriptures. As a lay preacher he had many calls to fill pulpits in Battle Creek, Albion, and vicinity, and has spoken many times at the Tecumseh Friends and Holloway Presbyterian churches. He was also a member of the American Legion and was an active worker and an officer in the Prohibition Party.

Besides the widow he leaves two daughters, Mrs. Jean E. Murphy of Detroit, and Miss Carol M. Comfort, at home; two sons, Ned E. and Bruce A. Comfort at home; his mother, Mrs. Albert A. Comfort, of Tecumseh; three sisters, Mrs. Dan Birdsall, of Albion, Mrs. Perry Hayden, Tecumseh, and Lieut. (jg) Martha Comfort, a navy nurse serving in the South Pacific; four brothers, William P. Comfort of Detroit, Parker S. Comfort of Evanston, Illinois; Russell A. and Ralph B. Comfort of Tecumseh.

Funeral services will be held today at the Marsh Funeral Home in Albion at 2:30 (EST), and at the Raisin Valley Friends Church in Birdsall at 4:30 (EWT), Rev. Howard Moore and Rev. Edward Escolme will officiate and burial will be in the Raisin Valley cemetery.

MISSING IN ACTION

Mr. and Mrs. Edward G. Wahl of Blissfield, formerly of Tecumseh, have received word that their son Lester A. Wahl, motor machinist's mate, second class, of the U. S. Coast Guard, is reported missing in action.

Lester, who was 24 years of age, graduated from Tecumseh high school in 1938 and was a member of Tecumseh chapter, Future Farmers of America.

AID SOCIETY TO MEET

The Presbyterian Ladies Aid Society will meet Wednesday, April 19 in the church parlors for a potluck dinner at 12:30 followed by the regular business and a program in charge of Mrs. E. J. Aebersold. Members attending are to bring table service, sandwiches and dish of food to pass.

NEW SCHOOL OPENED

The new Ridgeway school replacing the one burned last fall, is now completed and open for public inspection.

Open house will be held on Sunday, April 16, from 3 till 6 p. m.

LANNING P. T. A.

The Lanning P. T. A. will meet Friday evening April 14 at the home of Mr. and Mrs. Orin Feight for their final meeting until fall. Each family is to bring sandwiches, jello and cookies.

Morenci Youth Champ Speller

GEORGE CLEGHORN WINS COUNTY HONOR; GEO. COMFORT, BIRDSALL, RUNNER-UP

George Cleghorn of Route 1, Morenci, was winner of the rural spelling bee held in Adrian Thursday and became champion speller of Lenawee county. George Comfort of the Birdsall school was runner-up. The winning word was "conveyed". A total of 105 students participated and all but eleven were eliminated in the preliminaries.

George who is a pupil of the Sutton school taught by Mrs. Arlene Nye, was presented with the Telegram's silver loving cup, by Miss Marie Scholten of the Telegram staff. He also received a personal prize of $5 from Mrs. E. T. Armstrong, county school commissioner.

The cup, which was won last year by Arlene Weinlander, of Blissfield, will remain in possession of the Sutton school for the coming year. If a student from the same school wins the cup for three consecutive years, it becomes a permanent possession of that school.

The other finalists from this vicinity were Barbara Brooks, Brownell school, Tecumseh; Wesley Whelan, Franklin Center school, Tipton; Anna Aebersold, Sutton school; and George Comfort, Birdsall school.

Harold Leader of Ford Centennial school was pronouncer; Mrs. Mary Walper of Ogden school and Glenn Driscoll of Brownville school the umpires.

Mrs. Margaret Reed Is Buried In Toledo

Mrs. Margaret Reed, aged 62 years, widow of the late Harold Reed, hanged herself Sunday in the basement of the home of her daughter, Mrs. Agnew Herring on West Pottawatamie street, where she had been since the death of her husband which occurred March 11 at Tecumseh hospital. Her body was found by the family on their return from church. No reason was known for her act and Justice F. C. Hanna, who acted as coroner, decided there would be inquest. Her home was at 2709 Detroit avenue, in Toledo.

Besides the daughter, Mrs. Elsie Herring, she leaves three sons Capt. William Reed, army chaplain at Greenville, Miss., Robert and Glenn Reed of Toledo, a brother Fred Schlotter of Lansdale, Pa., and five grandchildren.

The body was removed to the Collins Funeral Home and later to the H. H. Birkenkamp Funeral Home in Toledo where funeral services were held Wednesday afternoon, with burial in Woodlawn cemetery.

TECUMSEH BOY STUDENT AT YALE UNIVERSITY

New Haven, Conn., April 13—Leonard J. Wiessner, son of Mr. and Mrs. Leonard Wiessner, 412 W. Chicago Blvd., Tecumseh, Mich., is a student at the Army Air Forces Training Command School at Yale University for aviation cadet training in aircraft maintenance engineering. Upon successful completion of his course here he will be commissioned a second lieutenant and assigned to active duty with a Yank combat squadron.

Throughout his course of work, Cadet Wiessner will study power plants, fuel and electrical systems, aircraft weights and balances and allied subjects. School Hints Building Tax

FIVE MILL SINKING FUND LEVY MAY GO TO VOTERS; LIBRARIAN RESIGNS POST

The board of education, in regular session Tuesday evening, took preliminary steps toward establishing a fund for the building of a new school building here at the close of the war when the members took under consideration the possibility of calling a special election, early in June, to submit the proposal to the electors. The date of the election, it was said, will be announced later.

The proposal considered by the board, and which may be submitted to the voters, is that of a five mill tax on property in the district for a five year period. Such a tax, it was said, would raise approximately $60,000, and be used as the basis for a building fund, if and when a new building can be built.

Miss Edith Ingersoll, librarian here for 26 years, tendered her resignation to the broad. It was accepted and a letter of appreciation for her services was authorized. Miss Ingersoll will leave her job July 1.

In a letter to the board, Miss Ingersoll said:

"After having served the district as librarian for twenty-six years and having passed the retirement age, I feel that the time has now come when I should lay down this work and retire to a more restful kind of life. I feel, also, that it will be good for the library to have a new hand at the helm; some one who will, perhaps, introduce new methods and give a new imetus to the library's influence in the community.

"I realize that I have been most fortunate in the pleasant relations that I have enjoyed with the Board of Education during the years of my service, and I wish to extend to the present members as well as to those who have served on the board in past years, my sincere thanks for their uniform courtesy and consideration.

"I have thoroughly enjoyed my work as librarian and feel a good deal of regret at leaving it, but now it seems the right thing to do."

George Taylor Of Tipton, Dies

COUNTY ROAD COMMISSIONER FOR 23 YEARS IS BURIED ON TUESDAY AFTERNOON

George E. Taylor, aged 71 years, well known Franklin resident, and Lenawee county road commissioner for over 23 years, died Friday night at his home near Tipton after a two weeks illness. He had been failing in health for several months. Heart trouble was the cause of his death.

Mr. Taylor was born May 2, 1872, on the farm where he spent his life and where his death occurred. He attended the Stone school and Clinton high school, graduating in 1893. He later attended Cleary Business College in Ypsilanti.

In 1914, Mr. Taylor was elected supervisor of Franklin township and when the county road commission was organized a few years later he was appointed a commissioner, serving until his death. He also had served as chairman of the commission but declined the chairmanship in January because of his health. He was a member of Tipton Grange for many years and a charter member of the Tipton lodge, Knights of Pythias.

On October 19, 1898 he was married to Miss Mabel Bunting, who survives. He also leaves two daughters, Mrs. Dorothy Miller of Detroit and Mrs. Pauline Morgan of Plymouth; two brothers Andrew Taylor of Tecumseh and John Taylor of Detroit; and four grandchildren.

Funeral services were held Tuesday afternoon at the Tipton Community church with Rev. W. E. Grove of Curtice, O., a former pastor, officiating, assisted by Harry Starbuck, student pastor of Adrian College. Mrs. Charles Driffill sang a hymn. The bearers were Wayland Kahle, John Stewart, Russell Loveland, Ralph Wilson, Percy Van Valkenburg and Ned Kotts and burial was in Tipton cemetery.

Will Hold TB Clinic Here

TESTS TO BE MADE AT HIGH SCHOOL APRIL 17; X-RAY CLINIC TO FOLLOW

Through the cooperation of the Christmas Seal and the Lenawee county doctors and nurses, a tuberculosis case-finding program has been organized. Tuberculin testing clinics have been scheduled in the high schools and colleges, to be climaxed by an X-ray clinic Friday, Apr. 28, from 10 a.m. to 4 p.m. at the Civic Auditorium-Gymnasium in Adrian.

Arrangements have been made by Miss Elaine Abbott, field representative of the Michigan Tuberculin Association, for tuberculosis testing clinics to be held in high schools as follows: Adrian, Blissfield, Britton, Clinton, Morenci and Tecumseh, Monday April 17 at 9 a.m.; Deerfield at 1 p.m.; Hudson, Wednesday, April 19, at 9 a.m.; Sand Creek, Wednesday, April 19, at 2:30 p.m.; Addison, Thursday, April 20, at 9 a.m. (CWT); Onsted at 2:30 p.m. and Clayton, Friday, April 21, at 2:30 p.m.

Members of the community, especially those who have been exposed to tuberculosis, are urged to see their doctors or attend one of the clinics for a tuberculin test, the first step to safety in tuberculosis control. All positive reactors in the clinic and anyone presenting a written statement from their physician signifying a positive reaction, may attend the X-ray clinic.

The hope of wiping out this communicable disease lies in finding cases early because there is less chance of spreading the infection. It takes a much shorter time to effect a recovery by this method. If one member of a family reacts, all other members should be checked to be sure there is no unsuspected case in the home.

The tuberculosis death rate of Lenawee county is comparatively low, but with scientific methods of discovery and treatment available, no one needs to die of tuberculosis today.

Mrs. Laurabell Read Formerly of Macon, Dies

Miss Clara Hendershot of Macon has received word of the death of her cousin, Mrs. Laurabell Hendershot Read which occurred in Los Angeles, Calif., January 2.

SOME INVASION GEOGRAPHY

In view of the approaching invasion of western Europe it might be a good idea for Americans to get out their maps and look at the area that will soon become the center of their interest and the scene of heroic fighting on the part of their soldiers.

The southern coast of England, on the north side of the English Channel, is from 20 to 140 miles from the coast of France. Across this strip of historic water water will move the bulk of the invasion forces.

The English coastline is 390 miles, from Land's End, on the Atlantic Ocean, to Dover, opposite Calais. The French coast stretches 590 miles from Calais to Ushant, in Brittany, not far from Brest, our port in the first World War.

The Channel, which has an area of about 30,000 square miles, has tides from both the Atlantic ocean and the North Sea, with the result that it is difficult of navigation at times. The water is usually rough and fog and thick weather occur throughout the year.

Rounding Dover the English coast borders the North Sea, being opposite the 42-mile coastline of Belgium and the coast of the Netherlands, which has, northeast of the mouth of the Rhine, good beaches, only eighty miles from the German border.

The coast of Belgium rises gently to Flanders Field, with excellent beaches. The same can be said of the coast, just northeast of Calais, which is about 20 miles from England and the scene of the famous evacuation at Dunkerque.

Rounding Calais, on the French coast, and moving along the English Channel toward the Atlantic ocean, we find sloping cliffs to Boulogne. At the mouth of the Somme there terrain is low and sandy, with dunes in the rear. Between Dieppe and the mouth of the Seine there are numerous cligs but the experts consider it a fair invasion coast. Here is Le Havre and between it and Cherbourg are the high cliffs of the west Normandy coast.

From Cherbourg to Brest the coast is not favorable to invasion but the French coast, on the Bay of Biscay, from Loire to the Pyrenees has good beaches and ports far enough away from Germany to present difficulties to the German defenders and to compel an invading army to make considerable progress before reaching Germany.

Are You Saving Regularly Each Pay Day?

In times such as these, when salaries are abnormal, is the time to set aside a tidy sum every pay day for that "rainy day" that may be around the corner.

That is the reason we are suggesting that you open a savings account in this bank and add to it regularly; watch it grow.

You'll be surprised how much money you can save if you'll deposit to your account regularly. How much satisfaction there is in having a savings account of your own.

THE OLD JUDGE SAYS...

"Quite a stack of newspapers I left you yesterday, Judge. Aren't goin' in the newspaper business, are you?"

"No, I just enjoy reading different papers so my nephew George sends them to me whenever he takes a business trip. I got a big kick out of some he sent me from several counties *where they still have prohibition*. Particularly from some headlines that read 'Drunk Driving Arrests Rise', 'Bootleggers must post Ceiling Prices', 'Federal Agents seize 'Trick' Liquor Truck'. Doesn't that go to prove, Joe, that *prohibition does not prohibit!*

"I watched conditions pretty carefully during our 13 years of prohibition in this country. The only thing I could see we got out of it was *bootleg* liquor instead of *legal* liquor... plus the worst crime and corruption this country has ever known."
